Details of representation (please use additional sheets where necessary)

I live overlooking Grangefields farm with my wife and 3 small children.

The prevailing wind is from the direction of the farm and no noise carries easily from it to our house.

Sometimes the wind will carry the noise of motor engines, a barn owl or even a single person talking from Grangefields; this is a very quiet rural area.

Grangefields farm is around 700m away from my house.

I am certain that we are going to be able to hear music and people routinely from the venue.

I am worried that my children will be kept awake at night from the noises of intoxicated people leaving the venue, as well as the music.

Given the unique, quiet, rural area I do not understand why the venue would be allowed to have music, or serve alcohol after 11pm.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

Licenses limited to 11pm please to limit disturbances to sleeping children in the quiet village of Lees

Once the Licensing Section has received this form you will receive a written acknowledgement. Your representation will be forwarded to the applicant and/or their representative who may contact you in order to discuss your representations.

This form must be received by the Licensing Authority within the statutory representation period.

I want to raise an objection to the above application. I live only 700m from the venue.

The application for planning permission for the venue stated that all guest should be offsite for 1pm. Why therefore is the request for both Music and Alcohol to this time? As far as I am aware, surrounding wedding venues e.g. Osmaston Park have licences up to 11.30pm with carriages on-site for midnight. Why should this venue, with domestic housing much closer, be any different? It cannot be argued that this would be to their commercial disadvantage – a majority of wedding venues operate similar hours.

So I don't object to the licence per se, just the proposed hours. Music and alcohol should stop by midnight, to prevent nuisance to residents.
