

3rd Quarter Performance Monitoring			APPENDIX 1		
SUSTAINABLE DEVELOPMENT		Sustainable existing and new communities that meet the population's needs and aspirations			
South Derbyshire Partnership Owner		SDCC Chief Executive			
Difference we want to make		Adequate, appropriate and affordable housing for all, in well-served communities			
Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action - colour code)	What are we doing to bring the Action back on track?	
Operations Director SDCVS	Produce a community information pack to be distributed on new housing estates, providing details of local services including voluntary support and promoting use of the town centres.	new housing estates to receive information on local services.	Draft proposal prepared.		
SUSTAINABLE DEVELOPMENT		Sustainable existing and new communities that meet the population's needs and aspirations			
South Derbyshire Partnership Owner		SDCC Chief Executive			
Difference we want to make		A robust and diverse economy, resistant to downturns and providing a strong base for sustainable growth			
Economic Development Manager SDCC	Stage an event to brief businesses affected by the downturn on the advice and support that is available.	the percentage of small businesses showing employment growth increases by March 2014 (NI 172). Benchmark to be confirmed.	COMPLETED: A multi-agency Review & Recovery Business Briefing held on 3 June at Sharpe's Pottery Museum attracted almost 70 attendees.		
Senior Sector Development Manager Job Centre Plus	Stage an advice fair to support residents affected by the downturn to get back into work, training or self-employment.	the percentage of small businesses showing employment growth increases by March 2014 (NI 172). Benchmark to be confirmed.	COMPLETED: A Beat The Crunch Free Advice Event held on 11 September at the Town Hall with numerous partners exhibiting attracted over 60 people.		
Market Towns Officer (DCC)	Benchmark the performance of the centres in Swadincote and Melbourne and deliver training events for retailers.	the percentage of small businesses showing employment growth increases by March 2014 (NI 172). Benchmark to be confirmed.	A retailer training course held at Sharpe's Pottery in September attracted shopkeepers from both Swadincote and Melbourne. Shopping locally promoted in District Council publications. Benchmarking data relating to visitors, businesses and parking collected for inputting.		
Economic Development Manager SDCC	Work with East Staffordshire Borough Council to identify and develop cross boundary economic opportunities.	the percentage of small businesses showing employment growth increases by March 2014 (NI 172). Benchmark to be confirmed.	Initial discussions held, including the idea of promoting good practice amongst employers eg encouraging apprenticeships.		
Economic Development Manager SDCC	Develop the attractions and facilities at Sharpe's Pottery Museum through the appointment of a project manager and capital works.	We achieve a growth in visitor spend (8i annual survey) from £128.84m (2007) by £1.5m per year to March 2014.	Funding secured from DEF, Project Manager appointed to visit. Leases agreed for land adjacent to the Museum buildings. Options explored for improvements.		Year 1 of two-year project.
SUSTAINABLE DEVELOPMENT		Sustainable existing and new communities that meet the population's needs and aspirations			
South Derbyshire Partnership Owner		SDCC Chief Executive			
Difference we want to make		Sustainable employment and support for people to access the skills required			
Director of Employer Engagement and Marketing Burton College	Stage town centre events that use cultural activities to engage residents in education and training.	the proportion of the population aged 19-64 for males and 19-59 for females qualified to at least Level 2 or higher rises (NI 163) (Benchmark to be confirmed).	COMPLETED: The College has received a high number of referrals from the Swadincote/ South Derbyshire area. Whilst it is difficult to quantify the precise influence of the awareness raising, the events were generally considered to be worthwhile and raised the College's profile in the town.		
Housing Strategy Manager SDCC	To research the extent of worklessness amongst social housing tenants, together with routes for re-entering the workforce.	the proportion of the population aged 19-64 for males and 19-59 for females qualified to at least Level 2 or higher rises (NI 163) (Benchmark to be confirmed).	Currently reviewing the list of social housing tenants and investigating ways of obtaining data of those with a household member unemployed.		
Senior Sector Development Manager Job Centre Plus	Research the need and demand for greater out-of-hours childcare provision where it is potentially a barrier to accessing employment or training.	Research complete.	Update awaited.		
Senior Sector Development Manager Job Centre Plus	Explore the provision of post-employment support.	Research complete.	JCP is increasingly building post-employment support into contracts.		
SUSTAINABLE DEVELOPMENT		Sustainable existing and new communities that meet the population's needs and aspirations			
South Derbyshire Partnership Owner		SDCC Chief Executive			
Difference we want to make		High quality development that minimises impact on the environment			
Economic Development Manager SDCC	Implement the Swadincote Gateways programme of environmental improvements on prominent sites and key arterial routes.	80 trees planted in town centre and prominent gateways by March 2011.	Design and costing of initial scheme complete. Contractor appointed. Business frontage improvement grants offered to five businesses.		Year 1 of two-year project.
Economic Development Manager SDCC	Deliver OCN-accredited courses in 'Organisational Impact on the Environment' to assist organisations to improve their environmental performance.	The carbon emissions in the district reduce from 11.40 tonnes per head (2005) to 10.39 tonnes per head by March 2011 (NI 186).	Bookings are being taken for a course to be held at the Old Post Centre in January.		
VIBRANT COMMUNITIES					
South Derbyshire Partnership Owner		Communities that are vibrant and active where there is a strong sense of community			
South Derbyshire Partnership Owner		Chief Executive SD CVS			
Difference we want to make		Increased participation in voluntary and community action			
SD CVS Chief Executive	Map organisations who have volunteering opportunities in the area.	the number of volunteering opportunities registered with the Volunteer Centre South Derbyshire increases from 290 (2009) to 400 by March 2014.	Mapping exercise ongoing.		
SD CVS Chief Executive	Co-ordinate at least two district wide volunteer celebration events per year.	the number of groups involved in the district wide event increases from 12 (2008/9) to 25 by March 2014.	Successful Christmas Thank You event held in December hosted by Chair of SDCC. Witnessed scope of attendees to include young volunteers, sports and disability groups.		
SD CVS Chief Executive	Develop a District wide Volunteer recognition system/award (measured by number of volunteers awarded certificates).	the number of volunteers recognised for their contributions increases from 180 (2008/9) to 300 by March 2014.	Wider use of certificates has been made with volunteers receiving them after the 'Make a Difference Day' event and after the 'Christmas Thank You' event.		
VIBRANT COMMUNITIES		Communities that are vibrant and active where there is a strong sense of community			
South Derbyshire Partnership Owner		Chief Executive SD CVS			
Difference we want to make		Create an environment for a thriving third sector			
SD CVS Chief Executive	Distribute an annual survey to all partners and produce and implement a local action plan to develop the COMPACT.	the percentage of organisations that think the relationship between statutory and voluntary sector is good or very good increases from 76% (2008/9) to 88% by March 2014.	Survey distributed to VCS and analysed. In process of distributing to statutory partners. An updated action plan for the review group has been agreed.		
SD CVS Chief Executive	Hold an annual event in COMPACT Week.	the number of organisations signed up to the COMPACT increases from 19 (2008/9) to 30 by March 2014.	Compact planned for March.		
VIBRANT COMMUNITIES		Communities that are vibrant and active where there is a strong sense of community			
South Derbyshire Partnership Owner		Chief Executive SDCC			
Difference we want to make		We will make improvements in the management of Open Space and local sites to benefit their value to people and wildlife.			
Environmental Communications Manager SDCC	To support and further develop the District wide conservation year and encourage local projects to promote conservation.	The number of local sites where positive conservation management is being implemented increases (Benchmark to be set)	Meetings held in September (Hutton) and November (Swadincote). Included tour of successful Conservation Project in Hutton and informal about well-being monitoring participation. 30-40 participants from Parish Councils and community groups at each meeting.		
Environmental Development Manager SDCC	To actively work in partnership to promote Biodiversity and provide opportunities to get involved through the delivery of community environmental initiatives/events supported each year.	the number of individuals involved in conservation and site management projects increases from 1100 (2008/9) to 1600 by March 2014 (volunteer days)	Biodiversity Event (OPAL Open Air Laboratories project) held in September. Over 1000 people involved in information sharing on Conservation Projects as a result of the Environmental Week (Barnby Trent, Findern, Hutton and Newton Solney).		
VIBRANT COMMUNITIES		Communities that are vibrant and active where there is a strong sense of community			
South Derbyshire Partnership Owner		Chief Executive SDCC			
Difference we want to make		An increase in the percentage of people who feel South Derbyshire is an attractive place to live			
Head of Environmental Services SDCC	Link with recycling organisers to provide recycling facilities at three community/clean up events.	the percentage of waste recycled or composted increases from 48% (2008/9) to 53% by March 2014 (NI 192).	Recycling of waste at Festival of Leisure, recycling incorporated into Newhall clean up. Further event planned with Pingle School.		
Head of Environmental Services SDCC	To engage children and their families in at least five campaigns to reduce litter and landfill via contact with schools or via community events.	The percentage of streets that contain unacceptable levels of litter, graffiti, detritus and fly posting decreases from 6% (2008/9) to 4% by March 2012 (NI 195).	Three schemes completed, including Fresh Air Trail for Town Centres, litter picks with Football Club in Newhall Park, Litter pick with Newhall Junior School. Further input planned through Arts Group Indigo Brave.		
VIBRANT COMMUNITIES		Communities that are vibrant and active where there is a strong sense of community			
South Derbyshire Partnership Owner		Chief Executive SDCC			
Difference we want to make		Reduced carbon emissions per person			
Head of Environmental Services SDCC	Homes receiving energy efficiency measures identified by voluntary energy audits increased by 20 per year from 100.	the percentage of low income households living in hard to treat homes reduces from 8% (2008/9) to 6% by March 2014 (NI 187).	Community Reward Scheme established in November 2009 with E-on enabling voluntary organisations to earn £30 per relevant referral. Numbers of referrals unknown.		
Head of Environmental Services SDCC	To improve energy efficiency in three community buildings per year.	energy efficiency measures are increased in 15 community buildings by March 2014.	Community groups have now submitted applications (deadline had to be extended to garner more interest). Selected groups to be notified in January.		
VIBRANT COMMUNITIES		Communities that are vibrant and active where there is a strong sense of community			
South Derbyshire Partnership Owner		Chief Executive SDCC			
Difference we want to make		An increased number of people taking part in cultural activities			
Head of Leisure & Community Development SDCC	To support at least four cultural events per year through advice, marketing and finance through the Cultural Events Group.	the number of adults engaged in the arts at least three times in the last 12 months increases from 41% (2008) to 46% by March 2014.	Events reported on the Liberation Day, National Forest Walking Festival, Breath of Fresh Air, Swadfest, District Sports Awards.		
Head of Leisure & Community Development SDCC	To deliver the Breath of Fresh Air programme to at least five campaigns to incorporate culture, sport, environment, volunteering activities.	the number of adults engaged in the arts at least three times in the last 12 months increases from 41% (2008) to 46% by March 2014.	Launch event successfully delivered at Hutton for Town Centre. Further events commenced.		
VIBRANT COMMUNITIES		Communities that are vibrant and active where there is a strong sense of community			
South Derbyshire Partnership Owner		Chief Executive SDCC			
Difference we want to make		Strong community voices to influence service planning and delivery.			
Policy and Communications Manager SDCC	To undertake research with the County Council and CVS over the community cohesion/local inclusion issues facing South Derbyshire and to produce a joined up strategy if required.	the percentage of people who believe people from different backgrounds get on well together in their local areas increases from 77% (2008) to 82% by March 2014 (NI 1).	A review of the County Council Community Cohesion Strategy is being undertaken by the CVS and District Council which will inform the development of the approach in South Derbyshire. Once the review is done work will commence on developing the local approach which may include the development of a local strategy.		
VIBRANT COMMUNITIES		Communities that are vibrant and active where there is a strong sense of community			
South Derbyshire Partnership Owner		Chief Executive SDCC			
Difference we want to make		To better identify and plan the changing needs of the population.			
Policy and Communications Manager SDCC	To equality map the district by gathering data about the communities that live in the district. This will enables us to produce area profiles for wards within the district.	the percentage of people who believe people from different backgrounds get on well together in their local areas increases from 77% (2008) to 82% by March 2014 (NI 1).	Information is currently being collated for the Police, Fire, Survey/Census and other sources of information that will be used to map communities across the district in 2010. This information gathered on gender, ethnic or national origin, religion, disability, age and sexual orientation will be then used to produce area profiles which will identify need and demand for services on a ward basis.		
Policy and Communications Manager SDCC	To join up service delivery and target the issues identified by the area profiles in the district around the emerging picture.	the percentage of people who believe people from different backgrounds get on well together in their local areas increases from 77% (2008) to 82% by March 2014 (NI 1).	Once the previous action has been completed this information will be used to join up service delivery and target the issues identified by the area profiles.		
SAFER COMMUNITIES					
South Derbyshire Partnership Owner		Leader SDCC			
Difference we want to make		The integration of all minorities into the wider community			
Safer Communities Manager SSDP	Developing a district wide approach to promote the use and awareness of the 'Stop Hate Crime' Scheme.	the number of organisations set up to be 3rd party referrers increased by 1 each year until March 2014.	The recently established South Derbyshire Hate Crime Network has expressed a wish to use the Stop Hate UK branding to produce posters and other communication tools for use within the 'scene' to promote safety and intolerance of hate motivated behaviour. This will also start to establish some of the gay venues as third party reporting centres.	More Promotional Information, ie Posters and contact cards are required.	
Safer Communities Manager SSDP	Bring together organisations to promote the scheme and to analyse take up and assess the impact on the community.	the number of referrals using the scheme in the district have increased by 5% per annum to March 2014.	In the new year there will be a extension to the service which allows reporting online, via SMS Text and a web chat facility for victims and witnesses of Hate Crime. Funding has been secured to continue the scheme for another 12 months.		
SAFER COMMUNITIES		Communities that people feel are safer places in which to live, work and visit			
South Derbyshire Partnership Owner		Leader SDCC			
Difference we want to make		Reduced occurrences of anti-social behaviour and criminal damage			
Safer Communities Manager SSDP	To hold a multi agency underage drinking action week, which will involve various different agencies working together to provide education and support to young people and their parents on the effects of under age drinking.	the incidents of criminal damage in the District (per 1000 population) have reduced from 12.5 (2008/9) to 10 March 2014.	The '1000busiest' week was held between 27th July and 2nd August 2009. 17 ASB warnings were issued by the CVS, police and 17 Text Purchase Ops were done by trading standards. Challenge 25 was promoted in local off licenses and a large amount of alcohol was confiscated from under 18 year olds. There was also a performance of light a play on the consequences of alcohol performed in front of 40 young people in Hutton. Further Confiscations of Alcohol were carried out during Operation Relentless.		
SAFER COMMUNITIES		Communities that people feel are safer places in which to live, work and visit			
South Derbyshire Partnership Owner		Leader SDCC			
Difference we want to make		Reduced levels of crime and fear of crime			
Safer Communities Manager SSDP	Hold walkabout event around the town centre with Business Watch Group to identify problem areas and draw up an action plan to tackle damage and ASB in town centre.	the number of police calls for service for ASB recorded in the Swadincote Central have reduced from 587 (2008/09) to 560 by March 2014.	The Clean up event was held in the Town Centre during Operation Relentless, where 30 bags of rubbish were collected. The event was run by the CVS, police and 17 Text Purchase Ops were done by trading standards. Challenge 25 was promoted in local off licenses and a large amount of alcohol was confiscated from under 18 year olds. There was also a performance of light a play on the consequences of alcohol performed in front of 40 young people in Hutton. Further Confiscations of Alcohol were carried out during Operation Relentless.		
Safer Communities Manager SSDP	Implementing 4 campaigns to educate residents to keep property and cars safe and secure.	the number of domestic burglaries (per 1000 population) have reduced from 7.2 (2008/09) to 6.2 by March 2014.	100 Dust till Dawn packs were distributed through various community organisations including CVS, The British Legion, SDCC Carline and other Community Groups. Warning Leaflets have been produced for both Burglary and Vehicle Crime and distributed widely by the PCSOs in hotspot areas. Letters continue to be sent out to residents who have left items of value on display in their cars and are spotted by PCSOs and further Vehicle Crime signs have been sited in Newhall and Shardlow. Receipts have been produced by Sainsbury's with Burglary prevention advice on the back.		
SAFER COMMUNITIES		Communities that people feel are safer places in which to live, work and visit			
South Derbyshire Partnership Owner		Leader SDCC			
Difference we want to make		To reduce the fear of crime and promote that South Derbyshire is a low crime area			
Safer Communities Manager SSDP	To continue to inform the public of Partnership activities through regular Safer Neighbourhood Newsletters and press releases.	the percentage of residents feeling fairly or very unsafe when outside in their local area after dark has reduced from 24% (2008) to 18% by March 2014.	Regular newsletters were produced and distributed in each area during Operation Relentless. Also the Partnership has now developed an e-News service which will be emailed out to all contacts on a bi monthly basis.		
SAFER COMMUNITIES		Communities that people feel are safer places in which to live, work and visit			
South Derbyshire Partnership Owner		Chief Superintendent A Hough, Derbyshire Police			
Difference we want to make		Fewer casualties from road accidents			
Section Inspector Derbyshire Police	To run at least 4 Speed Watch schemes in local villages with speeding problems (Local residents are informed of the scheme at the Safer Neighbourhoods meetings and are asked to get at least 60 residents signed up to roll out the scheme. Each scheme will last for 3 weeks and then will move on to another area).	the number of people killed or seriously injured in road traffic accidents has reduced from 43 (2008/9) to 38 by March 2014 (NI 47)	8 Speedwatch Ops have been carried out since April 09. These were in Ripston, Aston, Weston, Findern, Newton Solney and Ticknall. The scheme stops operating between October and February due to the dark nights.		
HEALTHIER COMMUNITIES					
South Derbyshire Partnership Owner		Consultant Public Health, Derbyshire County PCT			
Difference we want to make		A healthier and more active lifestyle across all communities			
SDCVS Chief Executive	Review Community Support Referral Scheme to support effective re-implementation which will involve development of a project and delivery plan.	the number of referrals into service increases by 20% per annum from 2012 after baseline re-established.	Referrals across all communities starting 11 referred from Swadincote (Practice) as a result of work with the Unique Care Team. CVS are meeting with the practice team to ensure they are all aware of the schemes and the referral processes and protocols. This process will then be rolled out to other GP practices.
