Premises Licence Notice for Grangefields Farm, DE6 5BJ

Dear Sir or Madam,

I am writing to complain about the above request for a daily Premises Licence at the above property.

I am appalled that now the planning permission has been granted, (despite the number of objections raised by residents), that they now wish to obtain a daily licence to play music until 1am. This is totally unacceptable even to me, despite the fact that I only stay in the village for one or two nights a week throughout the year. It was bad enough when the Three Horseshoes had live bands, but at least that was only on about once a month and never went on until 1am.

Also you again do not seem to have taken into account the fact that there will also be an increase of speeding vehicles going through the village, again causing disturbance and waking people up.

Please do not grant the licence on this basis, at least an 11pm cut off time and only at the weekends would be more acceptable.

Yours faithfully

Ruth Chidley
