At the meeting on 17th March, the Board approved the final priorities and action areas together with the form and content of the Community strategy. The Board also agreed that the working groups needed to make final recommendations in respect of the Year one Action Plan and authorised the Chair of the Board to approve the final version of the plan.

Arrangements have been made to discuss the issue of the final design and presentation of the Community Strategy – both in its full format and as a summary leaflet – and further information will be made available at the meeting.
