Petition to South East Derbyshire Council and Licensing Department

Page 1 Ref 494

Petition summary and background	There are 26 public houses closing every week due to the importation of cheap alcohol, supermarket loss leaders and the indoor smoking ban. We must prevent further closures and prevent restrictions being placed on a struggling industry. The Alma Inn has suffered through several attempts to curtail its activities by one or two neighbours although the licensee has always followed the ruling to the letter and put in noise metering, no smoking signs and preventing alcohol being consumed in the patio area after 2200 until 1100		
Action petitioned for	We, the undersigned, are concerned customers who urge the Licensing & Planning department to act now to; Remove the punitive restrictions on the Patio and Outdoor Smoking Area of The Alma Inn, 59 Derby Road Melbourne DE73 8FE
