	Cllr Mulgrew welcomed everyone to the meeting and introductions were made by the panel. PSCO Amy Hill is leaving and becoming a regular and PSCO Craig Thompson will be joining the team. Apologies were received from Peter Handley and Cllr Sean Bambrick	
	2 Minutes of last meeting (to be agreed) The minutes were agreed as a true record of the last meeting.	
	3 Safer Neighbourhoods Sergeant's Overview / Priorities Update PC Marriott ran through crime figures from 1 st April to the Monday 30 th June 2014, compared to the same period last year. <ul style="list-style-type: none"> • Violence against the person- 32 incidents compared to 33 last year • (3% decrease) • Robbery -0 this year, down from 2 last year • Sexual Offences - 5 this year compared to 2 last year • Theft -41 this year down from 67 last year (38.8% decrease) • Criminal Damage and Arson- 38 this year up from 26 last year (46% increase) All crime 126 this year to date compared to 149 last year, showing a fall of 15.4% against last year's figures. <p style="margin-left: 20px;"><u>Priorities update</u></p> <ul style="list-style-type: none"> • Three Warrants have been issued for Drug Offences and 40 Cannabis Plants were ceased in Stanton thanks in part to a member of the public. • Off Road Bikes – on going item this is still being tackled and there is more reports of the off road bikers being ridden on normal roads. 1 biker is due in court and another bike was ceased in Woodville. • Safe Drive Initiative – Had a positive result and had a good write up in the 	

	<p>Burton Mail.</p> <ul style="list-style-type: none"> • Parking at the Schools in the area has been targeted and parents have been highlighted on where to park. • A patrol in Newhall resulted in a known Drug Dealer being stopped and searched. 18 bags of Class 'A' drugs were seized and the driver had no insurance. • PSCOs are going into local Nursery's and Schools to get the Stranger Danger and Road Awareness message across. 	
4	Partnership Update/ Funding/ New Project Ideas	
	<ul style="list-style-type: none"> • There have been Operations held with SNT officers and CVS Safer Homes to help reduce Number Plate Thefts by issuing Anti-tamper screws. The events have been well received with 80 attending at Sainsbury and 54 at Midway. There is a further event to be held on 28th July between 3.30pm and 6pm at Morrison's. • Shed Security Initiative – Victims of non-dwelling breaks will be offered the chance of a free shed security visit by CVS Safer homes. The pack provided includes the fitting of a new shed alarm, lock, and property marking of valuables • Bike Registration Kits have been purchased to be provided to local schools and clubs. The scheme registers bikes on a National Database and the PSCO's are available to attend fates to distribute the Kits and give advice on keeping your bike safe. • Overt Cameras have been installed in parks in the area to combat vandalism. • Pub Watch- There has been two new banning orders agreed, which means they will be banned from all the pubs in the scheme. One of the men was banned after an incident in The Crown Inn, Newhall. • Police are trying to reduce the Handling of Stolen Goods. People are encouraged to ring Crime Stoppers if they are offered any goods that might be stolen. <p><u>Funding update</u></p> <ul style="list-style-type: none"> • There is £4,000 left in the fund – No applications received to date. 	
5	Local Issues – open forum (20 minutes)	
	<ul style="list-style-type: none"> • Cllr Dunn asked about cleaning and securing the garden of a property which has become Drugs Den down Dalston Road near the jitty where used needles, rubbish etc has been found. The Police stated that they are patrolling the area and the council Planning team are putting pressure on landowner to clean up and make the site secure. • Request for Speed Checks at Park Road, especially outside No. 58, since Speed vehicle has been removed. • Also raised that at Oversetts road cars are speeding approx 60 – 70 mph with parked cars both side and children walking. This is between 3pm and 8pm. There has been a crash at the allotments. Maybe ramps along the whole of the road could be looked into and speed checks, some vehicles were named. 	<p>PC Marriott to monitor Speeding on Park Road and Oversetts Road</p>

	<ul style="list-style-type: none"> • Safety Camera's on A511 near Mason's Arms and the turning for Springfield Road cannot be seen as there are bushes all overgrown. • Request for letters to be sent to parents regarding parking outside William Allitt and Newhall Junior School. Road users need to be more vigilant and be considerate with other drivers. Travel plans are to go out to parents. <p>Sgt Thompson has spoken with Rob Bounds DCC who has offered to work with PCSO's on the area looking at travel plans.</p> <ul style="list-style-type: none"> • Cllr Wilkins stated that this is a problem on Oversetts Road with parking on footpaths where pushchairs cannot get by; Cars are parked on both sides and it is very narrow. Also on South Drive cars are parked on the pavement and the mini roundabouts. • A member of the public said that the same issues keep getting voiced but nothing seems to happen. Also who is responsible for parking as notices don't seem to be working? The Police responded that obstructions are for the police to deal with and line offences are dealt with by the Civil enforcement officers who are part of the County Council. • Fairfield Meadows school- problems with parking; a member of the public asked if the greens could be removed and parking bays put in their place to help with the parking. This is dealt with by the County Council and it is all down to cost. The school has arranged for the football ground to open up and have asked parents to park there to help elevate the problem but parents say it is too far to walk. 	
6	Agreed Priorities	
	Road safety, Parking and Speeding.

NA/6 **MINUTES**

The Minutes of the Newhall Area Forum held on 5th February 2014 were agreed.

NA/7 **REPORT BACK ON ISSUES RAISED AT THE LAST MEETING**

The Chairman reviewed those items raised at the last Meeting and the Forum Liaison Officer reported the progress made in each case.

Traffic lights on A444 at Stanton. Residents raised that the lights are not giving enough time and contested they were correct as they give only 8 seconds to pull out of Park Road and then the A444 traffic is on green.

Signal Engineers looked into this and the 8 seconds is within the Department for Transport guidelines. The public do not agree with the Signal Engineers and invite them to come and see on a Sunday.

Resident raised that County Council clean the rubbish from a culvert adjacent to the village hall. Rubbish was left on the bank and ended up back in the water. Culvert needs cleaning out again and the rubbish removed from site.

The brook that passes beneath the culvert is classed as a main watercourse; the flood risk is managed by the EA and concerns have been passed onto them.

It was raised that new public styles are not very wide and it is difficult for people to pass through. A resident had torn clothing when trying to pass through. One in particular is near to the Manor House.

It has been assumed that this query relates to footpath no.99. On investigation it was observed that there is only one stile on the route. It is acknowledged that the style is narrow, but made of metal, and not something you would easily tear clothing on. There is a further stile at the side of the route – giving access into an adjacent field – but this is not an official Right of Way. It would be useful if the resident could clarify whether the route investigated is the correct one.

NA/8 **PUBLIC QUESTIONS ON ISSUES RAISED BY RESIDENTS**

The redevelopment in Midway, the play area to be repositioned. Mr Foster contacted the offices and has received no response or seen the plans. Cllr Wilkins said that amended plans had been put forward but he had not received consultation and the amendments have been passed.

Action: Frank McArdle to look into.

New Flats off Oversetts Road, where local residents were sent letters informing them that the residents would be Ex Offenders and Drug Offenders. Some residents attended a local meeting where they were told that 4 flats were for people needing homes and the other 4 are for people with Special Needs and there will be a warden on site.

Resident reported that 25 occasions had been logged with times and dates of problems with the noise from the Gun Club. John Mills – Environmental Officer is liaising with the resident and club and is doing an excellent job. They are looking into opening times Councillor Richards said this could be done through Enforcement law.

There was a meeting held regarding 600 houses being built near Golf Course this was with the developers. Asked what Leisure facilities in Newhall and Swadlincote.

East Staffordshire has received a growth fund will South Derbyshire be getting any. There is a meeting to be held with Derbyshire County Council but we have put forward Woodville Development and Drakelow Park.

A resident asked about what to do if you want your area to have a Parish Council – this can be done under the Localism Bill. There are 6,500 residents in Stanton and Newhall area 10% need to sign a petition wanting a Parish Council; they are trying to reduce the % to 7.5%. Funding has been granted for this through Mrs Orme. A meeting is to be held at Old Post Centre on Thursday 24th July 2014 Clare Orme is pushing for a Newhall and Stanton Parish Council.

Amenity Site in Newhall is planting Samplings is this area going to be part of the National Forest?

NA/9 **UPDATE ON ENVIRONMENTAL VOLUNTEERING – ALAN BATES**

This project aims to help local groups like Parish Councils and Footpath/Wildlife Groups find volunteers to do environmental tasks on their land, or land they manage. It will also provide suitable tasks for businesses and other groups (e.g. Derby University students, Rolls Royce, Bison and Toyota) wishing to volunteer for ½ day (or more) on an environmental task.

South Derbyshire Partnership and South Derbyshire District Council have been approached by groups needing tasks doing and groups looking for tasks and aim to match them up.

The aims are to: -

- provide support & training to voluntary community environmental groups, Parish Councils and individuals
- improve biodiversity and the visual attractiveness of South Derbyshire by supporting community environmental tasks/ projects

- support businesses in their community investment and 'business in the community' work
- enable more environmental volunteering to take place in South Derbyshire

This project will not replace other means of getting environmental tasks done - it is for tasks that are difficult to achieve through existing methods either for financial or practical reasons. Templates for organisations with an environmental task that they need help with are downloadable from the web link. (www.south-derbys.gov.uk/environmentalforum - then click on the Environmental Volunteering link). The completed project templates will be used to create a list of tasks for businesses (and other volunteer groups) to choose from. The templates should then make it quick and easy for businesses to book their volunteer day with the voluntary organisation, forest site, park or parish that needs the job doing. A charge to cover basic costs and any extras like risk assessments will be made to the business groups. The 'matching' service will be free for groups needing tasks doing unless they need extra support (at £30 hr). Charges are clear on the templates and notes.

SWADLINCOTE TOWNSCAPE SCHEME

SDDC has received a grant from Heritage Lottery of £8,200 to **prepare a plan** for repairing and restoring some buildings in Swadlincote Town Centre's Conservation Area (following on from previous schemes) SDDC will also be working with Derbyshire County Council.

More information will follow – but over the next 6-8 months we will be consulting schools and the public about activities and about certain parts of the project to make sure everyone is informed and has a chance to take part eg through an events programme (talks, walks, 'have a go' activities?).

The first part of the consultation is about the Diana Memorial Garden in Swadlincote and we are asking people how they would like to see the garden developed and how they would like to use it.

Info will follow via:

- letters to Clerks to Parish Councils
- consultation in Swadlincote eg at Festival of Leisure, Markets
- website and social media information

Can show people summary with more information at the end of the meeting if they want it?

NA/10 **COUNTY COUNCIL ISSUES**

There was a press conference held on Tuesday to inform people how the cuts of 157 million will be implemented. They are going to delay cuts and dig into reserves and are encouraging people to be able to stay at home instead of being hospitalised.

School Governor of Fairfield Crescent Junior School – Said every senior school in the area are under special measurements so there is a need for a new school.

Councillor Mulgrew said that Granville is not in special measures. Councillor Mrs Mead said most schools are in special measures but they are all working hard to get out of them and believes this will be in near future.

Pingle School last 3 interim reports are improving at a good rate and are coming out of special measures by next year.

There is no funding for a new school – but County Council are still looking into this. 14,000 houses are to be built by 2030 under the Government.

NA/11 **DISTRICT COUNCIL ISSUES**

Frank McArdle started by outlining what has been achieved and what is the vision for Swadlincote within open spaces and recreational sites there has been £4,400 million brought into Swadlincote through the regeneration of the town and his will continue into the future.

The Golf course is nearing completion for a 18 hole and pitch and put course the Council is working in partnership with the Golf Company to get the balance right between the course and open space. The proposed application is up to 600 houses and the money will go into regeneration of the golf course and Grove Hall. With Grove Hall the council are looking into modern facilities for the younger generation e.g. climbing Walls and other extreme sports. The application is believed to be submitted mid September.

Council Depot – This will be moving to a new facility on Nadins Way next to Bison where a new road is being built. The new depot will be a multipurpose facility net receipt of a million pounds. The old depot site on Darklands Road is desirable for development.

The development at Chestnut Avenue was praised.

The piece of land between Stanton Chapel and Lakes is under offer. The scheme is for open space and greenbelt and this land is protected and cannot be developed for housing.

The old depot site will not be a DIY Store but proposed development will be more family orientated. We have the new Massey's store and we should support local businesses.

There was talk about a theatre opening up in Swadlincote and Frank McArdle is trying for a link between Sharpes, Amp theatre and the Town Hall with the Quad in Derby. There will hopefully be a Travelling Theatre in early spring coming to Swadlincote. We do have at present Sharpes and the Glade at Rosliston and Calke Abbey that do all kinds of plays, concerts and many more entertainment for the area. All details can be found on the websites and they are advertised in the Tourist Information centre at Sharpes.

NA/12 **DATE OF NEXT MEETING**

The date of the next Meeting is 30th September 2014 at Rowland Memorial Hall, Midway

Councillor Kevin Richards

CHAIRMAN

The Meeting terminated at 8.31 pm

SOUTH DERBYSHIRE DISTRICT COUNCIL

NEWHALL AREA FORUM

(Covering: Midway, Newhall and Stanton)

Thursday 17th July 2014

REPORT BACK ON ISSUES RAISED AT THE LAST MEETING

At the last Newhall Area Forum held on 17th July 14 held at The Newhall Centre, the following issues were raised and a progress report is provided.

Public Questions raised by residents regarding The redevelopment in Chestnut Avenue, Midway

Mr Foster contacted the offices and had received no response or seen the plans. Cllr Wilkins said that the amended plans had been forwarded but no consultation had been received.

Frank McArdle – Chief Executive contacted Mr Foster and is satisfied with the information he was given with regard to the future siting of the new play equipment on the proposed new development.

Discussion of a Theatre opening up in Swadlincote

Talks are ongoing with the Managing Director of the Quad, they will advise as to progress at a future meeting.
