

Consultation Responses Log

Response	Summary of points raised	Amendment to Draft Policy
Trading Standards	Positive response to the Policy with no issues.	No amendment made
Councillor Hewlett	Typo in paragraph 11.1 at line 2	Amendment made to remove the word 'licence' as a typo.
Councillor Harrison	Typo in paragraph 2.1 at line 2	Amendment made to amend 'principal' to 'principle'.
Hilton Parish Council	Paragraph 6.4 to be enhanced to include an obligation on the local authority to validate the application and to publish such application along with the application. Paragraph 8.10 should include a requirement that the operator carries out checks on potential employees to ensure that they are not trafficked persons.	No amendment made to the Policy as all applications are only accepted if they are valid. Incomplete applications are not accepted until all outstanding documentation has been received. No amendment made to the Policy as it is a legal requirement for employers to check employees' right to work. However, this will be included as part of an Officers' inspection.
