Which of the four licensing objectives does your representation relate to?	Yes Or No	Please detail the evidence supporting your representation. Or the reason for your representation. Please use separate sheets if necessary
To prevent crime and disorder	No	
Public safety	Yes	
To prevent public nuisance	Yes	<p>The applicants are Elizabeth and Adam Devey-Smith. the current premises licence holder</p> <p>It is the belief of the Chief Officer of Police that allowing the extension of the hours for consumption of alcohol in the rear garden of the premises and for the same at the front of the premises would have an adverse impact on two of the licensing objectives, these being the Prevention of Public Nuisance and Public Safety</p> <p>Condition 25 on the current licence was specifically added to help prevent and control noise and antisocial behaviour affecting the neighbours who adjoin the beer garden at the rear of the premises. This was added following many reports from neighbours complaining about noise and antisocial behaviour.</p> <p>This condition was upheld by the Sub Licensing Committee who sat in hearing, when the request was put forwards previously.</p> <p>"The rear beer garden (cross-hatched on the attached plans) shall be closed at 10pm, except for smoking, and no drinks</p>

		<p>or food shall be consumed outside after this time. Notices shall be displayed to that effect in that area. The area to the front of the premises facing Derby Road, and the area between the premises and 48 Derby Road (stripped on the attached plans) shall be closed at 8pm, and no drinks shall be consumed in this area after this time. This area shall not be opened until 8am the following day."</p> <p>In respect to the front of the property being used for the consumption of alcohol until 2300hrs, I would suggest that the space is too small and there are no barriers between the consumption area and the highway, therefore making it a risk for drinkers who potentially by this time will have consumed more alcohol than they would at the previous cut off time of 2000hrs. I believe extending the time to 2300hrs would breach the public safety objective.</p> <p>Please take this as formal notification of a representation from the Chief Officer of Police for Derbyshire Constabulary, made under Section 18(3) of the Licensing Act 2003.</p>
To protect children from harm	No	

<p>Suggested conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing and Appeals Sub Committee to take into account. Please use separate sheets where necessary and refer to checklist.</p>

Which of the four licensing objectives does your representation relate to?	Yes Or No	Please detail the evidence supporting your representation. Or the reason for your representation. Please use separate sheets if necessary
To prevent crime and disorder	Yes	<p>The Amalfi White Bar and Restaurant is an on-licensed premises situated within the heart of Melbourne and is bordered by residential dwellings. It has a very small frontage area which has no clearly defined boundary between the frontage and the pavement of Derby Road other than the change in surface ie. No bordering wall. The large rear garden area of the premises can only be accessed from the premises itself.</p> <p>The request by the applicants to remove the current condition, number 25, to enable the premises to utilise the rear garden area and the front area of the premises for the consumption of alcohol until 2300hrs gives cause for concern that the four licensing objectives would be undermined.</p> <p>As stated, the area to the front is a small area with no clear defined barrier between the premises frontage and the highway. Derby Road is a busy highway for both vehicular and pedestrian traffic. Humans by nature are a social interacting species and coupled with the consumption of alcohol their inhibitions are further reduced.</p> <p>Therefore, the probability of members of the public and local residents going about their daily business and patrons of the premises socialising in such a small space and coming into contact is highly probable.</p> <p>An increase in the hours from 8pm to 11pm to enable further consumption of alcohol whilst utilising this small compact area has a high probability factor for confrontation between parties and an increase in noise from those socialising within this area and therefore, I submit it would have an adverse impact on and undermine all four of the licensing objectives.</p> <p>As stated, the rear garden area of the premises is a large extensive area that is bordered by residential dwellings.</p>

		<p>The premises is a popular destination venue for members of the public to visit and socialise. However, the close proximity of the residential dwellings and the patrons behaviour utilising the rear garden area has led to previous complaints and allegations received by this Authority with regards to noise, anti-social behaviour and breaches of the condition of the use of the rear garden area beyond its 10pm cut off for the consumption of alcohol.</p> <p>This has culminated in meetings with the current owners and management at the time of the reports and associated investigations with a view to addressing these issues and concerns whilst ensuring compliance with the imposed condition.</p> <p>I believe the owners/management have not introduced and demonstrated robust control measures to ensure compliance with this current condition.</p> <p>By increasing the opportunity of the use of this rear garden area for a further hour until 11pm including the consumption of alcohol by patrons would I believe bring with it extra demands upon the staff in managing and complying with the condition therefore undermining and having an adverse impact on the prevention of crime and disorder and the public safety licensing objectives.</p> <p>Therefore, to extend the current condition to enable patrons to utilise this garden area for an extra hour including the consumption of alcohol and food I believe would also have an adverse impact for the neighbouring dwellings residents with regards to the prevention of public nuisance and the protection of children from harm (Disturbance of sleep, etc).</p> <p>The current condition, that is being applied to be removed, was the subject of a previous application submitted to the licensing and appeals sub-committee by the current premises licence holders. The committee on that occasion resolved that the condition should remain without amendment.</p> <p>Please take this as formal notification of a representation from South Derbyshire District Council Licensing Authority.</p>

Subject: Amalfi White - Licensing Hours

Hi

Reference the extension the Amalfi Hours

Reference TAS/AmA11/2

I am writing to register my objection to the application for extension of hours in the outside garden from 10pm to 11pm.

The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

Residents in this area already suffer noise nuisance and anti-social behaviour at all hours of the day and night from the premises and to extend any later than 10pm, has a detrimental effect on the young families and the older generation living around Amalfi White. There is generally no consideration from the owners of Amalfi White for the residents of Melbourne and I feel this extension to the outside will not be monitored and will create a situation where people can think they can drink outside and continue to attract crowds and noise.

I would also like to register my concerns that the late hours opening was only supposed to be for special occasions, however, it seems to be 1pm every now. Can you please confirm this is the case?

Regards

Subject: Licensing - Amalfie White, Melbourne

It has come to my attention that Amalfie White 50 Derby Road, Melbourne, Derby has requested to extend their garden opening hours from 2200 to 2300 nightly.

Could I please register my objection to this increase in hours.

I have one of the many private gardens that borders on Amalfie White's outside area. If it was just customers enjoying a meal and a drink in the garden late on a summers evening but unfortunately it isn't. The noise and disruption from customers as alcohol consumption increases and they gather outside in large groups well past the 2200 cut off time with very loud sometimes very offensive language, yelling at each other etc. I think it would be best if Amalfie White would show some regard to their neighbours by keeping to the garden closing time at present before they are able to extend it. Who supervises these customers outside ? Could they not ask them to keep their voices down as we can't enjoy our gardens as we should be able to.

I know its difficult at present with the Covid restrictions but if anybody from your office would like to come and sit in my garden on a weekend night and listen for themselves you are more than welcome.

We are writing to put our objections to the proposed extension of opening hours to the outside areas of the Amalfi White Bar & Restaurant.

The rear patio and garden borders 6 neighbours directly and several more within a few metres, all of whom are impacted by noise whenever the rear area is in use. Most of these neighbours will be unaware of the application as it is not publicised.

Our house is adjacent to the patio area and so is less than a couple of metres from where scores of guests congregate, currently for up to 10 hours a day. Our garden is also adjacent to the Amalfi garden. Our peaceful amenity is regularly disturbed, particularly on Fridays, Saturdays & Sundays. This is made significantly worse when Amalfi flout their current Licence conditions and allow people to stay outside drinking after 10pm. We have had to make formal complaints to SDDC Licensing, which we hope will be taken into consideration in determining the application. We work shifts, as well as on-call for the NHS, and on many evenings we are trying to sleep when there are rowdy guests in Amalfi's garden. Extending the opening hours will make this significantly worse for us.

We have children, as will some of the other neighbours, who are affected by the noise and also by nuisance light from lights being left on at Amalfi continuously and overnight on regular occasions – this despite numerous requests to ensure all lights are switched off. This is now made worse by new garden lights that stay on until midnight and encroach into bedrooms at the other end of our house.

Amalfi's indoor opening hours were extended only a couple of years ago and allow opening until 1am/1.30am, with options to open even later on nominated occasions. This gives substantial opportunity to provide their service and be a successful business, whilst already impacting on many neighbours in close proximity.

We therefore request that this application is rejected.

Greg & Debbie Smith and family.

Subject: Amalfi White - Licensing Hours

To whom it may concern,

I am emailing you after being informed of the proposed extension of licensing hours for Amalfi White, Derby Road, Melbourne.

I am currently a resident of . This is a property which is adjacent to Amalfi White, and one which shares a courtyard that backs onto the rear of the property.

I am aware that there was an application to extend access of the rear garden to customers of Amalfi White beyond 22:00 hours.

Whilst I have only recently moved into the property at . I would like to voice my concern around this proposal. I have a young daughter and have already experienced, since only recently being allowed to reopen due to covid restrictions, disturbances from Amalfi White customers beyond the set 22:00 hours limit. Customers remained in the rear garden until 22:30 and caused a lot of noise disturbance.

I am therefore concerned that any extension of the hours could lead to noise disturbances close to midnight at weekends which simply is not acceptable.

I hope you can consider this point in regards to proposed extension.

Kind regards,

Tom Hames
