I am objecting to this licence application due to the following reasons,

There is a major access point to this venue which runs directly beneath my bedroom, currently there is very little footfall through this access in the evenings and there is very little disturbance.

This application for a premises licence intends to attract up to 5000 people 7 days a week for various entertainment and drinking activities. The licence hours applied for are up to 10.30 at night every day, this will cause an unacceptable increase in footfall through this access route and create a lot of noise and disturbance to us well past the 10.30 licenced hours.

It is also my fear that this application will encourage children and young adults to gather in large groups on Pool road near to a residential care home. Antisocial behaviour and underage drinking which occurs occasionally will become more common leading to greater disturbance and distress for the elderly people residing there.

Traffic and parking is also going to be a major issue and I believe that there is a field on Blackwell lane that may be a proposed parking area. The access to and from this field is at a dangerous place on Blackwell lane where a major road traffic accident recently occurred.

I do not believe that the granting of this application will benefit Melbourne in any possible way, it will only lead to a peaceful residential heritage area in Melbourne to decline into an area where local residents will be reluctant to go.

If possible please suggest alterations to the application/licence that would resolve the problem mentioned above, again paying attention to the licensing objectives

Once the Licensing Section has received this form you will receive a written acknowledgement and you may be contacted to discuss the issue prior to any referral to a sub-committee hearing.

If referred to a sub committee hearing:

Please tick this box if you do not intend to be present

Please tick this box if you do not intend to be represented

Please tick this box if you would like to remain anonymous

If you wish to withdraw your representation you may do so by confirming this in writing before the end of the last day of the 28 day consultation period.
