We would like to raise our objections to the application for the variation to the Premise License raised by Trident in respect of Oakland Village, Hall Farm Road, Swadlincote.

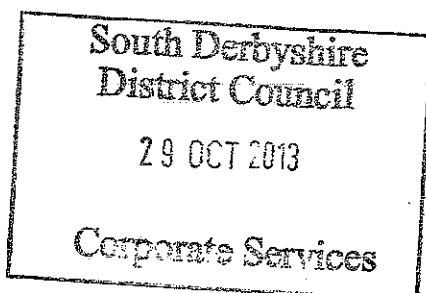

We are raising our objection in accordance with The Licensing Act 2003 which contains legislation to protect local residents from disturbance and anti-social behaviour that can be created by some people visiting places of entertainment.

We live on the neighbouring perimeter to the Oakland Village, with our back garden fence running alongside Hall Farm Road. We live on a quiet cul de sac of bungalows all occupied by pensionable age people. We consider ourselves to be integrated as part of the village, enjoying social evenings such as bingo, and a carvery meal in the restaurant. We visit the Oakland Village on the basis that we feel safe and in the company of others who are respectful to our age group. Whilst there are children and working age people also visiting the Oakland Village for these same activities, they are doing so by choice knowing that there are many elderly persons there and they respect that. We believe that it is right to have a mix of activities available but we also believe that these should be kept appropriate to a retirement village and appropriate to the neighbourhood.

If people attend functions from outside of our community, who do not know our neighbourhood and the retirement village, it seems unlikely that they will hold the same level of respect for our locality. People holding disco's, parties and wedding receptions will have loud music and often excessive alcohol consumption. This is not a sweeping unfounded statement, but a reasonable statement made on the balance of probabilities. We believe that under the prevention of crime and disorder and the under the prevention of nuisance that the variation to the licence should not be granted.

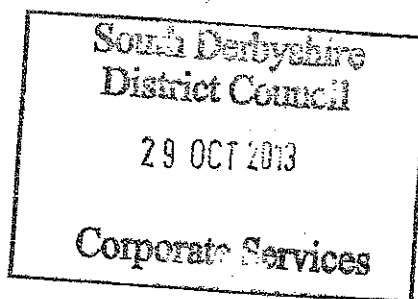

There is also the issue of the transport. A party of 100 or so people will generate the need for parking for 20 or more cars, or taxi's dropping and collecting. This will lead to a hazard in the car park, cars being parked all over the place (because there is already insufficient parking at the Oakland Village) as well as noise from car doors being banged in the early hours of the morning - guests from a party where the bar closes at 12 will only disperse some 30-60 minutes later, making this car and talking/shouting a nuisance until around 1:00am. We believe that in the interests of public safety that the parking of more cars in this area should not be encouraged. We also believe that under the prevention of nuisance and under the prevention of crime and disorder that the noise and disruption from people leaving Oakland Village at such times of the night should not be encouraged.

We feel that for these reasons the variation of the license should not be allowed and encourage the Council to not allow this application.

Dear Sir,

Oakland Village - variation of Premises Licence

Trident Reach the People Charity has applied to extend the hours of the premises known as Oakland Village so that they may open to the public seven days a week and from 08.00 to 24.30 and to extend the licensable activities until 24.00 seven days a week.

As this is predominantly a residential area and has 2 pubs nearby with the recently flagship Oakland retirement village at its centre this is an application which should be refused for the following reasons.

1. Parking.

There is already a problem at certain times with parking and the Oakland retirement village is not yet fully occupied. I understand that there are 92 parking spaces for the 88 flats and dementia unit including staff for the unit and village. At times vehicles are currently having to park on the frontages of the houses and bungalows surrounding Oakland.

I understand that weddings have been suggested with up to 120 guests.

2. Noise.

This area is predominantly residential with the retirement village plus a significant number of bungalows and houses, mainly occupied by the elderly. A large number of people leaving a function in the early hours will inevitably result in noise and disturbance for the local residents.

Events will create additional noise as by nature they usually have music played loudly.

3. Planning application.

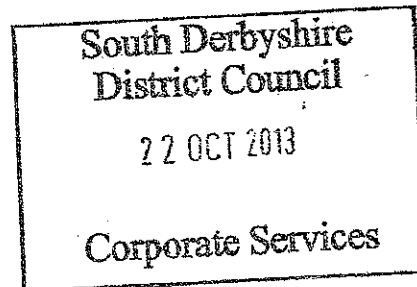

The original planning application and associated publicity material has only ever referred to Oakland as a retirement village.

Surely this is a step too far and will only create more problems.

Yours faithfully,
Mr. R. Barsted

Dear Sirs

Re: Trident Reach People Charity, Oakland Village, Hall Farm Road, Swadlincote
Variation of the Premises Licence.

We write to object to the above for the following reasons.

There is insufficient parking spaces now for residents and staff without additional cars attending for parties etc., and as a car owner living in one of the bungalows we have both already been verbally abused and assaulted trying to keep the spaces clear which are designated for the bungalows.

We would then have concerns over the extra noise of people leaving the premises at this time albeit the noise of vehicles are maybe people that have had too much alcohol.

We understood that Oakland Village was going to be a retirement home and don't really think it will be used as one if they get the extra licencing hours for use as disco's, parties etc.,

Yours faithfully

Footnote 82 year old widow living alone

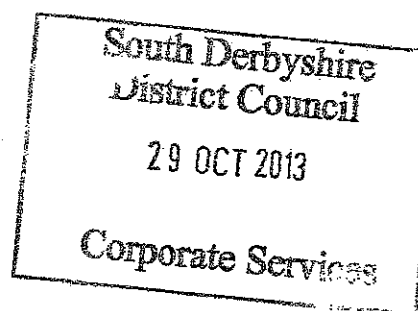

Two years ago in separate incidents I had three windows smashed residents cars were badly damaged and I and others had garden ornaments stolen or destroyed. Eventually through police search the yobs were found and parents repaid me for the repair of my windows Street lights were installed on the cycle path outside my property good neighbours fixed a camera for my security Peace was restored once more. It "Beggars Belief" that an idea for a glorified nightclub is being considered for this environment. For fear and insecurity to return and flourish.

You are about to defend our present situation or destroy it, the decision is yours ???

Objection to the application to extend the hours for the premises at Oakland RETIREMENT Village, to the public to 24.30, and the hours of licensable activities to 24.00 both for seven days a week.

We the undersigned, all close neighbours of Oakland Retirement Village, object to the above application on the following grounds.

1. Parking is insufficient and is already causing problems
2. Noise It will open the door to any private Reception, followed by a disco, until midnight 7 days a week.
3. Nuisance This is an area almost entirely housing the elderly. The housing opposite the main parking areas is mainly sheltered accommodation. An extra hour of alcohol intake is more likely to lead to rowdy behaviour both in and on leaving the building and possibly drunkenness.

1. **Noise** It will open the door to any private Reception, followed by a disco, until midnight 7 days a week. This will attract larger numbers of visitors and disco music is far louder than most other entertainment. Some occupants of nearby flats have breathing problems so need to keep their windows open.
2. **Parking** is inadequate at present and the village is not yet fully occupied. There are only 92 parking spaces to accommodate, 88 flats, 2 Visitors rooms, 1 recycling bin and Staff - i.e. Receptionists, Care workers in both the private area and the Dementia Unit, Cleaners, Handyman, Bar workers, Kitchen Staff, Waitresses, Support workers & Administrative staff. Residents were told that a parking space would not be delegated but would always be available. However they will be afraid to go out in the evenings in case they cannot get back in. The nearest parking is off Civic Way – a considerable distance for vulnerable old people to walk alone.
3. **Nuisance** This is a Retirement village and the housing opposite the main parking areas is mainly sheltered accommodation. An extra hour of alcohol intake is more likely to lead to rowdy behaviour both in and on leaving the building and possibly drunkenness. It will be bad enough having to put up with it until 11.30.
