**Dear Sirs** 

## SOUTH DERBYSHIRE DISTRICT COUNCIL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2009

We confirm to the best of our knowledge and belief that the following representations are made on the basis of appropriate enquiries of other officers of South Derbyshire District Council ('the Authority'), with relevant knowledge and experience (and, where appropriate, of inspection of supporting documentation) sufficient to satisfy ourselves that we can properly make each of the following representations to you in respect of your audit of the above financial statements.

- i We acknowledge our responsibilities for ensuring that financial statements are prepared which present fairly the financial position of this Authority and for making accurate representations to you.
- ii As far as we are aware:
  - a There is no relevant audit information of which you are unaware; and
  - b We have taken all steps that we ought to have taken to make ourselves aware of any relevant audit information and to establish that you are aware of that information.
- All the accounting records of the Authority have been made available to you for the purpose of your audit and all the transactions undertaken by the Authority have been properly recorded in the accounting records and reflected in the financial statements.
- iv All other records and related information, including minutes of all Authority and Committee meetings, have been made available to you.
- v The financial statements are free of material misstatements, including omissions.
- vi We acknowledge our responsibility for the design and implementation of internal control to prevent and detect error and fraud.

- vii We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- viii We have disclosed to you our knowledge of fraud or suspected fraud affecting the entity involving:
  - a Management;
  - b Employees who have significant roles in internal control; or
  - c Others where the fraud could have a material effect on the financial statements:
- ix We have disclosed to you our knowledge of any allegations of fraud, or suspected fraud, affecting the Authority's financial statements communicated by employees, former employees or others.
- The authority has no plans to terminate early it's Lender Option Borrower Option (LOBO) loans.
- xi Except as stated in the accounts:
  - a There are no unrecorded liabilities, actual or contingent
  - b None of the assets of the authority has been assigned, pledged or mortgaged
  - c There are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- xii All related parties have been identified to you and there were no transactions with related parties other than those disclosed in the financial statements.
- xiii Except as stated in the accounts, there are no claims, legal proceedings or other matters which may lead to a loss falling on the authority or which could result in the creation of an unrecorded asset, that should be disclosed in the financial statements except as disclosed in the accounts.
- xiv The Authority has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- we are not aware of any instances of actual or possible noncompliance with laws and regulations that might affect the view given by the financial statements.
- xvi We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.

- xvii We have no plans or intentions that will result in any obsolete tangible fixed assets or inventory other than as already recognised in the accounts.
- xviii We confirm that income is accounted for by applying the accruals convention. Where income has been received for a specific activity to be delivered in the following financial year, that income is deferred.
- Other than disclosed in the financial statements, no significant events having an effect on the financial position of the Authority have taken place since the balance sheet date, which necessitate revision of the figures included in the financial statements or inclusion of a note thereto.
- We have considered the unadjusted errors brought to our attention on the audit differences and adjustments summary and in the ISA260 report. We are content for the financial statements not to be amended for these errors, as they do not have a significant effect.
- xxi No events have occurred since the balance sheet date that lead us to believe that any items previously recognised as income in the accounts are now repayable.
- Xxii We believe that the Authority's financial statements should be prepared on a going concern basis on the grounds that current and future sources of financing will be more than adequate for the Authority's needs. We believe that no further disclosures relating to the Authority's ability to continue as a going concern need to be made in the financial statements.

## **Approval**
