Measure – PE3.1 Number of empty home intervention plans for dwellings known to be empty for more than two years.

Success - A total of 10 long-term properties have been occupied during quarter one and quarter two against a target of two. These include vacant properties at:

- Woodmans Croft
- Hall Street
- Wilson Close
- Dundee Road
- Stations Street
- Bretby Lane
- Rykneld Road (Two)
- Field View and Larch Road.

Theme - Place

Target:

support the delivery of summer activities in urban core hot spot areas for young people to participate in

Achieved

Action – Review and deliver the Safer South Derbyshire Community Safety Partnership Plan

Measure – PL4.1 Review and update existing plan. Develop and deliver action plan.

Key Milestone for quarter two was to support the delivery of summer activities in urban core hot spot areas for young people to participate in.

Success – 16 summer scheme activity sessions were delivered in urban core parks over the summer holidays in Castle Gresley, Church Gresley, Swadlincote, Midway, and Newhall. There were a total of 1078 participants at the sessions.
