The Head of Finance presented the report to the Committee and outlined the key points of the Annual Report with a summary of the out-turn position, confirming that investments were good and there would be scope to increase investments. It was noted that the Counterparty List provided the boundaries for the Council's investments.

Members sought clarity on the position of the Council in comparison to other Local Authorities and how its risk appetite to investments was defined.

The Strategic Director (Corporate Resources) informed the Committee that other Local Authorities had made commercial investments, but the investment rates secured by South Derbyshire were solid. FM/18 **FINAL REVENUE BUDGET OUT-TURN 2022-23**

The Head of Finance presented the report to the Committee, highlighting an additional £200,000.00 funding from business rates which was to assist with a backlog in planning applications. The Housing Revenue Account fund showed an overall improvement, but it was noted that at the year end there was outstanding planned maintenance work and that £330,000.00 from ear marked reserves was to help progress the re-letting of void properties.

The Strategic Director (Corporate Resources) asked the Committee to note that Appendix 2 of the report which showed ear marked reserves supported the Council's corporate aims and were aligned to spend that had been approved by Members.

Members raised questions about the terminology of the report, if the £200,000.00 additional funding had been approved previously and why the provision for Land Charges had no spend against it. Members commented about the need to consider fleet replacement and maintenance costs carefully.

The Strategic Director (Corporate Resources) informed Members that the model for budgeting used in the future would be service driven. The budgetary changes would require a review of the procedural rules and the General Fund and Housing Revenue Account Funds would be addressed in future model

changes. The £200,000.00 additional funding was new and approved within the budget and policy framework delegated authority.

The Chief Executive informed Members that the provision for Land Charges would be used to fund the cleansing of the data prior to the transfer of the service to HM Land Registry.
