**APPENDIX 'A'**

**RE: The Board Walk, Mercia Marina**

The applicant is applying for a Premises Licence for both on and off sales with the opening hours of the premise being 0800hrs to 0030hrs Monday to Sunday. The sales of alcohol would aim to be from opening to midnight throughout.

The purpose of the premises is to be a restaurant bar offering light snacks and alcoholic refreshments during the day and to offer more substantial meals of an evening. Prior to this application being received another larger application was received and granted for the same location. The decision has been made to re-size the development and therefore the application based on economics, but still with a view that the sale of alcohol would increase footfall, sales and revenue at the premise.

The premise is currently unused land within a busy marina development which has been afforded planning permission for the development. The premises are situated on a main road that runs through a fairly rural location but does have a scattering of residential premises within its locality.

Following discussions between the Police Licensing Enforcement Officers the owners have stated that the premise would be frequented by the local community, those visiting the local area and those who have moored craft within the marina.

The behaviour of certain individuals when under the influence of alcohol is widely recognised and documented as being one of the main factors encouraging their anti-social behaviour and violence through the level of intoxication.

The premise would allow and through its offering, would encourage more persons to visit the location on and during periods of celebration and Bank Holidays this increase of footfall to a rural location coupled with the close proximity to water gives rise to the concern of intoxicated customers with children.

This would be coupled with an increase in the amount of pedestrian traffic and associated noise and Anti social behaviour. This in itself could be perceived as a 'Public Nuisance' and could give rise to the decline in the image of a popular local beauty spot.

By applying for this licence I believe that it could lead to an increase in; Drink drive offences, persons loitering and congregating and an increase in alcohol consumption within this rural area with the potential for customers being tempted to walk into Wellington on a dimly lit road. This offering albeit seen to provide another location for members of the community to enjoy the locality could give cause for concern with regards to the support of the four Licensing Objectives should it be allowed to operate without the suitable conditions being applied to the premises licence;

**Public nuisance**

**Public safety**

**Protection of children from harm**

**Crime and Disorder**

It is my opinion that the close proximity of water to the premises, coupled with the offering of alcohol could lead to the likelihood of an increase in the potential for Anti-social Behaviour and other crime that could be attributed to alcohol consumption, therefore undermining all of the licensing objectives.

Having discussed my concerns with both the applicant and the solicitors it has been agreed that a schedule of conditions that are both proportionate and suitable to the offering and location should be considered. Should the attached conditions be applied to the premises licence the Chief Officer of Police would have no objections to the licence being granted?

Premises Licence Conditions for;

Dear Stewart,

Thank you for your email.

I can confirm that my client is agreeable to the proposed conditions detailed in the police representation being added to the licence for the Board Walk, albeit that at condition 6 I believe the police had requested the addition of a third bullet point to also include 'Government approved 'PASS' card with hologram'

Accordingly, I confirm that should no further representations be received, that I am happy to dispense with the need to hold a hearing.

Kind regards,

Karen
