14.07.16	1		G	Powell	55 Swarkestone Rd Barrow-upon-Trent DE73 7HF	I have received a letter from yourselves attempting to explain the above review, I find the document confusing and actually explains nothing, it is a 9 page document of waffle. So I would like to explain my position. I AM IN SUPPORT OF THE REQUEST BY BARROW-UPON-TRENT PARISH COUNCIL TO SDDC FOR THE CHANGE OF OUR PARISH BOUNDARY AS PROPOSED IN FEBUARY 2015.	Y			E
14.07.16	2		A G	Eley OBE AE MRCGP	6 Beaumont Close Barrow on Trent Derby DE73 7HQ	<p>I am a long-term resident of the village of Barrow on Trent and I am responding to the call for consultation regarding the community governance review of the parish. Barrow on Trent is fortunate in having a Parish Council which reflects the feeling of the local residents. The Parish Council have been proposing to transfer the land in question to Stenson Fields Parish over a number of years</p> <p>Changes within the parish over the last 20 years have resulted in the parish becoming isolated from the north-eastern portion of the parish.</p> <p>This followed directly from the construction of the A50 road which cut across the parish and isolated the portion of the land which is contiguous to the parishes of Stenson Fields and the City of Derby.</p> <p>Adoption of South Derbyshire District Council Local Plan Part 1 means that this land will be developed over the next 20 years as residential accommodation comprising some 2000 units.</p> <p>This would place an unreasonable change on the character of the Parish of Barrow on Trent which currently has a population of only some 500 souls.</p> <p>The new residential accommodation will be contiguous to both Stenson Fields and the City of Derby and will have no connection with the parish of Barrow on Trent and will be physically separated from the remainder of the parish by both the A50 road and the Trent and Mersey Canal.</p> <p>The proposed new development is separated by road from the built environment of the village of Barrow on Trent by a distance of 1.5 kilometres</p> <p>It will also look for its services towards the existing centre established within the Sinfin District Centre.</p> <p>These proposals have been discussed repeatedly at Parish Council meetings in Barrow on Trent and the Parish Council have established a clear view that they wish the land indicated on map</p>	Y			E

06.08.16	23		David	Stone	3 Walnut Close Barrow upon Trent DE73 7JL	We are well aware that there has been considerable debate over changes to the existing Parish Boundary in respect of the proposed developments at Stenson Fields. Given the rural nature of the village and the very limited facilities available to the residents, a large development to the north of the A50 trunk road within the current parish boundary would be difficult to absorb and would inevitably change the whole nature of the village. From the information supplied in the letter regarding the Community Governance Review sent by South Derbyshire District Council dated the 4th July 2016, we strongly agree with the proposals jointly put forward by the parish councils of Barrow upon Trent and Stenson Fields to change the boundaries of the three parishes as shown on the map i.e to reduce the size of the parishes of Barrow upon Trent and Twyford and Stenson and at the same time increase the boundaries of the Stenson Fields parish to the A38 in the west and the A50 in the south. 08.08.16	32 33	Mr Mrs	M	Sharp Sharp	37 Twyford Road Barrow-upon-Trent DE73 7HA	We support the proposal for the change of Barrow-upon-Trent parish boundary as described in the map forming part of your Community Governance Review letter dated 4th July 2016. Our reasons for supporting the proposed change are as follows: 1. Current and planned housing developments on the south side of Wragley Way would be part of Barrow-upon-Trent parish, as it stands at the present time. However, such developments would be suburban in nature and therefore better served by Stenson Fields Parish Council, which already has a large area of suburban housing within its current boundaries. 2. The village of Barrow-upon-Trent is several fields to the south of such developments and is rural in nature, with a defined perimeter. It is important that the separate rural identity of the village is maintained. 3. The A50, which is a dual carriageway major road, would form a natural boundary between Stenson Fields and Barrow-upon-Trent parishes, if the proposed change is adopted.	Y Y			E

24.08.16	62	Cllr	Linda	Chiltern	County Hall Matlock Derbyshire DE4 3AG	Thank you for your letter of 4 July under the above reference and your letter of 5 August 2016 inviting me to a public meeting at Willington Village Hall to discuss the potential effect of the Governance Review on the Parish. Having now had the time to digest all that you have explained, for which I thank you for clarification, and to discuss the situation with local residents, I now feel, more able to respond with comments.. It has been disappointing to note that there has been quite a lack of interest shown from residents in Twyford and Stenson but as it would appear that the Parish Councils of both Barrow Upon Tent and Stenson Fields both agree on the proposal for new boundaries then I can only recommend proceeding with the application to change the boundary. Please note though, that it is the wishes of the residents of Barrow Upon Trent to retain their parish name of Barrow Upon Trent without addition and I wholeheartedly agree with this wish. I do hope the forgoing is of help.	Y			L

30.08.16	67	Mr	Charles	Fellows	Chairman and Press Officer, Stenson Fields Parish Council	Historically the Parish of Stenson Fields was formed from a part of Barrow on Trent and a part of Twyford and Stenson. The new development, to the west of Stenson Rd, is a natural extension of Stenson Fields and it is a natural progression to incorporate the new development into Stenson Fields. Its historic place name is Stenson Fields, its address is Stenson Fields and Stenson Fields Parish Councillors are already raising issues relating to the new development, indeed, many residents may think they already live in the Parish of Stenson Fields. The residents of Newton Village/Saxon Gate, also, use our school, shops, public house, community facilities and playing fields. In reality they are already part of the Stenson Fields community. This will also apply to the residents of any new development south of Wragley Way and north of the A50. The joint proposal by Barrow on Trent and Stenson Fields Parish Councils makes sense, and, has the support of the two Stenson Ward District Councillors and our County Councillor. The idea that the unparished area of Twyford and Stenson could be grouped with Barrow on Trent is something that Barrow on Trent doesn't want, something that nobody has asked for, something that nobody seems to want, and, something, that could lead to reaction, resentment and unrest in the future. Conclusion:- The joint proposal By Barrow on Trent and Stenson Fields Parish Councils, is the best way forward for the greater Stenson Fields area, Barrow on Trent and Twyford and Stenson.	Y			E
31.08.16	68	Mr	David	Gossling	12 Avon Close Stenson Fields Derby	I refer to your circular of 4 th July 2016 in connection with the above matter. I was unaware of the application for this review until the letter arrived. However, I agree with the proposals tabled as I had previously thought that it would make sense for the following reasons: 1) The A50, having cut this area off from the parishes	Y			L

Date rec'd	No.	Title	First Name / Initial	Surname	Address	Comment	In favour	Against	Unknown	Code
						<p>to the south of it, has become the more natural boundary.</p> <p>2) There have been several proposals to develop the area in question which will clearly impact on Stenson Fields and indeed the housing now being erected between Stenson Road and the railway already is.</p> <p>The only question I have is the NW tip of the proposed transfer zone to the west of the railway. South of the single lane Stenson Road railway bridge there is no road connection to this corner without going over the bridge into the city and back out again. It would seem to me that inclusion of the railway bridge and road down to the NW development's access might make it easier to resolve the bridge bottleneck problem if that is achievable in this review as it is outside the South Derbyshire's area.</p> <p>Finally there does not seem to be any obvious need to change any of the parish names.</p> <p>Thank you for your efforts around this area. It is the first time I have known local councillors to be so accessible not forgetting Mark Todd's tenure as our MP who sometimes joined your surgeries and walkabouts.</p>

01.09.16	240		Helen	Eaton	Black Dub Twyford DE73 7GA	<p>I would like to comment on the consultation document received by our household.</p> <p>I understand the changes proposed are to reflect identity and interests of the communities involved and that The Council recognises that all communities have individual local issues and any decisions made will reflect those issues and be in the best interests of the area concerned.</p> <p>I have a concern that the merging of two very small rural communities Twyford and Stenson, plus a largely agricultural area (that on the map next to the current Barrow on Trent Parish) into an amorphous suburb of Derby (Stenson Fields) would not serve the interests of those communities best.</p> <p>This parish would not make a distinctive or recognisable community of interest with its own sense of identity, and I believe there would be little common interest between the two sets of communities, one urban the other rural. This would make decision making challenging.</p> <p>I would feel it is better for the villages if they must be incorporated for governance purposes to join one of the other village parishes – Willington, Barrow, Findern – where there is more likely to be community identity. From my experience schooling for children in the villages takes place in Etwall, Willington and Findern, medical provision is at Willington along with most pubs and shops, as well as the Railway Station at Willington for the limited public transport available.</p> <p>It seems odd that there is an identifiable boundary already with Stenson Fields – the A50 which I understand is the sort Parish Councils usually use as a measure of where community's divide</p> <p>I'd be very keen to hear feedback on this issue.</p>			Y	E
