Details of representation (please use additional sheets where necessary)

My wife _____ and I have recently built a house in Dalbury Lees, due to the rural and quiet location. We live directly behind Grangefields Farm around 750m away, along with my sister and brother in law in the neighbouring property.

Since living in Dalbury I cannot believe (and would not have believed) the wind, that gusts towards us from Grangefields Farm. It would be well worth you coming to see this as I must admit it wouldn't believe it if someone told me!

We have recently welcomed our son _____ (5 months now). With it being our first child we were over the moon and are really enjoying parent hood. The standard problems of getting him to sleep at night with him having the back bedroom would be my first worry (along with my sister in law having 3 children as well).

Given the short distance and the horrendous wind on a daily basis I am rather worried my wife and I will be kept awake by music and also people drinking and shouting rather loudly.

In my opinion I feel with the rural location and the locality to the houses why the venue would be allowed to serve alcohol or have music on after 11pm in the evenings.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

Licenses to limit the disturbance of my child and myself to 11pm
in such a rural and quiet locations of Dalbury Lees.

Once the Licensing Section has received this form you will receive a written acknowledgement. Your representation will be forwarded to the applicant and/or their representative who may contact you in order to discuss your representations.

This form must be received by the Licensing Authority within the statutory representation period.
