SUBJECT: CHANGES TO SWIMMING POOL
OPENING TIMES

1.0 PURPOSE OF REPORT

1.1 To ask members to consider changes to the swimming pool opening times from January 2002.

2.0 CONTENT

2.1 The proposed changes outlined in Annexe 'A' to this report is mainly targeted at increasing children's admissions.

2.2 The changes include repeating the morning fun session in the afternoon during the school holidays, and increasing the private hire (birthday parties) from 30 minutes to 1 hour on Fridays.

3.0 FINANCIAL IMPLICATIONS

3.1 Fun sessions are popular with children and parents. The additional income generated from these extra fun sessions should more than out weigh the additional lifeguarding costs that will be incurred.

4.0 RECOMMENDATION

4.1 That the swimming pool timetable be revised from January 2002.

5.0 BACKGROUND PAPERS

5.1 Etwall Leisure Centre statistical records.
