 Stewart,

Please find attached conditions that have been agreed between Derbyshire Constabulary, Licensing matters and the applicant for the above premises. You will note that the conditions within the attachment are similar to what has been offered within the original application, however the wording has been amended in line with the Licensing Act 2003 and the S. 182 guidance to ensure the offering is suitably worded and proportionate to the offer.

Should these conditions be deemed as acceptable and subsequently placed on the premises licence, I can confirm that the Chief Officer of Police would not have any objections to the premises licence being granted. Please confirm safe receipt and your agreement.

Claire; for your information, hope these conditions are suitable for you.

Regards,

Rich Morley

Hi Richard,

These are all fine, I've just tweaked some of them a little.

07/08/2013

19.

As age restricted products are not licensable activities, I've amended this to refer to alcohol sales.

I've also taken out the acceptance of the 'Ministry of Defence identity card'.
We don't recommend that people accept these as ID, as the staff members won't know what one should look like & therefor won't know if it is a fake.

I've upped refresher training to 6m as agreed with Trading Standards. The store will be using our internal due diligence training manuals with are very comprehensive & come with tests etc.

Please let me know if you are happy with these & I will forward them to the council & copy you in.

Many Thanks

Gemma Goodwin

Gemma,

This was the content of the email plus attachment.
Regards,

Dave,

Thank you for meeting with me yesterday when I attended the premises to discuss with you the pending premises licence application. As discussed, please find attached a draft set of conditions that are proportionate to the offering of the garage and also that have been offered within the premises licence application. To assist me with the application process I require you to read through the proposed conditions and forward them on to your solicitor with either your instruction to authorise Gemma to accept the conditions to be applied to the premises licence or with an instruction to dispute them.

To assist you with the application process, it is the belief of the Chief Officer of Police that these conditions shall go a long way in assisting you in supporting the licensing objectives and also the community in which

you operate your business from.

Should you wish to discuss anything further, please do not hesitate to contact either myself direct or your solicitor.

Regards,

Rich Morley
