SOUTH DERBYSHIRE DISTRICT COUNCIL

**SOUTH DERBYSHIRE AREA FORUM  
ETWALL**

(Covering Ash, Barton Blount, Bearwardcote, Burnaston, Church Broughton, Dalbury Lees, Egginton, Etwall, Foston & Scropton, Hatton, Hilton, Hoon, Marston-on-Dove, Osleston & Thurvaston, Radbourne, Sutton-on-the-Hill and Trusley)

**Meeting to be held at:**

**Frank Wickham Hall  
Portland Street  
Etwall  
Derbyshire  
DE65 6JF**

**Thursday, July 7, 2022 at 6:30pm**

**Members:**

**District Councillors:** Lisa Brown (Chair), Gillian Lemmon, David Muller, Julie Patten, Andy Roberts and Peter Smith

**County Councillors:** Martyn Ford and Julie Patten

## **BUSINESS**

1. (a) Introductions and apologies  
(b) Declarations of interest  
(c) Chair's announcements  
(d) To receive the minutes of the last meeting  
(e) Matters arising from last minutes/ comments from report back
2. Police Safer Neighbourhood report and Police Q&A
3. Safer South Derbyshire Partnership update and Safer Neighbourhood grants
4. Local authority update and public Q&A
5. Local community & voluntary sector projects/ update -  
*CVS update*
6. Summary of agreed priorities/ actions
7. Close and date of next meeting

### Future meeting dates

October/ November 2022

## SOUTH DERBYSHIRE COMMUNITY MEETING

### ETWALL – AREA 1

Meeting minutes – 7<sup>th</sup> April 2022

### Microsoft Teams

#### PRESENT: -

#### South Derbyshire District Council Representatives

Councillor David Muller (Chair), Councillor Amy Wheelton.

Allison Thomas – Strategic Director of Service Delivery

Ian Hey – Section 106 Officer

Debbie Punter – Community Safety Officer

Rosie Collins – Communities Team Service Assistant

#### Derbyshire County Council Representatives

Councillor Martyn Ford, Councillor Julie Patten

#### Derbyshire Police Representatives

Inspector Mike Sisman

PC Stefan Bancroft

PCSO Finbarr Greville

#### Parish Council/ Meeting Representatives

Councillor Sir Henry Every Bt. – Egginton Parish Council

Councillor Miles Nesbitt – Egginton Parish Council

Councillor Sandra Stanton – Hilton Parish Council

Annette McMahon – South Derbyshire CVS (SDCVS)

#### Members of the Public

Tim Bilbie, Mark Davies

### 1. Open Meeting

#### **a) Introductions and Housekeeping**

#### **b) Apologies**

Councillor Lisa Brown, Councillor Peter Smith, Councillor Gillian Lemmon.

#### **c) Chair's Announcements**

None

**d) To receive the minutes of the last meeting**

The minutes were approved as a true and correct record of the meeting.

**e) Matters arising from the last minutes**

All contained within the Agenda Packs.

**2. Police Safer Neighbourhood Team (SNT) Report and Police Q&A**

PCSO Greville gave the following update: -

Since our last Area Forum meeting, we have been busy completing our Neighbourhood priorities, these were set historically by concerns raised at these forum meetings but are now decided using the following:

- Incidents reported
- Engagement/concerns raised in the community via our social media
- Discussions and meetings with partner agencies (Community Safety Partnership)
- Derbyshire Alert message replies
- Derbyshire Talking surveys in the community

From the above, the Neighbourhood priorities were and remain for this quarter: -

1. Speeding
2. Anti-Social Behaviour in open spaces (parks etc.)
3. Anti-Social Behaviour in Swadlincote Town Centre
4. School parking

If you are not already receiving Derbyshire Alert messages, please sign up via [www.derbyshirealert.co.uk](http://www.derbyshirealert.co.uk) and complete the Derbyshire Talking surveys so we can see what matters to you.

There are now various ways to report incidents to the Police, you can Call 101, Direct Message @derpol on Twitter, Direct Message Derbyshire Constabulary on Facebook and via the website - [www.derbyshire.police.uk](http://www.derbyshire.police.uk).

In terms of good results in your local area, there have been many school, preschool and youth group talks completed highlighting topics such as road safety, anti-social behaviour (ASB), hate crime, knife crime, stranger danger and how the Police can help.

School patrols are completed around the area by the SNT daily, working on a rotation basis around the schools.

There have been visits in schools organised for May to pursue a Road Safety Campaign, tackling speeding, safe parking and walking to school.

There have been events conducted throughout the local area and engagement with the community to raise awareness of crime prevention.

Speed checks have been carried out throughout all the villages in the Area with multiple tickets being issued for a variety of offences.

We are pushing the Community Speed Watch Group in all Areas and Etwall has been a great success; something which we would like to replicate in Hilton too.

Proactive patrols have been carried out where Anti-Social Behaviour (ASB) has been recognised.

Social media is a great way for you to keep up to date on what our SNT have been up to.

Councillor Patten asked if the slip roads are incorporated in the safety talks within schools, particularly on and off the A50, due to recent issues.

PC Bancroft answered it is one of the areas which is currently being looked at and the SNT have liaised with the CREST team, gaining their advice too.

**ACTION: PCSO Greville to report back to Councillor Patten about the school talks.**

A member of the public explained he wrote to Councillors at SDDC around the newly completed development on Derby Road, Hilton and it is a concern that the stretch of road has a 40mph speed limit. He raised concerns about inconsiderate parking around the same area and them not being policed.

Councillor Patten informed that the traffic regulation order has been agreed and is going through at County.

PC Bancroft explained when Police are available to do so, they will attend these areas highlighted and take appropriate action when not deployed to another matter.

Councillor Nesbitt drew attention to a recent accident on Carriers Road at the crossroad junctions. Egginton Parish Council have campaigned a long time for something to be put into place here, with some improvements being made at what some believe is in the wrong place. What we would like is: 50mph limit instead of 60mph, improved road markings and vehicle activated signs to warn people of the give way crossroads ahead.

PC Bancroft highlighted how the Police agree it is an inviting road for speeding. The light up signs on Carrier's Road should be on the other side, however as the Police, there are certain restrictions when it comes to speed enforcement and what roads we can operate on, primarily for our safety. Which, the road in talks is one of those.

Councillor Martyn Ford explained with this, the County Council are putting ideas and actions together to work on this matter.

Councillor Ford explained that the Parish Councils can now apply to get Speed Indicators for a 12-month trial and expressed he will pledge for all his parishes who apply.

Councillor Sandra Stanton raised a point about how long it is taking to move the warning sign on the main road of Hilton at the cross-roads which has been an ongoing matter since 2019.

Councillor Muller empathised with Sandra and explained the utmost is being done to move the sign in question.

### **3. South Derbyshire Community Safety Partnership/ Safer Neighbourhood**

#### **Grants Update**

Ian Hey gave the following update: -

#### **ASB Warning Letters**

In terms of Anti-Social Behaviour (ASB) Claire Rawlins, our ASB Officer has been working closely with Safer Neighbourhood Team (SNT) issuing warning letters to young people who are causing ASB in the area. A couple of youth related issues have been dealt with in this area: young people causing issues in the Town Centre and a separate group throwing eggs onto the A50. Both groups have been identified with Claire and the Police issuing warnings and parents have been visited. Since this, no members of the group have raised their heads.

#### **Police Community Engagement Events**

Debbie Punter, our Community Safety Officer has been supporting the Police with the Community Engagement events around the District, as has Mark from the Safer Homes Scheme, picking up referrals and offering people security advice. Whilst offering residence Community Safety Advice and dealing with Anti-Social Behaviour complaints at such events.

#### **New Communities Team Service Assistant**

Following interviews held earlier this month the Communities Team has appointed Rosie Collins to the role of Service Assistant. Rosie previously worked as a Sports Casual for several years and will join the team on 5 April, taking over from Debbie who has moved into a new role as Community Safety Officer.

#### **New Partnership Vehicles**

Two new vehicles are being supplied by Toyota for use by our local Safer Neighbourhood Team (SNT). The vehicles which should arrive in the next few weeks will replace the existing two old vehicles and will be maintained by the District Council.

#### **School Banners**

Going forward, we will be purchasing some banners for the SNT to give out to local primary schools to remind parents to park considerately at drop off and pick up times.

### Safer Neighbourhoods and Community Funding

There has been no new applications received since the last meeting and there is now money available for next financial year. If there are any ideas for new projects which could impact on ASB, Community Engagement or Crime and Disorder, please do not hesitate to contact Chris or Debbie.

### 4. Local community and voluntary sector projects/ update

Annette McMahon gave the following update: -

#### Active Travel

This service supports people who have no transport and are unable to use public transport to take them to medical appointments - GP, Hospital, Vaccinations etc. The service is still limited as we do not have too many drivers active, and we are being careful about the number of passenger journeys drivers undertake per day. We are only doing Hospital and GP appointments at the moment as we have to prioritise the journeys for health appointments. Drivers and Service Users are expected to still wear masks, socially distance and use hand sanitiser to keep everybody safe. We will not transport anyone with any symptoms of Covid 19 and our drivers will not drive if they have any symptoms.

Referrals and enquiries call, 01283 219761 or email [projectsupport@sdcv.org.uk](mailto:projectsupport@sdcv.org.uk).

#### Befriending

Since March 2020 our Befriending Service has been carried out through telephone calls. Some face-to-face visits have started but this is dependent on many factors the befriender, the volunteer and some processes. We have to check that this is safe for both parties and carry out new risk assessments. Some volunteers, who started volunteering in the last year telephone befriending, also need to go through extra checks and training before being able to start face to face visits. This takes time and we again need to do this before permitting people to start visiting in person. Please bear with us while we do this.

Referrals and enquiries call, 01283 219761 or email [connect@sdcv.org.uk](mailto:connect@sdcv.org.uk).

#### Handy Person Help at Home Support Service

New service! See SDCVS website for more information.

Referrals and enquiries call, 01283 219761 or email [handysupport@sdcv.org.uk](mailto:handysupport@sdcv.org.uk).

#### Home From Hospital

This scheme has been continuing to support people throughout the pandemic. We have been helping people with shopping and prescription/ medication collection doing doorstep

deliveries and these are continuing too. In addition, Rachel Stilwell our Service Coordinator has been supporting people with other things that help to keep them home from hospital. We are beginning to plan to introduce home visits again, but we will be doing so with caution and with procedures in place to keep everyone involved safe.

Referrals and enquiries call, 01283 817417 or email [home@dhfh.org.uk](mailto:home@dhfh.org.uk).

### Safer Homes

This service has been open again since April last year and visits were resumed to ensure people's homes are safe and secure and advise them on measures to improve security and to install locks etc to help this. Our operative continues to wear PPE, maintains social distance and follows safety measures and cleaning procedures before, during and after his visits. Referrals to this service are often from Police and professionals although self-referral is possible. We deliver Safer Homes in South Derbyshire District Council area and Erewash.

Referrals and enquiries call, 01283 219761 or email [projectsupport@sdcv.org.uk](mailto:projectsupport@sdcv.org.uk).

### Befriending Groups, Lunch clubs and Shopmobility

These currently remain suspended. We will update you as and when we have more news on this.

### Food Bank

Our Food Bank is now operating from Hill St Baptist Church in Swadlincote, and collection of food parcels is by appointment only on Monday, Tuesday and Thursday from 8am - 3:30pm. Please telephone 07458 305314 (**please note this number is for food bank enquiries only**, for general CVS enquiries call 01283 219761) or email [projectsupport@sdcv.org.uk](mailto:projectsupport@sdcv.org.uk) to arrange an appointment. If emailing, please include your telephone number with your message so we can get back to you as soon as possible.

The service provides free emergency food parcels to families and individuals in the South Derbyshire area. We also have a fridge and freezer so are also able to support service users with fresh food donated by local businesses.

Anyone who needs emergency food can access the service. On the first occasion that you need a parcel, you can refer yourself to the service. For each food parcel after that, you will need to provide a referral form before you will be given a parcel.

### Covid Connectors Project – to set up a Covid Connectors Network throughout South Derbyshire

This is used to empower residents and workforces in South Derbyshire with the information they need to lead the way in the community by giving consistent, timely and accurate information around Covid-19. Since January 2021 the team have been working with 32

Covid Connectors. Through these networks, Covid related information has been shared with the Connectors who then disseminate the information to their local communities. The funding has now been extended until December 2022 and will be focusing more on health and wellbeing and moving into recovery from the pandemic. For more information contact [Selinaw@sdcvcs.org.uk](mailto:Selinaw@sdcvcs.org.uk).

### Connected South Derbyshire

A new project to connect citizens of South Derbyshire to their local communities and to end loneliness. To empower, enable and encourage citizens of South Derbyshire to connect, engage and socialise with the volunteers, groups and organisations providing social connection in their communities. Bethany is currently working in the Hilton area and will be starting to work in the Hatton and Etwall areas in the next few weeks. The aim of the project is to engage local communities in every area in South Derbyshire. For further information contact [Bethanyo@sdcvcs.org.uk](mailto:Bethanyo@sdcvcs.org.uk).

### Community Development Team

The team support local communities, not-for-profit groups, and volunteers in South Derbyshire. Our aim is to provide support, information and advice to volunteer trustees, voluntary and community groups, registered charities, and social enterprises. For new groups we help them to develop a constitution, a management committee and support with implementing policies and procedures. We also help groups to access funding pots and help them with their funding applications. In the next few weeks, we will be starting to develop our outreach service and having a presence in the different communities in South Derbyshire.

### Volunteer Force

This supports local communities, not-for-profit groups and volunteers in South Derbyshire. The Volunteer Force helps to develop and promote volunteering in South Derbyshire with particular reference to the advertising, recruiting, training and referring potential volunteers and providing recruitment support to voluntary and community groups and social enterprises. For more information [Volunteer@sdcvcs.org.uk](mailto:Volunteer@sdcvcs.org.uk)

### Communications:

#### Digital

- Our website: [www.sdcvs.org.uk](http://www.sdcvs.org.uk) holds information about our services as well as news, CVS events and how to contact us.
- We send out regular e-bulletins, containing internal and external news, events, training, job vacancies, volunteering opportunities and funding, relevant to anyone involved in the local voluntary and community sector. You can sign up to receive these communications via the homepage of our website – [www.sdcvs.org.uk](http://www.sdcvs.org.uk) , and if you would like anything advertised please email [communications@sdcvcs.org.uk](mailto:communications@sdcvcs.org.uk)
- We are active on Facebook and Twitter - search for South Derbyshire CVS to find us.

- We are currently designing a new website which should be up and running from April onwards.

### Non-Digital

- The 32 covid connectors are sharing information in their local communities
- Social Connect Project – at the face-to-face network meetings we are now updating the local communities
- Our Communications Manager has put together a leaflet for the purpose of displaying on Parish notice boards
- Our outreach work will enable us to share information when we start working out in the different areas e.g., village noticeboards, word of mouth etc.
- We have been looking at using the different community magazines which have an enormous reach out to local people in South Derbyshire. We will update at the next meeting how this is going.

## 5. Local Authority Update and Public Q&A

Allison Thomas gave the following update: -

### Bikeability

The Councils Active Health and Wellbeing Team have secured funding to continue delivering Bikeability sessions to local primary schools for the next financial year, this is thanks to their hard work, dedication and ability to deliver and exceed targets over a number of years.

The Bikeability sessions are a modern version of the old Cycle proficiency whereby young children are taught how to ride bikes safely on the roads but also helps them to gain independence, social skills and a sense of wellbeing.

After Bikeability, children are better at responding to risk and report increased confidence.

As a result, more children cycle to school which in turn improves their mental health and wellbeing.

High visibility items provided by the Community Safety Partnership are also provided to each child who attends the course.

### Health and Wellbeing

A new Health and Wellbeing section has been developed on the Council's website, [Health and wellbeing | South Derbyshire District Council](#).

The website is based around the 'Five Ways to Wellbeing' and contains information and support on physical and mental wellbeing.

The site also contains the latest 'Well for Winter' booklet and the latest Adult Activity Brochure.

The site can be accessed via the main Council website page, [www.southderbyshire.gov.uk](http://www.southderbyshire.gov.uk).

### Airport Environmental Awards Scheme

Our Environmental Education Team based at Rosliston Forestry Centre, are getting involved in the Airport's Community Fund. They have launched an initiative in local schools across South Derbyshire, for the schools to design an eco-garden. With this, the schools with the best designs will be granted a sum of money, up to £20,000 in order to make their designs a reality.

### ISO14001 recertification

Following an extensive eight-day external audit of the Council's ISO14001 Environmental Management System, the Council has been awarded re-certification to the international standard for the 12th time.

The audit required the Leadership Team and all services across the authority to provide evidence that the principles and practices of high-quality environmental management were embedded in everything the Council does.

The audit found the Council had made significant advances in its environmental management practices over the last two years with only a few areas highlighted for improvement.

### Apprenticeship update

The Council has employed six apprentices with a seventh currently going through the recruitment process to join as a Business Administration Apprentice in Housing.

The apprenticeship scheme has given the individuals involved the opportunity to gain real work experience and support whilst completing their respective qualification.

The feedback received from both our apprentices and those mentoring or managing them has been extremely positive.

Our goal is to create more apprenticeship opportunities in the coming months.

### 6. Summary of agreed actions

Action	Person responsible
PCSO Greville to report back to Councillor Patten about the school talks.	PCSO Greville

### 7. Close and date of next meeting

Next meeting to take place October/ November 2022

**Councillor David Muller**  
CHAIR

The meeting terminated at 6.48pm

**SOUTH DERBYSHIRE DISTRICT COUNCIL**

**ETWALL AREA FORUM MEETING**

(Covering Ash, Barton Blount, Bearwardcote, Burnaston, Church Broughton, Dalbury Lees, Egginton, Etwall, Foston & Scropton, Hatton, Hilton, Hoon, Marston-on-Dove, Osleston & Thurvaston, Radbourne, Sutton-on-the-Hill and Trusley)

**Thursday, July 7, 2022**

**REPORT BACK ON ISSUES RAISED AT THE LAST MEETING**

At the last Etwall Community Meeting held on Thursday, April 7, 2022 via Microsoft Teams, the following issues were raised, and a progress report is provided.

**School Talks**

Councillor Patten asked if the slip roads are incorporated in the safety talks within schools, on and off the A50 due to recent issues.

PC Bancroft answered it is one of the areas which is currently being looked at and the SNT have liaised with the CREST team, gaining their advice too.

**ACTION: PCSO Greville to report back to Councillor Patten about the school talks.**

*14.06.22 Rosie Collins forwarded an email from PCSO Finbar Greville with an update for Councillor Patten.*

Rosie Collins

Service Assistant
