Dear Mr. McArdle

Covenant on land at Askew Grove, Repton

As you are probably aware the builder of the houses on the above land has been granted a plan to build 11 dwellings, but is currently appealing against the SDDC Refusal for permission to building 13.

The Parish Council has asked me to write to you to ask you to invoke the covenant on the land at Askew Grove, if the appeal for the 13 dwellings is granted.

Yours sincerely

Dear Mr. Ledger

Covenant on land at 22 28 Askew Grove, Repton

The Parish Council wrote to the Chief Executive recently about the above matter.

Having received additional information regarding the covenant on the land, we now object to present proposed development. We therefore want the covenant invoked for the proposed applications to build 6, 11, or 13 houses on the site.

We believe that these proposed developments would have an overbearing effect on neighbours.

Would you please refer this request to the Housing and Community Services Committee meeting on 12th October 2006.

Yours sincerely

Celia Bunston
Clerk to the Council
