Dear Sir/Madam

CIVIC AMENITY SERVICE – SATURDAY MORNING REFUSE COLLECTION
SERVICE: - 2007/8

The Council has listened to the community's feedback through the "Ideas into Action" initiative. One concern raised was that there is only one Civic Amenity site provided by the County Council in South Derbyshire (the facility at Park Road, Newhall).

The Council is lobbying the County Council to increase the provision. As an interim measure, I am pleased to inform you that the Council is reinstating the free Saturday morning Refuse Freighter service for those areas of the district that are more than five miles away from the site at Park Road, Newhall.

The service is provided for the collection of household waste and, for your information, I attach a sample poster detailing items that cannot be collected due to operational and health and safety reasons.

I attach a proposed schedule of visits for the year.

Times at your agreed site are from 07:30 to 11:30am each Saturday. Dependant on locations the vehicle will remain on site during these times, on occasions it may be necessary for the vehicle to leave site earlier if this is the case the vehicle will return to site and clear any waste that has been left.

If you have any queries regarding the above please do not hesitate to contact me on 01283 595769.

Yours faithfully

M Chell
Finance & Performance Manager
