## **4.0 Detail**

- 4.1 For a number of years South Derbyshire District Council (SDDC) has paid an annual subscription to the formerly named Derbyshire Sport; now hosted in a Trust called

Active Partners Trust. The Trust is a County-wide Partnership that acts collaboratively to deliver physical activity, sport, leisure and recreational activities across Derbyshire. All Local Authorities in Derbyshire have contributed financially to this arrangement. The Partnership has been successful in leveraging in significant resource for the County to further its aims.

- 4.2 The Active Partners Trust comprises Active Derbyshire and Active Nottinghamshire. The Active Derbyshire proposed draft service level agreement (SLA) for South Derbyshire for 2020-21 is attached at Appendix 1. This draft SLA outlines a core offer from Active Derbyshire across the County but also a bespoke offer for South Derbyshire following discussions with the Council. For some of the projects outlined in the SLA, for example developing satellite clubs at a local level, separate agreements will be drawn up to specially outline the exact detail of what both Active Derbyshire and the Council are required to deliver. Delegated authority for the Strategic Director to sign these separate agreements, in consultation with the Chairman of the Committee is sought.
- 4.3 In light of the coronavirus pandemic all of the content included within the Core Offer and District Specific Offer will be adapted to reflect the current circumstances. This will include but not limited to connecting and enabling partner collaboration through virtual meetings, convening a virtual forum to share best practice from across the County and reviewing the use of investment to meet the current needs i.e. working across the Schools Games network to develop a series of active at home resources for young people.
- 4.4 All Derbyshire District and Borough Councils and Derby City Council have been requested to make financial contributions to Active Derbyshire on the above basis. This is the third year of a three-year funding in principle agreement with Active Derbyshire subject to Committee approval.
- 4.5
- 4.6 The key outcomes delivered through the 2019-20 SLA by Active Derbyshire included:
  - Data packs and information provided to aid greater understanding of District residents and areas to help inform service delivery and design.
  - Support for the Young People Active Lives survey being conducted in selected schools.
  - County-wide conference events held including: Towards an Active Derbyshire Partnership event and Active Fostering, Active Design Conference, Teacher and Governor events and a Guide to Planning for non-planners' event. Talking Insights workshops – Disability and We are Undefeatable national campaigns.
  - Financial resource totalling £28,564.50 secured for South Derbyshire including a contribution to coach education programmes for clubs and community groups, Young Peoples Fund projects and Derbyshire County Council (DCC) Action Grant funding.
  - A County Derbyshire School Sports Awards, and Active Derbyshire Awards being hosted.
  - County Schools Games events and a flagship summer event held across the academic year.
  - County-wide investment from Sport England to investigate increasing and supporting the community use of schools; this included an audit, sharing good practice and potential future investment. South Derbyshire Schools have been audited and involved in this process.

- A Derbyshire Insight (information) pack created for Children and Young People year two data.
- A place-based approach to work in the District has been supported.
- Dissemination of information and insight, data and national campaigns at relevant partnership groups.
- A Strategic Lead post being resourced to support Active South Derbyshire's strategy delivery.

## **5.0 Financial Implications**

- 5.1 Active Derbyshire has requested a Council contribution for 2020-21 of £12,191. This can be met from the Active Communities and Health budget.
- 5.2 Any future request for funding for future years would be brought to Committee for consideration.

## **6.0 Corporate Implications**

### **Employment Implications**

- 6.1 There are no direct employment implications of this paper; other than the hosting of relevant Active Derbyshire staff to fulfil their commitments into the District when required.

### **Legal Implications**

- 6.2 None directly from this report

### **Corporate Plan Implications**

- 6.3 The proposed contribution will support the Council to deliver services to the residents of South Derbyshire and fulfil elements of Our Environment, Our People and Our Future themes of the Corporate Plan.

### **Risk Impact**

- 6.4 The Corporate and Departmental risk registers will be updated with any risks identified if they arise from this report.

## **7.0 Community Impact**

### **Consultation**

- 7.1 Active Derbyshire will make positive contributions to the Active South Derbyshire Physical Activity, Sport and Recreation Strategy 2017-2022 and all key themes within the Sustainable Community Strategy- Children and Young People, Healthier Communities, Safer Communities, Stronger Communities and Sustainable Development. These documents were developed in consultation with South Derbyshire residents and organisations.

## **Equality and Diversity Impact**

7.2 This SLA supports targeted interventions with an evidence led approach.

## **Social Value Impact**

7.3 Physical inactivity can cost the economy millions of pounds per year. By supporting the District's least active population to become active it will work to improve an individual's / community's health and wellbeing and potentially reduce wider costs to society such as the health service.

## **Environmental Sustainability**

7.4 Where appropriate delivery of opportunities take place within local communities to reduce the barrier of rural isolation but also to enable people to cycle and walk to opportunities locally, which will potentially reduce traffic congestion and pollution.

## **8.0 Conclusions**

8.1 The proposal for continuing the Council's contribution to Active Derbyshire will result in a joined-up approach to the aforementioned Corporate and District-wide strategies; and support the County-wide approach to this partnership work.
