REPORT BACK ON ISSUES RAISED AT THE LAST MEETING

At the last meeting held on 23rd January 2008 at Elmsleigh Infant School, a number of issues were raised. These issues are listed below, together with progress made:-

1. EDUCATION PROVISION (NADINS WAY)

Plans to build a new school in Swadlincote have been shelved for the time being. This is due to budget limitations and further considerations required in regard to the level of current housing development in the area.

2. LITTER AT WILLIAM ALLITT SCHOOL - SUNNYSIDE

The Clean Team have cleaned this area up, and discussions have been held with the School.

3. DUMPING OF FREE NEWSPAPERS

The Burton Trader have been made aware of this problem, and have advised that this is now in hand.

4. TRAFFIC LIGHT BULB – NEWHALL

The County Council were aware of this bulb, however it is on a tall pole, and required more than a ladder to replace it. Arrangements were made in February to co-ordinate the street lighting's cherry picker and the maintenance contractor to replace it.

Derbyshire County Council
County Secretary

5. BIODEGRADABLE REFUSE SACKS

Lists of garden sack stockists are attached.

Annexe A is a list of retailers selling the same sacks as the District Council's Cash Office, at the same price.

Annexe B is a list of larger retailers and their prices.

6. LITTER SIGNAGE AT PARK ROAD/STANTON ROAD AREA

The County Council are not aware of any previous complaints with respect to litter at, or in the immediate vicinity of the waste site off Park Road, Newhall. The situation at this site has been checked and there was no evidence of litter at this time. It is not felt that there are a disproportionate number of trailers using the site, and there is no litter along the long access road into the site.
