**Cc:** Broome Stewart  
**Subject:** Licensing Act 2003: Application for premises licence for ALdi, Huntspill Road, Hilton, Derby  
 Lisa

I have received the application for the above premises. At the moment I do not consider that it demonstrates how the licensing objectives will be promoted in particular with respect to the protection of children. I therefore object to the application as it stands.

The conditions below were negotiated for the Aldi store at Dronfield last year.

**1. Full training is provided on commencement of employment on the law relating to all age restricted products sold and any system or procedures in place which employees are expected to follow.**

**Refresher training should be provided at regular intervals (at least 6 monthly).**

**Records detailing the training provided will be kept for a minimum of two years (either on the premises or at Head Office) and made available on request to an Officer of a Responsible Authority.**

**2. A Challenge 25 scheme will be operated at the premises. Acceptable forms of identification will be PASS accredited proof of age card, photo driving licence or passport. Failure to produce satisfactory proof of age will result in a refused sale.**

**Clear prominent signage informing customers of the scheme will be displayed in store.**

**3. A refusal log will be maintained in store which the Designated Premises Supervisor (or deputy authorised in writing) will at least weekly, examine the record and action as necessary. The records will be retained for a minimum of two years (either on the premises or at Head Office) and made available to an Officer of a Responsible Authority on request.**

I consider these conditions will be sufficient to uphold the licensing objectives. If your client is willing to accept the conditions on this licence could you please notify me copying your reply to the Licensing Officer at South Derbyshire District Council.

Please do not hesitate to contact me if you would like to discuss this further.

Regards.
