

## East Midlands Devolution Consultation

The consultation will run from 14 November 2022 until  
midnight on 9 January 2023

### What is the East Midlands County Combined Authority?

On 30 August 2022, Derbyshire County Council, Nottinghamshire County Council, Derby City Council and Nottingham City Council entered into a £1.14 billion devolution deal with the Government.

The Councils have now jointly produced a draft proposal which proposes to create a new entity called the East Midlands Combined County Authority (EMCCA), including an elected Mayor.

**Please read the proposal document for more details on all elements of the deal ([www.eastmidlandsdevolution.co.uk](http://www.eastmidlandsdevolution.co.uk))**

If the proposal is implemented, existing funding and powers will move from London, directly to us in the East Midlands, which means that local voices will play a greater role in decision making, the area will secure more investment to support future regeneration and will ultimately deliver better outcomes for local communities.

### Why are we proposing these changes?

Our vision is for the 2.2 million people who live and work in the EMCCA Area to enjoy better health, greater prosperity, and an increased sense of wellbeing through the opportunities available to them within an inclusive and competitive area at the heart of the country.

We believe that the funding and powers we will receive as part of creating the EMCCA can help us to deliver this vision.

#### Our shared objectives are:

- Boosting productivity, pay, jobs and living standards
- Spreading opportunities and improving public services
- Restoring a sense of community, local pride and belonging
- Empowering local leaders and communities

The draft proposal on devolution provides a unique opportunity for the EMCCA to improve the economic, social and environmental well-being of the people who live and work in the area.

We have identified **four priorities** to focus on:

1. **Our homes** – we will work with local authorities, landowners, developers and the full range of housing providers to promote regeneration, create affordable, good quality housing options and to retrofit existing homes to be more environmentally sustainable.
2. **Our skills** - we will work collaboratively with employers, skills providers and local authorities to ensure our citizens have the opportunity to develop key skills and access opportunities to work well and build fulfilling careers. This will also help the creation of a
3. **Our transport** - we will work with transport providers inside and outside the EMCCA Area to develop our collective infrastructure and create the best possible public transport system for our citizens, reflecting the strengths already within the four Councils to set our aspirations and support regeneration.
4. **Our carbon reduction/net zero ambition**– we will work across the Area to lead the way in moving from fossil to fusion and play our part in achieving our national ambition to achieve net zero by 2050. Our ambition is that the EMCCA Area will be a leader in pioneering new forms of clean energy generation and will act as an exemplar for climate change adaptation.

### What will devolution mean?

- **£38 million** per annum over the next 30 years - with a total guaranteed funding stream of **£1.14 billion** to help level up the Area.
- The ability for **local voices to play a greater role** in setting and delivering to the Area's priorities.
- Local control over a range of budgets like the Adult Education Budget, so that we can **target our spend** to the needs of people in our communities.
- Local powers to **tackle challenges specific to our Area** and harness its true economic potential, for the benefit of everyone who lives and works here.
- A new Mayor for the Area to give us **a bigger voice, more influence, and a higher profile** to make a strong case to the Government for more investment in the Area.
- Working more effectively on a larger scale across council boundaries, further **strengthening partnership working across and between our counties and cities**; supporting future regeneration and ultimately delivering better outcomes for local communities.

This deal would **not** mean removing or merging local councils. Each council would continue to exist and would still be responsible for most public services in the area. There will be no transfer of district and borough powers as part of the draft proposal.

### What do you think?

The four councils have approved a consultation on the draft proposals. This deal would not mean removing or merging local councils.

The draft proposal document is available in the supporting documents section, along with "Frequently Asked Questions" and other documents which you may want to consider. These are available at [www.eastmidlandsdevolution.co.uk](http://www.eastmidlandsdevolution.co.uk).

This consultation asks for your views on the different priorities proposed for the EMCCA. **At the end of the survey, you will have the opportunity to provide comments on the draft proposal more generally.**

The results of the consultation will be considered in the first quarter of 2023 when the four councils are asked to consider whether to agree the final proposal for submission to Government. Following submission of the final proposal it will be considered by the Secretary of State for Levelling Up, Housing and Communities, and if they are content that the proposal meets the relevant requirements the devolution process will then be progressed, and legislation creating the EMCCA will be laid.

### Section 1 – Governance

In order that powers and funding are available, suitable governance arrangements must be put in place which provide Government with assurance that funding will be spent appropriately, and statutory functions will be delivered effectively and efficiently.

The proposed Governance will include:

- A new directly elected Mayor who will bring new powers and funding from central Government to the local level. This includes powers to set a budget and issue a precept.
- In addition, the EMCCA will feature eight members, consisting of a Lead Member and one further member appointed by each Constituent Council (Derbyshire County Council, Nottinghamshire County Council, Derby City Council and Nottingham City Council).
- The EMCCA will appoint four non-constituent members from the Area's district and borough councils.

Devolution will help us deliver this through:

- An investment in the EMCCA Area of £9 million via a Net Zero funding pot
- The opportunity to increase the Area's electricity network capacity

This will allow us to consider health and well-being throughout the EMCCA's activities as well as enable work on local issues where health plays a key role, for example, tackling homelessness and rough sleeping.**

Devolution will help us deliver this by:

- Ensuring that improving and protecting the public's health is a central consideration to everything the EMCCA does, including in environmental considerations, planning, regeneration and transport
- Providing the EMCCA, under the NHS Act 2006, with the opportunity to deliver public health initiatives throughout the Area
