Dear Mr Sumter,

With reference to my
phone call with John Mills, I
am writing to you to advise you of
an amendment to section A
subsection D.

- ① "The doors and windows will be closed during live entertainment."
 - ② "The volume of sound outside will be monitored during those evenings."
 - ③ "I actually check the main beams for vibrations in this (18) pub, due to the building being so old."
- I have been asked to submit this to you in writing.

Yours sincerely D R Wood (H/T)
