When moving that a site visit be held, Members will be expected to consider and propose one or more of the following reasons:

1. The issues of fact raised by the Planning Services Manager's report or offered in explanation at the Committee meeting require further clarification by a demonstration of condition of site.
2. Further issues of principle, other than those specified in the report of the Planning Services Manager, arise from a Member's personal knowledge of circumstances on the ground that lead to the need for clarification that may be achieved by a site visit.
3. Implications that may be demonstrated on site arise for consistency of decision making in other similar cases.
