
REPORT TO:	FINANCE & MANAGEMENT COMMITTEE	AGENDA ITEM:
DATE OF MEETING:	30 NOVEMBER 2006	CATEGORY: RECOMMENDED
REPORT FROM:	DEPUTY CHIEF EXECUTIVE	OPEN
MEMBERS' CONTACT POINT:	IAN REID (5790)	DOC: s:\cent_serv\committee reports\finance and management\2006\30 november 2006\ideas into action.doc
SUBJECT:	IDEAS INTO ACTION	REF: IR/SAC
WARD(S) AFFECTED:	ALL	TERMS OF REFERENCE:

1.0 Recommendations

- 1.1 That the Committee note the ideas submitted during the recent campaign and determines any specific requirements you may have for the period 2007/10.
- 1.2 The Committee considers any specific actions it wishes to progress in the short term which they wish to be considered with the proposals from the other Policy Committees in the following report on this agenda.

2.0 Purpose of Report

- 2.1 To inform the Committee about the responses to the 'Ideas into Action' Campaign and make resolutions concerning actions the Committee wishes to progress in the current financial year.

3.0 Detail

- 3.1 Following the recent 'Ideas into Actions' Campaign the summary report was considered by Full Council on the 9th November. A copy of that report with its Annexes is attached to this report at Annexe A.
- 3.2 That report lists all the ideas submitted and, in Annexe 1 to the report, groups some of them into key issues with proposals that could be progressed relatively quickly.
- 3.3 It is not proposed to repeat the detail of that report here but the Council resolve that all Policy Committees should consider the ideas submitted and make recommendations to this committee meeting, regarding the proposals they wish to bring forward both in the short and the longer term. This Committee is therefore asked to consider any actions it wishes to progress. These will be considered, together with the views of the other Policy Committees, in a report that follows on this agenda.

REPORT TO:	COUNCIL	AGENDA ITEM:
DATE OF MEETING:	9 TH NOVEMBER 2006	CATEGORY: DELEGATED/ RECOMMENDED OPEN/EXEMPT PARAGRAPH NO:
REPORT FROM:	<u>DEPUTY CHIEF EXECUTIVE</u>	
MEMBERS' CONTACT POINT:	IAN REID (5790)	DOC: s:\cent_serv\committee reports\council\9 nov 06\ideas into action.doc
SUBJECT:	IDEAS INTO ACTION	REF: IR/SAC
WARD(S) AFFECTED:	ALL	TERMS OF REFERENCE:

1.0 Purpose of Report

- 1.1 To inform the Council of the broad outcome of the "Ideas into Action" consultation exercise and make recommendations regarding how we progress those ideas and the issues they raise.

2.0 Recommendations

- 2.1 That the Council notes the issues arising from "Ideas into Action" consultation and recognises them in our service and budget plans for the future.
- 2.2 That Policy Committees consider the ideas submitted and determine their preferred actions, and make appropriate recommendations to Finance and Management Committee on 30 November. These may include submission of service development proposals for the Budget 2007/10 and proposals for more immediate actions that require one off or low level funding.

3.0 Detail

The Consultation Process

- 3.1 We launched the campaign at the Parish Forum meeting and it featured at all the Area Meetings in the summer. Ideas were submitted on short simple forms, our website or handwritten notes. The closing date for submission was 4 October but this deadline was extended, principally for Parish Councils and to fit in with their meeting schedule.
- 3.2 We received 65 ideas, which included: -
- Specific complaints about issues such as untidy land
 - Requests for improved services to the whole district, such as collecting plastics for recycling
 - Ideas for local initiatives that require funding or other support to get the idea launched.

- Suggestions where the Council has little influence, such as dismantling electricity pylons and laying the cables underground

3.3 All suggestions have been acknowledged by letter and will receive a detailed response when we have decided the best course of action.

Where we can take action on a complaint straight away we are doing so and will inform the individual of what we are doing, when it will happen and a contact name of who is responsible.

Where there is no cost, we will review whether we can implement the suggestion sooner than that. In both cases, we will inform individuals of the outcome.

Where we are not responsible for the service, we have passed the suggestion on to the relevant body or partner. We try to ensure that the individual receives a satisfactory response to their idea.

3.4 A summary of all the ideas submitted is attached at Annexe 2.

The Overall Picture

3.5 We have analysed the list of ideas and the majority can be grouped into a smaller number of key issues. It is important that we respond to the issues that are behind the individual ideas so that we do not just respond to individual current problems or complaints. The key issues we have identified are listed below.

- Litter / Cleanliness
- Graffiti
- Better Recycling Facilities / Collections
- Untidy Sites
- More Trees, Flowers and Spring Bulbs
- Traffic Issues, Highway Maintenance and Improvements
- Support for Neighbourhood Watch
- Better Facilities for Children and Young People

3.6 Ideas for improving services across the district or developing local initiatives that will cost more money will need to be considered by Members. Some of these have significant costs and will need a Service Development Proposal that will be scored within the Budget process.

3.7 Others have relatively small one off or ongoing costs that Members may wish to consider outside of that process. The thrust of the initiative was ACTION and we ought to consider whether we can react quickly to some of the low cost ideas. Some of the ideas within the emerging key issues have been considered by the Corporate Management Team and these are listed in the table at Annexe 1, with suggestions about action and timescales. CMT have also identified a number of generic actions that respond to the issues that lie behind the suggestions, particularly in relation to cleaner and greener issues.

Proposed Actions

- 3.8 Policy committees will have their own thoughts about the suggestions and how we should prioritise our responses. It is therefore suggested that each policy committee considers this report so that they can consider and determine their position in relation to these suggestions.
- 3.9 Finance and Management Committee are scheduled to review the budget position at their meeting on 30 November and there may be an opportunity at that time to provide funding for some of the one off or low cost suggestions. It would be appropriate for the 2 other policy committees to make prioritised recommendations for these so that Finance & Management Committee could approve a list of short term proposals, should finance be available.

4.0 Conclusions

- 4.1 The consultation process has engaged a number of individuals and organisations across the district and the majority of ideas suggested fall into broad headings that are strongly related to our published priorities.
- 4.2 There is now an opportunity to deliver on a number of these ideas and, after consultation with the Policy Committees, Finance and Management Committee could consider allocating available resources to some of the one off or low cost proposals.
- 4.3 If we can respond positively to a significant number of the ideas submitted, it will deliver improvements in the area of our Corporate Plan priorities and also show a clear commitment to listening to our communities and acting on what they are telling us.

ANNEXE 1

	Timescale	Budget
Litter and Cleanliness		
Re-launch our 0800 hotline to include <ul style="list-style-type: none"> All litter issues Fly tipping Untidy sites 	ASAP	Existing
Set early top quartile targets fro all cleanliness BVPIs (1999 & 218)	2007/8	TBA
Install and service 50% more litter bins. Stop recharging Parish Councils for litter bins.	ASAP	TBA
Make all graffiti visible to the public a priority for urgent action	Immediate	Existing
More litter / waste education in schools	2007 on	TBA

Planning / Environmental Policy		
Promote the proposed LSP conference on the Regional Spatial Strategy (7 December) to the wider community, especially Parish Councils.	Immediate	Existing

Ref. No.	Description of Idea
2	Clean up eyesore (ex garage) corner of Queens Drive/Union Rd. Also Builders Yard behind.
3	One way traffic system around Melbourne.
4	Letter enclosed with 9 ideas. (1) Street Cleaning in Newhall (2) Educate Schoolchildren - litter (3) Community Wardens visit urban areas regular (4) Green Machine visit urban areas regularly (5) Provision for young eg youth shelter on Newhall Park (6) Untidy sites require action (7) Newhall needs footpaths and cycleways (8) Unsightly hedges and grass verges B5353 (Stanton to Newhall) (9) Cllr to be asked of ideas to improve environment.
5	Grit box with salt in Colliery Row to use by residents.
6	Opposite Pottery House to get away from speeding traffic. Open up historic tramway to enable public to walk safely.
7	To tidy up the section of the Maurice Lea Park opposite Tesco Express same as rest of park.
8	Establishment of off-road cycle tracks
9	Clean up litter and graffiti around South Derbyshire
10	Provide a bin for plastics as most food is wrapped in plastic
11	Grant for household CCTV. Could be linked to Neighbourhood Watch'
12	cctv in Swadlincote Town Centre to help reduce anti social behaviour and crime and number of gangs of youths congregating in Town Centre.
13	Protect Well Lane, Repton from further urban development
14	Appearances are important to keep - encourage community to have pride in their area.
15	Plant trees in grass verges along roads to make the streets greener and bring the forest to the people.
16	More water sports - use River Trent at Walton.
17	Enforce dog fouling in streets leading to Maurice Lea park.
18	A lot of time spent on National Forest - what about Gresley Wood, litter bins or flytipping notices.

19	A mini island at the top of Coronation Street/Nelson Street.
20	Get teenagers off the streets provide a youth club.
21	Plant daffodil bulbs in area near ski slope before it is turfed to give spring colour next year to replace lost flowers.
22	The area outside Castle Gresley Shops could be cleaned and made safer. Lots of rubbish, youths need to be kept under control.
23	More roadside recycling i.e. brown bins, green boxes etc.
24	(1) Compost bins (2) Small children's play park in Boulton Moor.
25	Live in weston and feel that the local countryside would be greatly improved if the number of electricity pylons are reduced.
26	An alternative crossing of the River Trent at Swarkestone before the ancient monument collapses.
27	The cleaning of paint on subway walks
28	(1) Clean up Jitties between Halifax, Instore. (2) Repair damaged wall Boots car park entrance Belmont Street.
29	Need more neighbourhood watch signs.
30	We list goods to recycle in Green Boxes - Give us a bigger bin with wheels and cannot lift if green bin full.
31	Reduce Council Tax by reducing costs this paper would be a start
32	Repair and keep in good working order childrens parks in Mickleover Park and Vicarage Road.
33	(1) Get big lorries out of village would make it greener, cleaner. (2) Provide a leisure hall or more sports facilities for the youth of the village to stop them congregating in groups and leaving litter.
34	(1) A play area for the children at Stanton by Bridge - no facilities here at all for the increasing number of children in the village, this would promote healthier living.

35	(2) More kerbside recycling to include plastic, cardboard, garden refuse. Perhaps a plastic bottle container bank to be located in the village, perhaps next to the bottle banks already located at the village hall.
36	(1) Move railway station to willington power station site (2) build larger social club with area for nature. (3) Recycle bins.
37	(1) Gym for young and old (2) less traffic through Hatton.
38	Recycling of plastic be introduced (70% of my rubbish is plastic).
39	Plastic carrier bag recycling bin in Melbourne.
40	Organise a walking festival. Introduce a South Derbyshire trail or long distance path to improve the paths and inadequate signage.
41	(1) 30mph speed limits in all villages (2) setting up domestic refuse site in the north of SD District, possible Hilton/Hatton. (3) More cultural activities to be made available to rural communities.
42	(1) Grass cutting collected and taken for recycling to prevent drains blocking and grass verges would look better (2) Collection of Plastics.
43	More frequent collection of litter from verges in rural areas (particularly after infrequent grass cutting - when litter is exposed
44	Provide litter bins in lay-bys on main roads A38/A52, especially where lorries park overnight. Obviously need to be emptied frequently e.g. Monks Bridge Lay-by disgustingly dirty).
45	Fence the back of the bungalow to make private
46	Gayborder Nursery in Kings Newton - Actively consider using this unused and derelict land to be used for a play area for children. Either negotiating the land usage with owners for a small centre - or if not negotiate compulsory purchase.
47	Consider way of using the River Trent to provide leisure facilities for the region.
48	SDDC to take over repair and maintenance of roads and pathways in the village, as it is already done by SDDC in Swadlincote (Melbourne's roads are the 'third world')

49	(1) House collection of general paper and cardboard - current newspaper collection is very limiting (2) Why can the glass/tins collection also collect plastics.
50	Tidy up and replant in places - Gresley Wood at bottom of Gresley Wood Road.
51	Fence off and plant shrubs on back gardens on Cleveland Close to prevent youth nuisances.
52	Landscape and plant trees and shrubs on play area to prevent youth nuisance and ball games on Fabis Close play area.
53	Put up youth shelter on Hearthcote Road by Handsacre close, can then be seen by Police when driving by.
54	Roll out brown bins faster.
55	Support Woodville Parish Council (possibly via Groundwork) to produce a parish plan to determine community need following development on a large scale and a area action plan.
56	Improve the area at the corner of High Street/Sun Street, Woodville. This is continually an area subject to planning enforcement. Could be made a green pleasant public environment, but would need the co-operation from the land owner who's only interest is the adjacent advertisement hoarding.
57	Review parking and traffic on Bernard Street, Granville Street, Frederick Street area to prevent it being used as a "rat run".
58	Define and implement our intentions for areas on Swadlincote Woodlands that have deteriorated through vandalism, also remove reeds from ponds.
59	Complete/Improve Swadlincote Woodlands at the rear of Bernard Street.
60	Rosliston village has been invited to represent East Midlands in Bloom in the national competition Britain in Bloom, if we did this it would make the area cleaner greener, safer and healthier and promote tourism.
61	Improve Melbourne High Street with hard landscape features (scheme already developing by Groundwork).

62	Put signs up around Woodville Rec. and change the gates so that motorbikes cannot get on. Some security needed to catch the culprits.
63	Black bins emptied weekly to prevent maggots forming in bins, particularly during summer months. Improved housekeeping at Twyford Road Playing Fields Recycling Centre. Visits by the Clean Team scheduled as well as by request. Return of Dog Warden.
64	Use more 'green energy' to power the football changing rooms on Strawberry Lane Play Fields. In particular use solar panels for water preheating and to fit 2 small wind turbines for electricity production. This would be coupled with the replacement of the present rotting window frames with double glazed units.
65	Illuminate the tall chimney adjacent to Morrisons Supermarket.

RESOLVED:-

That the Committee notes the ideas submitted during the recent "Ideas into Action" Campaign.

FM/91. IDEAS INTO ACTION - PROPOSALS FOR 2006/07

The Committee received a report which enabled it to consider the views of the Environmental and Development Services and Housing and Community Services Committees on proposals for delivering "Ideas into Action" and determine any actions it wished to progress in the current financial year.

Previously on the agenda for this Meeting, the Committee had considered a report concerning the ideas submitted to the Council as a result of the recent "Ideas into Action" initiative. The report detailed an analysis of the comments and set out proposals within the key issues that emerged from the full list of items. The Policy Committees had indicated they were broadly supportive of the ideas submitted by the public and of the particular proposals included at Annexe 1 of the report to Council. Neither Policy Committee had suggested any ideas that they wished to propose at this time. Further work on the list of proposals had been undertaken by Officers in consultation with the Chairs of the two Policy Committees. A revised list of potential proposals that could be progressed in the current financial year was attached as Appendix 1 to the report. The Committee was requested to consider the proposals at Appendix 1 that could be delivered in 2006/07 and determine those they wished to action immediately. It was confirmed that other proposals would be considered in the budget process for the Council plans for 2007/10. The cost of each proposal was detailed in Annexe 1. The total three year cost of all the 2006/07 proposals would be £45,000 in 2006/07 and £60,000 over the period 2007/10, providing a total cost of £105,000 to March 2010.

RESOLVED:-

- (1) *That the "Ideas into Action" proposals detailed at Annexe 1 of the report be approved.*
- (2) *That the Deputy Chief Executive be requested to submit a report on those "Ideas into Action" bids which are not included in Annexe 1 of the report for consideration by the Council.*

FM/92. IMPROVEMENT PANEL - 8TH NOVEMBER 2006

The Committee considered the Minutes of the Improvement Panel from its Meeting on 8th November 2006.

RESOLVED:-

That the Minutes of the Improvement Panel from its Meeting held on 8th November 2006 be received.

Ref. No.	Ward	Description of Idea	Current Status	Action Completed
1	Midway	Clean up eyeshore (ex garage) corner of Queens Drive/Union Rd. Also Builders Yard behind.	Action by Council/Resolved -	Completed - site tidied - new development proceeding and will be monitored.
2	Melbourne	One way traffic system around Melbourne.	Passed to partner -	Awaiting reply from Derbyshire County Council.
3	Newhall & Stanton	Letter enclosed with 9 ideas. (1) Street Cleaning in Newhall (2) Educate Schoolchildren - litter (3) Community Wardens visit urban areas regular (4) Green Machine visit urban areas regularly (5) Provision for young eg youth shelter on Newhall Park (6) Untidy sites require action (7) Newhall needs footpaths and cycleways (8) Unightly hedges and grass verges B5353 (Stanton to Newhall) (9) Clir to be asked of ideas to improve environment.	Service Development Bids - (1) (2) (3) (4) Waste Education and Second Clean Team (5) Play Equipment Bid Action by Council - (5) Play Equipment plan being produced idea into Action Proposal - (7) Suggestions - awaiting results of bids Passed to partner (DCC) - (8) Awaiting reply	Many improvements in street cleaning for Newhall, detailed in a letter and complete More investment depending on budget outcome. Awaiting reply from Derbyshire County Council.
4	Church Gresley	Grit box with salt in Colliery Row to use by residents	Passed to partner -	Awaiting reply from Derbyshire County Council.

6	Church Gresley	To tidy up the section of the Maurice Lea Park opposite Tesco Express same as rest of park.	Service Development Bid - Chapel and War Memorial Gardens	More investment depending on budget outcome.
7	Swadincote	Establishment of off-road cycle tracks	Action by Council/Resolved -	Completed - The Council has an adopted Cycling Strategy.

Ref. No.	Ward	Description of Idea	Current Status	Action Completed
8		Clean up litter and graffiti around South Derbyshire	Service Development Bid - Second Clean Team Action by Council/Resolved -	This year the Council has begun graffiti clearance on private property visible in public places.
9	Woodville	Provide a bin for plastics as most food is wrapped in plastic	Service Development Bid - Recycling Plastics Action by Council/Resolved - Idea into Action Proposal - YES x 2	Review of recycling best practice and options completed. Debate scheduled for January Committee. However a new scheme would take 12 months minimum to introduce.
10	Church Gresley	Grant for household CCTV. Could be linked to Neighbourhood Watch	Service Development Bid - Fear of Crime Bid	More investment depending on budget outcome.
11	Swadlincote	cctv in Swadlincote Town Centre to help reduce anti social behaviour and crime and number of gangs of youths congregating in Town Centre.	Service Development Bid - Fear of Crime Bid	More investment depending on budget outcome.
12	Repton Ward	Protect Well Lane, Repton from further urban development	Action by Council/Resolved -	Completed - site is protected by policies in current Local Plan and the individual's name has been added to the database for consultation on LDF policies.
13	Hartshorne & Ticknall	Appearances are important to keep - encourage community to have pride in their area.	Action by Council/Resolved -	To be included in work of the Open Space Officer
14	Hartshorne & Ticknall	Plant trees in grass verges along roads to make the streets greener and bring the forest to the people.	Service Development Bid - Tree and Bulb Plant Scheme Action by Council/Resolved -	Free trees already given out
15	Seales	More water sports - use River Trent at Walton.	Service Development Bid - Community Volunteering in Sport project	More investment depending on budget outcome.
16	Church Gresley	Enforce dog fouling in streets leading to Maurice Lea park	Service Development Bid - Extra Warden Action by Council/Resolved - Idea into Action Proposal - YES x 1	Existing wardens are now patrolling Maurice Lea Park x 3 times a day and including evenings.

Ref. No.	Ward	Description of Idea	Current Status	Action Completed
17	Swadlincote	A lot of time spent on National Forest - what about Gresley Wood, litter bins or flytipping notices	Service Development Bid - Increase in Litterbin Provision Action by Council/Resolved - Idea into Action Proposal - YES x 1	Tree works and litter picking done. More investment depending on budget outcome.
18	Swadlincote	A mini island at the top of Coronation Street/Nelson Street	Passed to partner -	Awaiting reply from Derbyshire County Council.
19	Hatton	Get teenagers off the streets provide a youth club	Service Development Bid - Play Equipment and Youth Engagement Bids Action by Council/Resolved -	Safer Neighbourhood Wardens regularly patrolling and approaching youths. More investment depending on budget outcome.
20	Woodville	Plant daffodil bulbs in area near ski slope before it is turfed to give spring colour next year to replace lost flowers	Service Development Bid - Tree and Bulb Plant Scheme	More investment depending on budget outcome.
21	Linton	The area outside Castle Gresley Shops could be cleaned and made safer. Lots of rubbish, youths need to be kept under control	Service Development Bid - Second Clean Team/ Waste Education/Youth Engagement Bids	More investment depending on budget outcome. Safer Neighbourhood Wardens regularly patrolling and approaching youths.
22	Church Gresley	More roadside recycling i.e. brown bins, green boxes etc	Service Development Bid - Recycling Plastics Action by Council/Resolved - Idea into Action Proposal - YES x 2	Review of recycling best practice and options completed. Debate scheduled for January Committee. However a new scheme would take 12 months minimum to introduce.
23	Aston	(1) Compost bins (2) Small children's play park in Boulton Moor	Service Development Bid - (1) No (2) Play Equipment Bid Action by Council/Resolved - Play Facility Plan being prepared	Proposals to provide everyone with compost bins sooner to be put to January Committee. This would provide them to 95% of households by next September. More investment depending on budget outcome.
24	Aston	Live in weston and feel that the local countryside would be greatly improved if the number of electricity pylons are reduced	Letter to Central Networks.	Reply awaited.

Ref. No.	Ward	Description of Idea	Current Status	Action Completed
25	Aston	An alternative crossing of the River Trent at Swarkestone before the ancient monument collapses	Passed to partner -	Awaiting reply from Derbyshire County Council.
26	Linton	The cleaning of paint on subway walks	Passed to partner -	Awaiting reply from Derbyshire County Council.
27	Swadlincote	(1) Rats outside Collingwood Day Centre (2) Clean up Jittys between Halifax, Instore. (3) Repair damaged wall Boots car park entrance Belmont Street.	Action by Council/Resolved -	Rats were comprehensively treated immediately. Jitties now being cleaned and wall has been repaired. Enforcement powers will be used to ensure jitties kept clean in future.
28	from London	Need more neighbourhood watch signs.	Service Development Bid - Fear of Crime Project	More investment depending on budget outcome.
29	Aston	We list goods to recycle in Green Boxes - Give us a bigger bin with wheels and cannot lift if green bin full	Service Development Bid - Recycling Plastics Action by Council/Resolved - Idea into Action Proposal - YES x 2	Review of recycling best practice and options completed. Debate scheduled for January Committee. However a new scheme would take 12 months minimum to introduce.
30	Melbourne	Reduce Council Tax by reducing costs this paper would be a start	Letter to individual explaining Council's approach to consultation.	
31	Etwell	Repair and keep in good working order childrens parks in Mickleover Park and Vicarage Road	Action by Council/Resolved -	Not transferred but If ours we would be maintaining.
32	Hatton	(1) Get big lorries out of village would make it greener, cleaner. (2) Provide a leisure hall or more sports facilities for the youth of the village to stop them congregating in groups and leaving litter	Service Development Bid - Play Equipment Bid Action by Council/Resolved - Play Facility Plan being prepared	More investment depending on budget outcome.

Ref. No.	Ward	Description of Idea	Current Status	Action Completed
33	Repton	(1) A play area for the children at Stanton by Bridge - no facilities here at all for the increasing number of children in the village, this would promote healthier living.	Service Development Bid - Play Equipment Bid Action by Council/Resolved - Play Facility Plan being prepared	More investment depending on budget outcome.
34	Repton	(2) More kerbside recycling to include plastic, cardboard, garden refuse. Perhaps a plastic bottle container bank to be located in the village, perhaps next to the bottle banks already located at the village hall.	Service Development Bid - Plastic Recycling Action by Council/Resolved -	More plastic bottle banks have been provided where possible with current resources. Report for funds submitted to pay for more.
35	Willington & Findern	(1) Move railway station to willington power station site (2) build larger social club with area for nature. (3) Recycle bins	(1) Passed to Derbyshire County Council (2) No action proposed (3) Review of recycling best practice and options completed. Debate scheduled for January Committee. However a new scheme would take 12 months minimum to introduce.	
36	Hatton	(1) Gym for young and old (2) less traffic through Hatton.	Service Development Bid - Play Equipment and Youth Engagement Bids	More investment depending on budget outcome.
37	Aston	Recycling of plastic be introduced (70% of my rubbish is plastic)	Service Development Bid - Recycling Plastics Action by Council/Resolved - Idea into Action Proposal - YES x 2	Review of recycling best practice and options completed. Debate scheduled for January Committee. However a new scheme would take 12 months minimum to introduce.
38	Melbourne	Plastic carrier bag recycling bin in Melbourne	Action by Council/Resolved -	Examining scope to provide receptacles at all sites.
39	Melbourne	Organise a walking festival. Introduce a South Derbyshire trail or long distance path to improve the paths and inadequate signage.	Service Development Bid - "Get Active in the Forest"	More investment depending on budget outcome.

Ref. No.	Ward	Description of Idea	Current Status	Action Completed
40		(1) 30mph speed limits in all villages (2) setting up domestic refuse site in the north of SD District, possible Hilton/Hatton. (3) More cultural activities to be made available to rural communities.	Service Development Bid - (2) Young Peoples Cultural Project and Swadfest	More investment depending on budget outcome.
41	Linton	(1) Grass cutting collected and taken for recycling to prevent drains blocking and grass verges would look better (2) Collection of Plastics	Service Development Bid - (2) Recycling Plastics	(1) Not feasible to collect cut grass from verges or open space. (2) Review of recycling best practice and options completed. Debate scheduled for January Committee. However a new scheme would take 12 months minimum to introduce. More investment depending on budget outcome.
42	Etwell	More frequent collection of litter from verges in rural areas (particularly after infrequent grass cutting - when litter is exposed)	Service Development Bid - Second Clean Team	More investment depending on budget outcome.
43	Etwell	Provide litter bins in laybys on main roads A38/A52, especially where lorries park overnight. Obviously need to be emptied frequently e.g. Monks Bridge Layby disgustingly dirty)	Service Development Bid - Increase Litter Provision	More investment depending on budget outcome.
44	Swadlincote	Fence the back of the bungalow to make private	Action by Council/Resolved -	Land ownership now identified. Leisure and Community Development to contact householder.
45	Melbourne	Gayborder Nursery in Kings Newton - Actively consider using this unused and derelict land to be used for a play area for children. Either negotiating the land useage with owners for a small centre - or if not negotiate compulsory purchase.	Service Development Bid - Play Equipment Bid Action by Council/Resolved -	More investment depending on budget outcome. Produce Play Facility Plan
46	Melbourne	Consider way of using the River Trent to provide leisure facilities for the region.	Service Development Bid - Community Volunteering in Sport Project	More investment depending on budget outcome
47	Melbourne	SDDC to take over repair and maintenance of roads and pathways in the village, as it is already done by SDDC in Swadlincote (Melbourne's roads are the 'third world')	Passed to partner -	Awaiting reply from Derbyshire County Council.

Ref. No.	Ward	Description of Idea	Current Status	Action Completed
48	Melbourne	(1) House collection of general paper and cardboard - current newspaper collection is very limiting (2) Why can the glass/tins collection also collect plastics	Action by Council/Resolved -	New composting proposals will be put to January Committee and "In Vessel" method will be extended to many homes in the next 12 months. This allows cardboard to be put in brown bin.
49	Swadlincole	Tidy up and replant in places - Gresley Wood at bottom of Gresley Wood Road.	Action by Council/Resolved -	Land ownership now identified. Leisure and Community Development to contact householder.
50	Swadlincole	Fence off and plant shrubs on back gardens on Cleveland Close to prevent youth nuisances	Action by Council/Resolved -	Land ownership now identified. Housing to contact tenant.
51	Swadlincole	Landscape and plant trees and shrubs on play area to prevent youth nuisance and ball games on Fabis Close play area	Service Development Bid - Fabis Close Revenue and Capital	More investment depending on budget outcome.
52	Swadlincole	Put up youth shelter on Heathcote Road by Handsacre close, can then be seen by Police when driving by.	Service Development Bid - Play Equipment Bid Action by Council/Resolved -	More investment depending on budget outcome. Produce Play Equipment Plan
53		Roll out brown bins faster	Action by Council/Resolved -	Proposals to provide everyone with compost bins sooner to be put to January Committee. This would provide them to 95% of households by next September. More investment depending on budget outcome.
54	Woodville	Support Woodville Parish Council (possibly via Groundwork) to produce a parish plan to determine community need following development on a large scale and a area action plan	Action by Council/Resolved -	Will discuss with LSP and consider use of Groundwork SLA to support Parish Plan work.

Ref. No.	Ward	Description of Idea	Current Status	Action Completed
55	Woodville	Improve the area at the corner of High Street/Sun Street, Woodville. This is continually an area subject to planning enforcement. Could be made a green pleasant public environment, but would need the co-operation from the land owner who's only interest is the adjacent advertisement hoarding.	Action by Council/Resolved -	Investigating options for an improvement scheme, possibly in conjunction with Groundwork and Parish Council.
56	Woodville	Review parking and traffic on Bernard Street, Granville Street, Frederick Street area to prevent it being used as a "rat run".	Passed to partner -	Awaiting reply from Derbyshire County Council.
57	Woodville	Define and implement our intentions for areas on Swadlincote Woodlands that have deteriorated through vandalism, also remove reeds from ponds.	Action by Council/Resolved -	To be looked at by new Open Space Development Officer when in post
58	Woodville	Complete/improve Swadlincote Woodlands at the rear of Bernard Street.	Action by Council/Resolved -	Successful Land fill tax bid. Work to follow.
59	Rosliston	Rosliston village has been invited to represent East Midlands in Bloom in the national competition Britain in Bloom, if we did this it would make the area cleaner greener, safer and healthier and promote tourism.	Idea into Action Proposal -	More investment depending on budget outcome.
60	Melbourne	Improve Melbourne High Street with hard landscape features (scheme already developing by Groundwork)	Action by Council/Resolved -	Groundwork scheme approved by Finance and Management Committee on 30th November.
61	Woodville	Put signs up around Woodville Rec. and change the gales so that motorbikes cannot get on. Some security needed to catch the culprits	Action by Council/Resolved -	Street briefing held with Police and signs erected

Ref. No.	Ward	Description of Idea	Current Status	Action Completed
62	Stenson Fields	Black bins emptied weekly to prevent maggots forming in bins, particularly during summer months. Improved housekeeping at Twyford Road Playing Fields Recycling Centre. Visits by the Clean Team scheduled as well as by request. Return of Dog Warden.	Action by Council/Resolved -	New "In Vessel" composting method will allow kitchen waste to go in brown bin so a weekly option for collection will be available. Dog Warden was replaced with 3 Safer Neighbourhood Wardens and coverage has been dramatically improved.
63	Repton	Use more 'green energy' to power the football changing rooms on Strawberry Lane Play Fields. In particular use solar panels for water preheating and to fit 2 small wind turbines for electricity production. This would be coupled with the replacement of the present rotting window frames with double glazed units.	Action by Council/Resolved -	No proposal.
64	Swadlincote	Illuminate the tall chimney adjacent to Morrisons Supermarket	Action by Council/Resolved -	Not completed - Will suggest to owners.
65	Linton	Following discussions with youth of area they would like a meeting shelter and graffiti walls on Arthur Street Castle Gresley	Service Development Bid - Play Equipment Bid	More investment depending on budget outcome.
