CL/44. SOUTH DERBYSHIRE COMMUNITY STRATEGY AND ACTION PLAN

Members were reminded that the Local Government Act 2000 gave the Council new powers to promote or improve the economic, social or environmental well being of the District. This was linked to the duty to prepare a Community Strategy with a Local Strategic Partnership (LSP) and to involve local people fully in the process. The South Derbyshire LSP Board had approved a draft Community Strategy for consultation in August 2004 and this had been considered by the Council on 2nd December 2004 (Minute No. CL/100 refers) when several comments were made, as outlined in the report. The majority of these comments had been included in the final Strategy or the first year's Action Plan.

Following extensive public consultation, the content of the final strategy had been approved by the Board on 17th March 2005. A media consultant was engaged to prepare a plain English draft and an Action Plan for the first year was subsequently prepared by the Chairs of the Thematic Working Groups. These were circulated to the Board at its Meeting on 19th May 2005, when the design of the documents was approved. Copies of the Strategy, Action Plan and Summary Leaflet had been circulated to Members and the official launch of the Strategy would be at the next Forum to be held at the Mickleover Court Hotel on Thursday, 28th July 2005.

Members welcomed the Strategy and thanked all those who had been involved in its preparation. It was also hoped that members of the public would become engaged in the project.

RESOLVED:-

That the South Derbyshire Community Strategy 2005-2010 and the Action Plan 2005-06 be endorsed.

CL/45. ON TRENT ACTION PROGRAMME

It was reported that in August 2001, the Finance and Management Committee had agreed to support the Vision Statement for the On Trent Initiative, which was a partnership involving a wide range of public, statutory, voluntary and commercial organisations working to conserve and enhance the natural and historic environment of the Trent Valley. The initiative was based upon the principle that the partner organisations would undertake work and implement projects in line with the On Trent objectives. An Action Programme had been circulated to Members and the Council's endorsement of the Programme was now sought.

It was considered appropriate to refer to the On Trent Initiative in new Local Development Framework documents in due course but without further details, it was not possible at the current time to indicate accurately the implications for the Council of the actions listed. Accordingly, it was considered appropriate to endorse the Programme subject to a proviso. The

financial implications were not yet known and any requests for funding from the partnership must be subjected to the Council's Financial Procedures.

In welcoming the report, Councillor Harrison expressed his disappointment that there had been no opportunity to discuss the programme with local communities. Councillor Taylor referred to the current pressures in the Planning Service and considered that the Programme was beneficial to a wide area within South Derbyshire.

RESOLVED:-

That the On Trent Action Programme be endorsed, subject to the evaluation of any detailed proposals in due course.

CL/46. **PLANNING POLICY POSITION STATEMENT**

This item was withdrawn from the agenda.

CL/47. **LOCAL GOVERNMENT 1972 (AS AMENDED BY THE LOCAL GOVERNMENT (ACCESS TO INFORMATION) ACT 1985)**

RESOLVED:-

That in accordance with Section 100(A)(4) of the Local Government Act 1972 (as amended) the press and public be excluded from the remainder of the Meeting for the following items of business on the grounds that they involve the likely disclosure of exempt information as defined under the paragraphs of Part 1 of Schedule 12A of the Act as indicated in the reports of Committees.
