WHAT HAPPENS NEXT

All correspondence in respect of this application will be made via email.

We will acknowledge receipt of your application within 2 working days of you submitting your

application.

If you apply online, we are responsible for copying your STANDARD TEN or LATE TEN to the Chief Officer of Police and environmental health on the first working day after you have submitted a valid STANDARD or LATE TEN and paid the fee.

However, if you submit any part of your STANDARD TEN or LATE TEN in writing, this will not be treated as an online application and you will remain responsible for copying your STANDARD TEN or LATE TEN to the Chief Officer of Police and environmental health at the same time as the STANDARD TEN or LATE TEN is served on the licensing authority.

In such cases, your application will not be valid unless you do this in accordance with the Act and applicable Regulations.

If the Chief officer of Police and/ or environmental health wish to lodge an objection to the STANDARD TEN or LATE TEN they must do so within 3 working days of being served with a copy of the STANDARD TEN or LATE TEN and they must inform you and the Licensing Authority of their reasons for the objection. The police and / or environmental health may object to a STANDARD TEN or a LATE TEN if they consider any of the four licensing objectives of the Licensing Act 2003 would be undermined if the event were to be allowed to go ahead. You will then be served a counter notice by the licensing authority notifying you of the objections.

For a LATE TEN, where the police and/ or environmental health raise an objection, a counter notice will be served by the Licensing Authority at least 24 hours before the event is due to start, and the event will not be allowed to go ahead.

For a STANDARD TEN, the Licensing Authority will arrange for mediation in the first instance between yourselves, the police and/ or environmental health. As a result of mediation, the STANDARD TEN may be modified, and the licensing authority would then be informed. If mediation fails, a hearing will be held, where conditions may be attached to the STANDARD TEN by way of issuing a statement of conditions; or the event may not be authorised to proceed. Alternatively, the event may be permitted to proceed with no further conditions to be added.

The Local Authority will also serve a counter notice to STANDARD and LATE TENS in the following circumstances:

where the relevant premises user holds a personal licence and has already served at least fifty STANDARD TENS wholly or partly within the same calendar year;

where the relevant premises user holds a personal licence and has already served at least ten LATE TENS wholly or partly within the same calendar year

where the relevant premises user does not hold a personal licence and has already served at least five STANDARD TENS wholly or partly within the same calendar year;

where the relevant premises user does not hold a personal licence and has already served at least two LATE TENS wholly or partly within the same calendar year;

if at least twenty one STANDARD OR LATE TENS (in combination) have been served in respect of any part of the relevant premises in the same calendar year as the new TEN or LATE TEN

application;

if the maximum aggregate duration of the periods covered by STANDARD and LATE TENs at any individual premises exceeds twenty six days in a calendar year; and

WHAT HAPPENS NEXT

All correspondence in respect of this application will be made via email.

We will acknowledge receipt of your application within 2 working days of you submitting your application.

If you apply online, we are responsible for copying your STANDARD TEN or LATE TEN to the Chief Officer of Police and environmental health on the first working day after you have submitted a valid STANDARD or LATE TEN and paid the fee.

However, if you submit any part of your STANDARD TEN or LATE TEN in writing, this will not be treated as an online application and you will remain responsible for copying your STANDARD TEN or LATE TEN to the Chief Officer of Police and environmental health at the same time as the STANDARD TEN or LATE TEN is served on the licensing authority.

In such cases, your application will not be valid unless you do this in accordance with the Act and applicable Regulations.

If the Chief officer of Police and/ or environmental health wish to lodge an objection to the STANDARD TEN or LATE TEN they must do so within 3 working days of being served with a copy of the STANDARD TEN or LATE TEN and they must inform you and the Licensing Authority of their reasons for the objection. The police and / or environmental health may object to a STANDARD TEN or a LATE TEN if they consider any of the four licensing objectives of the Licensing Act 2003 would be undermined if the event were to be allowed to go ahead. You will then be served a counter notice by the licensing authority notifying you of the objections.

For a LATE TEN, where the police and/ or environmental health raise an objection, a counter notice will be served by the Licensing Authority at least 24 hours before the event is due to start, and the event will not be allowed to go ahead.

For a STANDARD TEN, the Licensing Authority will arrange for mediation in the first instance between yourselves, the police and/ or environmental health. As a result of mediation, the STANDARD TEN may be modified, and the licensing authority would then be informed. If mediation fails, a hearing will be held, where conditions may be attached to the STANDARD TEN by way of issuing a statement of conditions; or the event may not be authorised to proceed. Alternatively, the event may be permitted to proceed with no further conditions to be added.

The Local Authority will also serve a counter notice to STANDARD and LATE TENS in the following circumstances:

where the relevant premises user holds a personal licence and has already served at least fifty STANDARD TENS wholly or partly within the same calendar year;

where the relevant premises user holds a personal licence and has already served at least ten LATE TENS wholly or partly within the same calendar year

where the relevant premises user does not hold a personal licence and has already served at least five STANDARD TENS wholly or partly within the same calendar year;

where the relevant premises user does not hold a personal licence and has already served at least two LATE TENS wholly or partly within the same calendar year;

if the maximum aggregate duration of the periods covered by STANDARD and LATE TENS at any individual premises exceeds twenty six days in a calendar year; and
