It was noted that Council rent arrears had doubled in the last two years and that Housing Officers were engaged in supporting residents to secure the collection of rent arrears.

The Committee was informed that Council Tax collection was at 96% as at the end of February 2021 and that many households had benefitted from the Government's hardship funding. The Strategic Director explained how a change of approach to collecting arrears due to Covid-19 meant soft recovery methods had been implemented with Officers contacting residents by telephone and email and advised that debt had been passed to enforcement during Covid-19, but those agencies had been operating under strict procedures whilst maintaining sensitivity.

Members welcomed the report and asked that thanks be passed to all staff for working hard to support residents during Covid-19 and raised questions regarding the hardship funding.

The Strategic Director (Corporate Resources) confirmed that residents covered by the Council Tax Discount scheme were targeted for hardship funding and bills adjusted automatically as per Finance and Management Committee recommendations.

**RESOLVED:-**

***The Committee considered the current position regarding the impact of Universal Credit and Council Tax recovery and would provide feedback to the Finance and Management Committee to inform policy and service improvement.***

Councillor Atkin how the hardship fund had been publicised and how long it would be available. The Chief Executive confirmed that government guidelines allowed for discretion in interpreting the criteria for funding, but everything was being done to help local businesses obtain grant funding.
