Cllr Churchill raised the difficulty completing the form for the local plan online.

**ACTION:** Heidi McDougal – Feedback the difficulty with online Local Plan Consultation at the Local Plan Working Group tomorrow (15.02.23).

### **R/A 14. Police Safer Neighbourhood Team (SNT) Report and Police Q&A**

We have been taking part in lots of community engagement events including those at Findern Village Hall and with the Local Scouts Group.

School talks and school patrols are frequently carried out across the whole of the area. We have seen an improvement in the parking at Findern School after working closely with them.

We have had an extremely busy period with Christmas and New Year. With regards to drink and drug driving, there have been over 180 arrests made over South Derbyshire. At the recent awards night, your SNT won team of the year!

Op-Sceptre will commence again on 15th May 2023.

Burglary Action Week will commence on 21st November 2023.

There have been numerous Vehicle Related Offences RE: no insurance and/or no license as well as both Drink and Drug Driving Offences.

There has been a specific market uptake in Community Speed Watch. Repton is back up and running and they have recently gained funding for equipment too. Willington have recently started up a new group, they have been out today and caught 4 speeders and have had 6 sites approved to carry out CSW.

Drug and drink driving campaign took place over the Christmas period. Lots of positive outcomes.

We have executed a number of drug warrants which have resulted in a number of positive outcomes. Within the Mercia Area, there is a low crime rate.

#### **SNT Q&A:**

A discussion took place on how to join Findern Community Speed Watch group. Ticknall Parish Council raised concerns over speeding in the village. There is no CSW so we only reply on CREST but we have not received any data for a while. Repton Parish Council asked why the police cannot enforce 20 is plenty?

**ACTION:** Heidi McDougal to enquire to County Council about 20 is plenty in the area

Councillor Churchill thanked the SNT for their continued hard work.

PCSO Supervisor Wallington-Waite advised that multi-agency meetings had started to take place RE: Foremark with the summer months fast approaching.

## R/A 15. South Derbyshire Community Safety Partnership/ Safer Neighbourhood Grants Update

Claire Rawlins provide the following update:

**Safer Spaces Meeting** - This is a new meeting which has been set up to look at ASB and Crime issues in Urban Core, especially around the Parks and Open Spaces. A recent Contextual Safeguarding Survey carried out by Granville School showed fear of crime in parks - especially Eureka Park where there has been some high-profile incidents in recent years. The group is carrying out further consultation in schools and with youth groups to see what would make young people feel safer in these areas.

**Op Sceptre & Knife Crime Prevention** - We have also been supporting Street Whyze in South Derbyshire Support Centre with 1-2-1 and group intervention around knife Crime.

Granville School have also bought in the 'Switch up' Theatre in Education Performance which is both interactive and engaging. Pingle have also booked the performance for this year and the Partnership will support the initiative in future years with a 50% contribution of each performance.

**Safer Homes** - CVS have won the Tender for The Safer Homes Scheme and will continue to operate the scheme for the next three years. The service installs security measures to victim's and vulnerable people's homes free of charge. Self-referrals can be made, leaflets on the scheme are on the sign in table

**Vehicle Crime Initiatives**- We have located two hotspot areas along the A50 Corridor around the Swadlincote Area. Our manager (Chris Smith) has met with the Inspector and Community engagement events have taken place around the area where tool marking kits were provided for van owners. In addition, we are currently liaising with Balfour Beattie regarding some new A50 Signage.

**Safer Neighbourhoods Funding** – One new application had been received which was for £2500 towards the running of Repton Youth Club. The total project cost is £6190 and will enable the youth group to continue to be run by Dizzy Heights for another year. The group approved the grant award.

There is still Funding available for projects for the current financial year. Anyone with any projects should contact Chris or Rosie. Two applications have now been funded in area 2 this year. An allocation of £1400 was also made to Repton Parish Council for a new lighting column on a footpath.

Findern Footpaths raised the question of gaining Wildlife Cameras for the Footpaths group.

**ACTION:** CR to take back the issue of Wildlife Cameras for Findern Footpaths.

## R/A 16. Local Authority Update and Public Q&A

**Public Spaces Protection Orders extended for 3 years**-Throughout September 2022 the Council consulted on a proposal to renew seven Public Spaces Protection Orders.

Public Spaces Protection Orders (PSPO) are a control measure, intended to deal with specific nuisances or problems in a defined area that are “detrimental to the local community’s quality of life”.

PSPOs have a lifespan of three years and the seven existing Orders were due to expire in January 2023. The consultation processes identified widespread support for the continuation of the Orders and so the Council have extended them all until January 2026.

The seven PSPOs include:

Dog Fouling PSPO. Which makes it an offence for any owner not to pick up after their dog in all land open to the public in South Derbyshire.

Dogs on Lead PSPO. This makes it an offence for any owner not to keep their dog on a lead in any of the 23 parks and open spaces named in the Order.

Littering from Vehicles PSPO. This made the registered owner of a vehicle legally responsible for any litter thrown from their vehicle.

Staker Lane & Lowes Lane PSPOs. Which give the Council the power to put a gated entrance to a small length of public highway and prohibit unauthorised vehicles from accessing the lanes which are fly tipping hotspots.

Breach of any of the PSPOs can result in a £100 fixed penalty notice or prosecution carrying a fine up to £1,000.

Copies of all of the Orders are published on the [PSPO section of the Councils website](#) and the Councils Environmental Health Facebook account contains regular information about recent fixed penalties which have been issued.

**Social Housing Decarbonisation Funding – Wave One** - Phase 1 works to extract and replace cavity wall insulation and install additional loft insulation have been completed at Kendricks Close (Hartshorne) and residents are already reporting being able to reduce the settings of their heating controls whilst remaining comfortably warm.

Work at Peniston Rise (Melbourne), Resthaven (Swadlincote) and Bailey Avenue (Overseal), has commenced and the final scheme at Gresley Woodlands commences in early February.

We have and continue to build a constructive working relationship with the contractor and the customer engagement activities are bringing positive benefits as evidenced by very few customer queries or complaints being received.

Phase 2 works to install high heat retention double glazing and doors at all properties is expected to start in early February with all works expected to be completed by 31<sup>st</sup> March 2023.

**Voter Identification** - From May 2023, all electors who wish to vote in person, including those acting as a proxy on behalf of another individual, will be required to produce an

accepted form of photographic identification (photo ID) at polling stations before being provided with a ballot paper.

The Cabinet Office has decided to introduce this requirement to reduce cases of voter fraud. The requirement was brought in under the Elections Act 2022, and the relevant sections are now in force.

This requirement will apply to:

- UK Parliamentary General Elections
- Local Elections
- Local Referendums
- Police and Crime Commissioner Elections
- Recall Elections

The first poll this will apply to will be the local elections on Thursday 4 May 2023.

A comprehensive communications campaign will advertise the requirements in plenty of time across a broad range of channels before this policy is implemented nationwide.

### **What types of photo ID will be accepted?**

Poll Clerks will be able to accept many forms of identification, including:

- Various concessionary travel passes
- PASS cards
- Ministry of Defence identity cards
- Photocard parking permits issued as part of the Blue Badge scheme
- Driver's licenses
- Passports

Expired photo ID will also be accepted, as long as the photograph is still a good likeness of the elector.

There are some information sheets with further information at the back of the room near the signing in sheet.

If you have any other questions or queries, please contact the Council Elections Office, or the Councils Website

### **Local Authority Q&A:**

A member of the public asked, what is the process and deadline for voter ID?

Heidi McDougal reiterated the process and urged people to vote via postal vote. Councillor Churchill explained, a lot of places outside of Swadlincote that need help & support – not just Swadlincote itself. He explained the cost of new play equipment which now falls under the Parish Council and asked if contributions can be made from SDDC.

**ACTION: SM to look at contribution from Parks and Green Spaces Team to the local Parish Councils to help with the running cost of play equipment and safety inspections.**

Councillor Shepherd explained he has a list of matters for County Council. Councillor

Atkin will speak with Shepherd outside of the meeting.

A member of the public raised concerns over the state of the footpaths between Findern and Highfields.

**ACTION: Councillor Ford to chase footpath issue in Findern to Heathfields.**

A member of the public asked if the dates for gully cleaning could be published publicly? Heid explained SDDC are always dubious about giving dates and instead we work through a schedule instead.

**ACTION: HM to find out when the gully schedule will be published and information on when they were last cleaned.**

A member of the public asked if the same could be done for the grass cutting schedule too.

**ACTION: HM to find out if the Grass cutting schedule can be made publicly available**

**Food Bank** Our Food Bank is now well established in our new premises at The Hive Unit G First Floor, Sharpes Industrial Estate, Alexandra Road, Swadlincote DE11 9AZ Swadlincote and the collection of food parcels is by appointment only. Due to the increase in demand for this service we are now open four days a week - Monday, Tuesday, Thursday and Friday between 9.00am - 3:30pm. **Partnership working with CAB (Citizens Advice Bureau)** Since November 22 we have been working in partnership with the Citizens Advice Bureau. One of the CAB advisors is now located at the Food Bank twice a week offering support to clients who are experiencing debt and energy issues. This service started in November and in the first month the support given to clients saw the following financial gains - £17,192.00 in benefits and fuel support and £2,373.00 managing debt. This is a funded project and CAB have just secured a further 18 months' funding to expand this service and support the Food Bank.

May we take this opportunity to thank the residents and businesses in South Derbyshire that have supported the Food Bank over the past year with financial and food donations. This valued support has meant that many vulnerable and disadvantaged people have been able to access this service and start receiving other support including debt and benefit issues, domestic abuse and more recently the cost-of-living crisis.

**Community Development Team** The team supports local communities, not-for-profit groups and volunteers in South Derbyshire. Our aim is to provide support, information and advice to volunteer trustees, voluntary and community groups, registered charities and social enterprises. We help new groups to set up with the appropriate governance (constitution, trustee board, policies and procedures and funding). For further information contact [development@sdcvs.org.uk](mailto:development@sdcvs.org.uk)

In the period July – September 2022 the Team supported 43 individual groups with 402 contacts with those groups during the three-month period supporting them with funding searches, governance, community engagements, finance and volunteer recruitment.

**Connected South Derbyshire** A project to connect, engage and socialise local citizens in South Derbyshire with the volunteers, groups and organisations providing social connection in their communities. Our new Development Officer, Helen Adcock started in October and has been engaging with a number of community networks in Etwell, Hatton, Hilton and is now starting to develop networks in Repton and Willington. **Corporate Volunteers** We have started to work with corporate businesses who are keen for their staff to volunteer to give something back to their local community and be more aware of the many issues that residents in South Derbyshire are experiencing. An example is Amazon and ElectroLube who supported the Food Bank with the Christmas rush – helping in the Food Bank to bring in the donations and making up the food parcels to give out to local residents.

**Community Connectors Project** This was originally the Covid Connectors Network supporting local communities sharing public health information updates relating to Covid. The project has now been renamed to the Community Connectors Project and focuses more on health and wellbeing, what services are available and moving into recovery from the pandemic. For more information email [Selinaw@sdcv.org.uk](mailto:Selinaw@sdcv.org.uk)

#### CVS Questions & Answers:

A member of the public asked, how do we access transport to the rural areas? There is a lot of support into Swadlincote but the main interest over the next year should be to look at this matter.

CVS explained, they are conscious of that, and it is something which they will be looking at.

Councillor Shepherd explained, pre-covid, there was a Stenson Ward Luncheon Club – is there any plan to re-energise this?

Helen explained she would contact Councillor Shepherd about the Luncheon Club.

**ACTION: Councillor Shepherd and Helen at CVS to discuss the Stenson Fields Luncheon Club.**

**R/A 19. Close and Date of Next Meeting**

Next Meeting Date TBC

Councillor Andrew MacPherson  
CHAIR

The meeting terminated at 19:35.

**SOUTH DERBYSHIRE DISTRICT COUNCIL**

**MERCIA AND REPTON AREA 2 FORUM**

**MEETING**

**REPORT BACK ON ISSUES RAISED AT THE LAST MEETING**

**Held on 14<sup>th</sup> February, 2023 at Findern  
Village Hall**

At the last Mercia Area Forum Meeting, the following issues were raised, and a progress report is provided.

**1. ACTION:** Feedback to Planning local plan working group about difficulty with the Online Local Plan consultation.

**UPDATE:** This was feedback to Planning working group, they hadn't received any other complaints of this sort but would take it on board for future consultation work.

**2. ACTION:** Enquire whether DCC can enforce 20 is plenty

**UPDATE:** DCC consulted earlier this year on implementing pilot 20mph zones, through its Green Towns initiative in Buxton and Long Eaton, uncertain if these are going forward and no information on whether there are plans to widen this out to other areas.

**3. ACTION:** Findern Footpaths have asked for a CCTV Camera

**UPDATE:** Claire Rawlins (SDDC) liaised with the CSEO Officers in Environmental Health and Wildlife cameras are deployed to hotspot areas with strict conditions set out by central government for their appropriate usage eg fly-tipping hotspots, unfortunately this footpath wouldn't currently meet the criteria, but any further issues should be reported to Environmental Health.

**4. ACTION:** Sean McBurney to look at contribution from Parks and Green Spaces Team to the local Parish Councils to help with the running cost of play equipment and safety inspections.

**UPDATE:** Chris Worman, Parks and Open Spaces Manager advised that there isn't any additional budget that can assist this, it would be down to Parish Councils to raise additional funds to support local amenities.

**5. ACTION:** Speak with DCC regarding state of Footpaths between Findern and Highfields.

**UPDATE:** Verbal update to be provided at next meeting.

**6. ACTION:** Enquire with Operational Services about whether there could be a publicly available Grass Cutting and Gully Clearing schedule

**UPDATE:** With regards to Grass cutting, this is not possible as if there were any unforeseen circumstances which meant work couldn't be completed ie; due to machinery break down, extreme weather or staffing issues, then it would be out of sync and not accurate. The schedules for Gully clearance are provided by DCC, but again would not be made public for the same reasons.

**7. ACTION:** Cllr Shepherd made an enquiry into whether the Luncheon Club at Stenson could be reintroduced.

**UPDATE:** Helen from CVS has responded; following a discussion with Cllr Shepherd I set out trying to identify who ran it, and where it was held – neither of which I was successful with. We did consider the idea of starting a new one up and approached the church, but with no interest. Unfortunately, until someone comes forward to take on the running of it I can't do much more.
