### District Specific Offer

- Support work across the District, catalysing the inactive to become active by enabling and widening the local physical activity system.
- Moving on with COVID activated locally with key partners to develop a shared approach to reduce inequalities in physical activity amongst young people.
- Develop a shared approach to enable communities to be active in the outdoors. Embedding the Walk Derbyshire programme and revised Derbyshire Cycle plan locally; and bringing additionality to the activation of the Urban Country Park.
- Support the development of place-based working. Following an insight-led approach, supporting local models and advocacy. Bringing additionality to the work in Newhall.
- Continue to facilitate learning within the education sector regarding community use of schools, working with schools in the urban core to understand current usage, success factors and support schools to open their sports facilities outside of the school day. Disseminating learning across all schools and bringing additionality to the options appraisal for an additional Artificial Turf Pitch.
- Supporting the development of the Active South Derbyshire Strategy Refresh in light of new National and County strategy developments. With support from the University of Derby to research current variants in the Active Lives Data, to inform future priorities.
- Supporting the community infrastructure to tackle inequalities in participation across the District to help those groups supporting the less active enable physical activity by connecting them to funding, training and other resources. To develop their workforce, opportunities, and safe spaces.
