**Dear Sir or Madam,
I hereby wish to raise with you, my objection to the Rosliston Village Hall
Management Committee's application for extended hours for entertainment.**

**Myself and other neighbours, already have to contend with some anti social
behaviour emanating from the hall when events are held there, this can range
from raised voices, shouting and swearing whilst drinking in the car park to car
horns sounding as people leave late at night.**

**This sort of behaviour already occurs way past the current finishing times, so if
the hours were extended, I can see the immediate residents adjacent to the hall,
being annoyed or agitated.**

Yours sincerely,

Mr D Manship.
