- (c) The Erection of a Dwelling at No. 3 Hill Street, Newhall (9/2003/1281/F)**

DC/93. **UNAUTHORISED ERECTION OF DETACHED TRIPLE GARAGE - RIO VISTA, SWARKESTONE ROAD, WESTON-ON-TRENT**

It was reported that following a complaint received, site inspections at the above property had revealed that a detached garage to replace an earlier wooden structure was in the course of erection on land adjoining the highway boundary. By virtue of the building's location, a planning application was required to authorise the work and the owner was contacted accordingly. However, the owner had declined to submit an application and the work had proceeded, being completed in the form of a blockwork detached triple garage with a tiled roof.

The development was clearly unauthorised but the garage was set at a lower level than the adjoining highway and was reasonably well screened. It had no more impact than a garage of similar size which had been erected at the neighbouring dwelling and there was evidence of a previous garage on the site. The building complied with the policy framework and Planning Policy Guidance stated that it would generally be regarded as unreasonable for the local planning authority to issue an Enforcement Notice if there was no significant planning objection to the breach of control alleged in the Enforcement Notice.

Members expressed serious concern at current legislation which precluded action in connection with the owner's refusal to submit a planning application and the Leader advised that he intended to pursue this matter with the local Member of Parliament.

**RESOLVED:-**

***That no action be taken on the matter but the owner be advised of the Committee's concern at the breach of control.***

DC/94. **PUBLIC HEALTH ACT 1925, SECTION 17**  
**STREET NAMING - WOODVILLE**

It was reported that a request had been received to provide a street name for a development under construction at the former car sales premises at High Street, Woodville. The suggested name was "Majolica Mews" and the Royal Mail and the Parish Council had no objections.

**RESOLVED:-**

***That, in accordance with the provisions of Section 17 of the Public Health Act 1925, no objections be raised to the suggested name "Majolica Mews".***

DC/95. **REPORT OF THE PLANNING SERVICES MANAGER**
