CL/39 **MINUTES OF SPECIAL COUNCIL**

The Open Minutes of the Special Council held on 13<sup>th</sup> June 2016 (Minute Nos. CL/28-CL/35) were approved as a true record.

CL/40 **DECLARATIONS OF INTEREST**

Councillor Atkin declared a disclosable pecuniary interest in relation to Item 9 Community Governance Review, by virtue of his family owning farm land in the parished area of Barrow upon Trent, and informed Council that he would leave the Chamber whilst this item was discussed.

CL/41 **ANNOUNCEMENTS FROM THE CHAIRMAN**

The Chairman of the Council outlined a summary of events attended since the last meeting, making particular reference to a recent visit to the Toyota factory,

attended by the Duke of Gloucester, and the debut of the Waste Less, Save More promotional vintage Peugeot van at that morning's Farmers' Market.

CL/42 **ANNOUNCEMENTS FROM THE LEADER**

The Leader referenced the successful Festival of Leisure and commended all involved.

The Leader also commented on the good relations between all sections of the local community, noting that there have not been any incidents of hate crime reported, unlike in other areas of the country. The Leader went on to condemn hate crime, whether based on ethnicity, religion, sexuality or anything else, committing both individuals and the Council to cracking down on it wherever it may occur and in working to maintain the good relations which are the only basis on which a civilised society works. All Members voiced their agreement.

CL/43 **QUESTIONS BY MEMBERS OF THE PUBLIC PURSUANT TO COUNCIL PROCEDURE RULE NO. 10**

Council were informed that no questions had been received.

CL/44 **QUESTIONS BY MEMBERS OF THE COUNCIL PURSUANT TO COUNCIL PROCEDURE RULE NO. 11**

***That the Sealed Documents listed, for which there is no specific authority, be duly authorised.***

Councillor Atkin left the Chamber at 6.10pm.

CL/46 **COMMUNITY GOVERNANCE REVIEW - BARROW UPON TRENT, TWYFORD & STENSON AND STENSON FIELDS: TERMS OF REFERENCE**

The Monitoring Officer presented the report to Council.

Councillor Shepherd made reference to the growth in the areas concerned, as outlined in the Local Plan Part One, with opinion suggesting that the Community Governance Review process should proceed, a view echoed by Councillor Watson, who also noted that both Parish Council's concerned were fully in favour of the process being conducted.

**RESOLVED:-**

***Members approved the Community Governance Review Terms of Reference, as detailed at Appendix 1 to the Report.***

Councillor Atkin returned to the Chamber at 6.15pm.

CL/47 **OPEN MINUTES**

Council received and considered the open minutes of its Committees.

**RESOLVED:-**

***That the open minutes of the following Committees were approved as a true record:-***

<b><i>Planning</i></b>	<b><i>10.05.16</i></b>	<b><i>PL/213-PL/225</i></b>
<b><i>Environmental and Development Services</i></b>	<b><i>02.06.16</i></b>	<b><i>EDS/1-EDS/14</i></b>

Councillor Southerd drew attention to Minute No.EDS/8 *Service Plans 2016/17* and queried whether, given the workload, the assistance of the Overview and Scrutiny Committee should be called upon. Councillor Watson, as Chairman of the Committee, saw no reason to not accept any such offer, but determined to respond formally in due course.

<b><i>Housing and Community Services</i></b>	<b><i>09.06.16</i></b>	<b><i>HCS/1-HCS/15</i></b>
--	------------------------	----------------------------

Councillor Southerd made reference to Minute No.HCS/8 *Corporate Plan 2009-16: Performance Management Report* and again queried whether the Overview and Scrutiny Committee should offer its assistance in reviewing the issue of fly-tipping. Councillor Mrs Farrington, as Chairman of the Overview and Scrutiny Committee, confirmed that the matter was already part of the Committee's work programme for 2016/17.

<b><i>Licensing and Appeals Sub-Committee</i></b>	<b><i>15.06.16</i></b>	<b><i>LAS/1-LAS/4</i></b>
<b><i>Finance and Management</i></b>	<b><i>16.06.16</i></b>	<b><i>FM/1-FM/20</i></b>

Councillor Southerd remarked that Councillor Richards had highlighted the trips and falls figures quoted in the report at Minute No.FM/8 *Corporate Services Performance Monitoring Quarter 4 and Final Out-Turn 2015/16*, querying whether the Overview and Scrutiny Committee should look at this matter too. Councillor Harrison, as Chairman of the Committee, noted that whilst trips and falls figures had increased, primarily in relation to play-schemes, so had attendance. Although any number was a matter for concern, the Councillor undertook to discuss the matter further and make a formal response. Councillor Watson, as a Member on the Employee Health and Safety Committee, commented that the matter had been raised there and that at future meetings, an officer from the relevant department would be present to deal with such queries.

CL/48     **THE COMPOSITION OF COMMITTEES, SUB-COMMITTEES & WORKING PANELS FOR THE REMAINDER OF THE MUNICIPAL YEAR**

The Leader confirmed the following changes in committee compositions:

- Environmental and Development Services Committee  
Councillor Mrs Patten to replace Councillor MacPherson
- Housing and Community Services Committee  
Councillor Swann to replace Councillor Ford
- Planning Committee  
Councillor Mrs Coe to replace Councillor Mrs Farrington

CL/49     **COMPOSITION OF SUBSTITUTE PANELS**

The Leader confirmed the following changes in substitute panel compositions:

- Housing and Community Services Committee  
Councillor Ford to replace Councillor Swann
- Planning Committee  
Councillor Mrs Farrington to replace Councillor Mrs Coe
- Single Status Steering Group  
Councillor Mrs Plenderleith to replace Councillor Muller

CL/50     **REPRESENTATION ON OUTSIDE BODIES**

Council were informed that no changes had been made to the composition of the substitute panels since its last meeting.

CL/51     **MEMBER CHAMPIONS**

The Leader informed Council that the Local Government Association had suggested that Local Authorities appoint an Armed Forces Covenant Champion. Given his interest in Armed Forces matters, including service charities, Councillor Atkin accepted this role.

Councillor Southerd queried whether this area could also have a Labour nominee that the Labour Group would consider the matter and report to Council.

CL/52     **LOCAL GOVERNMENT ACT 1972 (AS AMENDED BY THE LOCAL GOVERNMENT [ACCESS TO INFORMATION] ACT 1985)**

**RESOLVED:-**

***That in accordance with Section 100(A)(4) of the Local Government Act 1972 (as amended) the press and public be excluded from the remainder of the Meeting for the following items of business on the grounds that they involve the likely disclosure of exempt information as defined under the paragraphs of Part 1 of Schedule 12A of the Act as indicated in the reports of Committees.***

**EXEMPT MINUTES OF ANNUAL COUNCIL**

*The Exempt Minutes of the Annual Council Meeting held on 19<sup>th</sup> May 2016 (Minute Nos. CL/24-CL/27) were approved as a true record.*

**EXEMPT QUESTIONS BY MEMBERS OF THE COUNCIL PURSUANT TO COUNCIL PROCEDURE RULE NUMBER 11**

*Council was informed that no questions had been received.*

**EXEMPT MINUTES**

*Council received and considered the Exempt Minutes of its committees.*

**RESOLVED:-**

*That the Exempt Minutes of the following Committees be approved as a true record:-*

<i>Planning</i>	<i>10.05.16</i>	<i>PL/226-PL/227</i>

### **1.0 Recommendations**

- 1.1 Members are asked to note the draft Annual Report 2015/16.

### **2.0 Purpose of Report**

- 2.1 To inform Members of the Council's Annual Report, which summarises how we work as an authority, what we do and our financial performance.
- 2.2 The report has been specifically written and designed to be both appealing and understandable to the public, our partners and to businesses in the District.

### **3.0 Detail**

- 3.1 The Council's Annual Report follows a set style and presentation of information for our residents and key stakeholders. Each year, revisions to the format and layout are proposed to keep the report both unique and informative.
- 3.2 This Annual Report captures the work that has been done by the Council and in partnership with other organisations over the past year. Throughout the document it can be seen that:
- The Council has produced a Corporate Plan for 2016/21 with new themes that guide and capture all of the work that the Council does.
  - A clear map has been set out on how the Council will achieve the aims of the Corporate Plan and measure performance.
  - There continues to be a high level of achievement because of the Council's ongoing commitment to partnership working.
  - The Council has a robust approach towards the management of its resources and its performance in 'doing more with less'.
- [Page 12 of 236](#)
- It is responsive to the needs and expectations of the community.

- The Council's work is enabling South Derbyshire to keep pace with its status as being one of the fastest-growing Districts in the country, for example by producing a Housing Strategy 2016/21 and building 45 new Council-owned homes across three sites in Linton, Swadlincote and Overseal.
- South Derbyshire is 'open for business', with multi-national firms continuing to invest in the area and major events like the inaugural Swadlincote Festival of International Food and Crafts pulling in thousands of visitors and promoting inward investment.

3.3 The Annual Report has again been managed, developed and designed by the Policy and Communications Team. All photographs used in the report have been taken in South Derbyshire.

3.4 It is important for the Council to continue to inform the community, businesses and partners of the work that has been completed and the plans for the future. This provides another vehicle to explain and receive feedback on our stated vision of *'making South Derbyshire a better place to live, work and visit'*.

#### **4.0 Financial Implications**

4.1 The Annual Report has been produced in-house by the Policy and Communications Team and is accommodated within the current budget.

#### **5.0 Corporate Implications**

5.1 This Annual Report reports on and is built around the themes of the Corporate Plan 2016/21 – People, Place, Progress and Outcomes. It also reports our financial performance for 2015/16 to the people of South Derbyshire.

#### **6.0 Community Implications**

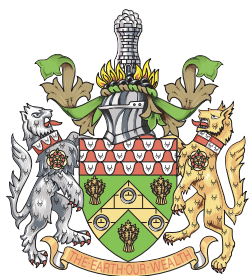

6.1 This report enables a better understanding of what we do as a Council, what we have achieved, what we provide in partnership and how we spend money. This will promote the work of the Council and enhance our reputation.

#### **7.0 Conclusions**

7.1 This Annual Report responds to a number of sources of good practice and will be used to champion the work of this Council throughout the coming financial year.

7.2 It is built on the strong outcomes that have been achieved during 2015/16 and looks forward to how we will deliver on our stated priorities in 2016/17. All services have contributed to this Annual Report through their actions in delivering customer-focused services for the community.

7.3 The Annual Report is available for viewing at **Appendix 1**.

Mercia Marina, Willington

South Derbyshire continues to be one of the fastest-growing districts in the UK, the population having increased by 15 per cent since 2001. By 2028, around 111,900 people are expected to call it home.

The area, which lies at the heart of The National Forest, is visited by more than two million tourists a year thanks to attractions like Rosliston Forestry Centre, Calke Abbey, Mercia Marina and Sharpe's Pottery Museum, while its 3,500 business enterprises – up from 3,100 in 2013 – have helped to create record numbers of people in work.

Figures such as these are a great source of pride to this Council, which in 2014 celebrated the 40th anniversary of its formation.

That anniversary was an opportunity to pause briefly and reflect on South Derbyshire's transformation from a clay and mining area to a thriving manufacturing, construction and retail economy. Since the Millennium the Council has focused on reinventing itself as a forward-looking "open for business" authority equipped to deliver success well into the future.

The Council's Corporate Plan 2016-21 sets out the way we intend to develop and further improve services over the next five years. The document makes clear our vision and values for South Derbyshire, based on People, Place, Progress and Outcomes.

By focusing our work around these themes and closely monitoring our performance against them, we will continue to achieve more with less.

These are challenging times for local authorities. We need to continue to make budget savings in order for the minimum level of General Reserves to be sustained. We are well prepared and are already achieving good progress in many areas of service delivery.

In the past year Green Flag Awards have been granted to Swadlincote's Eureka Park and Church Gresley's Maurice Lea Memorial Park – the official mark of a quality green space.

Work has progressed quickly on dozens of new council homes for the District at sites in Linton, Swadlincote and Overseal, while record numbers of Council tenants were found to be satisfied with the service they are receiving from the authority.

Our Building Control team received a prestigious national award for their work on the Boardwalk at Mercia Marina in Willington. Plans to create a 'cycling legacy' in South Derbyshire will make the District one of the most attractive places to travel on two wheels.

Multinational companies such as Nestlé and Toyota continue to reinvest in an area that prides itself on its reputation as a place to do business. It was a year in which the future of foundations specialist Roger Bullivant Limited (RB), which employs more than 400

people in the District, was secured with the announcement that the firm was moving from its Drakelow base to industrial facilities in Heathcote Road, Swadlincote, while the growth of steel lintel manufacturer Keystone Lintels has been impressive.

South Derbyshire Business Advice Service continues to offer free expert advice and support to those considering a start-up venture or those already self-employed. Working with our partners to keep crime and anti-social behaviour to a minimum has cemented South Derbyshire's reputation as one of the safest places to live in the county.

Exciting new events like the Swadlincote Festival of International Food and Crafts have drawn in thousands of visitors to the town, while the 'can do' spirit of its people was recognised by Sainsbury's, which announced a £1 million investment to reduce food waste under its Waste less, Save more initiative.

The Council's Corporate Plan 2016-21 is our pledge to the people of South Derbyshire that we will not rest on our laurels.

Our commitment to make this District a better place to live, work and visit remains as strong as ever.

### The Corporate Plan 2016-21

The Corporate Plan sets out the way in which South Derbyshire District Council intends to develop and further improve its services between 2016 and 2021.

It was approved following extensive consultation into South Derbyshire’s needs, categorising them under three central themes: People, Place and Progress.

By focusing on and monitoring performance against the Council’s responsibilities under each theme it hopes to achieve Outcomes of financial health, governance, customer focus, equality and diversity, environmental standards, a skilled workforce and democracy.

The Corporate Plan is central to our work as a Council – it sets out our values and vision for South Derbyshire and defines our priorities for delivering high-quality services.

Keystone Lintels in Swadlincote and, left, the town’s Pipeworks development.

### Our Vision

‘Making South Derbyshire a better place to live, work and visit’

### Our Values

Throughout our work, we will:

- Put our residents first
- Set clear targets
- Act decisively
- Lead for success
- Actively listen and resolve problems
- Develop our staff
- Be driven by economy, effectiveness and efficiency

### What We Do

- Promote and develop economic development, tourism, sport and leisure.
- Collect household rubbish and continue to promote recycling in innovative ways.
- Manage and maintain more than 3,000 Council homes and offer a homelessness prevention service to those in need.
- Carry out street cleaning, pest control and work to prevent pollution.
- Deal with planning applications, building regulations, tree preservation orders, listed buildings and heritage.
- Work to ensure that the food and drink in restaurants, cafes and pubs is safe to consume.
- Employ Safer Neighbourhood Wardens to make our communities cleaner and safer.
- Provide a 24-hour, 365-days-a-year emergency Careline service.
- Save money and the environment through energy efficiency schemes.
- Support voluntary groups, cultural activities and crime prevention work.
- Work with organisations on a wide variety of community projects for the benefit of residents.
- Collect Council Tax and Business Rates, pay Housing Benefits.

## Attending Council meetings

All the Council's committees report back to Full Council meetings where their work can be considered by every Elected Member.

If you would like to come to see a committee or the Full Council in action, you can find a full calendar of meetings, as well as agendas and the minutes which record what was decided, by visiting the Council and Democracy section of our website at [www.south-derbys.gov.uk](http://www.south-derbys.gov.uk).

Most of the meetings of the Council and its committees are open to the public. Occasionally some final agenda items are "exempt", which means that they can be discussed when only Councillors are present.

Items are exempt due to specific legal and contractual reasons or where individuals are identified.

The Finance and Management Committee ensures that all Council services are organised and funded effectively and efficiently.

The Environmental and Development Services Committee, alongside the Housing and Community Services Committee, sets out and monitors the work of Council staff to ensure the best possible services for the people of South Derbyshire.

The Council's Licensing and Appeals Committee handles licensing for entertainment, alcohol and

private hire drivers as well as any appeals on employment issues by Council staff.

In 2015-16 the Overview and Scrutiny Committee assisted the Finance and Management Committee to develop the Council's budget proposals, held a series of public meetings to discuss local Section 106 health-based planning contributions and set up a task group to consider the future cemetery needs of South Derbyshire.

The Planning Committee considers applications in relation to planning policy, the representations received from members of the public, consultation responses and the recommendations of the planning officer.

Tenant participation encourages individuals to make a real contribution to the decisions that affect their homes and communities. A Directory of Tenants details those interested in contributing to service delivery reviews. Participants are contacted when opportunities for involvement arise. There are currently 11 local tenants' area representatives, with plans to increase that number to 20 in the next two years.

Publications such as Housing Services' Annual Report, our tenants' magazine Housing News and our suite of leaflets ensure people are kept well informed.

## Having your say at Area Forums

At these local meetings, local people can raise local issues. You can get involved in the decision-making process, find out more about Council services, express any concerns you might have as well as put forward your own ideas to add to your sense of community.

The meetings, held up to four times a year, cover the Etwall, Linton, Melbourne, Newhall, Repton and Swadlincote areas. Each starts with a Safer Neighbourhood meeting at 6.15pm, where community safety issues are discussed with Derbyshire Police Officers and Police Community Support Officers.

Through the commitment of people who attended these meetings, 14 local Safer Neighbourhood Projects were funded in 2015-16, including CCTV schemes, lighting and youth activities. High-visibility items such as snap bands and smiley stickers were purchased and given out to primary school pupils, while three 'Your Choice' events at secondary schools saw guest speakers provide thought-provoking and inspirational talks to the students.

There is a second meeting, beginning at 7.30pm, which is dedicated to District and County Council matters. Senior and specialist staff take part in the meetings, which are usually

attended by District, County and Parish Councillors.

Every year at the Area Forums, local residents are involved in deliberations about the rate at which Council Tax should be set.

The dates of Area Forums, agendas and minutes can be found on our website at: [www.south-derbys.gov.uk/areaforums](http://www.south-derbys.gov.uk/areaforums)

In researching our Corporate Plan 2016-21, it became clear that the things important to the District and its success are its People, Places and Progress, with the latter focused on economic development.

Underpinning every one of our activities are Outcomes including customer service, financial efficiency and environmental responsibility. These are included in the Corporate Plan to demonstrate their importance and to enable measures and projects to be set against them.

The activities listed beneath each heading could often easily sit under another, reflecting our belief that viewing individual services in isolation will fail to deliver the high quality and integrated approach the District needs to succeed.

Here is a snapshot of what has been achieved in 2015-16 under our new themes:

## People - Keeping residents healthy, happy and safe

Get Active in the Forest's **dementia walks**, held at **Rosliston Forestry Centre** and designed specifically for those living with the condition and their carers, were extended following a successful pilot.

**Free tennis sessions** aimed at the over-50s were introduced at Church Gresley's Maurice Lea Memorial Park in a bid to increase physical activity in a fun and informal way.

**Record numbers of Council tenants** (93 per cent) were found to be satisfied with the service they are receiving from the authority through the Survey of Tenants and Residents (STAR).

A Church Gresley man became the first person in South Derbyshire to be successfully prosecuted under

new legislation allowing authorities to **regulate the trade of scrap metal**.

Sporting stars, dedicated volunteers and a raft of other inspirational individuals were officially recognised for their achievements in the **District's annual sports awards**. The Junior Sportsperson of the Year gong was won jointly by footballer, cricketer and skier Lara Shaw and table tennis star Helena Dicken.

Two long-serving football coaches – Bob Errington and Dave Jacobs – were presented with plaques by Council Chairman Cllr Neil Atkin to recognise their **dedication to nurturing young talent** at Repton Casuals Football Club.

**Twenty Christmas hampers** were made up and delivered to those in need by youngsters involved in Housing Services' Dreamscheme project.

A **Community Food Hub** to bring together people from all walks of life to enjoy a meal together was introduced. Run in partnership with Derbyshire County Council and South Derbyshire CVS, around 30 people regularly attended bi-monthly meal events in the first three months of the scheme.

A **new jogging group** designed to get people of all ages out and active was launched. Aston Joggers was set up as part of the **Jog Derbyshire initiative**.

**Nine numberplate security operations** were held across the District, with more than 300 vehicles secured.

A **weekly 5km parkrun** – an international scheme encouraging people to get jogging – was introduced at Rosliston Forestry Centre.

An animated **Champions of Recycling video** designed to help reach a new generation of recyclers was launched.

Supermarket **Sainsbury's announced a £1 million investment in Swadlincote** to reduce food waste under the Waste less, Save more initiative.

The **annual South Derbyshire Day** took place at Derby County FC's iPro Stadium, celebrating the District and the contribution made by its volunteers.

Representatives from across the private, public and voluntary sectors came together to share ideas to make South Derbyshire a **'Dementia Friendly Community'**, under which strategies will be put in place to improve inclusion and quality of life for those living with dementia, their families, friends and carers.

An **Active Adults programme** aimed at those aged 60 and above was introduced at Etwall Leisure Centre.

A **beacon was lit** in Swadlincote's Eureka Park to celebrate the Queen's 90th birthday.

Plans to bring **outdoor table tennis facilities** to South Derbyshire were announced after the Council secured a grant from Tesco's Bags of Help initiative.

"Our focus on people is about equipping residents with the skills to do local jobs and giving them the opportunity to take part in a whole range of activities."

# Place - Creating vibrant communities to meet residents' needs

A project to **commemorate those who died in World War One** was completed. The Environmental Education Project team, part of the Council, used a £9,800 Heritage Lottery Fund grant to **create history trails throughout the District**.

**Green Flag Awards** – the mark of a quality green space - were officially bestowed upon **Swadlincote's Eureka Park** and **Church Gresley's Maurice Lea Memorial Park**. It was the second year running that both parks had received such recognition.

Ceremonies were held to mark building progress at three South Derbyshire sites which will **provide dozens of new council homes for the District** – the 23-home Coton Croft in Coton Park, Linton; a 10-home development in Pennine Way, Swadlincote; and a 12-home scheme in Lullington Road, Overseal.

A programme of work to ensure that South Derbyshire's **cemeteries are safe for everyone** who visits them continued in Newhall with memorial safety testing at St John's churchyard and Newhall Cemetery.

BBC Radio 2 Folk music award-winner Blair Dunlop gave a performance at Milton Village Hall under the **Live & Local scheme**.

A public consultation was launched on Part 2 of the **South Derbyshire Local Plan**, the document that will guide the number of homes to be built in the District up to 2028. Part 2 of the Local Plan is the section that will allocate sites in the District for developments of fewer than 100 homes. It will also identify areas of green space

which are of particular importance to local communities and would be protected from future development, with topics such as retail, heritage and educational facilities also covered.

Housing Services, under the Dreamscheme project, created a **'community allotment'** at the Midway Allotments in Chestnut Avenue, which will be cared for and managed on a voluntary basis to act both as an educational resource and to provide fresh food to those who need it.

The **Council's Housing Strategy** 2016-21, which sets out how future housing needs in the District will be met, was unveiled. The document makes clear priorities such as satisfying the demand for affordable properties, along with details about how the District's most vulnerable residents will be protected.

"In one of the country's fastest-growing areas we're striving for continual improvement of services including planning, housing, environmental services and leisure and cultural facilities." Mike Haynes, SDDC Director of Housing & Environmental Services

The **Wednesday Night Project**, designed to engage young people and allow them to express themselves, was launched at Swadlincote's former Market Hall.

A **£50,500 skate park** was installed at Newhall Park.

Plans to create a 'cycling legacy' in South Derbyshire and make the District **one of the most attractive places to travel on two wheels** were unveiled. The vision was ignited by news that the world's top female cyclists were to race through the area on Stage 4 of the Aviva Women's Tour 2016.

A **free trees giveaway** to all South Derbyshire residents, schools and community groups took place,

designed to help the District become even greener and more aesthetically pleasing.

A survey asking people to **help shape the development of sporting and recreational facilities** in South Derbyshire up to 2028 was conducted. The results will help to form the emerging Open Space, Sport and Community Facility Strategy.

Swadlincote's **award-winning monthly farmers' market** continued to go from strength to strength, offering the finest food from The National Forest and beyond. Its varying themes included British asparagus, strawberries and cream, Halloween treats and National Butchers' Week.

More than **70 walks catering for every age, taste and ability** were enjoyed as part of The National Forest Walking Festival 2015.

Thousands of people flocked to enjoy a mixture of vintage vehicles and family entertainment as part of the annual **Swadlincote Festival of Transport**, which transformed the town centre into a trip down memory lane.

Seventy-five per cent of the 600-plus food retail and catering businesses in South Derbyshire received the **maximum 'five' rating** for hygiene standards from the Council's Environmental Health team.

The future of foundations specialist **Roger Bullivant Limited (RB)** was secured with the announcement that the firm was moving from its Drakelow base to **new state-of-the-art facilities** in Hearthcote Road, Swadlincote. The company employs more than 400 people in South Derbyshire.

A free **'Thinking of starting a business?'** session took place in Swadlincote, organised by the South Derbyshire Business Advice Service and aimed at those considering a start-up venture or already self-employed.

A **Business Breakfast** was held at Willington's Mercia Marina, giving companies a chance to broaden their horizons and learn about grants and new business opportunities.

The state-of-the-art **Swadlincote Golf Centre** was officially opened.

The High Sheriff of Derbyshire Oliver Stephenson officially opened Swadlincote's first ever **Antiques, Collectables and Vintage Fair**.

The Swadlincote Townscape Heritage Fund, a project managed by the Council, **secured more than £400,000** from the Heritage Lottery Fund to further improve the town centre.

Swadlincote's first ever **Festival of International Food and Crafts** attracted thousands of people keen to sample paella, kangaroo meat, fine chocolates, continental beers and artisan sausages, as well as a craft market, live music and children's activities.

A **free course**, delivered on behalf of the D2N2 Growth Hub in partnership with the Council, promised to help businesses produce **'Champagne Marketing on a Lemonade Budget.'**

The Council's Building Control team received a **prestigious national award** for its work on **The Boardwalk at Mercia Marina**, which was named best small commercial building at the grand final of the Local Authority Building Control Building Excellence Awards.

The first ever **Swadlincote Spring Wedding Fair** featured 50 local businesses and attracted first-time visitors to the town from as far afield as Blackpool.

Thousands of people turned out for the annual **Swadlincote Christmas lights switch-on**, part of a three-day celebration which included the monthly farmers' market.

Hundreds of people turned up to the **annual Swadlincote Jobs Fair**, where more than 70 exhibitors offered around 1,500 roles and 120 apprenticeships. Youngsters from four South Derbyshire schools were invited to 'have a go' at a series of new skills, with major employers present including Dellner, 3aaa and Northgate Public Services.

"We are committed to growing and diversifying our strong economy to show that South Derbyshire is well and truly open for business."

**Payment machines were introduced** at the Council's Civic Offices in a bid to reduce waiting times for customers. The two paypoints process money securely within 24 hours and accept Council Tax, planning, licensing and housing rental payments and currently complete between 900 and 1,000 transactions per month.

A **specially designed leaflet** was produced to combat the biggest cause of noise complaints in South Derbyshire – barking dogs.

Almost **£300,000 was handed out to 22 South Derbyshire groups and projects** committed to improving people's quality of life under the Community Partnership Scheme, from a scout group and parish councils to a cricket club, churches and village halls.

The Council scooped the **Gold award** – meaning it is going above and beyond the call of duty – in the **RoSPA Occupational Health and Safety Awards 2015**. It was the fifth consecutive year it had been named among the winners, with recognition afforded to the high standards shown across the organisation to keep residents, visitors and staff safe.

Almost **42,000 Housing Electoral Registration Enquiry Forms** were delivered to homes across South Derbyshire to ensure an up-to-date electoral register and to encourage people to register to vote in upcoming elections.

The Council stepped up measures to ensure residents were not incorrectly or fraudulently claiming money by issuing postal reminders with Benefits-related correspondence, as well as using **new software technology** to identify credit data and therefore changes in circumstances. One South Derbyshire resident was handed a suspended jail sentence after admitting wrongly claiming more than £15,400 in Benefits.

Additional income received from business rates and planning fees helped the Council to **achieve a budget surplus** in 2015-16, further strengthening an overall financial position which had been steadily improving in recent years.

The hashtag **#SDwhatson**, indicating 'South Derbyshire what's on', was introduced on social media to help create an instantly searchable directory of upcoming events in the District at the click of a mouse button or touch of a screen.

A **Community Governance Review** to establish whether or not a parish council would be created commenced, following the submission of a petition from the Newhall and Stanton Parish Council Campaign Group.

"Improving our workforce and operations, delivering quality services at a reasonable cost, maintaining stable and sustainable finances and being environmentally responsible are crucial in our work."

Kevin Stackhouse,  
SDDC Director of Finance  
& Corporate Services

The Council and its operational centres achieved the **revised ISO14001 standard for environmental management**, making the authority one of the first organisations internationally to be awarded it and be recognised for adopting enhanced methods of managing environmental impact. The management framework has seen significant energy reduction and cost savings at leisure centre sites, for example.

A focus on sustainable development and renewable energy has seen the Council facilitate a **3.5MW solar farm on a brownfield site** in Linton, helping it in its aim to be positioned as a leading signatory in the Local Government Association's Climate Local commitment.

An **online guide** to help people understand their 2016-17 Council Tax bill went live on the Council's website. It was one of a number of improvements made to the site, based on an analysis of visitors, to improve navigation and cater for customer demand.

By working in partnership with other organisations and by offering sustained support to voluntary and other local groups, South Derbyshire continues to achieve more for less.

Evidence of the value of these partnerships appears throughout this report. Partners with whom we work include:

## Active Nation

Active Nation manages the Green Bank Leisure Centre in Swadlincote and Etwall Leisure Centre in partnership with the Council. Each of these centres has undergone extensive refurbishment work.

## Citizens Advice

South Derbyshire District Council helps to fund Citizens Advice so that it can continue providing vital support and advice on issues such as employment and debt.

## Derbyshire County Council / Parish Councils

South Derbyshire District Council, Derbyshire County Council and Parish Councils work in conjunction on a vast array of projects designed to benefit local people.

## Law:Public

When required Law:Public offers the Council's legal team additional expertise across its broad range of legal services.

## Melbourne Sporting Partnership

South Derbyshire District Council is working with clubs from five different sports to develop facilities costing £2.5 million at Cockshut Lane Recreation Ground.

## Northgate Public Services

Northgate Public Services (NPS) works with the Council to provide its corporate services and deliver extra value for money. During the partnership, NPS has guaranteed to make savings of £2.1 million and spend £1.9 million on the upgrade of IT systems and services.

## Safer South Derbyshire Partnership

This is the statutory Community Safety Partnership for South Derbyshire. It brings together agencies to reduce and prevent incidents of crime and anti-social behaviour in the District.

"When we set out in search of a Waste less, Save more town we never thought we'd get the overwhelming response and enthusiasm that we've seen from South Derbyshire."

Sainsbury's CEO Mike Coupe

## South Derbyshire CVS

South Derbyshire CVS chairs the Strategic Volunteering Partnership which is assisted by the District Council to support all forms of volunteering in South Derbyshire.

## South Derbyshire Sport

South Derbyshire Sport focuses on increasing sports participation by young people. More than 1,400 young people attended the 37 Summer Activities sessions held in the District's parks during the summer of 2015.

## The National Forest Company

The National Forest Company is a co-sponsor with Rolls-Royce of the Environmental Education Project which works to develop knowledge, respect and understanding of the environment. It also supports events and walking schemes.

## The South Derbyshire School Sports Partnership

The partnership is managed by the Council's Sport and Health team. It has had great success with activities for young people including competitions and festivals, school games, leadership and volunteering and Bikeability.

## The South Derbyshire Partnership

This partnership of the public, private and voluntary sector promotes South Derbyshire through three groups which focus on community safety, sustainable development and health and wellbeing.

## Village Games

Supports local activity through a range of events, from chair-based exercise to youth group support.

## The Forestry Commission

South Derbyshire District Council jointly owns Rosliston Forestry Centre in partnership with The Forestry Commission.

## Sainsbury's

The supermarket has invested £1 million in Swadlincote under its Waste less, Save more initiative, which during 2016 hopes to reduce food waste in the area by 50 per cent.

Other partnerships the Council works in conjunction with include:

- Aurora Country Developments Ltd
- Derbyshire Sport
- John Port School
- People Express
- Public Health England
- Rolls-Royce
- Central Midlands Audit Partnership
- Local Energy Area Partnership
- Home Improvement Agency
- Derbyshire Traveller Issues Working Group
- D2N2 Better Business Regulation Partnership

- The Community Partnership Scheme
- The Football Foundation
- The National Lottery
- The NHS

Summary of Accounts

Our Income

Our total income for 2015-2016 was £48.1 million compared to £49.8 million in 2014-2015.

This came from grants, housing rents, Council Tax, fees and interest.

In 2015-2016, our element of the Council Tax remained the same as 2014-2015. This gave a Band D Council Tax of £150.25, significantly less than the national average of £168 for shire district councils. The figure for housing rents pays for local authority housing.

£22.5m	Government Grants
£0.5m	Other Grants
£4.8m	Fees and Charges
£0.1m	Interest
£12.5m	Housing Rents
£7.7m	Council Tax

£48.1m Total

Our Expenditure

Our revenue account shows the costs of running our services. In 2015-2016, we spent a total of £44.6 million on delivering services. This was 2% less than the £45.7 million we spent on services in 2014-2015. The decrease was mainly due to some budget reductions, together with expenditure on housing benefits. Our revenue also shows the costs of delivering our priorities and the amount left to be financed from local and national tax income.

What We Spent on Services

£44.6 million Total

What We Spent on Land and Property

Our **capital account** sets out the money we spend on buying and improving our land and property so we can offer first-class public facilities. In 2015-2016, we spent £11.8 million on our land and property assets. We financed this through £1.8 million of grants and contributions and £10 million from capital receipts and reserves.

£11.8 million Expenditure

*\*Culture and community schemes includes Grove Hall £0.9m and Melbourne Sporting Partnership £0.9m*

At the end of the financial year we draw up a balance sheet that shows how much our land and buildings are worth, what we owe others, what others owe us and how much cash we have. Our net worth is £46.4 million.

The Director of Finance and Corporate Services' Statement

The Council was able to achieve a budget surplus in 2015-2016, mainly due to additional income being received from business rates and planning fees. This has further strengthened the Council's overall financial position, which had been steadily improving in recent years.

Due to anticipated reductions in core funding it's likely that the Council will need to address budget deficits from 2018-2019, but it is considered that the authority is in a good position to meet this challenge.

The Council's external auditors Ernst & Young were appointed to review our 2015-2016 accounts. We received an unqualified audit opinion and Full Council approved these accounts on September 22, 2016. A full copy of the audited statement of accounts is available on our website at:

### **1.0 Recommendations**

- 1.1 That Council approve the amendments to the Constitution to meet the requirements of the Local Government (Electronic Communications) (England) Order 2015.
- 1.2 That Members give consent to receive Council summonses electronically.

### **2.0 Purpose of Report**

- 2.1 To consider an amendment to the Council's Constitution.
- 2.2 To advise of the requirement, and request consent to receive summonses by way of electronic communication.

### **3.0 Detail**

- 3.1 Members will be aware all agendas are distributed via electronic means aside from Council summonses.
- 3.2 The Local Government (Electronic Communications) (England) Order 2015 enables the use of electronic communications to send summonses to Elected Members. This confirms that electronic communications have the same legal status in terms of giving notice of a meeting as hard copy summonses. The Order modifies provisions in Schedule 12 to the Local Government Act 1972.
- 3.3 The Order gives Members flexibility as to how they receive summonses. Members will only receive summonses electronically where they consent to it being transmitted by this method and may withdraw their individual consent at any time, at which point the traditional methods of notification will once again apply to that/those Member(s).

### **4.0 Financial Implications**

- 4.1 All meeting agendas/summonses will be sent to Members electronically.

### **5.0 Corporate Implications**

MEMBERS' CONTACT POINT:	EMMA McHUGH 01283 595 716 <a href="mailto:emma.mchugh@south-derbys.gov.uk">emma.mchugh@south-derbys.gov.uk</a>	DOC:
SUBJECT:	ADOPTION OF STREET TRADING	REF:
WARD(S) AFFECTED:	ALL	TERMS OF REFERENCE:

---

---

## 1. Recommendations

- 1.1 That Members adopt the resolution detailed in paragraph 3.4 of this report so as to allow street trading in the area detailed to come into effect from 1<sup>st</sup> November 2016.
- 1.2 That Members approve the Street Trading Policy to come into effect from 1<sup>st</sup> November 2016.
- 1.3 That the proposed fees for street trading are approved.

## 2. Purpose of Report

- 2.1 To provide Members with the necessary information to be able to give full consideration to the recommendations contained in this report.

## 3. Detail

- 3.1 Under Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982, a Council has the power to adopt the Schedule enabling them to control street trading in their District. This Council adopted Schedule 4 in April 1991 and designated streets in Swadlincote as consent streets therefore any person trading in these streets would require a consent from the Council.
- 3.2 In light of the recent changes to Swadlincote Town Centre, it is proposed to pass a resolution to increase the number of designated consent streets to include all streets within the boundary of the Town Centre as detailed on the map attached as **Appendix 1**.
- 3.3 On 2<sup>nd</sup> June 2016, Environment and Developmental Services Committee approved the publication of a notice of the Council's intention to increase the number of streets designated as consent streets for street trading purposes.
- 3.4 The notice was published in the Burton Mail and Derby Telegraph on 26<sup>th</sup> July 2016. Copies of the notice were also served on the Chief Officer of Police, the

Highways Agency and the Council's Property Services Department. The notice states that the Council intends to adopt the following resolution:

"That pursuant to Section 3 and Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982, South Derbyshire District Council, under this resolution, hereby designates the following streets plus all streets contained within the boundary of the below listed streets as consent streets for the purposes of street trading:

Civic Way, walkway to Toulmin Drive leading to Rowley Court to back of Belmont Street Industrial Estate to Belmont Street to Civic Way to back of Church Street to Hill Street to Sir Herbert Wragg Way to Coppice Side to back of Pipeworks Retail Park to back of Rink Road to Alexandra Road to back of West Street to Heathcote Road to back of Sainsburys to William Nadin Way to Darklands Lane to Darklands Road."

- 3.5 Anyone wishing to make representations in relation to the proposed resolution had to make such representations within 28 days of the date of the notice. No representations were received in relation to the draft resolution.
- 3.6 On adoption of the resolution, notices shall be published in the Burton Mail and Derby Telegraph for two consecutive weeks notifying the public that the resolution to adopt street trading has been passed.

### **Street Trading Policy**

- 3.7 To assist applicants and existing licence holders in applying for a street trading consent and Members in determining applications, a Street Trading Policy has been produced.
- 3.8 Officers conducted an initial 8 weeks consultation exercise on the draft Policy with all interested parties and members of the public via the Council's website. Representations were received from the Economic Development Department and the Community and Leisure Department with regards to protection of the market, fees and special event licences.
- 3.9 After discussion with both Departments, the draft Policy was amended and a further consultation exercise was carried out over a 4 week period on the draft Policy with all interested parties and members of the public via the Council's website. No responses were received in relation to this consultation. The proposed Policy is attached as **Appendix 2**.

### **Fees**

- 3.10 Under the legislation, the Council may charge such fees as they consider reasonable for the grant or renewal of a street trading consent. The current fee of £34 does not reflect the actual cost to the Council of issuing a street trading consent therefore the fees have been reviewed and the following fees are proposed:

Grant/renewal of consent:	Application fee - £206
	Consent fee - £166
Special events consent:	£179

In compliance with the Provision of Services Regulations 2009, the cost of the consent has been split between [Page 28 of 266](#) application fee and a consent fee. The

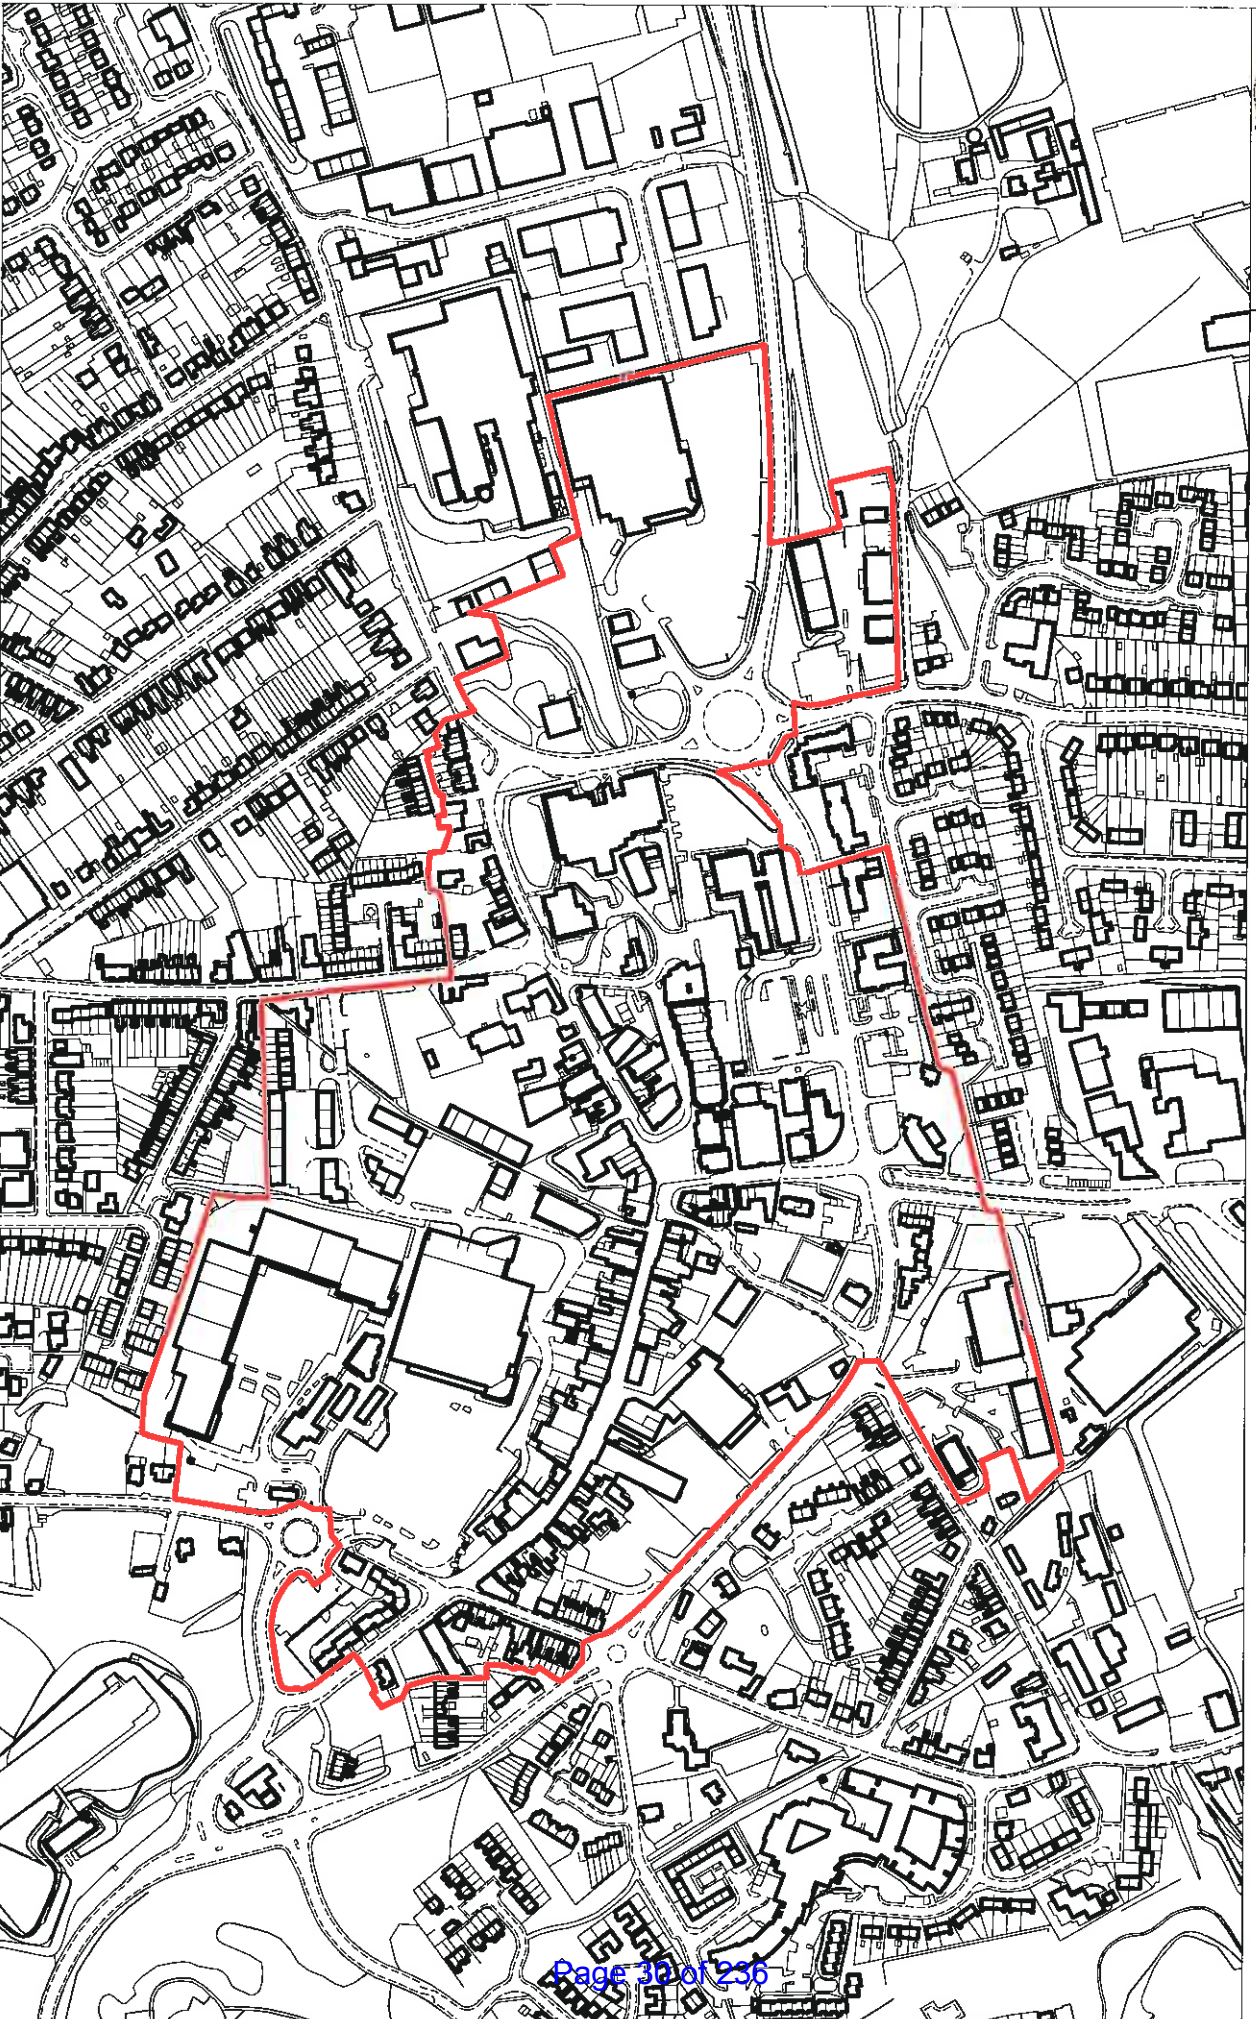

application fee is payable on application and is non-refundable if the application is refused. The consent fee is payable if the application is granted prior to the issuing of the licence. The special events consent fee has not been split as this fee does not include any management or enforcement of the consent as the consent is for one off special events.

**4. Financial Implications**

- 4.1 There are no financial implications to the Council.

**5. Corporate Implications**

- 5.1 These proposals will provide a clear framework for anyone wishing to start their own business which will contribute directly to the corporate vision to make South Derbyshire a better place to live, work, and visit, and to the theme of sustainable growth and opportunity.

**SOUTH DERBYSHIRE DISTRICT COUNCIL**

**STREET TRADING POLICY**

**LOCAL GOVERNMENT (MISCELLANEOUS  
PROVISIONS) ACT 1982**

**Issue 1: November 2016**

## **1. Introduction**

- 1.1 Under Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982 ("the Act"), a Council has the power to adopt the Schedule enabling them to control street trading within their District. Once this Schedule has been adopted, a Council may choose to designate any street within its areas as a prohibited, licence or consent street.
- 1.2 South Derbyshire District Council adopted Schedule 4 in April 1991. The Council choose to designate the streets within the street trading area as consent streets.

## **2. Purpose of the Policy**

- 2.1 This Policy sets out the Council's framework for the management of street trading in the District. Through the street trading scheme, the Council aims to regulate the location and number of street traders. The scheme also aims to prevent the obstruction of the streets of Swadlincote by street trading activities. In doing so, the Council recognises the importance of licensed businesses to the local economy and the character of the area whilst trying to ensure that the activities do not cause nuisance or annoyance to the people in the area.
- 2.2 This Council will have regard to this Policy when determining street trading applications. Each application or enforcement measure will be considered on its own merits. Where it is necessary for the Council to depart substantially from this Policy, clear and compelling reasons will be given for doing so.
- 2.3 This Policy will also assist applicants and existing permit holders with the application process and advising how applications will be determined.
- 2.4 The Council undertakes to avoid duplication with other statutory provisions and our commitment to work in partnership with other relevant enforcement agencies.

## **3. Consultation**

- 3.1 In determining this Policy, the Council has consulted with the following people and bodies:
  - Derbyshire Constabulary;
  - Derbyshire Fire and Rescue Service;
  - Derbyshire County Council Highways;
  - All current consent holders;
  - Members of the public.
- 3.2 The following departments within the Council have also been consulted:
  - Economic Development;
  - Community and Planning;
  - Environmental Health;
  - Legal and Democratic Services.
- 3.3 The views of all appropriate bodies and organisations have been considered and taken into account.

## **4. Review of the Policy**

- 4.1 This Policy will be reviewed every 3 years. At the time of review, the Council will consult with the list of people detailed above. In addition to the 3 yearly review, the Council will continue to evaluate the Policy and may update it at any time. Any minor changes to the Policy have been delegated to the Legal and Democratic Services Manager.

## **5. Legislation and Current Provision**

- 5.1 In 1991, the Council resolved that Schedule 4 to the Act should apply to the following streets in Swadlincote Town Centre:

- Whole of Midland Road;
- Church Street;
- Civic Way;
- Belmont Street;
- Grove Street;
- High Street;
- Hill Street;
- Market Street;
- Alexandra Road – southwards to its inter-section with Hastings Road and West Street – westwards to its junction with Civic Way.

- 5.2 The Council resolved to designate the above streets as 'consent streets' therefore any person trading in these streets would require a consent from the Council.

- 5.3 In light of the recent changes to Swadlincote Town Centre, it is resolved to increase the streets designated as consent streets to include all streets within the boundary of the Town Centre as detailed on the map attached at Appendix 1 of this Policy and as detailed below:

Civic Way, walkway to Toulmin Drive leading to Rowley Court to back of Belmont Street Industrial Estate to Belmont Street to Civic Way to back of Church Street to Hill Street to Sir Herbert Wragg Way to Coppice Side to back of Pipeworks Retail Park to back of Rink Road to Alexandra Road to back of West Street to Heathcote Road to back of Sainsburys to William Nadin Way to Darklands Lane to Darklands Road.

- 5.4 Any street trading that takes place in any of the areas within the boundary as marked on the map will require a street trading consent from the Council. Please note that in addition to a street trading consent, other permissions may be required from the Council in order to trade in the town centre.

- 5.5 Street trading is defined as 'the selling or exposing or offering for sale of any article (including a living thing) in a street.' The following are not street trading for the purposes of this Policy:

- (a) Trading as a pedlar under the authority of a pedlar's certificate granted under the Pedlars Act 1971;
- (b) Any trade in a market or fair, the right to hold which was acquired by virtue of a grant (including a presumed grant) or acquired or established by virtue of an enactment or order;
- (c) Trading as a news vendor;
- (d) Trading at or adjoining a shop business as part of the business of the shop;

- (e) Offering or selling things as a roundsman. A roundsman does not include ice cream sellers or mobile catering vehicles.

5.6 A street is defined as 'any road, footway, beach or other area to which the public have access without payment and a service area as defined in section 329 of the Highways Act 1980.

## **6. Delegation of Functions**

6.1 Applications for a consent will be determined by Officers unless representations have been received against the application or there are concerns in relation to the applicant.

6.2 In these circumstances, the application will be considered by the Licensing and Appeals Sub-Committee. The applicant will be provided with the opportunity to present oral and/or written evidence to Members for consideration.

## **7. General Principles**

7.1 No consent will be issued for market days except for consents already in place at the time the Policy comes into force. Market days are Tuesday, Thursday, Friday and Saturday. Any consent granted will state the times and days that a licence holder is permitted to trade.

7.2 Trade of general products would normally be expected to be a part of the market.

7.3 A consent will be held by the Cultural Services Department on behalf of South Derbyshire District Council to cover events arranged for or on behalf of the Council.

## **8. Applications for the Grant of a Street Trading Consent**

8.1 An application for a consent must be made on the Council's application form which can be found on the Council's website. The relevant fee and supporting documentation detailed on the application form must be submitted with the application form. Applications can also be submitted online via the Council's website.

8.2 On receipt of the application, the Licensing Department will send a copy of the application form via email to the following consultees:

- Derbyshire Constabulary;
- Derbyshire County Council Highways;
- Environmental Health;
- Economic Development Department;
- Cultural Services Department;
- Current holder of the market contract;
- Ward Councillors.

8.3 There will be a 28 day representation period for any representations to be received in relation to the application.

8.4 If no representations are received, the application will be granted as applied for subject to the standard conditions.

- 8.5 If any representation is received in relation to an application for consent, the application will be referred to the Licensing and Appeals Sub-Committee for determination. The Council will endeavour to hold the Licensing and Appeals Sub-Committee within 28 days of the end of the representation period.
- 8.6 Each application will be decided on its own merits. Members will determine the application based on all the information received in support of the application and representation(s).
- 8.7 In considering an application, the Council will have regard to the following matters:
- Number, nature and type of traders already in the area;
  - Public safety;
  - Public order;
  - Avoidance of public nuisance;
  - Size and appearance of the stall or vehicle;
  - Needs of the area;
  - Impact on market and town centre retailers;
  - Impact on any planned events;
  - Suitability of the applicant;
  - Environmental credentials.
- 8.8 Following the determination of the application, the applicant and people making representations will be notified of the decision and the reasons in writing within 5 working days of the date of the hearing.
- 8.9 There is no statutory right of appeal against the refusal to issue a consent.
- 8.10 Until an application has been determined, it is an offence to trade without a consent.
- 9. Applications to Renew a Street Trading Consent**
- 9.1 Consents are issued for a period of up to one year.
- 9.2 Applications to renew a consent must be submitted at least 6 weeks before the expiry of the current consent. Once the renewal application has been received, the Council may consult further to determine if the consent holder is a cause for concern or has been subject to any complaints.
- 9.3 If a renewal application is not made before the expiry of the current consent, a new application will be required. The effect of this will be that no street trading will be permitted until the new application has been determined.
- 9.4 If a renewal application has been received prior to the expiry of the current consent, the consent holder will be able to continue to trade whilst the application is being determined.
- 9.5 In relation to the determination of the renewal application, if there have been no justifiable complaints, enforcement issues or no change in circumstances in the town centre affecting the trader and the fee has been paid, the consent will be renewed.
- 10. Transfer of a Street Trading Consent**

10.1 A street trading consent cannot be transferred or sold to another person except that the consent may be transferred to a member of the consent holder's immediate family in the event of the consent holder's death or incapacity.

10.2 The sub-letting of a pitch is prohibited.

## **11. Variation of a Street Trading Consent**

11.1 Any variation to the details of the consent holder must be notified to the Council in writing. The Council will issue an amended consent on payment of the relevant fee. The original consent must be returned to the Council.

11.2 Any variation to the range of goods for sale, days and/or hours of trading must be notified to the Council in writing. The Council will consider the request taking into consideration the request and the number of existing traders and retailers already offering the proposed goods for sale. Payment of the relevant fee is required. The original consent must be returned to the Council.

## **12. Revocation of a Street Trading Consent**

12.1 If there are any concerns about the consent holder through justified complaints or evidence of breach of conditions, the Licensing Department may refer the consent holder to the Licensing and Appeals Sub-Committee for consideration.

12.2 The consent holder will be provided with the opportunity to present oral and/or written evidence to Members for consideration.

12.3 There is no right of appeal against the decision to revoke a street trading consent.

12.4 Where a consent is revoked, there will be no refund of the application fee.

## **13. Markets**

13.1 Swadlincote Market as a Chartered Market is outside the scope of the street trading regime.

## **14. Special Event Consent**

14.1 In order to remove the requirement for each individual trader to obtain their own consent, the Council will issue a Special Event Consent that facilitates multi-user street trading for community events.

14.2 The application form for a Special Event Consent must be accompanied by permission in principle from the Cultural Services Department.

14.3 The consent will be issued for the duration of the specified event only and will be to a named individual. Where the application is made by an organisation, they must nominate a named individual who will be responsible for managing the use of the consent.

14.4 The consent holder will be responsible for ensuring compliance with the conditions attached to the consent at all times whilst the consent is being used to facilitate street trading.

14.5 The consent holder will be required to keep records of all traders that use the Special Event Consent including the date, trading location, name and company name, address, vehicle registration, contact telephone numbers and items for sale.

14.6 Special Event Consents provide exclusive control over trading in the designated area. Individuals are still able to apply direct to the Council for a consent. Licence holders of an annual consent will not be able to trade during a special event unless written permission has been granted from the Council.

## **15. Fees**

15.1 Fees will be set and reviewed annually on a full cost recovery basis. Details of the current fees can be found on the Council's website.

15.2 The initial application fee for the grant of a consent is payable on application. Arrangements can be put in place to enable the renewal fee to be paid quarterly in advance.

15.2 Where trading ceases during the term of a consent, written notice must be provided to the Council. The consent must be returned with the notification. Any refund due will be issued on a pro rata basis for the number of whole months remaining on the consent.

## **16. Conditions**

16.1 On the grant of a consent, the standard conditions will apply to the consent. The standard conditions are not exhaustive and other conditions may be attached to individual consents where appropriate. A copy of the standard conditions can be found at Appendix 2 of this Policy.

16.2 Street trading can only be carried out from the stall or vehicle authorised on the consent. Any changes to or replacement of the stall or vehicle must be approved by the Council.

## **17. Compliance and Enforcement**

17.1 Each consent holder must comply with the standard conditions at all times. To ensure compliance with the conditions, the Licensing Officer may visit traders during the term of the licence.

17.2 The Council is committed to enforcing the provisions contained within the relevant legislation and to work in partnership with all enforcement agencies to provide consistent enforcement on licensing issues.

17.3 Where unlicensed street trading takes place or conditions attached to a consent are breached, the Council will gather evidence and take the necessary enforcement action in line with the Environmental Health and Licensing Enforcement Policy.

17.4 Consent holders selling hot food and/or beverages between 11pm and 5am must be authorised by way of a premises licence under the Licensing Act 2003.

## **18. Contacts**

DRAFT

## Appendix 2

### Conditions attached to a Street Trading Consent

1. Street trading can only be carried out from the stall or vehicle authorised under the consent. Any changes to or replacement of the stall or vehicle must be approved by the Licensing Authority.
2. The consent holder shall not be the cause of any nuisance, obstruction or annoyance to any other user of the highway, the occupier of any land or building or the Council. Consent holders shall have special regard to and must take positive action to prevent excessive noise.
3. The consent holder shall ensure refuse originating from their trade is disposed of by a licensed waste carrier and shall leave the site clear of refuse at the completion of trading. No water or waste material shall be discharged on to the highway or any adjacent property.
4. The consent holder shall ensure that the area in the vicinity of the stall or vehicle is kept clear of all refuse at all times.
5. The consent holder's stall or vehicle shall be kept in a clean, safe and well maintained condition and be of a presentable appearance.
6. The street trading consent bearing the name of the consent holder shall be prominently displayed on the stall or vehicle so that that it is clearly visible to members of the public during trading hours.
7. The consent holder's vehicle shall be maintained in a roadworthy condition with continuous insurance, tax and MOT certificate.
8. Adequate fire-fighting equipment shall be provided in the stall or vehicle at all times.
9. Where gas cylinders are used, an annual gas safety certificate is required to ensure the safety of all gas cooking and heating equipment.
10. All stalls or vehicles selling hot food or drinks are required to carry a first aid kit.
11. All staff involved in the preparation of food shall hold a current Level 2 Food Safety Certificate.
12. A street trading consent cannot be transferred or sold to another person except that the consent may be transferred to a member of the consent holder's immediate family in the event of the consent holder's death or incapacity.
13. Sub-letting of pitches is prohibited.
14. The consent holder must be the principal operator and have day to day control of the stall or vehicle. The consent holder may employ any other person to assist in the operating of the stall or vehicle and shall notify the Licensing Authority of the name and address of that person.

15. The consent holder shall have and maintain an insurance policy against public liability and third party risks. The insurance certificate should be produced to the Authorised Officer on request.
16. The consent holder shall at all times obey all tariff regulations in force in the consent area.

<b>WARD(S) AFFECTED:</b>	<b>ALL</b>	

---

## **1.0 Recommendations**

- 1.1 To accept the Local Government Ombudsman's Annual Review Letter 2016.

## **2.0 Purpose of Report**

- 2.1 This report will provide Members with a summary of complaints made to the Local Government Ombudsman ("LGO") against this Authority during the year 2015/16.
- 2.2 It will also bring Members up to date on developments in the LGO service.

## **3.0 Detail**

- 3.1 On 21<sup>st</sup> July 2016, the Council received the Annual Review Letter for the period 2015/16 and a summary of statistics on complaints.
- 3.2 The Ombudsman's Office made decisions on 9 complaints about the Council in 2015/16. Of these complaints, advice was given in 1 case, 4 were closed after initial enquiries, 2 were referred back for local resolution, 1 complaint was incomplete/invalid, and 1 complaint was not upheld.
- 3.3 The LGO does not provide detailed information about the statistics and, therefore, in order to provide some background information for Members, the Council's LGO Link Officer has produced a table of complaint decisions, which is attached at **Annexe 'A'**. This provides a breakdown of the type of complaints received and a summary of the decisions.

### **LGO Developments**

#### **Ombudsman Reform**

- 3.4 The government has announced the intention to produce draft legislation for the creation of a single ombudsman for public services in England. The Local Government Ombudsman supports this, as it will provide the public with a clearer route to redress in an increasingly complex environment of public service delivery.

- 3.5 The LGO says it will continue to support government in the realisation of the public service ombudsman and is advising on the importance of maintaining its 40+ years' experience of working with local government and its understanding of the unique accountability structures.

Dr Jane Martin, Local Government Ombudsman

- 3.6 This year's Annual Review will be the last to be written by Dr Martin, whose seven year term of office comes to an end in January 2017.

Manual for Councils

- 3.7 In June 2016, the LGO published a Manual for Councils. The manual is intended to provide detailed information about the LGO service, how it works and the processes followed when considering and investigating complaints. The Manual can be found on the LGO website using the following link:

<http://www.lgo.org.uk/information-centre/reports/advice-and-guidance/information-for-link-officers>

**4.0 Financial Implications**

- 4.1 None directly arising from this report.

**5.0 Corporate Implications**

- 5.1 A good complaints system is an opportunity for the Council to show that it cares about providing a good service, and that it genuinely values feedback on whether there are any problems which need attention. It is, therefore, imperative that we get feedback, not only through our own complaints system, but also from the Ombudsman, and that this information is widely distributed to show that this Authority takes complaints seriously and deals with them sympathetically.

**6.0 Community Implications**

- 6.1 One of the roles of the Local Government Ombudsman is to investigate complaints about Councils from members of the public. Its aim is to get Councils to put things right if they have gone wrong and if this has affected members of the public directly.

**7.0 Conclusion**

- 7.1 The Annual Review Letter and the publishing of complaint decisions on the LGO website are useful additions to other information held by the Council, highlighting how people experience or perceive its services. They should also be seen as an opportunity to continue to improve the services offered by the Council.

## LOCAL GOVERNMENT OMBUDSMAN

## COMPLAINT DECISIONS 2015/16

Category	Summary of Decision	Decision				
		Not Upheld	Closed after initial enquiries	Incomplete/ Invalid	Referred back for local resolution	Advice Given
Planning & Development	Complaint that a development resulted in loss of light and overshadowing of the complainant's property and that it was not built in accordance with approved plans. LGO did not uphold the complaint as she found no evidence of fault in the council's approval of the planning application to build two houses next to the complainant's property. Nor did she find any evidence that the Council had failed to take enforcement action regarding any breach of the planning permission.	✓				
Planning & Development	Complaint about the way the Council dealt with the planning process for a housing estate near the complainant's home and related anti-social behavior. The LGO investigator stated that this complaint was late and there were no good reasons to investigate now. Although that part of the complaint about lack of action regarding related anti-social behavior was not late, the investigator concluded that the nuisance complained of was not enough to justify an investigation.		✓			
Environmental Services & Public Protection & Regulation	The complainant stated that the Council had failed to resolve his concerns about a protected tree on his property. In addition, he also claimed the Council was at fault for retaining a fee paid with a Building Regulations application in 2012. The LGO investigator decided not to investigate as the complaint was late and it was open to the complainant to ask for permission to carry out any works he felt appropriate. She also decided not to investigate his complaint about retention of the fee, because any injustice caused by the Council's actions was not so significant as to warrant investigation.		✓			
Planning & Development	Complaint about the Council's failure to accept liability for damage to a drainage system caused by tree roots. The Ombudsman did not investigate, as it was reasonable for the complainants to seek an alternative remedy to their claim in the courts. <a href="#">Page 45 of 236</a>		✓			

Category	Summary of Decision	Decision				
		Not Upheld	Closed after initial enquiries	Incomplete/Invalid	Referred back for local resolution	Advice Given
Environmental Services & Public Protection & Regulation	Complaint regarding the renewal of a licence for a taxi driver. The LGO investigator concluded that there was insufficient evidence of fault by the Council.		✓			
* Planning & Development	No details provided as the LGO treated the complaint as incomplete/invalid so did not make any initial enquiries of the Council.			✓		
* Housing	Where advice is given, LGO provide no details of the case. This would either be because it was not within LGO's scope or they had previously looked at the same complaint.					✓
* Benefits & Tax	No details provided by the LGO because the complainant would have been referred back to the Council.				✓	
* Planning & Development	No details provided by LGO because the complainant would have been referred back to the Council.				✓	

\* LGO have stated that the statistics comprise the data they hold, and may not necessarily align with the data held by the Authority. For example, their numbers include enquiries from people they signpost back to the Authority, but who may never contact the Council. Where complaints are classified as 'incomplete/invalid', the complainant may not have provided enough information for the Ombudsman to determine what should happen with the complaint or the complainant may decide at a very early stage that they no longer wish to pursue their complaint.

## **1.0 Recommendations**

- 1.1 That Members note the results of the Draft Proposals consultation.
- 1.2 That Members agree to the publication of the results of the Draft Proposals consultation.
- 1.3 That Members consider and determine the outcome(s) of the Community Governance Review for Newhall and Stanton (the Review).
- 1.4 That Members approve the publication of the Final Proposals.
- 1.5 That Members delegate authority to Officers to make the necessary Community Governance Reorganisation Order, if required, to implement the final recommendations from the Review.

## **2.0 Purpose of Report**

- 2.1 To report the outcome of the Draft Proposals consultation which took place in Newhall and Stanton on the proposal to form a Newhall and Stanton Parish Council (under the provisions of Part 4 of the Local Government and Public Involvement in Health Act 2007).
- 2.2 To determine the next action(s) for the Review.

## **3.0 Detail**

- 3.1 The Review was instigated following the submission of a valid petition from the Newhall and Stanton Parish Council Campaign Group, **Appendix 1**, requesting that a Parish Council be constituted for the area of Newhall and Stanton. As this area does not already exist as a parish, the petition is treated to also include a request for

a parish to be constituted.

- 3.2 The initial consultation period was held from 1<sup>st</sup> February 2016 to 13<sup>th</sup> March 2016. Letters detailing the consultation and containing the Terms of Reference document, **Appendix 2**, were issued to all addresses within Newhall and Stanton (a total of 3,681 addresses), together with Ward Members, Derbyshire County Councillors for the area and neighbouring areas, the Member of Parliament, Derbyshire County Council, neighbouring Parish Council's and community representative groups.
- 3.3 A total of 374 responses were received, of which 12 were discounted as received after the consultation end date of 13<sup>th</sup> March 2016. A summary of the remaining 362 responses were as shown below.

Proposal	In favour	Against	Other
That a Parish Council be constituted for the area of Newhall and Stanton.	289	71	2*

\*Two representations were received expressing neither support nor opposition to the Proposal.

- 3.4 Having taken into account all consultation responses made during the first stage of consultation and having regard to the need to ensure that Community Governance within the area reflects the identities and interests of the community, is effective and convenient, the draft recommendation of officers was: 'To accept the majority representation from the people of Newhall and Stanton that a Parish Council be constituted for the area of Newhall and Stanton.'
- 3.5 As agreed by Council on 19<sup>th</sup> May 2016, the Draft Proposals, **Appendix 3**, were published on 23<sup>rd</sup> May 2016. Letters detailing the consultation and containing the Draft Proposals document were issued to all addresses within Newhall and Stanton, and to all other interested parties as detailed at 3.2 above. This consultation period commenced on 23<sup>rd</sup> May 2016 and ended on 3<sup>rd</sup> July 2016. A copy of the letter which accompanied the Draft Proposals is attached as **Appendix 4**.
- 3.6 Representations were received, totalling 43, of which 21 were discounted as received after the consultation end date of 3<sup>rd</sup> July 2016. A summary of the remaining 22 responses are shown below. Details relating to these responses are attached as **Appendix 5a**.

Proposal	In favour	Against	Other
That a Parish Council be constituted for the area of Newhall and Stanton.	21	1	0

- 3.7 Members commissioned a survey of Newhall and Stanton residents during this second consultation period, with a total of 937 responses received, of which 35 were discounted as received after the consultation end date of 3<sup>rd</sup> July 2016. A summary of the remaining responses are shown below. Details relating to these responses are attached as **Appendix 5b**.

Proposal	In favour	Against	Other
That a Parish Council be constituted for the area			

of Newhall and Stanton.	376	514	4*
-------------------------	-----	-----	----

\*Four representations were received expressing neither support nor opposition to the Proposal.

There were found to be eight duplicate entries across the two lists, seven in favour, one against. In the interests of ensuring only one vote per individual is counted, these have been deducted from the above figures, resulting in a revised total of 894.

- 3.8 In addition, a submission from the Newhall and Stanton Parish Council Campaign Group has been received; a copy of which was enclosed with the Summons and is attached as **Appendix 6**.
- 3.9 In accordance with the Local Government and Public Involvement in Health Act 2007, the Council is responsible for undertaking any review within its electoral area. All decisions will be made by Full Council prior to any Reorganisation of Community Governance Order being made.
- 3.10 In considering its final decision on the matter, Council has a number of options to consider, namely:
- To take no action.
  - To agree to the creation of a Newhall and Stanton Parish Council.
  - To take other alternative action. See Communities and Local Government Guidance Notes paragraphs 140 to 146, attached as **Appendix 7**.

With regard to the first option, if taken, then no further action would be required other than to publicise this outcome, with reasons given, in the form of a Final Proposal.

If the second option were taken, with reasons given, then further determinations would be required as part of the Council's Final Proposals:

- Agree the boundaries of the parish council area.
- Confirm the name of the parish council.
- Confirm the 'style' of council, e.g. Parish Council.
- Determine when the change will take effect, e.g. from 1<sup>st</sup> April 2017.
- Determine the election timetable and the initial term of office.
- Determine any interim arrangements between 1<sup>st</sup> April and the first elections.
- Determine the number of parish councillors to be elected.
- Confirm the warding arrangements for the parish council.

The District Council would subsequently publish a Reorganisation Order.

- 3.11 A timetable detailing the actions required within the permitted twelve month period is contained within the Terms of Reference document.

#### **4.0 Financial Implications**

- 4.1 There are no direct financial implications from this report, but the two consultation exercises incurred administrative and postage costs for the Council.

#### **5.0 Corporate Implications**

- 5.1 There are none relating to this report.

## **6.0 Community Implications**

- 6.1 The Review and subsequent recommendations will determine the local governance arrangements for the Newhall and Stanton ward.

## **7.0 Background Papers**

- 7.1 Newhall and Stanton Parish Council Campaign Group Petition.
- 7.2 Community Governance Review Terms of Reference.
- 7.3 Summary of responses made by local residents to the initial Terms of Reference Consultation.
- 7.4 Community Governance Review Draft Proposals.
- 7.5 Summary of responses made by local residents to the Draft Proposals Consultation.
- 7.6 Communities and Local Government Guidance on Community Governance Reviews.

Dear Mr McArdle,

Newhall and Stanton Parish Council Campaign Group, would like our Principal Authority being South Derbyshire District Council, to accept the enclosed petition and map, to trigger a Community Governance Review. This is for the formation of a Parish Council for Newhall and Stanton in Derbyshire. The petition has been completed under the Local Government and Public Involvement in Health Act, Section 80.

The area of the following proposed Parish Council, in pursuance of the rights conferred upon us by the above act of Parliament, hereby requests South Derbyshire District Council to undertake a Community Governance Review.

This is to constitute a Local Parish Council for the Ward of Newhall and Stanton. The Parish shall comprise of the un-parished parts of the Electoral Ward of Newhall and Stanton, which is part of South Derbyshire District Council, and shall comprise the same area as outlined in black on the attached map. The Ward map was provided to Newhall and Stanton Parish Council Campaign Group by Derbyshire County Council, as the Ward for Newhall and Stanton. Such a new Parish Council is to be called Newhall and Stanton Parish Council.

Newhall and Stanton Parish Council Campaign Group can confirm that the Ward of Newhall and Stanton has more than 2,500 local government electors. The Petition has been signed by more than the 7.5% of the electors required to trigger a Community Governance Review. The electoral register used to complete the petition was the most recent being for 2014/2015.

Newhall and Stanton Parish Council Campaign Group wish to commence an open and constructive dialogue with South Derbyshire District Council during the Community Governance Review period, to reach a comprehensive and acceptable agreement between all parties. With this in mind, please can you arrange to send the Clerk a breakdown of when and how this review will be undertaken including any key dates to the address above.

Newhall and Stanton Parish Council Campaign Group and its residents of Newhall and Stanton are making this submission in the belief that a Newhall and Stanton Parish Council will prove beneficial to both the Residents of Newhall and Stanton and South Derbyshire District Council.

Newhall and Stanton Parish Council Campaign Group believes that a Newhall and Stanton Parish Council will work hard to create a great cohesive, attractive and economically vibrant community, fulfilling their own potential and overcoming their own difficulties including conflict, extremism, deprivation and disadvantage. Also a Parish Council will help empower the community of Newhall and Stanton to have a voice within its own community, giving the community its own identity, to respond to challenging economic, social and cultural trends, and to demographic change. A Newhall and Stanton Parish Council will contribute to the creation of a successful community by influencing the quality of planning and design of public open space and the built environment, as well as improving the management and maintenance of such amenities. A Newhall and Stanton Parish Council is an important factor to improve the quality of life for the residents of Newhall and Stanton. A Newhall and Stanton Parish Council would be best placed to judge what is needed to build cohesion.

A Newhall and Stanton Parish Council would perform a central role in its community leadership. Depending on the issue, it may want to take the lead locally, while at other times it may act as an important stakeholder or in partnership with others. In either case, A Newhall and Stanton Parish Council would work effectively with partners to undertake the role of placeshaping, and would be responsive to the challenges and opportunities of Newhall and Stanton in a co-ordinated way.

Many thanks and kindest regards.

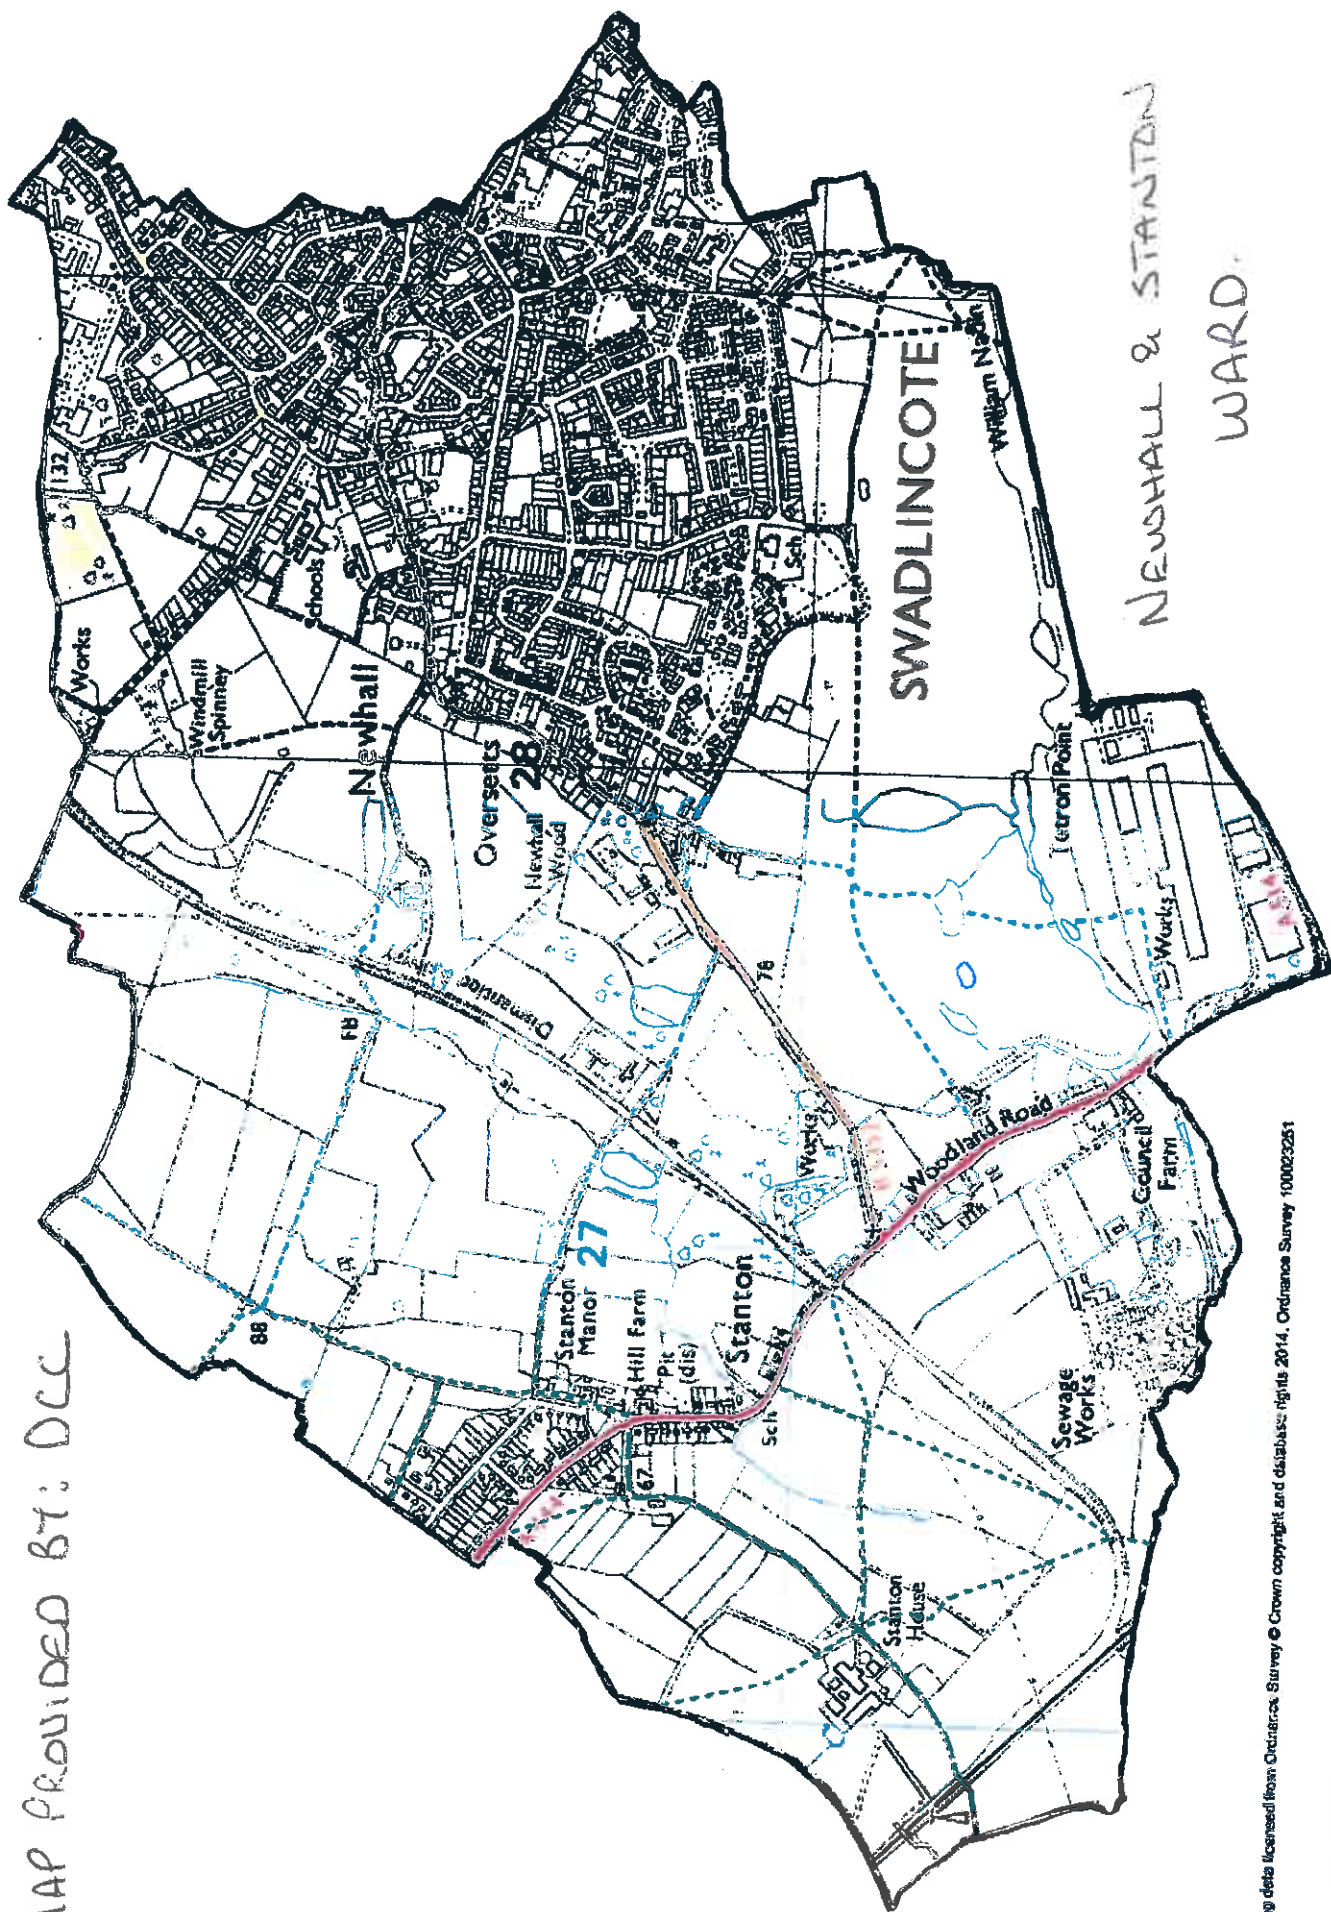

Yours Sincerely.

Mrs Clare Orme

### **TERMS OF REFERENCE**

#### **Introduction**

On 21<sup>st</sup> January 2016, South Derbyshire District Council (“the Council”) approved these Terms of Reference created for the purposes of undertaking a Community Governance Review covering the unparished area of Newhall and Stanton.

A Community Governance Review (“the Review”) is a legal process whereby the Council can review and make changes to local governance arrangements within the whole or part of its District.

These arrangements will be determined following consultation with local people and will aim to bring about improved community engagement, better local democracy and result in more effective and convenient delivery of local services.

#### **Legislation and Guidance**

In undertaking the Review and implementing any outcome, the Council will be guided by the following legislation and guidance:-

- Part 4 of the Local Government and Public Involvement in Health Act 2007, as amended;
- The relevant parts of the Local Government Act 1972;
- The Local Government (Parishes and Parish Councils) (England) Regulations 2008;
- The Local Government Finance (New Parishes) (England) Regulations 2008; and
- The Guidance on Community Governance Reviews issued jointly by the Department for Communities and Local Government and the Local Government Boundary Commission for England (March 2010) (“the Guidance”).

### **Aim of the Review**

In carrying out the Review, the Council aims to ensure that decisions affecting community governance within the Newhall and Stanton area are reflective of the identities and interests of the community and are both effective and convenient.

Other important considerations are the impact on community cohesion, the size, population and boundaries of the area and what (if any) arrangements have already been made or could be made for the purposes of community representation or community engagement.

### **Who is undertaking the Review?**

The Council is responsible for undertaking any review within its electoral area.

All interested persons and bodies have the opportunity to submit representations throughout the process for consideration by Full Council (a meeting of all 36 South Derbyshire District Councillors) before any decisions are made.

### **Why is the Council undertaking the Review?**

The Review has been instigated following the submission of a valid petition from the Newhall and Stanton Parish Council Campaign Group requesting that a Parish Council be constituted for the area of Newhall and Stanton. As this area does not already exist as a parish, the petition is treated to also include a request for a parish to be constituted.

### **How will the Council undertake the Review?**

Specifically, the Council will consider the following:-

- Whether or not a parish be constituted for the area under review and if so the name and style of the parish;
- Whether or not, as a result of the Review, the area of any existing neighbouring parish needs to be retained, merged, altered or abolished;
- Whether or not any parish should have a Parish Council or any alternative and, if so, determine the electoral arrangements, i.e, the ordinary year of election, the size, the number of Councillors to be elected, the division of the parish into wards and the parish boundaries;
- Whether or not any grouping provision should be made; and
- Whether or not any other local community governance arrangements should be made.

### **Why constitute a Parish?**

The Council recognises that all communities have individual local issues and any decisions made will reflect those issues and be in the best interests of Newhall and Stanton.

Government guidance states that the advantage of constituting an area as a parish is that parishes reflect distinctive and recognisable communities of interest with their own sense of identity. It further states that this identity and community lends strength and legitimacy to the parish structure, creates a common interest in local affairs, encourages participation in elections, leads to representative and accountable government, engenders visionary leadership and generates a strong, inclusive community with a sense a civic values, responsibility and pride.

### **What does a Parish Council do?**

Parish Councils are the most local form of government. They collect money from council tax payers (via the District Council) known as a 'precept' and this is used to invest in the area to improve services or facilities. Parish Councils can take different forms, but are usually made up of local people who stand for election as a Parish Councillor to represent their area. They can be the voice of the local community and work with other tiers of government and external organisations to co-ordinate and deliver services and work to improve the quality of life in the area.

### **Alternative styles**

Parishes may have alternative styles to 'Parish'. The alternative styles are 'community', 'neighbourhood' or 'village'. In addition, it should be noted that the style 'town' is still available to a parish. However, for as long as the parish has an 'alternative style', it will not also be able to have the status of a 'town' and vice versa. The use in these terms of reference to parish does not preclude one of the alternative styles being adopted.

### **Timetable for the Review**

This programme and timeline may be adjusted after representations have been received by local people in response to the initial public consultation. This will allow the Council a degree of flexibility in the interests of ensuring that it manages the review process efficiently. Any adjustments to the programme and timetable will be published on the Council's website.

### **Electorate Forecasts**

When considering any electoral arrangements arising as a result of this Review, the Council will consider any change in the number or distribution of electors which is likely to occur within five years from commencement of this Review. This data is as follows:-

<b>District Area</b>	<b>Polling District</b>	<b>Electorate 2016</b>	<b>Electorate 2021</b>
Newhall	NSA	1635	1635
Newhall	NSB	740	740
Newhall	NSC	2057	2507
Newhall	NSD	1318	1318
Newhall	NSE	445	750

## **Consultation**

The Council has a duty under the Local Government and Public Involvement in Health Act 2007 to consult with the local government electors in the area under review and any other interested person or body. Throughout the process all representations will be taken into account before decisions are made.

The Council will:-

- Publish a release in the local press informing residents of the Review and inviting responses;
- Publish information on the Council's website;
- Consult with the residents of the Newhall and Stanton area;
- Consult with the South Derbyshire District Councillors for the Newhall and Stanton area and the neighbouring areas;
- Consult with the Derbyshire County Councillors for the Newhall and Stanton area and the neighbouring areas;
- Consult with the Member of Parliament for the District;
- Consult with Derbyshire County Council;
- Consult with any neighbouring Parish Councils and community representative groups; and
- Consult with any other person or body which appears to the District Council to have an interest in the Review.

The initial consultation period will end on 13th March 2016. Any representations must be received by that date or they may not be considered when the options are prepared for Full Council.

There will then be a further period of time for people to comment on the draft decision before the final decision is made.

The Council recognises that the development of strong, sustainable communities depends on residents' active participation in decision making and making a positive contribution to improving the place where they live. The Council is therefore committed to engaging effectively with the communities it serves and to enabling local people to participate meaningfully in decisions that affect their lives, where all people feel able to take an active part in influencing service delivery.

The Council welcomes all representations from any persons or bodies with a local interest who may wish to comment or make proposals on any aspect of the matters under review.

### **Completion of the Review**

The Council will clearly publish the outcome of decisions taken as a result of the review and the reasons behind those decisions, so as to conduct the process transparently, making local people and other interested parties aware of the decisions reached. Press releases will be issued at key points as detailed in the above timetable and key documents will be on deposit at the Council's offices.

### **Order and commencement**

In the event of a Reorganisation of Community Governance Order being made, the provisions of such an Order will take effect from 1<sup>st</sup> April 2017 for financial and administrative purposes, depending upon the outcome of the Review.

### **Date of Publication of these Terms of Reference**

## **COMMUNITY GOVERNANCE REVIEW OF NEWHALL AND STANTON DRAFT PROPOSALS**

**A Parish Council is established for the Newhall and Stanton area of the District.**

Parish Council's play an important role in terms of community empowerment at the local level and 80% of respondents to the initial consultation indicated that they supported the establishment of a parish council in the area.

Parish councils are set apart from other forms of community governance as they are a democratically elected tier of local government with directly elected representatives, independent of other council tiers and budgets, and possess specific powers for which they are democratically accountable.

The Council has no evidence to suggest that the establishment of a parish council would be detrimental to a cohesive community in which people of different backgrounds get on well together and share a sense of place.

**The area of the proposed parish be as per the boundaries shown on the attached plan which accords with the boundaries of the Newhall and Stanton Polling District.**

The boundaries accord with those of the polling district of Newhall and Stanton and are therefore considered to be appropriate and easily identifiable.

**The Parish Council be named 'Newhall and Stanton Parish Council'.**

The Government encourages avoidance of composite names other than in exceptional circumstances where the demands of history, local connections or the preservation of local ties make a pressing case for the retention of distinctive traditional names. However, the Council feels that the name of the parish council should take into account the distinctive areas well known as Newhall and Stanton and the use of just one of those would not accurately reflect the entire proposed area of the parish council.

**The Parish Council should use the 'style' of 'Parish' Council, as opposed to the alternative styles of 'Village', 'Neighbourhood' or 'Community' Council.**

Existing Parish Councils in the District use the 'style' of 'parish council'. The alternative styles of 'village', 'neighbourhood' or 'community' council were introduced in the Local Government and Public Involvement in Health Act 2007 and are therefore relatively new. It is felt that using one of these alternative styles in the establishment of a new parish council at this time would potentially lead to confusion of the status of the new council, which should be avoided.

None of the respondents to the initial consultation suggested an alternative style, but in any event, the 'style' of the parish council could easily be changed by any parish council established in the future, if they felt it necessary.

**Subject to the establishment of a Parish Council taking effect from 1<sup>st</sup> April 2017 and the first elections being held in May 2017, the first terms of office of elected Parish Councillors be for the term of two years with the next elections being held in May 2019 and every four years thereafter.**

The Council proposes to reduce the initial terms of office of councillors of a new parish council in order that subsequent elections would take place at the same time as that of other such council's in the District.

**The number of Parish Councillors to be elected to the Parish Council be set in the range 9 to 16.**

The average number of councillors on each parish council within the District is nine.

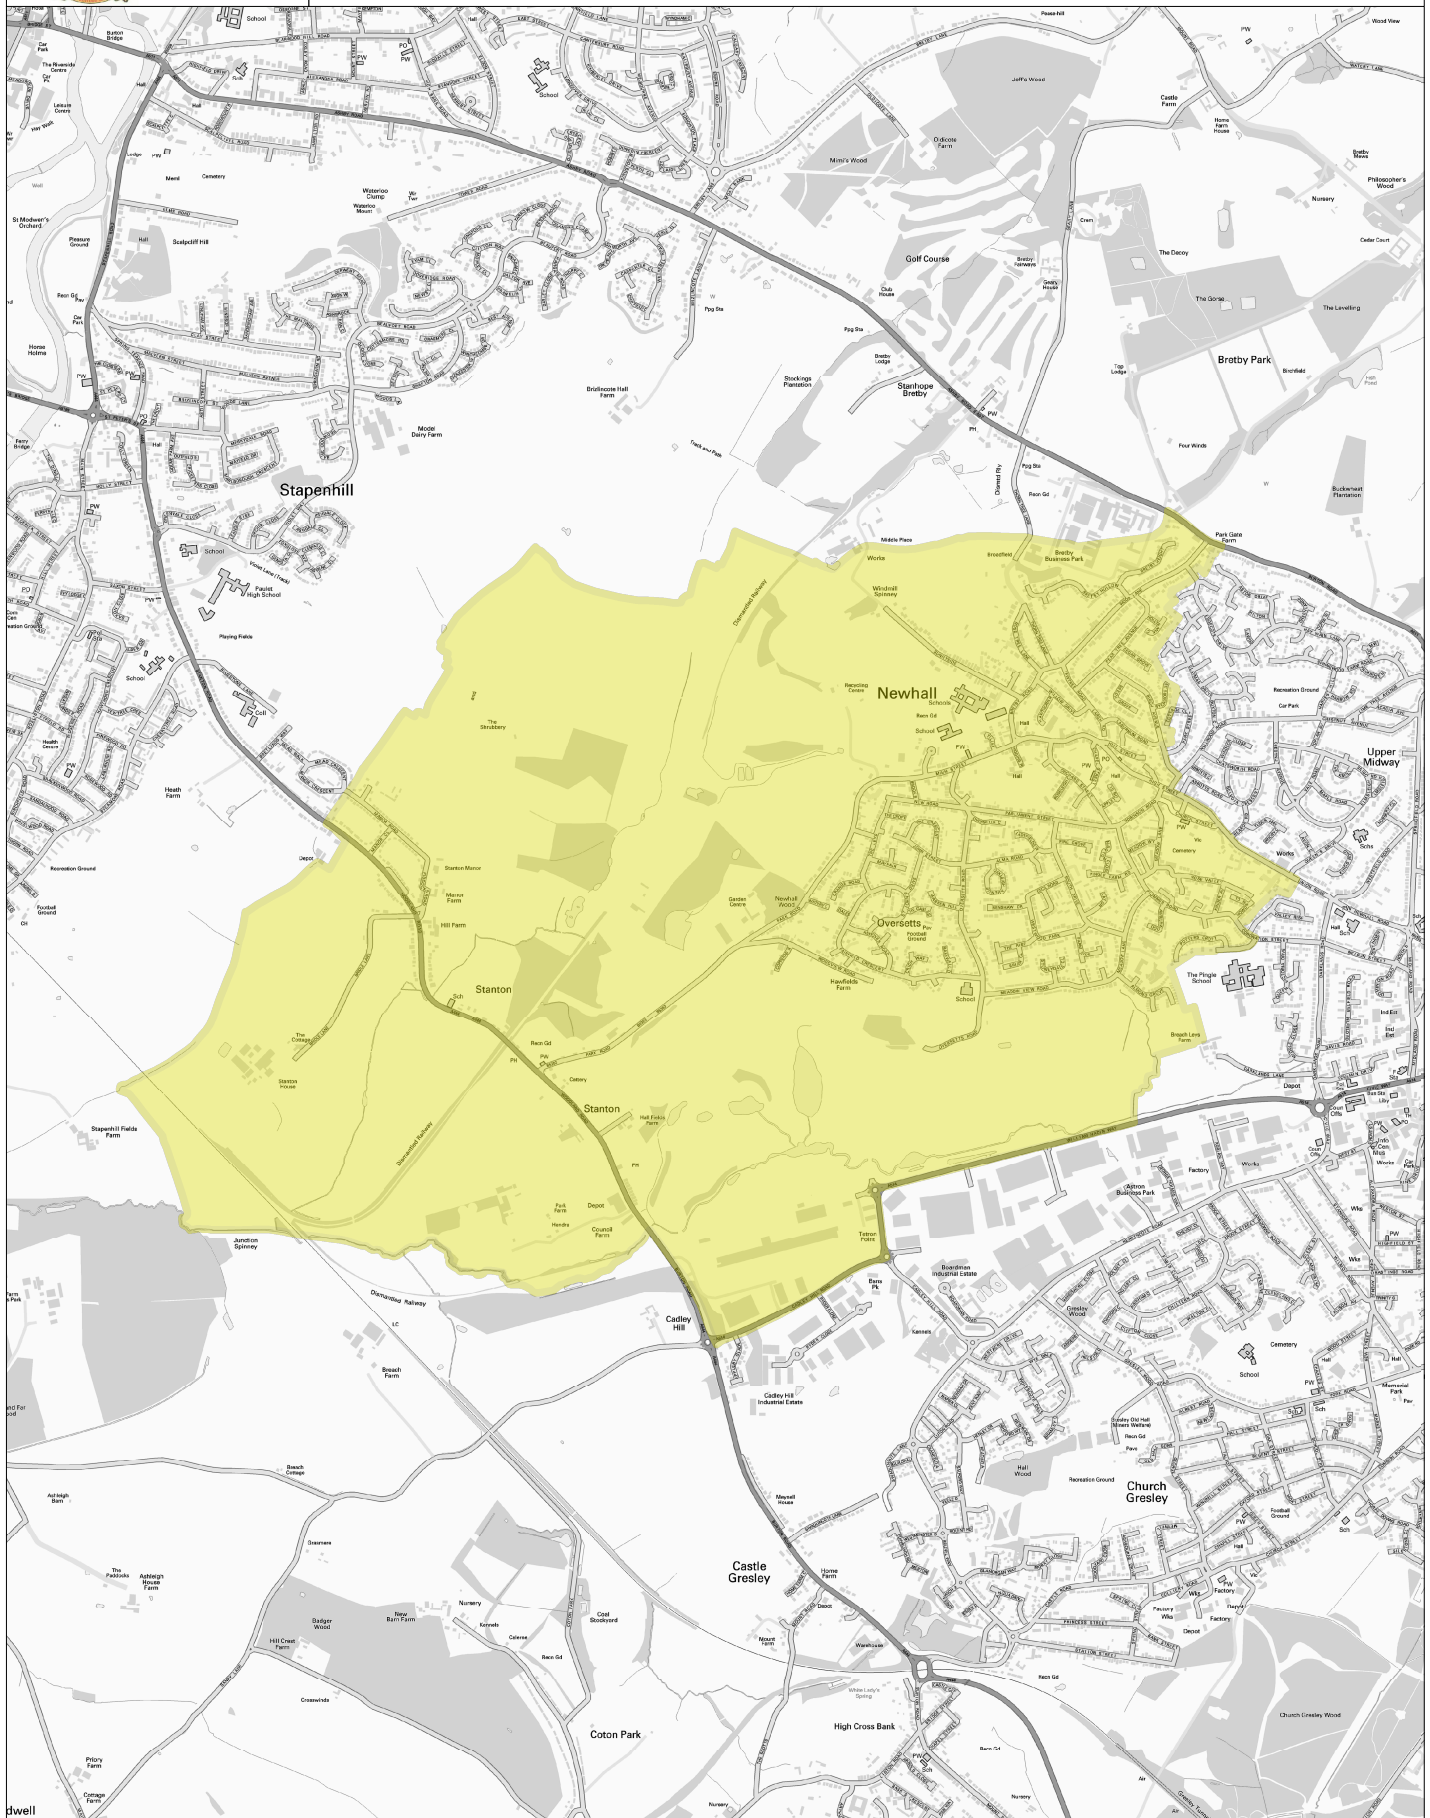

The Council has noted that the number of parish councillors for each parish council shall not be less than five. The Council does not feel that the number of parish councillors should be more than 10 as it is important that the parish council does not have regular vacancies and in the interests of democracy, elections are contested.

**The Parish Council should not be split into separate wards.**

The Council does not consider that the size of the proposed parish council necessitates splitting the parish into wards or that the single election of councillors for the parish council would be impracticable or inconvenient. Nor does the Council consider that any areas of the parish council should be separately represented on the Council.

Our ref: Community Governance Review  
Your ref:

Date: 23<sup>rd</sup> May 2016

Dear Sir / Madam,

**Community Governance Review 2016 – Newhall and Stanton**

Section 79 of the Local Government and Public Involvement in Health Act 2007 allows the Council to undertake a Community Governance Review (the Review) of the whole or part of its area. Council agreed to undertake a Review, published its Terms of Reference on 25<sup>th</sup> January 2016 and undertook an initial consultation until 13<sup>th</sup> March 2016. Council agreed Draft Proposals for consultation at its Meeting on 19<sup>th</sup> May 2016.

South Derbyshire District Council is now undertaking the second consultation period of the Review process on its Draft Proposals and residents and interested parties are therefore asked to make their views known on the proposals. The Review's Terms of Reference document can be found on the Council's website at [http://www.south-derbys.gov.uk/council\\_and\\_democracy/community-governance-review/default.asp](http://www.south-derbys.gov.uk/council_and_democracy/community-governance-review/default.asp)

Further details relating to the Draft Proposals are enclosed for your attention.

Should you wish to submit a representation relating to the Draft Proposals, please do so using the dedicated e-mail address, [cgreview@south-derbys.gov.uk](mailto:cgreview@south-derbys.gov.uk), by no later than 3<sup>rd</sup> July 2016.

Alternatively, you can, if you wish, make your views known in a letter, addressed to: South Derbyshire District Council, Community Governance Review, Democratic Services, Civic Offices, Civic Way, Swadlincote, Derbyshire, DE11 0AH.

Yours faithfully

Chief Executive

30.06.16	21	Mrs	Pamela	Dooley	10 Tideswell Green, Newhall, DE11 0UX	<p>I am writing to register my full support that a Parish Council should be established for the Newhall and Stanton area of the District as per the Community Governance Review of Newhall and Stanton Draft Proposal.</p> <p>I fully support that the area of the proposed Parish should be as per the boundaries shown on the plan attached to the draft proposal, which accords with the boundaries of the Newhall and Stanton Polling District. The Parish of Newhall and Stanton should not be split into separate wards.</p> <p>I also fully support that the Parish Council should be named "Newhall and Stanton Parish Council", as opposed to the alternative styles of "Village", "Neighbourhood" or "Community" Council. The reason being that this would be in keeping with the rest of the District and to call it anything other than Newhall and Stanton Parish Council would potentially lead to confusion of the status of the new Council, which should be avoided at all costs.</p> <p>I agree that subject to the establishment of a Newhall and Stanton Parish Council taking effect from 11st April 2017, with the first elections being held in May 2017, the first term of office of elected Parish Councillors should be for a term of 2 years with the next elections being held in May 2019 and every four years thereafter, this would be in line with all other established Parish Councils within the District.</p> <p>I agree that the number of Parish Councillors to be elected to the Newhall and Stanton Parish Council should be set at no more than 10 as it is important that the Council does not have regular vacancies in the future and in the interest of democracy, elections are contested.</p>	Y			L

## Newhall and Stanton Parish Council Campaign Group

Newhall still has a village culture. Newhall has grown so to speak out of Coal Mining and Clay. There is now lots of new housing, new people. This means we are a lovely mixed community. Unemployment has improved, we have more facilities, a lovely park with equipment and now a memorial. The Old Post Centre is doing well albeit it needs some monies spent on it to improve it's outward appearance. Different agencies are working very hard to cater for young people and children.

There is a big improvement in the village largely attributed to a strong Council that cares. Our Elected Councillors, Mr Richards, Mr . Bambrick, and L. Stuart work tirelessly for this community and have it's best interest at heart.

Our committee is 15 strong and would like to work with our elected Councillors for the benefit of our community. Many hands make light work they say, surely our 15 members plus your 3 overworked Councillors could make a difference to how many jobs get done, togetherness is the operative word.

### Will a Parish Council be cost effective?

It will bring the community together and continue with it's regeneration.

It will give a voice to the community ( more people to listen )

It could employ a lengths man ( litter picker ) to keep the village clean and tidy.

It could help set up and support local youth projects.

It could help to maintain our local footpaths by strimming and mowing where required, We need to have sign posting and way marking.

It could be involved with crime reduction and traffic calming measures for the Parish, example - passing on information gained locally.

It would keep Newhall and Stanton's own identity and give it some Status as a Parish in it's own right with a sense of togetherness .

It could obtain funding and grants for new play equipment and sports facilities and help other groups.

It could improve the way Newhall is viewed by installing planters, hanging baskets, more litter bins, dog mess bins and grit bins. We would be able to monitor the dog fouling situation.

We could look into providing help for the elderly, like shopping , gardening and running errands.

We as a committee, hoping to be a Parish Council, would really like to support, provide help and above all listen to the residents of Newhall and Stanton.

The precept would be money well spent. e.g A Clerk, expences for room hire etc and 15 people prepared to work for nothing to benefit Newhall and Stanton.

Dear Mr. McArdle,

27<sup>th</sup>, August 2016

With reference to a Newhall and Stanton parish council.

We would like to see this created to further the social and wellbeing of our community.

This would be an additional backup to our local councillors.

It would be another force to promote the betterment of our local community.

It would be a pathway to finance our local area as at present we are bundled with the urban area of Swadlincote.

We are sure you are aware of the way some of our residents have worked tirelessly, with making Newhall and Stanton a better place to live, i.e. The Old Post Centre, additions to the park, and the village halls.

Yours faithfully,

Mr.&Mrs. C.&J.Maddock.

**I wish to register my full support for the proposed Newhall and Stanton Parish Council .**

**I have been a resident of Newhall for over 50 years. Newhall has grown dramatically, yet , there is still a wonderful community spirit. We would very much like to look after our own needs with help and support from our excellent District Council.**

**All age groups need consideration, we need to listen to local people, pick their brains, use their local knowledge . A Parish Council would be a tremendous asset. My Father - in - Law , John Henry Goodyear or Jack as they called him, was the gardener for Newhall Park, he was so proud of it, everyone enjoyed the park in those days . Working together could bring those standards back again. There must be lots of willing hands out there, we need to find them.**

**The Old Post Centre is a tremendous asset. Are we making the best use of it? Which groups could we help? We need to find out, ask questions, you can only help if you know what people need most.**

**A Parish Council will mean a lot more ears to listen, a lot more ideas. Local people with local knowledge, and at very little cost. Newhall needs the Status, it doesn't want to be left out .**

**M. Biddle - a very happy local resident. I can help .**

**Support for Newhall & Stanton Parish Council Application**

As residents of Newhall for the past 40 years, we are delighted to be able to support the local Application for the formation of the Newhall & Stanton Parish Council.

During our time the area has grown, developed and changed dramatically, whilst still retaining good quality local shopping, medical and schools provision. It is a good place to live and bring up family.

However, the formation of a local Parish Council is a very positive new initiative by residents, which I am confident would provide the springboard for stimulating a new positive participation in what happens within our community. Residents will have a forum for creating and implementing improvements in the area, raised by themselves, resolved by themselves and implemented by themselves. They will have an accountable group, not restricted by budget constraints beyond the area, which handicaps the Local Authority due to their much broader budget responsibilities. We could restore Crossing Patrols to protect our children. We could further enhance the Park and install toilet facilities, thus making it a venue for a day out rather than a quick visit. We could employ a Park Keeper to maintain and develop the Facilities. We could enhance the environment of Newhall & Stanton by community landscaping and floral displays. The options for residents are many.

Probably most important is the benefit to the Local Authority themselves as the new Parish Council will provide a support and delivery process in addition and alongside South Derbyshire District Council, where together the profile, facilities and well-being of the area and local residents can be improved. Working together we can achieve much more and the opportunity for increased resident participation is a very positive reason to create the Parish Council.

We are confident that the formation of the Parish Council will provide long-term benefits to residents of Newhall & Stanton of all ages and trust that the Local Authority will be supportive of the Application

Yours sincerely

Newhall and Stanton Parish Council Campaign Group member

Dear Sir,

As a resident of Newhall, I would like to suggest that a Newhall and Stanton Parish Council would give another voice to the community and put forward ideas to enhance our village.

Being Chair of Friends of Newhall Park, Trustee @ The Old Post Centre, School Governor @ Fairmeadows Primary School, Secretary of Oversettes Road Allotment Association and a member of Bretby Rotary Club, I already put effort into the community of Newhall and will continue to do so. I would offer my support to our three elected district councillors, given the opportunity. In my opinion a parish council in Newhall and Stanton would be an asset which our community would benefit from.

A parish council gives the best reflection of how a community feels about something and its views will be taken seriously (Planning matters and crime prevention)

A small parish precept would be money well spent.  
We have lived in Newhall for nearly 50 years and would like to see Newhall and Stanton have its own identity.

Dear Mr. F. McArdle,

Newhall & Stanton Parish Council Campaign

We are in full support of having a Newhall and Stanton parish council. We have seen the good work and benefits to other local areas that have been achieved by having parish councils. There are many issues that can be addressed by having a parish council.

E.g. Open spaces can be better maintained and sign posted.

The litter problem can be addressed by employing a lengthswan. They can campaign for and deliver better services and facilities for our community.

Negotiate with and the power to influence other organisations that do make the final decisions.

Dear Sirs

My name is Tony Sellers.  
I was born and bred in Newhall.  
Years ago the community worked  
together and helping each other out.  
Today since the village has  
grown, things are not the same.  
many people do not even know their  
neighbours.

Having a parish council could  
help to bring everyone together again.  
By working with the council we  
could help with any small jobs  
e.g. Chesterfield Avenue needs trees trimming  
along pathways as does Park Road, for  
the safety of pedestrians.

We understand the council has 150 square  
miles to cover, and with the cut backs  
must be hard, but we are hoping to  
help by having volunteers to do some  
jobs. I volunteer at Newhall Infant  
school, doing the garden and odd jobs.  
I love meeting the children + parents.  
I feel by doing this it will give people  
more pride in their neighbourhood.

My greatest wish would be to  
work closely with our local councilors  
and get a lollypop person at the  
Old Post for the safety of  
all the children that us it.

A. E. Sellen

However she could not say at this stage if any associated costs would be recharged back to the newly formed Parish Council at a later date. The Clerk explained that it was all too early in the process for her to be able to answer the questions.

\* The Clerk was asked if new Councillors would require training and who would deliver the training. The Clerk advised that in the first instance the Parish Council should subscribe to The Derbyshire Association of Local Councils. They are an organisation that advise Parish Councils through their Clerk on law and legislation, they help with any issues or problems encountered and they also deliver all Councillor and Clerk training as required. \* MB

The Clerk was asked who the Clerk for the new Parish Council would be. The Clerk replied that she thought SDDC would initially interview for this position and they would decide on a Clerk. However as she had not been in this position before she could not really answer this question. She explained that we would know more about the process in due course from SDDC. BW

The Clerk reported that all equipment purchased for the group for example the laptop, printer etc, would be passed over to the Parish Council. The Clerk had already set the computer up and had already added all the required draft documents for example the Standing Orders, Financial Regs etc. that a Parish Council would be required to adopt at their first meeting.

MB B Walton said that what upset him was that Newhall was shown as the 32<sup>nd</sup> most deprived area in the country. He asked, what SDDC were doing about this.

people need to help themselves up to a point.  
It was reported that our 3 local Ward Members did not support our campaign and did not listen to what residents want or need. what evidence? MB

MB The Chair gave the committee the following information from a Needs Assessment Report that was completed by Dr Penny Mell. This report was accurate as of January 2000 as follows:

Newhall so to speak grew out of Coal Mining and Clay, its people were very friendly and helpful. Things started to decline in the late seventies. Then the pits closed, causing poverty, people's lives dramatically changed. There was mass unemployment, 14 shops closed and got boarded up. Miners had been in the pits like their fathers before them, since they were 15 years of age, most had no other skills, a basic Secondary Modern Education, and their ambition had been to work in the pits like their fathers before them. What could they do without skills to seek other employment in an age of technology. There was long term unemployment, which lead to stress and ill health. Not belonging brought on a feeling of despair. Low income lead to poor diet, lack of exercise and obesity which all resulted in apathy. At that time 18% of people in Newhall lived on or below the bread line. 9.9% were benefit dependent. Crime increased, drug abuse, vandalism, burglary and car theft. At that time people were afraid and confused. At that time the William Allitt School produced results that were on par with the National

## 5. Minute Number 51/15 - Outcome of the Open Day

The Chair gave her report as follows:

- The Chair thanked all the committee members and the Clerk for attending the Open Day and for playing their part.
- She reported that the Open Day went really well and a marvelous day was had by all.
- She reported that out of all the residents that had attended the Open Day only 2 refrained from signing the petition.
- She thanked the 2 committee members that spent the day serving drinks and refreshments.
- She was very pleased by the amount of residents that attended the Open Day and thanked everyone who had and was supporting our campaign.
- She explained that the group should hold a further Open day along with starting to door knock for signatures.
- She reported that a lot of residents were unaware of the Open Day as they did not receive the mailshot advertising the event.

The Clerk reported that this matter had been reported as a complaint to Royal Mail and an investigation had taken place, however Royal Mail were insistent that they did deliver all of the mailshots to the whole village. The Clerk reported that this could not be the case as some residents received 2 mailshots and some received nothing at all.

The Clerk was asked how people could become Parish Councillors. The Clerk replied that when we manage to achieve signatures of 10% or more of the electorate, the petition will be forwarded to South Derbyshire District Council where it will trigger a Governance Review. Depending on the outcome of this review a referendum may need to be held. If a referendum is held (although this may not be required by South Derbyshire District Council) and the majority of the votes are in favour of the formation of a Newhall & Stanton Parish Council, a Clerk will be appointed by South Derbyshire District Council and elections will then take place for Parish Councillors to represent the Village, again this will be completed by South Derbyshire District Council. However the Campaign Group will continue with their campaign right through to the Parish Council elections to keep the momentum going.

A member of the committee explained that he had made his thoughts clear at the last Trustees Meeting for The Old Post Centre in relation to the notice that they had put around the building in relation to the Campaign Group. bw

Committee Members gave their report as follows:

- J Appleby had obtained 63 signatures by showing residents the original leaflet and explaining what formed Parish Councils obtain by the way of the Parish Precept. He explained that having a leaflet was not critical to obtaining signatures as most people were happy to sign the petition once they realised that Newhall and Stanton was only 1 of 4 areas that did not have a Parish Council and did not

Re: Newhall & Stanton Proposed Parish Council

I write this letter in support of the above mentioned. Firstly let me tell you all a little about myself and my family. I have lived here nearly all my life, other than living in Ticknall, Swadlincote, Willington & Stapenhill all for short periods of time. But most of my 58 years have been spent in Newhall where I was born in the front bedroom of 144 Oversetts Road.

I have three daughters, all who work full time and all live in Newhall. Along with their partners, they all support having a Parish Council and are fully aware what a Parish Council could do for the villages. My eldest daughter Amelia lived in Ticknall for many years with her mother and step father, so is more aware what a Parish Council does. I'm also aware what a Parish Council can do and not do, with living in Ticknall village also for a period of 3 years!

As councillors I don't have to spell out what a Parish Council can do, as I would assume that many of you live where a Parish Council is in existence or are on the Parish Council itself! I would ask you to think with your heart and not your head, considering it's hard for a council to potentially spend more money or lose money in these austerity times. Furthermore, Newhall and Stanton's profile would be raised having a Parish Council and also potentially bring the people closer together. Both villages have suffered for many years, especially Newhall with the open cast & Newhall tip and all the problems it brought! It seems people from outside the villages, in Newhall's case more so, that it is not such a nice place to live and are very negative! This brings me to the form we received only a few months ago. This form was completely negative and did not sell any benefits to a Parish Council. Why-o-why would anyone do this, as it benefits all the residents; this is beyond belief why any individual would do this!

I'd like to finish by stating I know the people of Newhall & Stanton voted against a Parish Council, but up until that point of the above mentioned form, the people of both villages were fully for it, so it seems to me that this form had a major impact on people's decision and I'm sorry for all of them that they made such an important decision based on negativity.

I do hope all of you come to the right decision and feel happy with what you've done. Either way what the outcome is, it will either have a positive impact or negative impact for so many hard working people of both villages. Both villages are a great place to live and bring a family up, let's make it even better!

Regards

Anthony Mark James

F.A.O MR. Frank Mc Ardle

Dear Mr Mc.Ardle,

We are the current leaders of 3<sup>rd</sup> Newhall Brownies pack. We understand there is a campaign to start a Parish council for Newhall and Stanton. As a unit we have to do an awful lot of fund raising to provide our girls with equipment, and a varied programme each week. It would make an enormous difference to the week to week running of our unit, and with regards to said fundraising if the Council was created.

Having spoken to other Brownies units within our district, that have a Parish Council , we have been led to believe that a Parish Council would be helpful. They could help to fund day trips out for our girls, which currently, we are unable to take them on without relying heavily on parents , a lot of whom can't afford to pay. We feel that we could give the unit, and the girls which attend, a bigger presence and a voice within the community ,

I promise that I will do my best to be true to myself and develop my beliefs, To serve the Queen and my community, to help other people ,and keep the Brownie Guide law .

As you can see above, working with the community is a big part of our Brownie promise, which all girls, and leaders, make and renew every year.

Working closely with a Parish Council means we could increase the pride of place in where the girls live. We can teach them the importance of the village having it's own identity, like other villages in the Swadlincote area , and give them a voice within the community.

As leaders we are extremely proud of our girls, and opportunity we have to work with them. It is an honour every week to go to our meetings. It would be awesome for the village to have it's own identity back ,which unfortunately has been lost over the last few years. We have both lived in Newhall all our lives, and are proud to have been brought up in this lovely village. We want to give Newhall a better name than it has at present. Having a Parish Council will help this happen.

Thank You

K.Vickers and E. Watson

The first step in the process of identifying a problem is to recognize that a problem exists. This is often done by comparing current performance with a desired state or goal. Once a problem is identified, the next step is to define the problem more precisely. This involves determining the scope of the problem, the resources available, and the constraints that may be affecting the problem.

After defining the problem, the next step is to generate potential solutions. This is often done by brainstorming or using a structured problem-solving technique. Once potential solutions are generated, the next step is to evaluate each solution. This involves comparing each solution against the criteria established in the previous step.

The final step in the process is to implement the chosen solution. This involves putting the solution into action and monitoring its progress. If the solution is not working, it may be necessary to go back to the previous steps and re-evaluate the problem and potential solutions.

The process of problem-solving is a continuous one. As new information is gathered, the problem may be redefined, and new solutions may be generated. The key to successful problem-solving is to remain flexible and open to new ideas.

In the context of a business, problem-solving is a critical skill. Managers are often faced with a variety of problems, from financial issues to operational challenges. By following a structured problem-solving process, managers can effectively identify and solve these problems, leading to improved business performance.

One of the most common problems in a business is a decline in sales. This can be caused by a variety of factors, such as changes in the market, increased competition, or a change in consumer behavior. To solve this problem, a manager might first identify the specific factors causing the decline. Then, they might generate potential solutions, such as launching a new marketing campaign or improving the quality of the product. Finally, they would implement the chosen solution and monitor its progress.

Another common problem in a business is a shortage of resources. This can be caused by a variety of factors, such as a decrease in the availability of raw materials or a change in the demand for a particular resource. To solve this problem, a manager might first identify the specific resources that are in short supply. Then, they might generate potential solutions, such as finding alternative sources of the resources or improving the efficiency of their use. Finally, they would implement the chosen solution and monitor its progress.

In conclusion, the process of problem-solving is a critical skill for managers. By following a structured process, managers can effectively identify and solve a variety of problems, leading to improved business performance.

To Councillor Frank McArville  
To South Derbyshire District Council  
Civic Way, Swadlincote.

As residents of Stanton for the past 57 years, we believe it is time that Stanton had its own parish council.

We both believe that Stanton is missing out on facilities in and around the village.

Listed below are a few points we feel need addressing, and having no 'Parish Council' these are not being addressed. Examples are:

1. No play area for the children since Stanton Nurseries took over the original site.
2. Pavements along Park Road are not wide enough for safe use due to overgrown hedging
3. Road signs in the area are covered by brambles and tree branches.
4. The area's around the school and the Bus Shelter on Woodland Road are always strewn with rubbish and it is unsightly.
5. There was always a salt/grit bin located opposite the village hall for the safe use of motorists as the area floods and ices over.

6. the brook down the side of the village hall has again become overgrown. We have tried to clear the broken branches and dead tree debris but we do need some-one to help keep the brook clear. If it is not, the road and surrounding properties are liable to flood.
7. It would be helpful to all residents if a notice board could be erected for pasting information sheets into. i.e. Contact details of councillors, local PCSO's, safer neighbour hood meetings etc etc. The Village hall would be both a location for a notice board and a venue for meetings where residents can attend and voice any concerns.

We are both elderly and have tried to serve Stanton as best we could for the past 57 years but as time continues, the need for a 'Parish Council' becomes more apparent and required.

Would you please look at our proposal and return your comments and any advice to us at the address above.

Kind Regards Mrs. D. G. Tagg  
MR F. J. M. Gage

## WHAT IS A PARISH COUNCIL AND HOW WOULD IT BENEFIT THE RESIDENTS IN NEWHALL AND STANTON ?

Parish Councils are often referred to as a Local Council, which is a type of Local Authority. Like The District and County Council, a Parish Council is involved in providing and delivering services and facilities for the benefit of its own local residents.

A Parish Council has the same statutory powers as a Town Council, Community Council or Village Council, which it may choose to exercise.

The Government is encouraging Parish Councils along with Town Councils, Village Councils and Community Councils to play a greater part in providing services and supporting their own communities.

Many Parish Councils get involved in a wide range of activities and services to make their local area and community a better place to live.

A Parish Council is also a key partner in assessing the needs of its own community and providing the services to meet those needs.

South Derbyshire District Council and Derbyshire County Council would have a statutory obligation to meet and consult with a Newhall & Stanton Parish Council if successful, giving residents a direct say in how their Council Taxes are spent. Residents living in areas with no Parish Council, Town Council, Community Council or Village Council have less say about what happens within their own community the District or the County.

## SO HOW WOULD HAVING A NEWHALL & STANTON PARISH COUNCIL BENEFIT OUR COMMUNITY?

When a Newhall & Stanton Parish Council is established:

- It would be independent of the District and County Council and it will be able to make its own choices and decisions on how a proportion of the council tax is spent for the benefit and good of its own community being Newhall & Stanton.
- It would prevent Newhall & Stanton from being swallowed up by Swadlincote to only get the crumbs and bad press.
- It will Keep Newhall & Stanton's own identity and status as a Parish in its own right with a sense of togetherness.
- It could give grants to local charities and organisations for example the Scout & Guides or the Old Post for things like: Village Fetes, Firework Displays or Music Festivals.
- A Parish Council for Newhall & Stanton would give the lost voice back to the community of Newhall & Stanton where it matters.
- It could draw up a Parish Plan and Neighbourhood Plan.
- It could employ a Lengthsman (litter picker) to keep our village clean and tidy.
- It could maintain our local definitive footpaths by strimming and mowing where required, sign posting and waymarking as needed.
- It could help to set up and support local youth projects.
- It could install defibrillators for use by the community if required for example at the Old Post Centre or Village Hall.

- It could help make Newhall & Stanton a better place to live and more attractive by providing and installing for example, planters, hanging baskets, more litter bins, dog bins and for safety during the cold weather grit bins.
- It could be involved with Crime Reduction and Traffic Calming Measures for the Parish.
- It could maintain public open space like the local park to a better standard.
- It could obtain funding and grants for new play equipment and sports facilities.
- And much more. Your ideas would be very welcome.

## HOW WILL A NEWHALL AND STANTON PARISH COUNCIL BE FUNDED AND WHAT WILL IT COST ME AS A RESIDENT?

The Newhall & Stanton Parish Council Campaign Group has been given financial support of £10,000.00 funding by the National Association of Local Councils (NALC) from the New Council Programme 2014/2015.

We also have the full support and backing of the Derbyshire Association of Local Councils (DALC).

The Newhall & Stanton Parish Council Campaign Group has been formed so that we can talk to local residents about if they would like a Newhall & Stanton Parish Council and what would you as a resident like the Parish Council to do for you.

A Parish Council has to budget for the expenses it will incur each year. One source of income is from the Precept levied on residents in its area, which is collected through the Council Tax.

Grants and funding from the District Council and other sources may also be received for certain projects depending on what the Parish Council wants to achieve.

There will be an extra cost to residents of Newhall & Stanton but this is estimated to be less than the cost of a bar of chocolate per week. Costs for the proposed precept are still being looked at and more information on the actual cost will be available soon.

## WHAT HAPPENS NEXT?

### STEP 1

The Newhall & Stanton Parish Council Campaign Group will be holding a number of Public Meetings and Public Open days over the coming months Starting in January 2015.

This will be to consult with residents in Newhall & Stanton on the proposed formation of a Newhall & Stanton Parish Council.

*Our first drop in Public Consultation day will be held at:*

**The Old Post Centre, High Street, Newhall, Swadlincote. DE11 0HX**

Come and meet the team

On

**12th January 2015**

Between the hours of:

**10am to 2pm and 5pm to 8pm**

### STEP 2

In order for our campaign to move forward we will draw up a petition and signatures of at least 10% of the electorate will be collected.

### STEP 3

When we have signatures of 10% of the electorate, the petition will be forwarded to South Derbyshire District Council where it will trigger a Governance Review. Depending on the outcome of this review a referendum may be held.

### STEP 4

When a referendum is held (although this may not be required by South Derbyshire District Council) and the majority of the votes are in favour of the formation of a Newhall & Stanton Parish Council, a Clerk will be appointed and elections will take place for Parish Councillors to represent you. Maybe you would be interested in becoming a Parish Councillor yourself?

*Newhall & Stanton*  
PARISH COUNCIL  
CAMPAIGN GROUP

As a resident what would you like to see in Newhall and Stanton that would benefit our community?

Do you have any ideas on how we can make Newhall and Stanton a better place to live?

If so we would really like to hear from you. Please contact us via the details on the front of this leaflet.

The Newhall & Stanton Parish Council Campaign Group hope that you agree with the merits of having such a body as highlighted in this leaflet, and that this is the best way to represent the interests of residents in Newhall & Stanton currently an un-parished ward in South Derbyshire.

IF YOU LIVE IN NEWHALL & STANTON  
THIS EFFECTS YOU!

The Newhall & Stanton Parish Council Campaign Group are proposing that the area to be Parished should remain as the Newhall & Stanton Election Ward as this seems to be the most sensible and practical area to Parish.

represent local communities in a way that other bodies, however worthy, cannot since such organisations do not have representatives directly elected to those bodies.

138. The 2006 white paper recommended that local communities should be able to take more responsibilities for local issues affecting their area. Key to this approach is community empowerment, and the ability of various existing organisations themselves to see through specific projects to tackle local issues. Structures such as local residents' associations, community or neighbourhood forums and area committees have an important role to play in local community governance.
139. At the neighbourhood level, there are various initiatives in existence, which through being representative and accountable can effectively empower local people. They have varying degrees of power and influence, and commensurate levels of transparency and accountability.

#### *Area committees*

140. Area committees are part of the structure of some principal councils (e.g. district, unitary and London borough), where they choose to have them. Area committees are a key initiative for enabling local government to fulfil community governance roles and also to deliver government policy on issues affecting social inclusion in local communities. Principal councils also provide resources for area committees, and their councillors are commonly integral to their constitution. Area committees can cover large areas and exist to advise or make decisions on specific responsibilities that can include parks, off-street parking, public toilets, street cleaning, abandoned vehicles and planning applications amongst others. Also, more widely, they contribute to shaping council services and improving local service provision.

#### *Neighbourhood management*

141. Neighbourhood management programmes are similarly set up by principal councils and may be led by one of a number of bodies. The expansion of neighbourhood management was promoted in the 2006 White Paper as a tool to enable local authorities to deliver more responsive services through their empowerment of citizens and communities. Their purpose is to create the opportunity for residents to work with local agencies, usually facilitated by a neighbourhood manager, to improve services at the neighbourhood level.

142. Neighbourhood management arrangements aim to improve 'quality of life' through implementation of (rather than advising or making decisions on) better management of local environment, increasing community safety, improving housing stock, working with young people, and encouraging employment opportunities, supported strategically by relevant stakeholders and Local Strategic Partnerships. They tend to cover smaller populations than area committees. The 2006 white paper recommends that take up of neighbourhood management should be encouraged and that Government should work with local authorities pioneering the approach, to raise the profile of achievements and promote adoption elsewhere.

*Tenant management organisations*

143. The 2006 white paper makes a series of proposals that facilitate the empowerment of residents through tenant management organisations (TMOs). Tenant management organisations are established by the local housing authority; they usually function on urban housing estates and can take responsibility for housing services (such as collecting rents and service charges and organising repairs and maintenance) from the local housing authority under the Housing (Right to Manage) (England) Regulations 2008. The 2006 white paper promoted the role of TMOs and recommended simplifying and extending their scope; enabling them to take on additional services and undertake further representation of residents within neighbourhoods. A TMO is an independent legal body and usually elects a tenant-led management committee to the organisation; they can also enter into a legal management agreement with landlords.

*Area/community forums*

144. Area or community forums (including civic forums) can be set up by the principal council, or created by local residents to act as a mechanism to give communities a say on principal council matters or local issues. Sometimes forums are set up to comment on a specific project or initiative that will impact upon the local area, and so may be time-limited. They increase participation and consultation, aiming to influence decision making, rather than having powers to implement services. They vary in size, purpose and impact, but membership usually consists of people working or living in a specific area. Some forums also include ward councillors, and representatives from the council and relevant stakeholders can attend meetings.

*Residents' and tenants' associations*

145. Residents' and tenants' associations enable local people to participate in local issues affecting their neighbourhood or housing estate, including the upkeep of the local environment, crime, sometimes dealing with anti-social behaviour matters, or on some estates, housing management. They can be set up by any group of people living in the same area and can choose who members will be; how they will be represented and what they want to achieve. In the case of tenants' and residents' associations on estates, they may be established with direct support from the principal council, as a mechanism for communicating with the tenants and residents on its estates. To engage effectively with other organisations, residents' and tenants' associations must be able to show that they are accountable and represent the views of the whole community, rather than narrow self interests of just a few local people.

*Community associations*

146. Community associations offer a particular and widespread democratic model for local residents and local community-based organisations in a defined neighbourhood to work together for the benefit of that neighbourhood. They can use a model constitution registered with the Charity Commission. The principal council may also be represented on the association's committee. They usually manage a community centre as a base for their activities. Membership is open to everyone resident in the area.

CHAIRMAN

OVERVIEW AND SCRUTINY COMMITTEE

22<sup>nd</sup> June 2016

**PRESENT:-**

**Conservative Group**

Councillor Mrs Farrington (Chairman), Councillor Swann (Vice-Chairman) and Councillors Billings and Mrs Coe.

**Labour Group**

Councillor Bambrick.

**In attendance**

Councillor Atkin (Conservative Group).

OS/1 **APOLOGIES**

Apologies were received from Councillors Mrs Patten (Conservative Group), and Dunn and Dr Pearson (Labour Group).

OS/2 **MINUTES**

The Open Minutes of the Meetings held on 10<sup>th</sup> February 2016 and 23<sup>rd</sup> March 2016 were taken as read, approved as a true record and signed by the Chairman.

OS/3 **DECLARATIONS OF INTEREST ARISING FROM ITEMS ON AGENDA**

The Committee were informed that no declarations of interest from Members of the Council had been received.

OS/4 **QUESTIONS RECEIVED BY MEMBERS OF THE PUBLIC PURSUANT TO COUNCIL PROCEDURE RULE NO. 10**

The Committee were informed that no questions from members of the Public had been received.

OS/5 **QUESTIONS RECEIVED BY MEMBERS OF THE COUNCIL PURSUANT TO COUNCIL PROCEDURE RULE NO. 11**

The Committee were informed that no questions from Members of the Council had been received.

OS/6 **REGULATION OF INVESTGATORY POWERS ACT 2000 (RIPA) – POLICY & GUIDANCE DOCUMENT AND QUARTERLY REPORT**

The Chief Executive presented the report to Committee.

Councillor Atkin, referring to surveillance activity carried out by the Environment Department, queried whether there was a requirement to inform Councillors. The Chief Executive confirmed that such activity needed to be covert at all levels and that the power to prosecute was delegated to specific officers within the Council.

**RESOLVED:-**

***1.1 Members approved the Council's Regulation of Investigatory Powers Act 2000 ('RIPA') Policy and Guidance document.***

***1.2 Members noted the internal report on the Council's use of the Regulation of Investigatory Powers Act 2000 in the last quarter.***

OS/7 **ANNUAL REPORT OF THE OVERVIEW AND SCRUTINY COMMITTEE 2015/16**

**RESOLVED:-**

***Members noted the Committee's Annual Report for 2015/16.***

OS/8 **SETTING THE OVERVIEW AND SCRUTINY COMMITTEE WORK PROGRAMME 2016-17**

In discussing topics for inclusion, the Chairman suggested the Ambulance Service as a topic for inclusion in the programme, for a November meeting.

The Vice-Chairman proposed that Member training be considered as another topic, in particular the choice of provider, the relevance of the information being provided, the length of training and the presentation method(s). Councillor Billings also stated, in relation to the Planning Committee in particular, that whilst the Committee Members required more in depth knowledge, other Members required an overview, given that that they were occasionally required to attend that Committee as Ward Members. The Director of Community and Planning Services agreed to assist with this topic, suggesting February 2017 as a suitable time, before the 2017 training round commenced, a proposal accepted by Members.

The Chairman suggested that Committee Members be assigned topics from the Work Programme, to lead the Committee's review via workgroups. To this end, Councillor Billings agreed to lead on IT matters. Similarly, the Vice-Chairman will lead on the Recycling / Bulky Waste collections topics, the latter

allocated to the October and December 2016 meetings alongside Street Scene.

Councillor Mrs Coe queried whether there was an intention to again have external meetings of the Committee. The Chairman confirmed that this was the intention, from the October 2016 meeting, looking to make Dementia a lead topic at one meeting. It was also suggested that End of Life Care be a topic at another meeting, further details to be determined following a planned meeting with the Council's Health Partnership Manager.

**RESOLVED:-**

***Members considered and agreed the proposed Committee Work Programme for 2016/17.***

OS/9

**LOCAL GOVERNMENT ACT 1972 AS AMENDED BY THE LOCAL GOVERNMENT (ACCESS TO INFORMATION) ACT 1985**

**RESOLVED:-**

***That, in accordance with Section 100(A)(4) of the Local Government Act 1972 (as amended), the press and public be excluded from the remainder of the Meeting as it would be likely, in view of the nature of the business to be transacted or the nature of the proceedings, that there would be disclosed exempt information as defined in the paragraphs of Part 1 of the Schedule 12A of the Act indicated in brackets after each item.***

**EXEMPT QUESTIONS FROM MEMBERS OF THE COUNCIL UNDER COUNCIL PROCEDURE RULE NO 11**

***The Committee were informed that no exempt questions from Members of the Council had been received.***

The Meeting terminated at 6:35 pm.

COUNCILLOR MRS FARRINGTON

CHAIRMAN

PLANNING COMMITTEE

28<sup>th</sup> June 2016

**PRESENT:-**

**Conservative Group**

Councillor Roberts (Chairman), Councillor Mrs Brown (Vice-Chairman) and Councillors Atkin, Ford, Mrs Hall, Harrison, Stanton and Watson.

**Labour Group**

Councillors Dunn (substituting for Councillor Tilley), Dr Pearson, Shepherd and Southerd

**In Attendance**

Councillor Mrs Patten (Conservative Group).

PL/1 **APOLOGIES**

Apologies for absence from the Meeting were received on behalf of Councillor Tilley (Labour Group).

PL/2 **MINUTES**

The Open Minutes of the Meeting held on 12<sup>th</sup> April 2016 (PL/198-PL/210) were taken as read, approved as a true record and signed by the Chairman.

PL/3 **DECLARATIONS OF INTEREST**

Councillor Shepherd declared a personal interest in application 9/2016/0395/FO by virtue of being an acquaintance of the applicant and stated he would abstain from the vote on the matter.

Councillor Mrs Brown declared a personal interest in application 9/2016/0098/FM by virtue of being an acquaintance of one of the registered speakers.

Councillor Atkin declared a personal interest in applications 9/2016/0348/FH and 9/2016/0358/L by virtue of being an acquaintance of the applicant and stated he would vacate the Chamber whilst this matter was debated.

Councillor Harrison declared a prejudicial interest in application 9/2016/0366/B by virtue of being Chairman of the Melbourne Sporting Partnership and stated he would vacate the Chamber whilst this matter was debated.

PL/4 **QUESTIONS BY MEMBERS OF THE COUNCIL PURSUANT TO COUNCIL PROCEDURE RULE NO.11**

The Committee was informed that no questions from Members of the Council had been received.

**MATTERS DELEGATED TO COMMITTEE**

PL/5 **REPORT OF THE DIRECTOR OF COMMUNITY AND PLANNING SERVICES**

The Director of Community and Planning Services submitted reports for consideration and determination by the Committee and presented oral reports to the Meeting to update them as necessary. Consideration was then given thereto and decisions were reached as indicated.

PL/6 **THE ERECTION OF REPLACEMENT DWELLING AND ASSOCIATED ALTERATIONS AT SEALVIEW, GREEN LANE, OVERSEAL, SWADLINCOTE**

Mr Bryan Wolsey (objector) attended the Meeting and addressed Members on this application.

Councillor Mrs Hall addressed the Committee as local Ward Member for Seales, expressing concerns relating to the size and prominence of the proposed development, the potential impact on footpaths and road safety.

Councillors raised various queries relating to permitted development rights, what constituted the local vernacular, in both rural and urban settings, the size and future use of the garage under the property and the potential for further property height reductions, all responded to by the Planning Services Manager.

Councillor Ford noted the various concerns being expressed, particularly in relation to the size of the proposed development, suggesting that a site visit be proposed. A vote on deferment for a site visit was taken and carried.

***RESOLVED:-***

***That the matter be deferred for a site visit at a future date.***

PL/7 **THE ERECTION OF A DETACHED BUNGALOW AND A GARAGE AT 49 EGGINTON ROAD, HILTON, DERBY**

It was reported that members of the Committee had visited the site earlier in the day.

Ms Rebecca Hudson (objector) and Mr Matt King (applicant's agent) attended the Meeting and addressed Members on this application.

Councillor Mrs Patten addressed the Committee as local Ward Member for Hilton, expressing concerns regarding the proximity of the properties at the site, garden space and road safety issues relating to entry / exit from the proposed garages.

Councillor Watson referred to there being sufficient space for two properties on the site, albeit with small gardens, but for those not interested in having or maintaining a garden, this was acceptable.

**RESOLVED:-**

***That planning permission be granted subject to the conditions set out in the report of the Director of Community & Planning Services.***

Councillor Mrs Patten left the Chamber at 6.45pm.

PL/8

**THE ERECTION OF EXTENSIONS AND ALTERATIONS TO EXISTING WORKSHOP AND GARAGE TO CREATE A DWELLING AT LAND TO THE REAR OF 89 EGGINTON ROAD, ETWALL, DERBY**

It was reported that members of the Committee had visited the site earlier in the day.

Mrs Anne Du Celliee Muller (objector) and Mr Jon Millhouse (applicant's agent) attended the Meeting and addressed Members on this application.

Councillor Mrs Patten returned to the Chamber at 6.50pm.

The Vice-Chairman addressed the Committee as local Ward Member for Etwall, summarising the planning history to date and accepting that it was a finely balanced matter, also referring to the height of the development, its bulky nature and the potential impact on the amenity of the neighbours.

Councillor Dr Pearson expressed sympathy for the neighbours, but queried what grounds there could be for refusal. Councillor Watson concluded that it was a difficult position, that existing buildings already obscured the view of neighbours and that the applicant had addressed the issues raised by the Inspector on appeal. Councillor Harrison queried ecological concerns, given the single brick construction of existing buildings. The Principal Area Planning Officer confirmed that building regulations would apply in this instance, also stating that the property was being dug in to lower its overall height and that rooflights would be above normal eyesight levels.

**RESOLVED:-**

***That planning permission be granted subject to the conditions set out in the report of the Director of Community & Planning Services.***

Councillor Mrs Patten left the Meeting at 7.05pm.

PL/9 **DEMOLITION OF EXISTING HOUSE AND THE ERECTION OF A 4 BEDROOM REPLACEMENT DWELLING AT BEECH HOUSE, 35 BURTON ROAD, REPTON, DERBY**

This application was considered jointly with the application below.

PL/10 **DEMOLITION OF EXISTING HOUSE AND THE ERECTION OF A 4 BEDROOM REPLACEMENT DWELLING AT BEECH HOUSE, 35 BURTON ROAD, REPTON, DERBY**

Mr Edward Thompson (objector) and Mr Boudewijn Tuinenburg (applicant) attended the Meeting and addressed Members on this application.

The Planning Services Manager referred to the Village Design Statement, as raised by Mr Thompson, stating that whilst the Statement was useful, it did not constitute supplementary planning guidance. He stated that the existing house is complimentary, but that many modern extensions already existed in its immediate environment, that the Committee could embrace this modern building in a largely screened, non-prominent location. The Planning Services Manager added that it was a judgement call as to whether planning decisions re-inforced a perception of only always accepting an historic style, as opposed to taking on modern interpretations in the right places.

Councillor Stanton addressed the Committee as local Ward Member for Repton, expressing concerns on behalf of residents and the Parish Council, referring to the conservation area provisions for the area and the acceptable nature of the current dwelling, it being a matter of taste between old and new.

Councillor Ford stated that he had been at the Repton Parish Council meeting when this application had been discussed and that opposition was not unanimous amongst Parish Councillors. The Councillor expressed his support for this challenging proposal.

The Vice-Chairman referred to this as a matter of judgement and taste, querying the purpose of the Village Design Statement. The Planning Services Manager confirmed that Statement was published by the village, not the District Council and not adopted for use in determining applications. He added that in terms of conservation, it does not mean that all buildings have to be retained or added to in same style, that it was acceptable to move conservation on sensitively in the context of the area.

Councillor Southerd expressed his support for advancement, if conducted sensitively, for the removal of buildings of lesser quality in favour of an ultra-modern property in a screened location. Councillor Mrs Hall added her support for the proposal, believing that it will positively enhance Repton.

**RESOLVED:-**

***That planning permission be granted for both applications subject to the conditions set out in the report of the Director of Community & Planning Services.***

Councillor Atkin left the Chamber at 7.30pm.

PL/11 **THE ERECTION OF A SINGLE STOREY CONTEMPORARY FLAT ROOF EXTENSION AT 32A TWYFORD ROAD, BARROW UPON TRENT, DERBY**

This application was considered jointly with the application below.

PL/12 **DEMOLITION OF REAR TOILET BLOCK TO FACILITATE THE ERECTION OF A SINGLE STOREY FLAT ROOF EXTENSION AT 32A TWYFORD ROAD, BARROW UPON TRENT, DERBY**

It was reported that members of the Committee had visited the site earlier in the day.

Mrs Anne Heathcote (objector) and Mr Matt King (applicant's agent) attended the Meeting and addressed Members on this application.

Councillor Watson addressed the Committee as local Ward Member for Aston on Trent, expressing his view that the proposed alterations and extension were unsympathetic, not in character and not compatible with the existing building in either appearance or materials, in summary an attempt to marry old with new that was not acceptable in this instance.

Councillor Ford expressed his view that alternative architecture can preserve and enhance older, small buildings with modern materials and appearance, the proposed expansion allowing occupation on a greater scale.

The Planning Services Manager confirmed that the original plans, involving like materials, had been turned away on professional advice in favour of a more modern extension which, it was felt, did not detract from the original building.

Councillor Shepherd made reference to the local street-scene, accepting that since the premises had become residential, plans for its extension were inevitable, but that the materials, appearance and contrast outlined in the proposals were not acceptable.

The Planning Services Manager stated that as many heritage aspects in planning were difficult issues for the Inspector, a refusal may be supported, although if the Committee were minded to refuse the application, it would be difficult to advise the applicant on a different approach.

Other Members queried the advice of the former conservation officer and the weight given to it, the prominence of the building within the village and the potential visual impact of the proposed extension, the materials and whether a pre-hearing could be arranged to discuss materials. The Planning Services Manager responded to the points raised and, in relation to the last point, emphasised that a pre-hearing would not be possible as it could be deemed as pre-determination of the matter.

Councillor Watson proposed that the application be refused, but this was not supported by the Committee. Councillor Ford proposed that the matter be deferred, enabling further negotiations on design.

***RESOLVED:-***

***That the matter be deferred to a future date to be determined.***

Councillor Atkin returned to the Chamber at 8.10pm.

Councillor Harrison left the Meeting at 8.10pm.

PL/13 **THE ERECTION OF A DETACHED SINGLE GARAGE/OUTBUILDING AND ANCILLARY WORKS AT CHURCH BARN, CHAPEL STREET, SMISBY, ASHBY DE LA ZOUCH**

The registered speaker opted not to address the Committee.

Councillor Stanton withdrew the Parish Council's objection regarding the building's height when informed by the Planning Services Manager that the roof on the proposed development could not be lowered on design grounds.

***RESOLVED:-***

***That planning permission be granted subject to the conditions set out in the report of the Director of Community & Planning Services.***

Councillor Harrison returned to the Meeting at 8.15pm.

PL/14 **THE ERECTION OF A LOG CABIN TO BE USED FOR HOLIDAY LETTINGS ON LAND AT SK3221 7095 TICKNALL ROAD, HARTSHORNE, SWADLINCOTE**

***RESOLVED:-***

***That planning permission be granted subject to the conditions set out in the report of the Director of Community & Planning Services.***

Councillor Ford left the Meeting at 8.20pm.

PL/15 **THE ERECTION OF A DWELLING AT 31 BLACKSMITHS LANE, NEWTON SOLNEY, BURTON ON TRENT**

It was reported that members of the Committee had visited the site earlier in the day.

Councillor Stanton addressed the Committee as local Ward Member for Repton, expressing his view that it was unimaginable to place a bungalow in the garden at this location, stating that an additional condition be added to ensure that the development was single storey only.

Issues raised by other Members relating to the location of windows, the location of single and two storey dwellings at the location and whether this was an appropriate use of garden space were responded to by the Principal Area Planning Officer.

**RESOLVED:-**

***That planning permission be granted subject to the conditions, including the additional condition that the development be single storey only, set out in the report of the Director of Community & Planning Services.***

***Absention: Councillor Shepherd.***

Councillor Harrison briefly left the Meeting at 8.25pm whilst the matter below was discussed.

PL/16 **THE VARIATION OF CONDITION 11 OF PLANNING PERMISSION 9/2013/0458 TO ALLOW THE USE OF THE TENNIS COURTS FOR NETBALL AT RECREATION GROUND, COCKSHUT LANE, MELBOURNE, DERBY**

**RESOLVED:-**

***That permission be granted subject to the conditions set out in the report of the Director of Community & Planning Services.***

PL/17 **PLANNING AND OTHER APPEALS**

The Committee noted the planning appeal decisions in relation to the following applications;

9/2015/0129	Cauldwell Road, Linton, Derbyshire
9/2015/0796	Sealwood Lane, Overseal, Derbyshire
9/2015/0875	Cockshut Lane, Melbourne, Derby
9/2015/1176	Sutton Lane, Hilton, Derbyshire

The Planning Services Manager drew particular attention to the Cauldwell Road, Linton decision, citing it as an important decision, the first since the new South Derbyshire Local Plan Part One had been invoked.

PL/18 **SUSPENSION OF STANDING ORDERS**

**RESOLVED:-**

***That Standing Orders be suspended and that the meeting of the Committee continue beyond 8.30pm.***

PL/19 **VARIATION TO TENURE SPLIT OF AFFORDABLE HOUSING IN RESPECT OF PLANNING PERMISSION FOR 100 DWELLINGS ON LAND AT WILLINGTON ROAD, ETWALL**

The Principal Area Planning Officer presented the report to Committee.

**RESOLVED:-**

*That the Committee authorised an amendment to the tenure split for the 30% affordable housing (30 homes) secured through the Section 106 Agreement attached to planning permission ref: 9/2013/1040 from 68% rented properties (20 homes) and 32% intermediate housing (10 homes) to 50% rented properties (15 homes) and 50% intermediate housing (15 homes). The overall level of provision would remain unchanged at 30% (30 homes).*

PL/20

**LOCAL GOVERNMENT ACT 1972 (AS AMENDED BY THE LOCAL GOVERNMENT (ACCESS TO INFORMATION) ACT 1985)**

**RESOLVED:-**

*That, in accordance with Section 100(A)(4) of the Local Government Act 1972 (as amended), the press and public be excluded from the remainder of the Meeting as it was likely, in view of the nature of the business to be transacted or the nature of the proceedings, that there would be disclosed exempt information as defined in the paragraphs of Part 1 of the Schedule 12A of the Act indicated in brackets after each item.*

**EXEMPT MINUTES**

*The Exempt Minutes of the meeting held on the 12<sup>th</sup> April 2016 (PL/211-PL/212) were taken as read, approved as a true record and signed by the Chairman.*

**EXEMPT QUESTIONS BY MEMBERS OF THE COUNCIL PURSUANT TO COUNCIL PROCEDURE RULE No 11.**

*The Committee was informed that no questions had been received.*

**ENFORCEMENT CASE**

*The Committee agreed the recommendation made in the Report.*

The meeting terminated at 8.40pm.

EL/46 **APOLOGIES**

The Committee was informed that no apologies had been received.

EL/47 **MINUTES**

The Open Minutes of the Meeting held on 11th April 2016 were noted, approved as a true record and signed by the Chairman.

EL/48 **DECLARATIONS OF INTEREST**

The Committee was informed that no declarations of interest had been received.

EL/49 **ACTIVE NATION PERFORMANCE REPORT – VERBAL REPORT**

J Dobson presented the quarterly review (April to June 2016) of Etwall Leisure Centre, making particular reference to the following items;

**Good News Stories**

- 22<sup>nd</sup> May 2016: Badminton County Championships.
- 4<sup>th</sup> June 2016: National Circuit Badminton Tournament.
- 9<sup>th</sup>-10<sup>th</sup> July 2016: Discovery Weekend for new users of the Centre.
- New cycle hub opened – hoops & shelter.
- Soccer Stars half-term holiday camp: 50 children per day. To be repeated during the summer holidays.
- Multisport half term holiday camp: 30 children per day.
- Active Nutrition package launched, alongside current exercise packages.
- Sports Hall AHUS works completed.
- Tennis courts: New flood lights, posts & nets fitted.
- J Fest school charity event held.
- Badminton school event held.
- Social Media: Facebook, Twitter & Website – increased localised usage.
- Courses: FA Football Course Level 1, Football Youth Module & Safeguarding for Swim Teachers.
- Saturday Night Project: 60 children per weekend attended.
- Positive Net Promoter survey score: 38%.
- Apex Climbing centre opened at Green Bank.
- Cleanliness improvements throughout site: Ideal Cleaning Company.

The Chairman, in referring to the cycle hub, queried how many individuals cycled to the centre. Whilst this information was not available, it was agreed that it could be sourced for a future date.

**Gym & Exercise Memberships**

- April-June 2016: 1,898; Annual: 668; DD: 1,230.
- Average length of membership currently 9.5 months.

**Swim Scheme**

- Live count: 1,323 children on the current Learn to Swim Scheme.
- Ongoing use at Etwall Primary School Pre School.
- Additional primary school slots obtained.
- Swimming provision demand has continued to increase, largely due to the closure of Derby City facilities – an updated location of users map will be produced for a future meeting.

**NPS (Net Promoter Score) Feedback**

- Score 38: Detractors – 16.67%; Passives – 28.43% & Promoters – 54.90%. J Dobson explained that whilst the score of 38 appeared low, it was above the national average, the responses containing suggestions that can be considered in future plans.

**Centre Usage Figures**

- Usage figures continue to show an increase, up from a 26,662 per month average in 2011/12 to 34,149 in 2015/16.

M Learnihan also confirmed that Active Nation had proposed the Etwall Leisure Centre for the Medium Centre of the Year category of the UK Active Flame Awards.

**RESOLVED:-**

***The Committee considered and noted the points made in the presentation.***

EL/50 **FINAL ACCOUNTS 2015/16**

The Director of Finance and Corporate Services presented the report to the Committee, highlighting elements from its content, including Sinking Fund usage, a report on which will be brought to a future meeting. The Director of Community and Planning Services added that, in relation to the medium term out-turn and the AHU's expenditure, a sum of £10,000 will be reclaimed against the management contract budget.

**RESOLVED:-**

***The Committee considered and approved the Final Accounts for 2015/2016 for Audit.***

EL/51 **DERBYSHIRE COUNTY COUNCIL – FINANCIAL CONTRIBUTION**

The Director of Community and Planning Services outlined the issues to the Committee, namely the County Council's intention to withdraw their contribution of £32,000 from 2017/18. The Director confirmed that the County Council could withdraw from the partnership on serving 12months notice. The Director and G Golding had met with the County Council and secure an extended period in which to consult on, then respond to the proposals.

Councillor Shepherd queried whether the County Council could be prevented from withdrawing its funding. The Director confirmed that this was not possible, that the JMC was seeking the best possible exit options, one being a phased parachute payments scheme. It was confirmed that if / when the County Council funding is withdrawn, it would fall on the remaining partners, South Derbyshire District Council and the John Port School, divided via the current 68/32 split.

In terms of generating increased usage and income, alternative uses were being reviewed. To this end, the Director had requested that Active Nation consider enhanced swimming / daytime opening sessions, currently reserved for school usage, but the income benefits were unknown at this time.

The Director undertook to share the final draft of the formal response to the County Council with the Committee District Council Members, the District Councillors for Etwall, County Councillor Mrs Lauro and the John Port School before it was issued.

**RESOLVED:-**

***The Committee gave officers the authority to progress negotiations with Derbyshire County Council.***

The meeting terminated at 5:35pm.

**Labour Group**

Councillors Dr Pearson, Shepherd, Southerd and Tilley

**In Attendance**

Councillors Billings (Conservative Group) and Wilkins (Labour Group)

PL/24 **APOLOGIES**

Apologies for absence from the Meeting were received on behalf of Councillors Atkin and Watson (Conservative Group).

PL/25 **MINUTES**

The Open Minutes of the Meeting held on 10<sup>th</sup> May 2016 (PL/213-PL/225) were taken as read, approved as a true record and signed by the Chairman.

PL/26 **DECLARATIONS OF INTEREST**

Councillor Tilley declared a personal interest in application 9/2016/0094/MR by virtue of being a resident in the area local to the application site and that his father also lives close to the application site.

PL/27 **QUESTIONS BY MEMBERS OF THE COUNCIL PURSUANT TO COUNCIL PROCEDURE RULE NO.11**

The Committee was informed that no questions from Members of the Council had been received.

**MATTERS DELEGATED TO COMMITTEE**

PL/28 **REPORT OF THE DIRECTOR OF COMMUNITY AND PLANNING SERVICES**

The Director of Community and Planning Services submitted reports for consideration and determination by the Committee and presented oral reports to the Meeting to update them as necessary. Consideration was then given thereto and decisions were reached as indicated.

PL/29 **THE ERECTION OF REPLACEMENT DWELLING AND ASSOCIATED ALTERATIONS AT SEALVIEW, GREEN LANE, OVERSEAL, SWADLINCOTE**

It was reported that members of the Committee had visited the site earlier in the day.

The Planning Services Manager read out a summary of objection, as supplied by Mr Bryan Wolsey, speaker at the last Committee. Mr Luke Gittins (applicant's agent) attended the Meeting and addressed Members on this application.

Councillor Mrs Hall addressed the Committee as local Ward Member for Seales, expressing concerns relating to the scale, prominence and design of the proposed development, as well as road safety issues and the potential for further development of the proposed garage / games room.

Councillor Murray addressed the Committee as the other local Ward Member for Seales, outlining his view that the proposed development was out of character / too prominent for the location, also raising concerns regarding traffic issues at the location.

Councillors raised various comments and queries relating to the current dwelling on the site, the policy relating to replacement dwellings, the removal of permitted development rights and policy compliance, all noted and responded to by the Planning Services Manager.

**RESOLVED:-**

***That planning permission not be granted contrary to officer recommendation on the grounds that the application was contrary to the policies cited in the report of the Director of Community and Planning Services.***

PL/30 **OUTLINE APPLICATION (ALL MATTERS EXCEPT FOR ACCESS, LAYOUT AND SCALE TO BE RESERVED) FOR THE RESIDENTIAL DEVELOPMENT OF 13 BUNGALOWS WITH NEW ACCESS FROM SHELLEY ROAD PARKING SPACES AND NEW ADOPTED ROAD AT EUREKA LODGE NEWHALL ROAD SWADLINCOTE**

It was reported that members of the Committee had visited the site earlier in the day.

Mr Tim Schofield (applicant) attended the Meeting and addressed Members on this application.

Councillor Wilkins addressed the Committee as local Ward Member for Midway, proposing that the matter be deferred to allow further investigation of a Listed Building query with Historic England. The Planning Services Manager confirmed that Historic England had since responded on this matter, resolving the query. The deferment proposal was not supported by the Committee.

Councillor Dr Pearson addressed the Committee as another local Ward Member for Midway, commenting that local residents were largely in favour of improving the site, which he felt had wilfully been allowed to fall into disrepair by the owners. The Councillor expressed regret for the loss of a local historical building, but noted the condition of the current building, the high demand for bungalows and the need to progress matters at the location. Some concern was expressed in relation to the proposed access, although it was acknowledged that it was preferable to exiting via Newhall Road.

Councillor Tilley raised concerns regarding construction traffic at the site during development, its routing, working hours and maintenance of existing woodland, to which the Planning Services Manager confirmed could be addressed via conditions or informatives as appropriate.

**RESOLVED:-**

***That planning permission be granted subject to the conditions set out in the report of the Director of Community & Planning Services, subject to the receipt of an unilateral undertaking as set out in the report and to secure bungalows on the site. An additional condition to control construction hours was also agreed, alongside an extra informative advising best construction traffic route and consideration of neighbours.***

PL/31

**OUTLINE APPLICATION (ALL MATTERS TO BE RESERVED) FOR THE RESIDENTIAL DEVELOPMENT OF UP TO 34 DWELLINGS WITH ASSOCIATED ACCESS, PUBLIC OPEN SPACE, SUSTAINABLE DRAINAGE AND LANDSCAPING ON LAND ADJACENT TO THE MANDARIN CHINESE RESTAURANT EGGINTON ROAD HILTON DERBY**

The Area Planning Officer updated the Committee regarding three additional letters received since the report had been drafted.

Mr Peter Milner (objector) and Mr Jon Millhouse (applicant's agent) attended the Meeting and addressed Members on this application.

Councillor Billings addressed the Committee as local Ward Member for Hilton, noting the proposed site's location outside the village boundary and the provisions of the Local Plan Part Two, the sustained development of the village outpacing its support infrastructure and questioning the need for additional housing, especially in this location.

**RESOLVED:-**

***That planning permission not be granted as recommended in the report of the Director of Community & Planning Services.***

PL/32 **LOCAL GOVERNMENT ACT 1972 (AS AMENDED BY THE LOCAL GOVERNMENT (ACCESS TO INFORMATION) ACT 1985)**

**RESOLVED:-**

*That, in accordance with Section 100(A)(4) of the Local Government Act 1972 (as amended), the press and public be excluded from the remainder of the Meeting as it was likely, in view of the nature of the business to be transacted or the nature of the proceedings, that there would be disclosed exempt information as defined in the paragraphs of Part 1 of the Schedule 12A of the Act indicated in brackets after each item.*

**EXEMPT MINUTES**

*The Exempt Minutes of the meeting held on the 10<sup>th</sup> May 2016 (PL/226-PL/227) were taken as read, approved as a true record and signed by the Chairman.*

Councillor Harrison left the Meeting at 7.00pm.

**EXEMPT QUESTIONS BY MEMBERS OF THE COUNCIL PURSUANT TO COUNCIL PROCEDURE RULE No 11.**

*The Committee was informed that no questions had been received.*

The meeting terminated at 7.05pm.

PL/38 **REPORT OF THE DIRECTOR OF COMMUNITY AND PLANNING SERVICES**

The Director of Community and Planning Services submitted reports for consideration and determination by the Committee and presented oral reports to the Meeting to update them as necessary. Consideration was then given thereto and decisions were reached as indicated.

PL/39 **THE ERECTION OF A SINGLE STOREY EXTENSION AT 32A TWYFORD ROAD, BARROW ON TRENT, DERBY**

Councillor Watson addressed the Committee as local Ward Member for Aston on Trent, stating that the revised proposals were now acceptable to residents.

**RESOLVED:-**

***That planning permission be granted subject to the updated conditions reported by the Planning Services Manager.***

PL/40 **DEMOLITION OF REAR TOILET BLOCK TO FACILITATE THE ERECTION OF A SINGLE STOREY EXTENSION AT 32A TWYFORD ROAD, BARROW ON TRENT, DERBY**

**RESOLVED:-**

***That listed building consent be granted subject to the conditions set out in the report of the Director of Community & Planning Services.***

PL/41 **OUTLINE APPLICATION (ALL MATTERS TO BE RESERVED) FOR THE RESIDENTIAL DEVELOPMENT OF UP TO 7 DWELLINGS TOGETHER WITH ASSOCIATED ACCESS AND PARKING ARRANGEMENTS AND ALTERATIONS TO 43 REPTON ROAD, HARTSHORNE, SWADLINCOTE**

The Principal Area Planning Officer updated the Committee regarding the position pre and post adoption of the Local Plan Part One, as planning permission had initially been granted prior to the Plan's adoption, its progression slowed by process and legal matters.

Mr Mark Mudge (applicant) attended the Meeting and addressed Members on this application.

Councillor Mrs Coe addressed the Committee as local Ward Member for Woodville, commenting on concerns voiced at parish council and residents association meetings, also noting the proposed site's location outside the village boundary and the provisions of the Local Plan, its character and the level of local development.

Councillor Taylor addressed the Committee as another local Ward Member for Woodville, referred to the previous decision to grant permission and that it was reasonable to maintain that decision, given the expenses incurred by the developer, also stating that the proposals fitted with the village.

Councillor Harrison, whilst noting that the proposals were no longer policy compliant, post Local Plan Part One adoption, queried if any precedent would be made if permission was granted. This theme was supported by Councillor Ford who did not wish to see the Plan undermined in any way, also stating that the Local Plan Part Two may not extend the village boundaries sufficiently to accommodate this area. The Principal Area Planning Officer stated that each application was considered on its own merit, so this decision could not be

generally held to set any precedent, but that another option would be to consider this as an exception site, as it met those criteria. Councillor Dr Pearson queried the number of other similar cases that this decision might influence, to which the Planning Services Manager confirmed that this case was the only one.

Councillor Mrs Farrington addressed the Committee as the other local Ward Member for Woodville, emphasising the need for housing in the area, albeit she would have preferred to see some bungalow provision.

The Vice-Chairman suggested, as the proposal was not policy compliant, that the application be deferred for it to be resubmitted as an exception site, seconded by Councillor Ford. The Planning Services Manager emphasised that despite any sympathy for the developer regarding the delays, the Local Plan Part One was now in place in law and any decision needed to be made in accordance with policy.

Councillor Richards expressed his view that, as matters had been delayed by issues beyond the developer's control, the previous decision should be honoured.

The Vice-Chairman stated that the Committee had a duty to comply with policy and proposed that a revised application be sought as an exception site. This proposal was not supported by Committee.

**RESOLVED:-**

***A. That delegated authority be granted to the Planning Services Manager to secure a Section 106 Agreement in pursuit of the contribution as set out in the report.***

***B. That planning permission be granted subject to the conditions set out in the report of the Director of Community & Planning Services.***

***Abstentions: Councillors Mrs Brown and Ford.***

PL/42

**APPROVAL OF RESERVED MATTERS FOR 210 DWELLINGS WITH ASSOCIATED INFRASTRUCTURE, PUBLIC OPEN SPACE AND LEAP OF OUTLINE PLANNING PERMISSION 9/2012/0568 (REVISION TO RESERVED MATTERS APPROVAL REF: 9/2015/0210) ON LAND OFF SWARKESTONE ROAD, CHELLASTON, DERBY**

Councillor Watson addressed the Committee as local Ward Member for Aston on Trent, stating his only concern was drainage at the site, suggesting that that a condition be enhanced to ensure drainage measures were implemented during construction rather than afterwards. The Principal Area Planning Officer referred to a typing error in the conclusion to the report, confirming that, to be compliant, the developer would need to accommodate drainage during construction, but that an informative could be issued regarding the matter.

The Vice-Chairman echoed concerns relating to drainage and flooding, but also raised the issue of parking provision. The Principal Area Planning Officer clarified the slight shortfall in the usual provision, although all plots had one parking space, most with two.

Councillor Richards queried a condition referred to earlier in the debate, which the Principal Area Planning Officer confirmed as being from the initial application, before reading the relevant condition from the case papers.

The Vice-Chairman sought further clarification regarding the drainage provision. The Planning Services Manager stated that construction had commenced and suggested that delegated authority could be granted to ensure that drainage issues were dealt with satisfactorily and that a letter be issued outlining the requirements before any enforcement action was taken, if required. Councillor Watson recommended that a time limit be applied to this requirement.

**RESOLVED:-**

***That planning permission be granted subject to the conditions set out in the report of the Director of Community & Planning Services. In addition, it was agreed that an informative be issued, reminding the developer of drainage requirements. It was further agreed that a separate letter be issued stating the requirement for a drainage scheme by no later than 31<sup>st</sup> October 2016.***

PL/43 **RESIDENTIAL DEVELOPMENT OF 27 AFFORDABLE HOUSING UNITS AT THE FORMER BRETBY POTTERY SITE, SWADLINCOTE ROAD, WOODVILLE, SWADLINCOTE**

This application was considered jointly with the application below.

PL/44 **LISTED BUILDING CONSENT FOR THE DEMOLITION AND REBUILDING OF THE EXISTING BOUNDARY WALL FRONTING THE SITE AT THE FORMER BRETBY POTTERY SITE, SWADLINCOTE ROAD, WOODVILLE, SWADLINCOTE**

It was reported that members of the Committee had visited the site earlier in the day.

Mr Anthony Rice (applicant's agent) attended the Meeting and addressed Members on this application.

Councillor Taylor addressed the Committee as local Ward Member for Woodville, querying noise, sustainability and drainage issues at the site, matters responded to by the Area Planning Officer. Councillor Taylor went on to cite the increased development in the area and its impact on the roads and local infrastructure; the history of the site, the site's industrial nature, the future of the Bretby Art Pottery building, the potential impact on local businesses and future residents, as well as social housing issues.

Councillor Mrs Farrington addressed the Committee as another local Ward Member for Woodville, querying the Highways Authority's failure to raise any objections and her view that the developer should still be obliged to make a Section 106 contribution.

Councillor Watson welcomed the opportunity to regenerate a dormant site, particularly with affordable homes, speculating that the industrial units currently surrounding the site may not necessarily remain commercial. He agreed that the access was not ideal, but that this applied to all current householders in the vicinity. Equally, whilst the noise issues were noted, the housing market evidenced the fact that house buyers would accept this and still purchase properties in such environments. The Councillor did however query the refuse bin storage provision. The Area Planning Officer confirmed that the plans had been amended to accommodate bin access from the rear of the properties.

Councillor Harrison noted that the report referred to the access road being private, querying its adoption status and concerns over approving an unadopted road. The Area Planning Officer confirmed that the road would not be adopted, but that it be capable of supporting refuse vehicles accessing the site, that it would remain the responsibility of the housing association, not the individual property occupiers. Councillor Richards also queried the maintenance of street lighting, to which the Principal Area Planning Officer stated that the long-term road / lighting maintenance could be made subject to condition.

Councillor Richards felt the noise at the site was unacceptable and was unable to support social housing allocation to this location. The Vice-Chairman commented that the scheme had much to recommend it and although it vastly improved on the current condition of the site, noise levels were a concern. It was noted that properties on the opposite side of the road were much closer to the road, but the Vice-Chairman queried the future maintenance of the proposed acoustic fencing. The Area Planning Officer stated that Condition 22 dealt with this matter, but that it could be further enhanced. Councillor Ford queried whether an enhanced planting scheme could be applied to the front of the development to assist with the noise issues; the Area Planning Officer confirming that there was some scope for landscaping.

Councillor Dr Pearson raised his concerns regarding the ground contamination issues at the site, emphasising that the proposed capping scheme may not be sufficient. The Principal Area Planning Officer referred to the relevant Condition and confirmed that the proposed scheme was compliant with requirements. Councillor Mrs Farrington expressed her belief that, given the previous use of the site, future health issues may be anticipated.

Councillor Taylor referred to the potential impact on businesses, in terms of their noise generation and its effect on the residential development. The Principal Area Planning Officer referred to expert opinion that stated the noise levels were deemed acceptable.

A vote was taken, but the officer's recommendation was not supported. However, no grounds could be determined.

The Planning Services Manager reminded the Committee of the requirement to provide grounds for refusal, that these had to be reasonable and that they may be subject to challenge and cost applications. The available grounds were read from the Planning Policy document and whilst grounds could be cited, there was no evidence to support them at this time.

Members also raised issues regarding land contamination and the conflict relating to the 2006 noise report as determined at appeal,

Councillor Richards questioned the right to quiet enjoyment and the Planning Services Manager confirmed that another noise report could be commissioned, at a cost, to provide a further objective assessment.

A vote was taken on the proposal to defer the application.

***RESOLVED:-***

***That the application be deferred pending the execution of a further noise report.***

PL/45     **THE ERECTION OF A SINGLE DWELLING AT 66 EGGINTON ROAD, HILTON, DERBY**

It was reported that members of the Committee had visited the site earlier in the day.

Councillor Mrs Patten addressed the Committee as local Ward Member for Hilton, expressing her concerns regarding the size of the building plot and the proposed development, along with its design. These points were noted and responded to by the Planning Services Manager.

***RESOLVED:-***

***That planning permission be granted subject to the conditions set out in the report of the Director of Community & Planning Services.***

Councillors Mrs Farrington and Mrs Patten left the meeting at 8.25pm.

PL/46     **THE CROWN CLEAN OF A PINE TREE COVERED BY SOUTH DERBYSHIRE DISTRICT COUNCIL TREE PRESERVATION ORDER NUMBER 77 AT LAND BETWEEN 20 AND 22 CHAPEL STREET, TICKNALL, DERBY**

Councillor Stanton addressed the Committee as local Ward Member for Repton, querying the appropriateness of locating forestry trees within residential locations.

**RESOLVED:-**

***That permission be granted subject to the conditions set out in the report of the Director of Community & Planning Services.***

***Abstention: Councillor Shepherd.***

PL/47 **SUSPENSION OF STANDING ORDERS****RESOLVED:-**

***That Standing Orders be suspended and that the meeting of the Committee continue beyond 8.30pm.***

PL/48 **PARTIAL DEMOLITION, REDUCTION IN HEIGHT AND RETENTION OF THE REMAINING STRUCTURE OF AN EXISTING OUTBUILDING FOR INCIDENTAL USE AT THE HILL LODGE, DEEP DALE LANE, BARROW ON TRENT, DERBY**

Councillor Watson addressed the Committee as local Ward Member for Aston on Trent, outlining his concerns regarding the application and the previous findings of the Inspector, proposing that the matter be rejected. The Principal Area Planning Officer responded to the points raised, also referring to the likelihood of an appeal and costs if the application was refused. The Planning Services Manager also attempted to clarify the current position, making reference to permitted development rights, that material considerations did not justify demolition of the building.

Councillor Dr Pearson expressed a view that as planning permission was only required as the application related to partial demolition, to do otherwise would not be appropriate in these circumstances. The Vice-Chairman queried the permitted development rights connected to the site. The Planning Services Manager confirmed that these rights had been withdrawn on parts of the site, but not in its entirety. Councillor Mrs Hall added her view that the building should be fully demolished, in accordance with the Inspector's original findings.

**RESOLVED:-**

***That planning permission be refused contrary to officer recommendation on the grounds that the building be demolished in accordance with the Inspector's original decision.***

***Abstentions: Councillors Roberts and Tilley.***

PL/49 **PLANNING AND OTHER APPEALS**

The Committee noted the planning appeal decision in relation to the following application:

9/2015/1072      Coton Park, Linton, Derbyshire

PL/50 **PROPOSED TREE PRESERVATION ORDER 426 AT TREE TOPS,  
FINDERN LANE, BURNASTON**

***RESOLVED:-***

That this Tree Preservation Order (TPO) be confirmed subject to a modification relating to the amended position of T6.

PL/51 **LOCAL GOVERNMENT ACT 1972 (AS AMENDED BY THE LOCAL  
GOVERNMENT (ACCESS TO INFORMATION) ACT 1985)**

***RESOLVED:-***

***That, in accordance with Section 100(A)(4) of the Local Government Act 1972 (as amended), the press and public be excluded from the remainder of the Meeting as it was likely, in view of the nature of the business to be transacted or the nature of the proceedings, that there would be disclosed exempt information as defined in the paragraphs of Part 1 of the Schedule 12A of the Act indicated in brackets after each item.***

**EXEMPT QUESTIONS BY MEMBERS OF THE COUNCIL PURSUANT TO  
COUNCIL PROCEDURE RULE No 11.**

***The Committee was informed that no questions had been received.***

The meeting terminated at 8.50pm.

The Committee was informed that no questions from Members of the Public had been received.

#### EDS/21 **QUESTIONS BY MEMBERS OF THE COUNCIL UNDER COUNCIL PROCEDURE RULE NO 11**

The Committee was informed that no questions from Members of the Council had been received.

**EDS/22    REPORTS OF THE OVERVIEW & SCRUTINY COMMITTEE**

The Committee was informed that there were no Overview & Scrutiny Committee reports for it to consider.

**MATTERS DELEGATED TO COMMITTEE****EDS/23    CORPORATE PLAN 2016-21: PERFORMANCE MANAGEMENT (1 APRIL – 30 JUNE 2016)**

The Director of Community and Planning Services and the Director of Housing and Environmental Services jointly presented the report to inform Members of the progress made during the first quarter of 2016/17, highlighting action being taken to address those areas not currently on target.

Councillor Stanton queried the noise complaints in terms of the private and social housing figures, responded to by the Director of Housing and Environmental Services.

Councillor Taylor referred to the planning appeal details, querying the action being taken and the cost impact on the Council. The Director of Community and Planning Services confirmed that assessments were made of the likelihood of appeals and their impact, along with consideration as to whether legal advice, further training and/or the commission of consultants could reduce such impacts. The Director also stated that details of the total costs were currently unavailable. Councillor Shepherd repeated his previous requests for costs details, querying the delay. The Director undertook to investigate the matter further.

**RESOLVED:**

***Members noted progress against the performance targets.***

**EDS/24    UPDATE TO PRIVATE HIRE LICENSING POLICY**

The Senior Licensing Officer presented the report to Committee, outlining the changes made to the policy submitted for approval.

Councillor Atkin queried the signage requirements, a matter explained by the Senior Licensing Officer. The Chairman suggested that to add clarity, it should be made clear in the policy that the signage must be displayed externally.

Councillor Shepherd raised the matter of delays with DBS renewal checks. The Senior Licensing Officer clarified the position in terms of some areas being more in backlog than others, but that the proposal to make it mandatory for all drivers to be signed up for the DBS online checking service would greatly reduce any such delays.

**RESOLVED:**

*Members approved the proposed changes to the Private Hire Licensing Policy, to come into effect on 1st October 2016.*

EDS/25 **WORK PROGRAMME 2016/17**

HCS/27 **REPORTS OF THE OVERVIEW AND SCRUTINY COMMITTEE**

There were no Overview and Scrutiny Reports to be submitted.

HCS/28 **CORPORATE PLAN 2016-21: PERFORMANCE MANAGEMENT**  
**(1 APRIL – 30 JUNE 2016)**

The Director of Community and Planning Services presented the report to inform Members of the progress made during the first quarter of 2016/17, highlighting action being taken to address those areas not currently on target, and the importance of Appendix D (Risk Registers) allowing members to see risks and measures in place to mitigate those.

The Chairman commended the report praising its layout and presentation. Councillor Mrs Coyle reiterated this and encouraged Members to note the successes in Appendix B to the report. Councillor Mrs Coyle praised the report and reminded members that as an evolving document, suggestions for further improvement to this report would be welcomed.

**RESOLVED:**

***Members noted progress against the performance targets.***

HCS/29 **OPEN SPACE, SPORT AND COMMUNITY FACILITY DEVELOPMENT**  
**UPDATE**

The Director of Community and Planning Services presented the report for Members to note progress on facility development. Members were informed that the Grove Active Zone Project and the Melbourne Sporting Partnership (MSP) scheduled to open in mid-September, with the Midway Community Centre due to open in October 2016.

The Chairman commended the achievements to date, with these coming to fruition, also commenting that Team GB's success at the Rio Olympics 2016 had also inspired people to make use these facilities.

Councillor Mrs Plenderleith commented on the MSP funding item being referred to Finance & Management Committee, requesting further information on the terms of the lease and repayment structure of the loan. The Director of Community and Planning Services advised that the project will be leased to the MSP for twenty-five years and then revert back to the Council. An agreement will be put in place to ensure the commitment to repay the loan by the MSP. Councillor Richards agreed that the Finance and Management Committee would provide the opportunity for Members to receive more detail to decide the structure and repayment of the loan.

Councillor Richards questioned whether alternative squash courts could be made available since the conversion of Grove Hall squash courts into the Apex Climbing Centre. The Director of Community and Planning Services commented on the low levels of use of squash courts but reassured Members that if climbing lacks popularity then it is possible to convert back to squash courts.

Councillor Richards expressed his appreciation of the facilities at Chestnut Avenue Community Centre explaining that they have been built according to

SASH (Standard Approach to Sports Halls), but highlighted that although the Hall was ideal for Sports usage, it was less suitable as a Community Centre due to the limited storage space and the logistics of accessing sports facilities through the meeting room. Councillor Richards suggested the creation of a mezzanine floor to deal with this problem. In addition Councillor Richards pointed out that there was a manhole on the football pitch that required addressing.

The Cultural Services Manager noted these comments, informed the Committee that the manhole issue had been resolved and undertook to investigate the storage matter further.

**RESOLVED:-**

- 1) Members noted progress on facility development.***
- 2) Members recommended to Finance and Management Committee the allocation of up to £50,000 from the Sport and Health/Youth Engagement Reserve towards the Melbourne Sporting Partnership project to complete the fitting out prior to its transfer to the Melbourne Sporting Partnership.***
- 3) Members recommended to Finance and Management Committee to enter into a loan agreement that the Melbourne Sporting Partnership repay the reserve fund allocation back to the Council with the loan secured against the freehold reversion of the land.***
- 4) Members noted the intention to negotiate with Sport England to secure £5,000 towards a Playing Pitch Strategy.***

Apologies were received from Councillors Mrs Coe, Hewlett (Conservative Group) and Southerd (Labour Group)

FM/48 **MINUTES**

The Open Minutes of the Meeting held on 16<sup>th</sup> June 2016 were taken as read, approved as a true record and signed by the Chairman.

FM/49 **DECLARATIONS OF INTEREST**

Councillor Harrison declared a prejudicial interest in relation to Item 8 Cockshut Lane Recreation Ground, Melbourne Sports Facility Project, by virtue of his Chairmanship of the Melbourne Sports Partnership and informed the Committee that he would leave the Chamber whilst this item was discussed.

FM/50 **QUESTIONS FROM MEMBERS OF THE PUBLIC PURSUANT TO COUNCIL PROCEDURE RULE NO 10**

The Committee was informed that no questions from members of the public had been received.

FM/51 **QUESTIONS BY MEMBERS OF THE COUNCIL PURSUANT TO COUNCIL PROCEDURE RULE NO 11**

The Committee was informed that no questions from Members of the Council had been received.

FM/52 **REPORTS OF THE OVERVIEW AND SCRUTINY COMMITTEE**

There were no reports of the Overview & Scrutiny Committee to consider.

FM/53 **CORPORATE PLAN 2016-21: PERFORMANCE REPORT (1 APRIL – 30 JUNE 2016)**

The Director of Finance and Corporate Services presented the report to Committee, highlighting various issues such as Housing Benefit applications, the improving sickness absence position and the latest situation in relation to the rollout of Universal Credit in the area.

Councillor Richards questioned the figures quoted under the rental income section, which the Director undertook to investigate and report back on. The Councillor also queried whether if the benefits processing continued below target there was a possibility of the DWP imposing another surcharge on the Council. The Director confirmed that whilst there was such a possibility, the situation was far less serious this time around and was therefore unlikely.

**RESOLVED:-**

***Members noted progress against the performance targets.***

The Chairman left the Chamber at 6.10pm.

FM/54 **COCKSHUT LANE RECREATION GROUND, MELBOURNE SPORTS FACILITY PROJECT**

The Director of Community and Planning Services delivered the report to Committee.

Councillor Watson thanked Councillor Mrs Plenderleith for raising this matter at the last Housing and Community Services Committee, resulting in more detail being applied to the loan repayment conditions. The Director confirmed that he had received a letter from the MSP confirming that they would be looking to repay the loan over 10 years starting after year 2. Councillor Atkins queried whether any penalty would apply if early repayment was made. The Director confirmed that no such penalty would be applicable.

**RESOLVED:-**

***1.1 Members approved the allocation of up to £50,000 from the Sport and Health / Get Active Reserve towards the Melbourne Sporting Partnership project to complete the fitting out of the clubhouse building prior to its transfer to the Melbourne Sporting Partnership.***

***1.2 Members approved entering into a loan agreement that the Melbourne Sporting Partnership repay the reserve fund allocation back to the Council over the period of the lease with the loan secured against the freehold reversion of the land.***

The Chairman returned to the Chamber at 6.15pm.

**FM/55 PROCUREMENT STRATEGY AND FRAMEWORK 2016 TO 2020****RESOLVED:-**

***Members approved the proposed Procurement Strategy and Framework for 2016 to 2020.***

**FM/56 HEALTH AND SAFETY: QUARTERLY REPORT APRIL TO JUNE 2016**

The Director of Finance and Corporate Services presented the report to Committee, adding that the Council had been awarded a ROSPA Gold Award, a rare achievement for local authorities.

Councillor Atkin queried the number of incidents reported onto the Health and Safety Executive from the total number of incidents. The Director clarified the criteria that governed such reporting, but assured Members that all incidents were investigated.

Councillor Watson commended the ROSPA Gold Award granted to the Council and, in relation to the report content, the separation of work and non-work incidents. The Chairman also commented on the ROSPA Award, suggesting that it being given some prominence, some publicity. It was agreed that the award be formally presented at the next Full Council.

**RESOLVED:-**

***Members noted the quarterly report and accident statistics.***

**FM/57 BUDGET AND FINANCIAL MONITORING 2016/17**

The Director of Finance and Corporate Services delivered the report to Committee, pointing out that the savings from the DSO restructure in 2015/16 would be fully utilised to meet the costs of seconding a post to the Waste Less Save More Project. In addition, the Director pointed out that along with all other Derbyshire authorities, the Council was looking to retain some kind of Business Rates Pool set-up, beyond the Retention provisions and would be responding to the government consultation accordingly. The Director also stated that following the recent bank rate cut, some banks were stating that they would charge for monies held on deposit if the rate went into the negative, although the Council's bank has stated no such intention.

Councillor Atkin queried whether this should be on the Risk Register, but the Director responded that any such risk was minimal given the sums involved.

The Chairman queried the allocation of funding, to which the Chief Executive responded that Districts were unlikely to see little funding once the allocations had been made to County and devolved authorities. The Chairman also requested an update on the NHS Trusts' application to be made exempt from Business Rates. The Director stated that no new information was available regarding this issue.

**RESOLVED:-**

***Members considered and approved the latest budget and financial position for 2016/17.***

**FM/58 LEASEHOLD FLAT INSURANCE**

The Director of Finance and Corporate Services presented the report to Committee and the Chief Executive outlined the legal position relating to the matter.

Councillor Wheeler outlined his view that whilst the matter was more complex than initially thought, he had some sympathy with leaseholders seemingly having to pay more for insurance and suggested deferral of the matter to gain further information and consider other options. Councillor Rhind supported the deferral proposal, but highlighted the fact that the leaseholders enter into the leasehold agreements aware of the insurance position, wary of any other costs that may result from changes in the lease documentation.

Councillor Wilkins queried the insurance position in various scenarios, which the Chief Executive clarified. Councillor Mrs Coyle also supported the deferral proposal, citing a need to look at how the premiums can be reduced or justified. The Chief Executive explained that subject to certain actions being carried out, the Council can make charges in excess of the market norm. Councillor Richards queried the less expensive insurances in the context of communal areas, access routes, etc. Councillor Smith referenced the information on such matters provided by the Association of British Insurers, suggesting that this be considered as part of the further research.

**RESOLVED:-**

***Members deferred the matter to a future Committee for further investigation of the options available.***

**FM/59 COMMITTEE WORK PROGRAMME****RESOLVED:-**

***Members considered and approved the updated work programme.***

**FM/60 LOCAL GOVERNMENT ACT 1972 (AS AMENDED BY THE LOCAL GOVERNMENT [ACCESS TO INFORMATION] ACT 1985)****RESOLVED:-**

COUNCILLOR J HARRISON

CHAIRMAN

PLANNING COMMITTEE

6<sup>th</sup> September 2016

**PRESENT:-**

**Conservative Group**

Councillor Roberts (Chairman) and Councillors Mrs Coe, Coe (substituting for Councillor Atkin), Mrs Hall, Harrison, Murray (substituting for Councillor Ford), Stanton, Watson and Wheeler (substituting for Councillor Mrs Brown)

**Labour Group**

Councillors Dr Pearson, Shepherd, Southerd and Tilley

**In Attendance**

Councillors Mrs Farrington, Mrs Plenderleith (Conservative Group) and Taylor (Labour Group)

PL/52 **APOLOGIES**

Apologies for absence from the Meeting were received on behalf of Councillors Atkin, Mrs Brown and Ford (Conservative Group).

PL/53 **DECLARATIONS OF INTEREST**

Councillor Southerd declared a personal interest in Item 1.7 on the Agenda by virtue of being the Chairman of the Derbyshire County Council Planning Committee.

PL/54 **QUESTIONS BY MEMBERS OF THE COUNCIL PURSUANT TO COUNCIL PROCEDURE RULE NO.11**

The Committee was informed that no questions from Members of the Council had been received.

**MATTERS DELEGATED TO COMMITTEE**

PL/55 **REPORT OF THE DIRECTOR OF COMMUNITY AND PLANNING SERVICES**

The Director of Community and Planning Services submitted reports for consideration and determination by the Committee and presented oral reports to the Meeting to update them as necessary. Consideration was then given thereto and decisions were reached as indicated.

PL/56 **CONTINUED USE OF LAND TO PROVIDE 5 GYPSY PITCHES INCLUDING RETENTION OF HARDSTANDING AND ACCESS ROAD ALONG WITH THE ERECTION OF AN AMENITY BUILDING, RETROSPECTIVE DRAINAGE WORKS AND LANDSCAPING ON LAND TO REAR OF 137-149 WOODVILLE ROAD, OVERSEAL, SWADLINCOTE**

The Chairman informed the Committee that this application had been withdrawn.

PL/57 **OUTLINE APPLICATION (ALL MATTERS EXCEPT FOR ACCESS TO BE RESERVED) FOR THE RESIDENTIAL DEVELOPMENT OF UP TO 15 DWELLINGS ON LAND NORTH OF BLACKWELL LANE, MELBOURNE, DERBY**

Mr Matthew Harnden (objector) and Mr Antony Duthie (applicant's agent) attended the Meeting and addressed Members on this application.

Councillor Harrison addressed the Committee as local Ward Member for Melbourne, stating that whilst he had had no objections in principle, subject to certain planning matters, he was minded to support the recommendation to refuse the application. The Councillor also expressed some concern regarding criticism of the process. The Principal Area Planning Officer addressed the criticisms raised in the correspondence referred to.

Councillor Watson stated that given the time taken to implement the Local Plan, this did not constitute a suitable Part Two site and supported the recommendation. Councillor Southerd expressed the view that whilst it was unfortunate for the developers on this occasion, the policy guidance was clear and should be adhered to, also supporting the recommendation.

***RESOLVED:-***

***That planning permission be refused as set out in the report of the Director of Community & Planning Services.***

PL/58 **OUTLINE APPLICATION (ALL MATTERS EXCEPT FOR ACCESS TO BE RESERVED) FOR THE DEVELOPMENT OF UP TO 72 DWELLINGS TOGETHER WITH ASSOCIATED ACCESS, OPEN SPACE, LANDSCAPING, INFRASTRUCTURE AND FACILITATING WORKS INCLUDING DEMOLITION ON LAND AT SK3119 0360, SK3019 9268 AND 61 COURT STREET, WOODVILLE, SWADLINCOTE**

It was reported that members of the Committee had visited the site earlier in the day.

The Principal Area Planning Officer confirmed the final dwellings number as 72 and as a result, the revised Section 106 figures and conditions.

Mr Graham Fergus (applicant's agent) attended the Meeting and addressed Members on this application.

Councillor Tilley addressed the Committee as local Ward Member for Swadlincote, raising concerns relating to access, not only during the construction period, but also afterwards. The Councillor also made reference to the long awaited Regeneration Route, commenting that its construction was no nearer. Councillor Coe, another Ward Member for Swadlincote, expressed his view that the additional traffic generated by the site could be manageable. Councillor Mrs Farrington, Ward Member for Woodville, stated that work on the Regeneration Route had been pending for too long, that traffic in the area was already congested for long periods each day. The Planning Services Manager confirmed that whilst work on the Regeneration Route was ongoing at the County Council, it could not be confirmed when matters would progress in terms of commencement.

Councillor Taylor, another Ward Member for Woodville, also addressed the Committee, outlining his concerns regarding access, congestion, the impact on the community, the topography of the site, school places, parking restrictions and the continuing delays with the Regeneration Route. Councillor Wheeler relayed his knowledge of where the Regeneration Route project, in that the land assembly had been completed, that an application was pending and that, in terms of funding, it was currently third on the list of Nottinghamshire / Derbyshire projects.

Councillor Southerd also referred to traffic issues, especially around the Clock Island, but also raised the issue of the apparent under-utilisation of the open space at the site and access to the site as a whole.

The Planning Services Manager, having quoted from the County Council report, which conceded that whilst there were congestion issues in the area, they would be mitigated by the proposed Regeneration Route, queried what might happen if, applications having been approved, the Route was not then built. The Planning Services Manager proposed that clarification be sought from the County Council.

Councillor Dr Pearson queried the position relating to the Local Plan five year supply, as the site did not feature in either Part One or the draft Part Two. Councillor Watson felt the application made good use of an empty, wasted site to benefit the housing supply, that the slope was manageable, that more could be achieved with the open space via funding, but noted that the choice of trees on the adjacent forestry plot avoid overly tall trees in order to avoid excessive shading. The Principal Area Planning Officer stated that the scheme was in line with the Development Plan, that it constituted a windfall site within existing settlement confines, important for managing housing supply.

Councillor Murray raised concerns regarding pollution in the area, especially the fumes resulting from the congestion, the potential for health issues and that the local health and education provision was already at capacity.

In light of the views expressed, the Planning Services Manager suggested that the application be deferred on the grounds of formally establishing the Derbyshire County Council Highways position.

**RESOLVED:-**

***That the application be deferred pending receipt of further information from the Highway Authority, in terms of the fall-back position in the event that the Regeneration Route becomes subject to serious delay.***

PL/59

**RESIDENTIAL DEVELOPMENT FOR 45 DWELLINGS, MEANS OF ACCESS AND ASSOCIATED GROUNDWORKS AND INFRASTRUCTURE ON LAND TO THE WEST OF MOIRA ROAD, WOODVILLE SWADLINCOTE**

It was reported that members of the Committee had visited the site earlier in the day.

The Principal Area Planning Officer clarified the outdoor sports funding figures and revisions to Condition 21.

Mr Richard Needham (applicant) attended the Meeting and addressed Members on this application.

Councillor Mrs Farrington addressed the Committee as local Ward Member for Woodville, drawing attention to the existing traffic congestion on Moira Road and the lack of any bungalows in the proposed development. Councillor Taylor, another Ward Member for Woodville, noted that historically the site was intended as a sustainable mixture of residential and industrial. The Councillor acknowledged the site owners as respectable developers, but that, in his opinion, the viability argument was weak, also lamenting the loss of land originally intended for employment use.

The Planning Services Manager also added that the Council were also disappointed at the loss of land for employment use, but that, given the unsuccessful attempts to sell the land over many years, this intended usage cannot be sought indefinitely. Councillor Watson viewed this as an opportunity to make use of a brown field site via a responsible developer. Councillor Mrs Farrington queried whether more funding could be directed towards health provision, but the Principal Area Planning Officer stated that no further funding was available for health care that would ensure compliance with the CIL Regulations 2010.

**RESOLVED:-**

***Subject to the transfer of public open space land surrounding the site and abutting the adopted highway along Moira Road to the Council:***

***A. The completion of a Section 106 Agreement to secure the financial contributions set out in the report.***

- B. That delegated authority be given to the Planning Services Manager to deal with the method of securing the pedestrian links adjacent to the site.***
- C. Subject to the above, that planning permission be granted subject to the conditions set out in the report of the Director of Community & Planning Services.***

Councillor Taylor left the meeting at 7.25pm.

- PL/60     **THE ERECTION OF AN AMENITY BUILDING (AMENDMENT TO INCREASE THE SIZE OF THE BUILDING PERMITTED UNDER PERMISSION REF: 9/2010/1085) ON PLOT 1A BROUGHTON CARAVAN PARK, SUTTON ROAD, CHURCH BROUGHTON, DERBY**

This application was considered jointly with the application below.

- PL/61     **THE SUB-DIVISION INTO 2 GYPSY PITCHES AND THE ERECTION OF AN AMENITY BUILDING ON PLOT 2 BROUGHTON CARAVAN PARK, SUTTON ROAD, CHURCH BROUGHTON, DERBY**

Councillor Watson requested that a site visit be conducted before the Committee consider these applications.

***RESOLVED:-***

***That the applications be deferred pending a site visit.***

- PL/62     **CHANGE OF USE FROM CAR PARKING TO MIXED USE FOR CAR PARKING AND/OR ACTIVITY AREA FOR EVENTS, ORGANISED ACTIVITIES/SCHEMES AND EXHIBITIONS AT MARKET HALL, MIDLAND ROAD, SWADLINCOTE**

Councillor Tilley made reference to the Wednesday night project use of the site, commending its continuation.

***RESOLVED:-***

***That permission be granted under Regulation 3/4 of the General Regulations subject to the conditions set out in the report of the Director of Community & Planning Services.***

- PL/63     **THE REMOVAL OF CONDITION 4 ATTACHED TO PLANNING APPLICATION 9/0891/0496 FOR THE FLATS TO BE USED FOR RESIDENTIAL PURPOSES (USE CLASS C3) AND TO BE TENNANTED BY SINGLE PERSONS AT 75 TO 89 ALEXANDRA ROAD, SWADLINCOTE**

The Planning Services Manager clarified the amended recommendation.

***RESOLVED:-***

***That permission be granted under Regulation 3/4 of the General Regulations subject to the conditions set out in the report of the Director of Community & Planning Services.***

Councillor Mrs Plenderleith left the meeting at 7.30pm.

PL/64 **ERECTION OF AN ON-FARM ANAEROBIC DIGESTION PLANT, FOR THE PROCESSING OF AGRICULTURAL MANURES, CROP AND CROP RESIDUES, WITH A TOTAL FEEDSTOCK CAPACITY OF 17,500 PER ANNUM; TOGETHER WITH WEIGHBRIDGE, COMBINED HEAT AND POWER UNIT, CONCRETE APRON, WOOD DRYING SHED, LANDSCAPING, MODIFICATIONS TO ACCESS, RE-PROFILING OF GROUND LEVEL AND ASSOCIATED INFRASTRUCTURE (COUNTY REF: CW9/0416/9) ON LAND AT SK3823 1506 (PART OF DERBY HILLS FARM) B587 FROM ROBINSONS HILL TO COUNTY BOUNDARY, MELBOURNE, DERBY**

Councillor Harrison addressed the Committee as local Ward Member for Melbourne, making reference to the local sensitivities to this application. However, the Councillor was satisfied that these issues had been addressed by officers.

**RESOLVED:-**

***That no objection be made to the granting of permission subject to the matters outlined in the report being considered and/or addressed to the satisfaction of the County Council.***

PL/65 **PLANNING AND OTHER APPEALS**

The Committee noted the planning appeal decision in relation to the following applications:

9/2014/1145      Jawbone Lane, Melbourne

The Principal Area Planning Officer drew Members attention to the detail of the above decision, in particular the weight given to the existence of a Local Plan, which contributed to the appeal's dismissal. Councillor Harrison commended the outcome and thanked the officer for his clarification.

9/2015/0682      Repton Road, Hartshorne  
9/2015/1064      Pack Horse Road, Melbourne

PL/66 **LOCAL GOVERNMENT ACT 1972 (AS AMENDED BY THE LOCAL GOVERNMENT (ACCESS TO INFORMATION) ACT 1985)**

**RESOLVED:-**

***That, in accordance with Section 100(A)(4) of the Local Government Act 1972 (as amended), the press and public be excluded from the remainder of the Meeting as it was likely, in view of the nature of the business to be transacted or the nature of the proceedings, that there would be disclosed exempt information as defined in the paragraphs of Part 1 of the Schedule 12A of the Act indicated in brackets after each item.***

**EXEMPT QUESTIONS BY MEMBERS OF THE COUNCIL PURSUANT TO COUNCIL PROCEDURE RULE No 11.**

***The Committee was informed that no questions had been received.***

The meeting terminated at 7.40pm.

The Committee were informed that no questions from members of the Public had been received.

OS/13 **QUESTIONS RECEIVED BY MEMBERS OF THE COUNCIL PURSUANT TO COUNCIL PROCEDURE RULE NO. 11**

The Committee were informed that no questions from Members of the Council had been received.

OS/14 **A REVIEW OF iPad PROVISION FOR ELECTED MEMBERS**

The Director of Finance and Corporate Services presented the report and summarised the responses to the consultation that Councillor Billings had coordinated with Members. The Director summarised that the iPads, primarily set up to read Committee papers, were being used by Members mainly for this function. Over the last three years, Members had suggested optimising iPad usage by incorporating the ability to access Microsoft Outlook, specifically, email and calendar as well as synchronising mobile devices with network desktops to avoid duplication of work. Since this report had been published,

the Director had liaised with the IT department and was advised that in order to facilitate the enhancement requests made by Members, there would be additional costs incurred.

A discussion ensued regarding the cost and longevity of upgrading the current iPads with additional software and whether replacement would be more cost effective and futureproof. Members suggested investigating alternative mobile devices in order to incorporate the improvements recommended in the consultation.

Councillor Mrs Patten commended the reliability of the tablet supplied by Derbyshire County Council and offered to provide the Director of Finance and Corporate Services with the model specification.

Councillor Bambrick questioned whether Labour Group members had been consulted during this process. Councillor Billings confirmed he had liaised initially with Councillor Dr Pearson who had advised that Councillor Tilley was the Information Technology (IT) Champion for the Labour Group. Councillor Dr Pearson advised that the Group's responses would likely have been similar to those mentioned already.

The Director of Finance and Corporate Services confirmed that the IT replacement budget could fund new iPads, but these costs would need to be reviewed alongside assessment of purchasing mobile devices that are futureproof. The Director advised that in order for Members to make a more informed decision, an update of costs and alternative mobile devices would be provided at a future Committee.

**RESOLVED:-**

***Members considered the feedback from the consultation on current iPad provision and reviewed the suggested areas for improvement.***

OS/15 **DERBYSHIRE COMMUNITY HEALTH PROVISION – Verbal Presentation**

Mark Roberts, General Manager of Derbyshire Community Health Services presented an overview of the Community Nursing Service in the Swadlincote and surrounding area to Members. Members were informed that the Community Nursing teams in Swadlincote are located at Swadlincote Health Centre with three District Nurses (DN) leading three sub-teams of Community Staff Nurses and Health Care Assistants that cover two surgeries each.

It was outlined that the Community Nursing provision runs until 6.15pm daily and that outside of these hours, an evening and night service is provided by Derbyshire Health United. Detailed information was provided on the numbers

of nurses providing health care during the week and weekends and the additional support provided by South Derbyshire Single Point of Access (SPA) team for crisis intervention and End of Life (EoL) care was also noted. Members were informed that the SPA service works closely with District Nurses and liaises with East Midlands Ambulance Service in order to facilitate care.

A discussion concerning the continuity and level of care in the home followed where Members provided examples of specific incidents. Mark explained that details of any complaint should be sent to the Patient Advice and Liaison Service (PALS) and each case would be investigated.

Councillor Dunn raised concern regarding the awards presented for EoL care, in that the wording seemed inappropriate. Members agreed that good work deserves recognition, but suggested the awards could be rephrased and given for excellent care, not EoL care.

Members discussed the recent talks to combine health and social care and the positive and negative implications of this. Members joined the Chairman in thanking Mark Roberts for the informative presentation.

OS/16 **REGULATION OF INVESTIGATORY POWERS ACT 2000 (RIPA) –  
QUARTERLY REPORT ON USAGE**

The Director of Finance and Corporate Services presented the report to Committee.

**RESOLVED:-**

EA/1 **Apologies**

Apologies were received from Councillor Andy Billings, Norman Ireland,  
Lis Kolkman, Councillor Mrs Amy Plenderleith and Councillor Andy  
Roberts.

EA/2 **Declarations of interest**

None.

EA/3 **Chair's announcements**

Councillor Mrs Lisa Brown presented statistics from the recent European  
Referendum in the first Area Forum to be held “post-Brexit”. There had  
been an enormous turnout of 76.8%, the biggest in South Derbyshire’s  
history and higher than the national average. A total of 22,479 people in  
South Derbyshire voted to remain in the EU, while 34,216 voted to leave,

roughly a 60-40% split. It had been an overwhelming vote for out in South Derbyshire. Councillor Mrs Brown said she was quite concerned regarding EU funding being spent in South Derbyshire on projects such as Digital Derbyshire. Substantial grants were received. While SDDC did not have any EU funding, DCC did. Measures would have to be sought to safeguard initiatives such as Digital Derbyshire.

Part One of the Local Plan had been adopted by SDDC dealing with major housing sites in the district. Part Two was currently being consulted upon.

EA/4 **To note the minutes of the meeting held on January 13<sup>th</sup>, 2016 (copy attached)**

The minutes of the previous meeting were agreed as a true record.

EA/5 **Report back on issues raised at the last meeting**

Mike Haynes (SDDC Director of Housing and Environmental Services) had been requested to attend the meeting to explain what could be recycled by the council. He reported that every resident received a calendar for collection specific for the area in which they lived. Posted with it was a leaflet stating what could be put in each of the council's bins. It was not possible to cover every single product that was made but what was possible to put in the bins. What could not go in the blue or brown bins went by default into the black bin. Any further questions could be answered by SDDC's Waste and Recycling Team. New residents in the district were sent information about the services and how to look after wheelie bins as well as the role of the Clean Team. In all, six sides of A4 paper was issued to new residents.

In South Derbyshire, there was no charge for composting bins. Black and brown bins were collected by SDDC, while the blue bin was collected by a council contractor (Ward's) before the waste was moved to recycling firm Palm Ltd on Teesside for recycling.

A resident said the leaflet provided had often been recycled by residents. He produced an example of the sheet he had produced for people in Etwall which showed what went where in the various bins. He said he felt the issue was one of communication. He asked why the rules had changed on black plastic trays, something he claimed other authorities went into detail on. He asked if it was to do with recycling machines which relied on light being unable to process it. Mr Haynes said the situation was confusing in the UK, with different authorities having different rules. Some used the private sector to recycle and some kept it in house. He explained that black plastic was a contaminating material at recycling plants. Some contractors removed it and some didn't. Palm, SDDC's contractor, did not recycle

black plastic. This should have been publicised to residents, but Mr Haynes' predecessor did not do this.

Mr Haynes liked the poster produced by the resident and said he would take it back to his directorate to see what could be done with it. He agreed that the situation was confusing. South Derbyshire as a district did well to hit its targets. The bottom had fallen out of the plastic market due to the low cost of oil making it cheaper to make new plastic than recycle it. Councillor Mrs Brown asked if Brexit would make a difference to the market. Mr Haynes said that was unclear with discussions still to take place on withdrawal from the EU. Nothing would change in the next two years as the UK would still be a member.

A resident added that the whole discussion was about the symptom and that it would be better to fix the problem at source by using fewer black plastic items. He asked how pressure could be brought on the supermarkets. Mr Haynes replied that it was down to the individual to make consumer choices that would affect the supermarkets. For example, he bought loose oranges and not the ones sold in plastic netting. As a council, there was not a lot that SDDC could do. Councillor Mrs Julie Patten reported that she had written to South Derbyshire MP Heather Wheeler to take up the point with Government, which she had. Some lobbying of the supermarkets had taken place and Councillor Mrs Patten suggested writing to the MP to see what progress had been made.

A member of the public said that people were starting to reuse plastic bags but that it had resulted in the closure of plastic bag manufacturer in Preston, Lancashire. Mr Haynes replied that it was a sad result of a noble campaign.

Councillor Mrs Brown reported that SDDC had launched a food waste initiative. Mr Haynes added that the council had won the Sainsbury's £1m Waste Less Save More campaign.

Councillor Mrs Brown asked where the waste from brown bins went. Mr Haynes replied that it went to a county council location in Burton. SDDC's figures on composting were good thanks to the council not charging for brown bins.

A resident asked what could be done with Tetra packaging. Mr Haynes replied that they went in black bins.

A member of the public asked when his wheelie bin would be replaced as it had been delivered in 1999 with a lifespan of 10 years. Mr Haynes said he did not know why the bins had been given a 10-year lifespan. If one was damaged, it would be replaced, he said. However, the bins were holding up quite well and it tended to be the hinges that broke. There was no intention to replace the bins en bloc.

A resident said there was no facility at the Egginton Lane tip to dispose of brown bin waste. Residents had to travel to Burton to dispose of their garden waste.

**ACTION: Mike Haynes to find out where in the district residents can dispose of compost waste if they have more than will fit in their brown bin**

Mr Haynes said that the council provided a service to move heavy bins for vulnerable people.

EA/6 **Public questions on issues raised by residents**

A member of the public reported that she and her husband had been unable to vote in the referendum and wanted to complain about the elections team at SDDC. They had informed the council two months prior to the referendum of their need for a postal ballot before June 7. Despite being clear on the date, their ballot paper arrived after they went away on holiday and they were unable to complete and return it. Councillor Mrs Brown apologised on behalf of the council.

**ACTION: Tom Sloan to report residents' issue to Electoral Services**

A resident asked about two outstanding planning applications. They claimed that Bloor Homes had started working on their site in Etwall before planning permission had been granted. He thanked Councillor Mrs Brown for voting against the development and said surely it was now an enforcement issue. Councillor Mrs Brown, the vice-chair of SDDC's Planning Committee, said it was still a live planning application and so she couldn't comment on it. However, there was a liaison group being set up and she hoped the developer would act in a neighbourly fashion. A resident said that Bloor Homes was delivering containers for site offices in Willington Road. Councillor David Muller said he hoped the liaison group would be set up fairly quickly. Enforcement officers had been out to the site three times, he added.

EA/7 **County council issues**

Nothing to report.

EA/8 **District council issues**

Nothing to report.

EA/9 **Date of next meeting**

The date of the next meeting would be announced in due course.

**Councillor Mrs Lisa Brown**  
**Chair**

The meeting terminated at 8.35pm.

**SOUTH DERBYSHIRE AREA FORUM**

**NEWHALL**

Wednesday June 29, 2016 at the Old Post Centre, Newhall

**PRESENT:-**

**District Council representatives**

Councillor Sean Bambrick (Chair), Councillor Paul Dunn, Councillor Mrs Linda Stuart, Councillor John Wilkins.

Kevin Stackhouse (Director of Finance and Corporate Services), Tom Sloan (Clerk).

**Derbyshire County Council representatives**

Councillor Sean Bambrick, Councillor Paul Dunn.

Paul Jameson (Area Forum Liaison Officer), Rob Lowe (Policy Unit).

**Parish Council / Meeting representatives**

None.

**Members of the public**

Pat Bambrick, K Bray, Howard Foy, Pamela Foy, Graham Hall, Richard House, Mick Lunn, Colin Maddock, R Trim, G Tubey, B Woods.

NA/1 **Apologies for absence**

Councillor Mrs Linda Chilton, Councillor Robert Pearson, Councillor Kevin Richards, Colin Dobson.

NA/2 **Declarations of interest**

None.

NA/3 **Chairman's announcements**

Councillor Sean Bambrick informed the meeting that Part One of the South Derbyshire Local Plan had been adopted. Part Two was now being consulted upon.

## **Thriving Communities**

Rob Lowe, who worked in the Chief Executive's Policy Unit at DCC, introduced himself to the meeting and explained how the Thriving Communities programme aimed to provide more flexible work at a community level, and to narrow gaps between providers and the communities they served. It would last three years and Newhall had been the community selected in South Derbyshire for the programme. It would allow DCC to better understand how services impacted upon local people. Evidence would be gathered and time spent with local people to better understand the "lived experience" in Newhall. That would allow services to be better tailored to people's needs. Around 12 families would be involved in a Day in the Life, where researchers would spend a day seeing what they did, earning the family £100 in gift vouchers. Councillor John Wilkins asked that if gaps were found in district services would the information be passed on? Mr Lowe replied that the project was about improving the community.

### **NA/4 The minutes of the meeting held on February 3, 2016**

The minutes were approved as a true and correct record. A member of the public queried whether under NA/27 the minutes should have read "SDDC would have to find savings of £1.5m a year by 2018-19" and not "in 2018-19". Kevin Stackhouse said from would have been a better description.

### **NA/5 Report back on issues raised at the last meeting**

#### **Rusty signs in St John's Drive and Tideswell Green**

An additional report back from Jayne Arnold (SDDC Street Scene Officer) was added to that provided by Steve Sheppard (SDDC Street Scene Manager). She reported that the nameplates in the two locations were in a good, readable condition. However, the uprights were rusty so she had arranged for them to be sanded and painted. An uprooted nameplate in Tennyson Avenue had been reported so she investigated and found them to all be in good condition. A resident added that the street signs were periodically uprooted and were in a rusty state.

**ACTION: Tom Sloan to report signs in Tennyson Avenue to the Street Scene team**

### **NA/6 Public questions on issues raised by residents**

A resident raised the issue of new homes built at the top of Wellwood Road, Midway, stating traffic levels and the amount of cars double parked in the area made it unacceptable. They asked if more spaces could be stipulated for a development? Councillor Bambrick replied that the application would have been dealt with under current planning regulations.

A member of the public reported that on Sunday, July 3, the new memorial would open at Newhall Park. The event would be attended by South Derbyshire MP Heather Wheeler, district councillors and the Lord Lieutenant of Derbyshire. Wreathes would be laid to those who lost their lives from the area. The resident also reported that Newhall Skate Park was in full operation and had proven a success, providing a great example of a community coming together. Councillor Bambrick said officers involved should be thanked for the work they put in.

A resident asked where £2.3m of Derbyshire County Council money allocated to members' projects in deprived areas was going to go. Councillor Bambrick replied that he and his fellow members wanted ideas from the community, such as "Super Kitchens" and projects which would bring people together. Councillor Paul Dunn added that the money – £7,000 in his case – would go towards initiatives that would bring people together, especially those who were isolated. However, anything set up would have to become self-funding in time. That was why volunteers were being sought to help run the projects. A resident said they could not believe that in 2016 there were soup kitchens and food banks in operation. Another member of the public asked if people would stay away from such projects because of pride. A resident said there was an opportunity to show people how to cook properly rather than just get the cheapest items from the supermarket.

NA/7 **County council issues**

A resident reported that on the footpath at the corner of Bretby Road and Rose Tree Lane tactile tiles had been run over and damaged. Councillor Bambrick added that he believed delivery lorries were responsible for running over the kerb and damaging the path.

**ACTION: Paul Jameson to report damage to highways inspector and provide a report back at the next meeting**

NA/8 **District council issues**

None.

NA/9 **Date of next meeting**

The next meeting would be held on a date to be announced.

Councillor Sean Bambrick  
CHAIRMAN

The meeting terminated at 8.35pm.

**SOUTH DERBYSHIRE AREA FORUM**

**REPTON**

**July 5, 2016 at Repton Village Hall**

**PRESENT:-**

**District Council representatives**

Councillor Michael Stanton (Chair), Councillor Andrew MacPherson, Councillor David Shepherd.

Mike Haynes (Director of Housing and Environmental Services), Tom Sloan (Clerk).

**Derbyshire County Council representatives**

Councillor Mrs Linda Chilton.

Paul Jameson (Area Forum Liaison Officer).

**Parish Council / Meeting representatives**

Charles Fellows (Stenson Fields Parish Council), M Goodall (Findern Parish Council), Fred Hill (Newton Solney Parish Council), Richard Lisewski (Stenson Fields Parish Council), John Orme (Willington Parish Council), Peter Rainey (Repton Parish Council), Steve Toone (Bretby Parish Council).

**Members of the public**

Heather Hall (Findern Footpaths Group), Pat Pearson, Grace Varty.

RA/1

**Apologies for absence**

Councillor Manjit Chahal, Councillor Rob Davison, Councillor Martyn Ford, Councillor Peter Smith, David Barker, Mrs Cunningham.

RA/2

**Declarations of interest**

None.

RA/3

**Chairman's announcements**

Councillor Michael Stanton announced that Part One of the South Derbyshire Local Plan had been adopted. Part Two, dealing with smaller developments, was now being consulted upon.

RA/4     **The minutes of the meeting held on October 13, 2015**

Councillor David Shepherd proposed the minutes and Councillor Mrs Linda Chilton seconded them.

RA/5     **Report back on issues raised at the last meeting**

**Bretby Lane, Bretby – drainage issues (issue from forum on 13.10.15)**

Paul Jameson (DCC Area Forum Liaison Officer) reported that positive noises were being made by Severn Trent Water and company could soon be in a position to disconnect their drain from DCC's sewer. He wished he had something more concrete to present to the area forum, but the ball was firmly in Severn Trent's court. A resident said they had seen one email from the company suggesting that the drainage on Moat Bank only served 10 properties. They hoped that DCC was pursuing the issue avidly.

**Askew Grove, Repton – pothole reporting process**

A resident had complained about a lack of pothole repairs at the location back in January. The AFLO had reported the situation to the pothole centre and remedial works had taken place. However, the same resident again asked about the repairs as the road was still in a poor state. Mr Jameson answered that the road had been identified for carriageway patching and was seeking confirmation whether funds to do this were available in the current financial year's programme.

**Stenson Road, Stenson Fields – request for crossing**

Residents and councillors had been calling for a crossing in the area, with DCC waiting for the nearby development to be finished before making a decision. Mr Jameson said the county council had always maintained the stance that it would look at the area again. A concern that vehicle numbers were only measured during the day and not at peak times had been passed on to the highways team.

**Milton Road, Repton – street lighting**

A suggestion for additional street lighting in Milton Road near to the new development had been suggested. Mr Jameson reported that the lighting had been installed.

**Petition for lighting outside Bladon House School**

DCC's Cabinet Member for Highways, Transport & Infrastructure was given a report and the petition on May 10, 2016. Councillor Mrs Chilton confirmed the petition had been rejected but added that the case could be reopened if further reasons could be put forward. She was personally very disappointed it had failed but hoped further information from a signatory could help in a new bid. Mr Jameson added that if a significant issue was brought forward that was not included the original petition, DCC would investigate further and respond appropriately.

**ACTION: Paul Jameson to be copied into email from Councillor Mrs Linda Chilton containing new justification for lighting**

#### **Findern Parish Council: VAS query**

A query had been raised with DCC regarding Findern Parish Council using funds to pay for a speed-activated sign (VAS) in the village. Mr Jameson reported that there had been no injury collisions in Heath Lane, where the sign was mooted, in the previous three years. Therefore, the area did not meet the criteria for a VAS. A resident asked that if the parish council was paying, surely they could have the sign? Mr Jameson said any signage on the highway had to be justified and DCC could not be seen to be operating a system of bias towards parish councils in affluent areas while poorer areas may not have been able to afford such signage. A member of the public said there was such a sign in Cockshut Lane, Melbourne. Mr Jameson confirmed it had been fitted before the current legislation was passed. He added that mobile VAS were believed to be more effective. Councillor Shepherd said that some of the places with VAS would not have had them now if the new 2012 criteria were applied.

#### **RA/6 Public questions on issues raised by residents**

A resident asked if advance minutes could be supplied for SDDC's annual Flood Liaison meeting. They said that minutes had only been given with the agenda for the next year's meeting.

**ACTION: SDDC to produce Flood Liaison minutes more rapidly following the meeting**

A member of the public complained about overgrown verges in Newton Lane and Bretby Lane. What had been a two-lane road was now akin to a tunnel and was getting dangerous. He feared that it could cause an accident. Councillor Stanton added that in his area it seemed that verges had grown excessively quickly. Mr Jameson said that two cuts a year were approved by DCC to ensure road safety. Mike Haynes (Director of Housing and Environmental Services) confirmed that SDDC was up to date with all of its cuts. Growing weather had been excellent with lots of sun and rain. There had been no frost in the winter to kill certain plants off, so this year's growth

was a continuation of last year's. His team has worked hard to keep on top of the situation.

A resident suggested the bus service through the villages of Findern, Willington and Repton be altered to reflect changing times. He suggested the Villager service from Trent Barton terminate at the Royal Derby Hospital, from where there was a regular bus service into the centre of the city. This would save time and allow a more thorough service to the villages. He asked if someone at SDDC could suggest this. Mr Haynes said it was probably a DCC issue. Mr Jameson said that if the Villager was a fully commercially-run service then it was down to the operator. DCC had a Public Transport Unit which talked to operators and it might be able to highlight the issue.

**ACTION: Paul Jameson to flag up possible Villager route change through Public Transport Unit**

Councillor Andrew MacPherson raised the issue of the speed limit between Repton and Willington, where drivers "put their toe down". He said it would make sense to keep the limit to 30mph between the villages, and not the National Speed Limit, as it currently was. Mr Jameson replied that DCC had to meet criteria, with the limit respecting the location. They were based on the level of development in the area. It was stipulated that on the edge of a built-up area the limit should be 40mph while in more rural environments it should be 60mph or potentially 50mph if there were certain hazards, such as a series of sharp bends. Drivers generally drove to the conditions and if they saw a limit which was inappropriate they would not keep to it and that brought the limit into disrepute. It then gave the police an enforcement issue.

A resident reported that the Willington Power Station site had been sold by RWE Npower. The new owners had written to the people of the village to say they would meet them in due course to discuss their plans for the site. Councillor MacPherson said he had had a meeting with the new owners, who own two other power stations. They had bought the site with a view to securing overseas investment to build a gas-fired power station. A resident asked if there was anything to stop the new owners applying for a change of use. Mr Haynes replied that technically they could, but whether they would be granted permission was a different matter. Councillor Shepherd added that with Part One of SDDC's local plan adopted, he thought the district would be protected from such developments.

A member of the public said that in Newton Solney there was some common land at the bottom of Trent Lane with signs up which said overnight stays was not allowed. Newton Solney Parish Council had received a Freedom of Information request asking which bylaw precluded overnight stays and wondered how to answer. Mr Haynes recommended they refer it to SDDC Legal and Democratic Services Manager Ardip Kaur.

A resident asked why the speed limit was 60mph between Stenson and Stenson Fields when it was 40mph between Melbourne and Stanton by Bridge.

**ACTION: Paul Jameson to investigate why the speed limits were different**

A member of the public theorised that the speed limit in Stenson village was unenforceable due to a lack of repeater signs. Mr Jameson refuted this and insisted the 30mph limit was entirely legal and enforceable. Repeater signs are permitted in rural 30mph speed limits where there is no street lighting.

RA/7 **County Council issues**

Councillor Shepherd reported that a meeting had taken place with the builder of the new development in Stenson Road. Assurances had been given that it would be completed by the end of the year. DCC had said it would look at criteria for a pedestrian crossing once the development was completed. Councillor Shepherd also looked to reinforce the campaign which had taken place to lower the speed limit now that properties fronted the road and street lighting was in place. Mr Jameson answered that the response from DCC would remain the same – the road met the criteria for a 40mph limit and a crossing would be considered when the development was completed.

RA/8 **District Council issues**

Councillor Shepherd said he had received complaints regarding footballs being kicked against an electrical substation in Eggesford Road, Stenson Fields. It was a problem for residents. A resident said that landscaping the area would be more effective a solution than putting up a 'no ball games' sign.

**ACTION: Zoe Sewter (SDDC Open Space and Facility Development Manager) to be asked for a report on the playing fields**

RA/9 **Date of next meeting**

To be announced in due course.

**Councillor Michael Stanton**  
CHAIR

The meeting terminated at 8.20pm.

**SOUTH DERBYSHIRE AREA FORUM**

**SWADLINCOTE**

Thursday, July 7, 2016 at St George and St Mary's Parish Rooms, Church Gresley

**PRESENT:-**

**District Council Representatives**

Councillor Gordon Rhind (Chair), Councillor Stuart Swann, Councillor Neil Tilley.

Stuart Batchelor – Director of Community and Planning Services.  
Tom Sloan – Clerk.

**Derbyshire County Council Representatives**

Councillor Mrs Linda Chilton.

Paul Jameson (Area Forum Liaison Officer).

**Parish Council / Meeting Representatives**

Alan Jones (Hartshorne Parish Council), Don Redfern (Woodville Parish Council).

**Members of the Public**

Christine Allen, Michael Barsby, Chris Bowley, Colin Dobson, Iain Hambling, Ron Lane, Mick Lunn, M Shepherd, R Thomas, Jon Whiten.

SA/1 **APOLOGIES**

Jenny Burley, Councillor Mrs Kim Coe, Councillor Robert Coe, Ken Dicken, Councillor Paul Dunn, Councillor Mrs Gill Farrington, Dot Shuttleworth, Councillor Trevor Southerd, Councillor Steve Taylor, Councillor Mrs Sandra Wyatt.

SA/2 **DECLARATIONS OF INTEREST**

None.

SA/3 **CHAIRMAN'S ANNOUNCEMENTS**

Councillor Gordon Rhind announced that Part One of the Local Plan had been adopted. Part Two was now under consultation.

SA/4 **THE MINUTES OF THE MEETING HELD ON FEBRUARY 2, 2016**

The minutes were agreed as a true and correct record of the previous meeting.

SA/5 **REPORT BACK ON ISSUES RAISED AT THE LAST MEETING**

**No Cycling signs**

A resident had asked when 'no cycling' signs were taken down from Swadlincote High Street. Paul Jameson (Area Forum Liaison Officer) reported that the signs in place were legally enforceable. There were no signs specifically for cyclists, but there was a no entry sign which a cyclist should not pass. DCC was unsure what signs had existed in the area. The resident replied that there used to be signs at the west end of High Street, by Birds, outside Peacocks and near to the Santander Bank. Currently, he said, few if any cyclists dismounted at the no entry signs. Another member of the public added that far more concerning was motorised vehicles coming through the area. Councillor Gordon Rhind said the issue had recently been discussed at a DCC meeting. Mr Jameson added that only the police could enforce drivers going past no entry signs. He would flag the issue up with police himself.

**Resurfacing of Moira Road, Woodville**

Mr Jameson reported that surface dressing would be carried out in the 2016-17 capital programme. A resident replied that it had been done and asked if the yellow lines along the road could be replaced. Mr Jameson said they would be repainted. The resident also added that the surface of a footpath from Moira Road into Tunnel Close was in a poor state and needed repairing.

**ACTION: Paul Jameson to provide a report into state of footpath at Tunnel Close**

**Pedestrian Activity at St George's Primary School (from November, 2015)**

DCC had been asked to extend the guard rail outside the school two meetings previously. Mr Jameson reported that unfortunately the pavement was not wide enough to allow such work.

**Flooding in Occupation Lane, Woodville**

Mr Jameson confirmed that some drain improvements would take place. A letter had been sent to Leicestershire County Council urging them to carry out preventative work on their side of the border. The letter had been sent in May and a response was still awaited. A resident added that there had been 18in of water lying in the road a few days previously.

### **Noise monitoring at Woodville Road scrap yard**

Stuart Batchelor (SDDC Director of Community and Planning Services) confirmed that the Environment Agency was the responsible authority for the Donald Ward site. SDDC's Environmental Health Manager was happy to carry out further noise testing if residents got in touch.

### **Moir Road recycling**

A resident had asked if waste collections could be made away from school entry times. SDDC had confirmed that contractors had been asked to visit at an alternative time.

### **Scrap metal pile heights at Woodville Road scrap yard**

The Environment Agency had been asked for clarity on how high scrap metal could be piled at the yard. A resident stated that only that day five workers at a scrap metal yard in Birmingham had been killed by falling debris. Mr Batchelor reiterated that it was an Environment Agency matter.

### **Broomy Farm Section 106 funding**

Mr Batchelor confirmed that the funding was for community use and could not just be spent in a specific area. The money had been split into two separate projects. A resident asked how enforceable the Section 106 funding was. Mr Batchelor replied that it was a legal agreement to pay after the sale of so many houses.

SA/6

### **PUBLIC QUESTIONS ON ISSUES RAISED BY RESIDENTS**

A resident asked if Section 106 funding could be sought for cemeteries. Mr Batchelor replied that cemeteries did not score that highly for funding, with developers not keen on providing space for burial as it had no commercial value for them. SDDC was seeking space within the urban core for burials.

A member of the public reported that vegetation from Coppice Side / Morrisons Island to the petrol station near Morrisons was overgrown. Trees had reached 20ft in height and bushes 10ft. DCC had promised, they said, to keep everything to 3ft in height. The growth meant that in Coppice Side oncoming traffic was obscured.

**ACTION: Paul Jameson to provide a report back on the growth**

A resident complained about the state of the Delph, which they said had deteriorated “since day one”. They claimed the road had been poorly resurfaced. They also complained about the quality of resurfacing in Civic Way. Councillor Rhind said that when Civic Way was done, it was one of the hottest days of the year and the new surface had churned up in the heat.

**ACTION: Stuart Batchelor to provide a report back on the state of the surface in the Delph**

A member of the public asked who prioritised works on the roads. Mr Jameson replied that DCC Highways Maintenance officers reviewed the condition of the county’s roads. It could appear that a road in good condition had been repaired, but often there could be structural issues underneath the top surface. A total of £23m would be spent on surface dressing and patching over a three-year period to prolong the life of roads by 10 to 15 years.

A resident asked what had happened to the ‘jet patcher’. Mr Jameson replied that DCC did not own the machines but hired them out periodically.

A member of the public asked how the £6.20 rebate from the previous year’s Council Tax bill would be paid. Councillor Rhind replied that it was deducted from this year’s bill.

A resident complained about vegetation growing in Chapel Street, Woodville, outside rented properties. It was knee-high along much of the street and was growing out of the kerb as well. Two council workers had previously been to cut it back.

**ACTION: Stuart Batchelor to report state of Chapel Street to appropriate SDDC department**

A member of the public asked if cabinets for bicycles at Green Bank Leisure Centre had been paid for by SDDC. Mr Batchelor replied that they were part of the £1m redevelopment of the leisure centre. The aim was to encourage people to commute by bicycle, reducing the number of cars on the road. Long-term, the lockers would recoup the initial outlay in terms of increased usage of bicycles and a reduction in car usage. Mr Batchelor also thanked the community for turning out for the Women’s Tour of Britain cycle race which passed through the area in June.

A resident asked what the situation was regarding the adoption of Castleton Park by DCC. Mr Jameson said he had met with Councillor Trevor Southerd at the beginning of the year and it seemed to be fairly close back then.

**ACTION: Paul Jameson to contact DCC Clerk of Works to ascertain adoption situation**

A resident asked if Excelsior Drive, Victory Close and Reliant Close had been adopted.

**ACTION: Paul Jameson to report back on whether the three streets had been adopted**

A member of the public asked where recent large planning applications sat in relation to Part One of the Local Plan. Mr Batchelor replied that major developments not in the plan would be rejected – but the developer could then appeal to the Government Planning Inspector, who could potentially overturn SDDC's decision. The resident asked what would happen if a development was proposed on a site not in Part Two of the plan. Councillor Rhind replied that until Part Two was adopted it was hard to reject an application. It would be easier once the plan was in place.

A resident complained that in Local Plan documentation, Woodville did not have its own page and was included with Swadlincote. Mr Batchelor replied that there would be no advantage or disadvantage in how the maps had been presented.

SA/7 **COUNTY COUNCIL ISSUES**

None.

SA/8 **DISTRICT COUNCIL ISSUES**

Mr Batchelor reported that a £1m refurbishment of the Grove Hall – with £500,000 from Sport England and £500,000 from SDDC reserves – was completed and had opened. The climbing facilities were unique in the Midlands. It was hoped the centre would end up hosting 200-300 climbers a day instead of the limited number of squash players who used the old facilities, bringing a lot more people into the town.

SA/9 **DATE OF NEXT MEETING**

The date of the next meeting was to be announced.

**Councillor Gordon Rhind  
Chair**

The meeting terminated at 8.30pm.

**SOUTH DERBYSHIRE AREA FORUM**

**AREA 3 – MELBOURNE AREA**

**Thursday, July 14<sup>th</sup>, 2016 at Shardlow Village Hall**

**PRESENT:-**

**District Council Representatives**

Councillor Jim Hewlett (Chair), Councillor Neil Atkin.

Frank McArdle (Chief Executive), Tom Sloan (Clerk).

**Derbyshire County Council Representatives**

Councillor Mrs Linda Chilton, Councillor Rob Davison.

Paul Jameson (Area Forum Liaison Officer).

**Parish Council / Meeting Representatives**

Paul Bickerton (Elvaston Parish Council), Rachel Cheshire (Barrow Parish Council), Wendy Earp (Melbourne Parish Council), Nancy Hawksworth (Shardlow & Great Wilne Parish Council), Jean Longley (Aston Parish Council), Alicia Mitchell (Shardlow & Great Wilne Parish Council).

**Members of the public**

None.

**Election of chair**

In the absence of Councillor John Harrison (Chair) and Councillor Peter Watson (Vice-Chair), Frank McArdle asked for nominations for Chair from the floor. Councillor Neil Atkin nominated Councillor Jim Hewlett.

MA/01 **Apologies for absence**

Councillor Mrs Hilary Coyle, Councillor John Harrison, Avril Record, Councillor Peter Watson.

MA/02 **Declarations of interest**

None.

MA/03 **Chairman's announcements**

Councillor Hewlett announced that Local Plan Part One had been adopted by SDDC and Part Two was currently being consulted upon.

MA/04 **The minutes of the meeting held on January 26<sup>th</sup>, 2016**

The minutes were proposed by Councillor Mrs Linda Chilton, seconded by Wendy Earp and approved.

MA/05 **Report back on issues raised at the last meeting**

**Swarkestone Causeway Enforcement Project**

Paul Jameson (AFLO) provided a report back on the project, stating that DCC was considering providing vehicle-activated signs (VAS) on main routes approaching the causeway. DCC had been obliged to review the project in light of police being unable to carry out enforcement. By the time of the next Melbourne Area Forum in the autumn, DCC would hopefully be in a position to provide clear proposals.

Councillor Rob Davison reported that he had spoken to Neill Bennett in DCC's Transportation Team and been told that the next step was a tendering exercise to see how much the signs would cost. A sum of £48,000 had been set aside for it. However, what the public needed to know was that these signs did not help with prosecutions and were merely a deterrent to HGVs using the route.

Mr Jameson provided the latest enforcement figures for the causeway since the previous meeting in January. Five drivers had been prosecuted for breaking the weight limit, paying a total of £1,400 in fines and £725 in costs. Another driver was due to appear in court for sentencing on July 14<sup>th</sup> and one further case was being investigated. Mr Jameson noted that several of the prosecutions were aided by photographic evidence provided by residents. Councillor Hewlett asked if a photograph and a statement from a resident were enough to bring a prosecution and Mr Jameson confirmed that they were.

**Double yellow lines outside Melbourne Senior Citizens' Centre**

Councillor Mrs Chilton had been tasked to raise the question with DCC but reported that the county council was no longer taking such measures.

**Poor state of road in Thulston**

Councillor Davison reported that he had notified DCC about the roads in Thulston in general terms. A large pothole opposite the Harrington Arms

had been fixed very quickly. Mr Jameson added that patching works were due to take place shortly in Ambaston Lane, Thulston.

### **Sandstone kerb stones at the Bay Tree, Melbourne**

Councillor Hewlett said the issue centred around the replacement of a sandstone kerb with one made from granite which could withstand the weight of a truck. Sandstone kerb stones had repeatedly broken but been replaced like for like because of the constraints of Conservation Area policies. Councillor Hewlett reported that SDDC was currently without a Conservation Officer so a decision on the kerb would have to wait until someone was in position.

### **MA/06 Public questions on issues raised by residents**

A resident complained about weeds being at least 5ft high on the 'old A6' before they were cut on the morning of the meeting. Weeds had also grown so high they had obscured the bus stop opposite the end of Thulston Lane. Before the recent cut, they had not been done at all in 2016, the resident claimed.

A member of the public reported a similar situation in Melbourne, saying the cuts got later and later each year.

Councillor Atkin reported complaints from around the Aston Ward in 2016 and linked accidents in Chell Lane to a lack of visibility from long grass on the verges. He questioned whether two cuts a year in rural areas was enough.

Mr Jameson confirmed that verge cutting was a DCC issue, with SDDC acting as agents. It was undertaken for safety reasons to ensure adequate visibility splays. The wet weather had worked against the county council this year, something several residents dismissed as an excuse.

A member of the public raised concerns about the state of a footpath running from Shardlow to Thulston which she claimed was overgrown with nettles and other weeds. It had also subsided in places. Another resident added that along a country lane between Shardlow and Ambaston, gullies for drainage had overgrown, presenting a hazard to pedestrians, cyclists and motorists.

Mr McArdle said he shared residents' concerns, living in a rural area himself. He did, however, believe the weather had been exceptional this year. He would seek some clarity on the situation regarding the number of cuts per year and report back to parish councils.

**ACTION: Frank McArdle to raise issue with relevant SDDC department and seek clarity on the council's responsibilities**

A resident said that road signs in the area were increasingly obscured by hedgerows and other vegetation and asked whose responsibility it was to clear them. Mr Jameson asked where and said if a sign was covered, a resident should ring DCC's call centre on 01629 533190 and the job would be assigned to a rapid response team. Currently, the team was limited by the bird nesting season.

A resident asked if there had been a rise in fly-tipping. They claimed there had been two loads of asbestos dumped in Barrow, one in the middle of the village and the other in Swarkestone Road. There was also the issue of continual dumping of furniture in Lowes Lane. Mr McArdle replied that SDDC was using every piece of technology it had available to combat the illegal dumping of waste. CCTV was being used and successful prosecutions brought as a result, some of which had attracted national publicity. However, the problem would never be eradicated as there would always be someone willing to take a risk to avoid paying to dump waste officially.

MA/07 **County Council issues**

Councillor Mrs Chilton said recent rainfall was a concern for Swarkestone Causeway, with the potential it had to damage what was an ancient monument. She would continue to beat the drum for the causeway, whose smooth operation was key for inward investment into South Derbyshire.

MA/08 **District Council issues**

Mr McArdle updated the meeting on the Community Governance Review taking place in Stenson Fields, Barrow and the unparished areas of Twyford and Stenson, where a range of options on redrawing parish boundaries was being considered. Letters containing a sizeable document were on their way out to every household in the areas affected. It contained numerous alternatives but Mr McArdle and his officers at SDDC could not make any recommendations to residents, it was for the public to have its say. The views of residents were needed by September, whereupon a second phase of the consultation would take place on the draft proposals. What had been decided would come into existence on April 1, 2017. A meeting would be held in the early part of September at a neutral venue – probably in Willington – to discuss the issue further. A resident thanked Mr McArdle for clarifying the review while Councillor Mrs Chilton agreed it was a complex issue which had been succinctly summarised. Councillor Davison asked how the public could make sense of such a complex document. He also warned that Twyford and Stenson was at great risk because if the new estate being built there was not absorbed into Stenson Fields, there would be no one to represent the new residents. That would result in Twyford and Stenson being governed by a semi-urban area. Mr McArdle replied that the

review was being conducted according to law. He asked for patience and reiterated the importance of people's responses to help his members reach the right decision. Councillor Davison asked if an FAQs sheet could be produced and Mr McArdle replied that it was impossible due to the constraints of the law.

Councillor Hewlett reported that an area of yellow hatchings in the car park behind the Lamb Inn, in Melbourne – where there used to be recycling bins – was now safe for parking. Motorists had previously been ticketed for parking there.

Councillor Hewlett added that the official opening of 45 new council houses, the first to be built in South Derbyshire since 1992, had taken place. A second phase would involve 11 more homes behind Swadlincote Fire Station which were currently being refurbished. There were also eight flats in Alexandra Road, Swadlincote, being considered for refurbishment.

MA/09 **Date of next meeting**

To be advised in due course.

LA/4     **THE MINUTES OF THE MEETING HELD ON JANUARY 27, 2016**

The minutes were agreed as a true record.

LA/5     **REPORT BACK ON ISSUES RAISED AT THE LAST MEETING**

**Derbyshire County Council issues**

**Sunken manhole covers**

The area affected had been repaired by DCC.

**South Derbyshire District Council issues**

**Empty house in Stanley Close, Netherseal**

A resident asked if there was anything further SDDC could add to what was contained in the report back, which stated that SDDC's Private Sector Housing Team was working towards a solution with all parties entangled in probate. The resident said the property was a blight on the area and wanted assurances SDDC was doing everything in its power to end the situation. Frank McArdle (SDDC Chief Executive) replied that there was nothing to add and that Environmental Health Manager Matt Holford was a dedicated officer who would not let the issue go.

**ACTION: Matt Holford to update the next Area Forum on the situation in Stanley Close, Netherseal**

LA/6     **PUBLIC QUESTIONS ON ISSUES RAISED BY RESIDENTS**

A member of the public raised the issue of a lack of 7.5 tonne signage entering Walton from the county border with Staffordshire. Paul Jameson (DCC Area Forum Liaison Officer) said he was aware of a potential issue in Staffordshire. There should have been one sign on the Staffordshire side of the rail bridge (in Station Lane) and there was an obligation to place a sign at the start of an area weight restriction. DCC's weight restriction team was following up on the issue. Mr Jameson asked for photographs of the offending vehicles and for any vehicles flouting the weight limit to be reported to DCC.

A resident asked who owned the footpath from Walton to Catton along the river bank.

**ACTION: Paul Jameson to report back on whether it is a designated public footpath**

A member of the public reported that signage at Rosliston Road South near Stapenhill had been removed when a development started on the Staffordshire side of the border. A temporary give way sign was still in place.

Councillor Mrs Beth Hall thanked DCC for improving the “appalling” state of the roads in the Seales. However, there were still many minor roads badly affected by potholes. Roads were in a poor state outside Netherseal Post Office, in Main Street, and at Burton Road, Coton in the Elms, near the junction of Elmslea Avenue. DCC had previously sent an inspector around the county to review the roads – was that still the case? Mr Jameson confirmed it was. Councillor Mrs Hall also asked where the cats eyes from the A444 had gone. Mr Jameson replied that they were removed for surface dressing and would be replaced in due course.

A resident asked whether a county council was liable for damage to a vehicle caused by a pothole which had been reported but not repaired within 48 hours. Mr Jameson replied that each case would be dealt with on its merits. There was an audit trail of complaints, but the timescale of repair depended on the class of the road involved.

A member of the public complained about loose stone chippings left on pavements along the A444, weeks after surface dressing had taken place. They asked whether DCC would clear the debris. Mr Jameson replied that it was not a clean process and it relied on vehicles bedding the chippings into the road. After 24 hours and then after seven days, a sweeper attended the scene to collect any loose chippings.

A resident reported 10mph signs left lying on the Green in Coton in the Elms. Mr Jameson replied that they would be collected.

An Overseal resident complained about the level of provocation from an applicant for planning permission in Burton Road, with works allegedly started without permission. Mr McArdle replied that he was unable to comment on a live planning application. He suggested the resident contact an enforcement officer at SDDC.

A member of the public asked if there had been any progress with the Walton bypass and new river crossing. Councillor Bob Wheeler said he had been told in January that work would start in April. SDDC was keen for the project to proceed and there was a limit to what could be built at Drakelow until the Walton bypass was completed. Mr McArdle said that there was absolutely nothing more his local members or officers could have done regarding the Walton bypass. The project was now in the hands of other bodies and there was nothing more SDDC could do except face the public, meeting after meeting, and answer the same questions in the same way. Councillor Wheeler added that DCC was of a different opinion to Drakelow Developments in terms of the paperwork being completed for the bypass.

A resident asked if the 30mph limit in Walton could be extended out towards Drakelow on Main Street. They claimed the drop to 30mph was too close to the built-up area of the village. Mr Jameson replied that he knew the area well and after a review it had not been considered suitable for a change of speed limit. There were national guidelines on limits and a 30mph limit should not be too far outside of a built-up area, with sporadic developments not counting. There was also a warning in place on the approach to the 30mph limit.

LA/7 **COUNTY COUNCIL ISSUES**

None.

LA/8 **DISTRICT COUNCIL ISSUES**

Mr McArdle reported that the National Forest had reached the 25-year mark. Eight million trees had been planted in that time and there were substantial plans to take the project forward in the next 10 years. The National Forest had reinforced a tremendous pace of change in South Derbyshire. Plans for the future were exciting for the forest. It already employed 4,300 people directly and indirectly and its success was thanks to the whole community of the district.

Mr McArdle informed the meeting of Community Governance Reviews under way in two areas of South Derbyshire – one in Newhall and Stanton and one in Barrow on Trent, Stenson Fields and the unparished areas of Twyford and Stenson.

LA/9 **DATE OF NEXT MEETING**

The date of the next meeting was to be advised in due course.

**Councillor Pat Murray**  
**Chair**

The meeting terminated at 8.05pm.
