SERVICE DELIVERY RISK REGISTER (LAST UPDATED – Q3 –December 2018)

Risk	Corporate theme/aim	Rating and current position	Risk treatment	Mitigating actions	Change since last quarter (Q2)
SD1 - Loss of income to the Housing Revenue Account	Outcomes Maintain Financial Health	On-going potential reduction in income through 1% rent reduction for general needs tenancies until 2020/21. Performance on rent collection still in top quartile in quarter one. Likelihood is low and impact is significant.	Treat the risk through continuous action and review.	Income policies/processes are being revised. The Council has invested in I.T. solutions to maximise opportunities to collect income and support those in financial difficulty. Increased focus on collection of rent and other housing debt.	No change to rating or treatment.
SD2 - Failure to collect financial contributions or to enforce the delivery of obligations within Section 106 Agreements.	Outcomes Maintain Financial Health	Failure to collect financial contributions or to enforce obligations within Section 106 Agreements. Likelihood is unlikely but the impact is significant.	Treat the risk through continuous action and review.	Implementation of new software is almost complete. The Planning Services review sets out the role of Planning Policy in monitoring and administering Section 106 agreements. A full review of roles and working procedures is being completed.	Likelihood has reduced but the impact has remained the same since the last quarter.
SD3 – Safety standards	People Protect and help support the most vulnerable, including those affected by financial changes.	Failure to comply with basic safety standards in flats/blocks with communal areas. Work has been undertaken to put specialist fire and asbestos contracts in place. Likelihood is medium and impact has potential to be significant.	Treat the risk through continuous action and review.	Process underway to update safety procedures for fire, gas, electricity, legionella and asbestos to ensure the Council has appropriate controls in place to manage risks. Progress made so far includes: • Fire safety contractor appointed • Gas servicing 100% compliant • Electrical testing contractor appointed • Legionella - sheltered schemes testing in	No change to rating or treatment.

				place, void properties shower heads/deadlegs removed • Asbestos testing contractor appointed • Asbestos removal contractor appointed Whilst the likelihood is reducing as contractors complete outstanding works, it remains medium.	
SD4 – Universal Credit	People Protect and help support the most vulnerable, including those affected by financial changes.	Loss of income to the Housing Revenue Account through full roll out of Universal Credit (UC) from November 2018. There is still uncertainty as to the financial impact of this but the Council has plans in place working with internal/ external stakeholders to manage this process. Likelihood is medium and the impact is moderate.	Treat the risk through continuous action and review.	Welfare Reform Group, including key internal/external partners, meets on a monthly basis to manage roll-out against an agreed action plan. Invested in I.T. solutions to maximise opportunities to collect income and support those in financial difficulty. Allocations Policy review in 2019. The changes to the 'roll out 'of 'UC' may delay the full impact. The likelihood is reducing but remains 'medium'	No change to rating or treatment.
SD5 – Reduction in funding for Sport and Health	People Increase levels of participation in sport, health, environmental and physical activities.	Reduction of Council funding into Sport and Health Service. Unable to source external funding to service. Reserve fund being depleted for sources other than Sport and Health service delivery. Likelihood is low and the impact	Treat the risk through continuous action and review.	Forward budget planning over a number of years. Approvals for reserve spend to secure staffing positions up to March 2020 initially. Lobby to maintain current funding contribution that the Council makes towards the service and for an increased contribution if Elected Members want the current levels of service to be maintained post March 2020.	Likelihood has reduced due to short term funding being secured since the last quarter but the impact remains the same.

		is moderate.		Continually seek external funding opportunities to support service delivery.	
SD6 – Affordable housing delivery	Place Facilitate and deliver a range of integrated and sustainable housing and community infrastructure.	Not achieving the maximum delivery of affordable homes with the resources/options for delivery available. Homes are being delivered under Shared Ownership and Affordable Homes Programme (SOAHP). Strategic Housing consulted on every planning application to ensure maximum affordable housing achieved subject to viability. Right to Buy receipts are utilised to capacity. Government announcement about increased headroom in the borrowing cap for local authorities. Likelihood is unlikely and impact is moderate.	Treat the risk through continuous action and review.	Homes and Communities Agency (HCA) grant programme 2017-21 through SOAHP. Negotiation of 30% affordable homes on all new sites. Enable deliver of 100% affordable sites in conjunction with Registered Providers. Support Registered Providers through bidding process. Utilise Commuted Sums/Right to Buy receipts where possible and Housing Revenue Account (HRA) reserves and headroom. New build Council Housing.	This risk has been removed. At this time there is no risk that the Council will fail to meet its future affordable housing delivery targets. The target has already been exceeded for 2018/19 and there are a significant number of 100% affordable sites coming forward during 2019/20.
SD7 - Insufficient supply of affordable homes to meet Council needs relating to allocations and homelessness	Place Facilitate and deliver a range of integrated and sustainable housing and community infrastructure.	Insufficient supply of affordable homes. Will significantly exceed target for affordable delivery again in 2018/19. New build Council housing under construction and acquisitions under consideration. Likelihood is unlikely and impact is moderate.	Treat the risk through continuous action and review.	Up-to-date housing needs data. Ensure delivery of affordable units through Section 106 and planning conditions. Work with Homes England to deliver Council new builds. Review Allocations Policy to reflect need and available stock. Acquisition of on-site affordable homes directly from developer.	This risk has been removed. See SD6 above for rationale.

SD8 - Failing infrastructure at Rosliston Forestry Centre.	Place Support provision of cultural facilities and activities.	Failing Infrastructure at Rosliston Forestry Centre. Rosliston Forestry Centre project team meets on a fortnightly basis to manage ongoing issues at the facility. Regular meetings held with the Forestry Commission. Likelihood is low but the impact would be moderate	Treat the risk through continuous action and review.	Review condition survey as part of strategic planning. Make invest to save business cases. Improve Planned Preventative Maintenance (PPM). Engage tenants. Keep senior management team informed. Six monthly review of risk.	Impact has reduced since last quarter due to work to manage the assets but the likelihood remains the same.
SD9 - Failure to meet housing delivery targets set out in the five year supply.	Place Facilitate and deliver a range of integrated and sustainable housing and community infrastructure.	Failure to meet housing delivery targets. Local Plan is in place which sets out the five year supply. Latest monitoring for 17/18 indicates the Council was performing above target with an upward trajectory. Likelihood is low but the impact would be significant.	Treat the risk through continuous action and review.	Monitoring/review of performance ongoing. Active pursuit of schemes and opportunities. Develop action plan(s) where necessary.	No change to rating or treatment.
SD10 - Failure of IT infrastructure that supports Planning Systems, LLPG and Land Charges.	Place Facilitate and deliver a range of integrated and sustainable housing and	Ongoing issues with IT infrastructure that supports Planning systems. Likelihood is medium and the impact would be significant.	Treat the risk through continuous action and review.	A new solution has been selected and a contract awarded. An accelerated project plan is being formulated as well as specialist support engaged to ensure that the new solution goes live as soon as practicable.	No change to rating or treatment.

	community infrastructure.				
SD11 – Community Safety Partnership funding	People Protect and help support the most vulnerable, including those affected by financial changes.	Potential funding shortfall for the Community Safety Partnership. The Safer South Derbyshire Partnership currently obtains annual funding totalling £60,000 from the Derbyshire Police and Crime Commissioner and Derbyshire Police. Likelihood is medium but the impact would be moderate.	Tolerate the current situation and keep under review.	There is no long-term commitment to continue this funding. However, there are Partnership reserves in place which would assist in a gradual decrease in budget rather than a major cut to all initiatives. The Council is in the second year of a three-year funding agreement with the Police and Crime Commissioner (PCC) for £25,000 per year Community Safety Funding. The Council receives £35,000 per year Basic Command Unit funding from the Chief Superintendent. This is received annually with no long-term commitment.	No change to rating or treatment.
SD12 – Melbourne Sports Park	Place Support provision of cultural facilities and activities throughout the District. People Increase levels of participation in sport, health, environmental and physical activities.	Failure to deliver against external funder requirements at the Melbourne Sports Park (MSP). Ongoing discussions with national funders. Likelihood is low but the impact would be significant.	Treat the risk through continuous action and review.	Regular Steering Group meetings. MSP Board has acknowledged issue and sought Council support. Monitoring and evaluation meeting with key funder held, sink fund issue acknowledged and partners working collectively to resolve. Specialist consultants have been engaged and have identified optimum drainage solution. Melbourne Sporting Partnership and Melbourne Rugby Club engaged in partnership work about requirements and solutions.	No change to rating or treatment.

				Committee report outlining issues and requesting investment to resolve presented and approved. Follow up report required. Engagement has taken place with landowner on site permissions.	
SD13 – Sinfin Waste Plant	People Reduce the amount of waste sent to landfill.	Impact on delivery rounds of diverting all residual waste to Sinfin Waste Plant. Move to Sinfin now to be phased over three years, giving time to minimise impact on delivery rounds. Likelihood is unlikely the impact would be moderate.	Treat the risk through continuous action and review.	Agreement now reached with Derbyshire County Council (DCC) to allow for a phased transition. Amendments to collection rounds to minimise impact on costs, with no effect on residents. Experience of deliveries into Sinfin has given more certainty on impact which is reduced from significant to moderate.	Impact has reduced from last quarter but no change to likelihood.
SD14 – Tree Management	Outcomes Enhance Environmental Standards	Failure to manage the Council's tree stock in line with adopted Tree Management policy. Likelihood is low but the impact would be significant.	Treat the risk through continuous action and review.	Review of approved Tree Management Policy underway. The Council has engaged additional temporary support from outside the organisation to undertake essential inspections of tree stock.	New risk
