Details of representation (please use additional sheets where necessary)

Four years ago, Derby Road was a quiet place in the evening. There would be the occasional reveller walking home after 11pm, but that was the exception not the rule.

Since the District Council has extended licences to premises on Derby Rd, it has become an unpleasant place to live.

From Thursday to Sunday nights there are drunken revellers wandering up & down the road from 11pm till 2am. It is not uncommon on a weekend ~~even~~ morning to find half-finished drinks, smashed glasses, urine stains and even vomit in the street.

Serving gin until 11pm will further exacerbate the problem.

If the application is approved, will the preservation ~~ad~~ order be relaxed to allow the installation of UPVC ~~star~~ double glazing so that my children can sleep at night?

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

In order to reduce public nuisance

grant a licence until 10pm to limit how drunk people get & how much noise there is in unsociable hours.

Reduce the maximum occupancy ^{to 25} to reduce the number of people standing out on the street smoking & chatting loudly while inebriated.

Once the Licensing Section has received this form you will receive a written acknowledgement. Your representation will be forwarded to the applicant and/or their representative who may contact you in order to discuss your representations.

This form must be received by the Licensing Authority within the statutory representation period.
