S/A18 Local authority update and public Q&A

Cllr Mulgrew thanked Frank for his hard work for 40 years at the District Council and wished him well for the future.

The following Local Authority was given:

Beat the Street

Beat the Street is coming to Swadlincote! From 15th March to 26th April, Swadlincote is being transformed into a giant game! Beat the Street is a free, fun, walking cycling and wheeling game, which gets staff, pupils and their families out and about in the local area, having fun and keeping healthy.

Beat the Street is designed to get children and communities moving by helping people to make small changes, such as walking or cycling to school every day, to improve physical and mental health and help embed physical activity into everyday life. So far, 1.6 million people and 5, 000 schools have taken part in games in 154 places across the UK and beyond.

School children and local communities will be able to collect their game cards and register to play. Game card readers called 'Beat Boxes' will be positioned around Swadlincote including outside schools and in parks. Each time a player taps the Beat Boxes with their registered cards, they will earn points for their school or community team. The total number of points will be counted on the leader board, and winning teams will win prizes for their efforts.

We will have lots of events and pop-up games taking place between 15th March and 26th April, so keep checking the website: www.beatthestreet.me

Public Spaces Protection Orders extended for 3 years

Throughout September 2022 the Council consulted on a proposal to renew seven Public Spaces Protection Orders.

Public Spaces Protection Orders (PSPO) are a control measure, intended to deal with specific nuisances or problems in a defined area that are "detrimental to the local community's quality of life".

PSPOs have a lifespan of three years and the seven existing Orders were due to expire in January 2023. The consultation processes identified widespread support for the continuation of the Orders and so the Council have extended them all until January 2026.

The seven PSPOs include:

Dog Fouling PSPO. Which makes it an offence for any owner not to pick up after their dog in all land open to the public in South Derbyshire.

Dogs on Lead PSPO. This makes it an offence for any owner not to keep their dog on a lead in any of the 23 parks and open spaces named in the Order.

Littering from Vehicles PSPO. This made the registered owner of a vehicle legally responsible for any litter thrown from their vehicle.

And the Staker Lane & Lowes Lane PSPOs. Which give the Council the power to put a gated entrance to a small length of public highway and prohibited unauthorised vehicles from accessing the lanes which are flytipping hotspots.

Breach of any of the PSPOs can result in a £100 fixed penalty notice or prosecution carrying a fine up to £1,000.

Copies of all of the Orders are published on the [PSPO section of the Councils website](#) and the Councils Environmental Health Facebook account contains regular information about recent fixed penalties which have been issued.

Delph works to start in Swadlincote town centre

Work is due to start in February to remove and replace the existing Sandstone paving on the Delph with new hard wearing granite disruption with pedestrian access to the businesses around The Delph remaining available at all times.

The works are anticipated to be completed by the end of April 2023 but will depend on weather conditions during the winter.

During the works Swadlincote Market will be relocated to High Street. Market days and times will be as normal - Tuesdays, Fridays and Saturdays.

South Derbyshire District Council has also recently completed works to improve the frontages to Numbers 5-15 West Street, with contemporary grey cladding installed across the top of the building and matching first floor windows for the shops fronting on to The Delph.

Works to regenerate the vacant land between Midland Road and Belmont Street, known as Bank House/Sabine's Yard will also get underway in the coming weeks.

Social Housing Decarbonisation Funding – Wave One

Phase 1 works to extract and replace cavity wall insulation and install additional loft insulation have been completed at Kendricks Close (Hartshorne) and residents are already reporting being able to reduce the settings of their heating controls whilst remaining comfortably warm.

Work at Peniston Rise (Melbourne), Resthaven (Swadlincote) and Bailey Avenue (Overseal), has commenced and the final scheme at Gresley Woodlands commences in early February.

We have and continue to build a constructive working relationship with the contractor and the customer engagement activities are bringing positive benefits as evidenced by very few customer queries or complaints being received.

Phase 2 works to install high heat retention double glazing and doors at all properties is expected to start in early February with all works expected to be completed by 31st March 2023.

Voter Identification

From May 2023, all electors who wish to vote in person, including those acting as a proxy on behalf of another individual, will be required to produce an accepted form of photographic identification (photo ID) at polling stations before being provided with a ballot paper.

The Cabinet Office has decided to introduce this requirement to reduce cases of voter fraud. The requirement was brought in under the Elections Act 2022, and the relevant sections are now in force.

This requirement will apply to:

- UK Parliamentary General Elections
- Local Elections
- Local Referendums
- Police and Crime Commissioner Elections
- Recall Elections

The first poll this will apply to will be the local elections on Thursday 4 May 2023.

A comprehensive communications campaign will advertise the requirements in plenty of time across a broad range of channels before this policy is implemented nationwide.

What types of photo ID will be accepted?

Poll Clerks will be able to accept many forms of identification, including:

- Various concessionary travel passes
- PASS cards
- Ministry of Defence identity cards

- Photocard parking permits issued as part of the Blue Badge scheme
- Driver's licenses
- Passports

Expired photo ID will also be accepted, as long as the photograph is still a good likeness of the elector.

If you have any other questions or queries, please contact the Council Elections Office, or the Councils Website.
