Details of representation.....

In the past ie. before this new ownership, there was considerable noise from late night events, this being a nuisance to myself & visiting families, especially at week ends. I wish to ask the Committee to insist on closed windows and noise limiters, especially after 10pm. The noise level should be specified and measurable.

I also request CCTV cameras with access to film, should there be problems on the public highway & pavements. Anti-social behaviour from those using and leaving other licenced premises in the area has affected noise levels, trespass on my property and bodily harm to those involved.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

Once the Licensing Section has received this form you will receive a written acknowledgement and you may be contacted to discuss the issue prior to any referral to a sub-committee hearing.
