PLANNING COMMITTEE

5th August 2014

PL/36 **Exempt questions by members of the Council pursuant to Council procedure rule No 11.**

The Committee was informed that no questions from members of the Council had been received.

PL/37 **Permitted development - Woodville**

The Committee considered a report which sought authorisation to proceed with a so-called 'Article 4 Direction.' This would require the Committee to grant planning permission, before the demolition of a nineteenth century former brewery building in the Woodville Area could take place.

Members felt it important that the building be protected, given the contribution it made to the industrial heritage of the area. In this context there was some discussion about whether it could achieve listed status.

RESOLVED:-

That the recommendations be approved

CHAIRMAN
