Details of representation.....

MARCH 2021: WORK to increase parking spaces in Melbourne Assembly Rooms complex was completed to create more spaces.

Fast forward to August²⁰²² and I was shocked to see the spaces made are going to be turned into a 'BEER GARDEN' at the back of the complex.

This area of the complex was once used, regularly, by young teenagers to smoke drugs. We had to contact the police on a number of occasions because of public disorders. In the wake of the announcement to erect a Beer garden public disorders and general noise from this area will seemingly cause disruption to an area that is seen as private, but the area is next door to our house.

We have also seen bottles thrown over the wall, smashing one of our door windows, and whilst there might not be young people drinking on the premises, the likelihood of boisterous behaviour is inevitable.

It is also very baffling why a beer garden is needed when across the road the Melbourne Inn had had a beer garden for many years?

The general disruption the Thursday market causes to the nearby local complex is bad enough, why add this extra obstacle to this tranquil area.

If possible please suggest alterations to the application/licence that would resolve the problem mentioned above, again paying attention to the licensing objectives

We all the already established Brewery in
the village and leave the current as it is.

Once the Licensing Section has received this form you will receive a written acknowledgement and you may be contacted to discuss the issue prior to any referral to a sub-committee hearing.
