6.0 Community Impact

Consultation

6.1 The Council is statutorily required to consult on its budget proposals, prior to setting the annual Council Tax rate, with the local business and community sector. The Council has an established process in place to meet this requirement.

6.2 Consultation takes place for approximately four weeks following approval of the draft budget proposals by Finance and Management Committee in January each year. Any feedback is reported to the Council as part of the final approval process.

6.3 There is no statutory requirement to consult with residents or other stakeholders, although it is considered good practice to do so. Traditionally, the Council has disseminated proposals through Area/Community Forums and via a presentation at the South Derbyshire Partnership Board. Many authorities do consult formally regarding their budget proposals and medium-term financial plans prior to setting budgets, using panels, representative groups, etc. as a way of fully engaging local people.
