Hello Ruth

1. I confirm I agree to comply with all conditions suggested by the Derbyshire Constabulary.
2. I agree to all conditions suggested by Environmental Health **except for condition 3:**  
"Windows and doors should be kept closed during any event whereby live or recorded music is played except for access and egress"

I would like this condition to read:

"Windows and doors should be kept closed **after 10pm** during any event whereby live or recorded music is played except for access and egress"

Best

Dear Lizzy,

I have attached the proposed conditions below from the Derbyshire Constabulary and Environmental Health.

Could you please confirm if you have agreed these conditions with the responsible authorities and that you are happy for these conditions to be placed on your premise licence.

Please note the last amendment from Environmental Health on the last page.

Should you require any further assistance or wish to discuss this further please contact me

Kind regards

Ruth
