

2nd Quarter Performance Monitoring Template

HEALTHIER COMMUNITIES		A healthier and more active lifestyle across all communities		
LSP Board Owner		Consultant Public Health, Derbyshire County PCT		
Difference we want to make		An increased life expectancy across all communities		
Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
SDCVS Chief Executive	Review Community Support Referral Scheme to support effective re-implementation which will involve development of a project and delivery plan.	the number of referrals into service increases by 20% per annum from 2012 after baseline established. the number of organisations referring per annum increases to a total of 10 by 2014.	Base line currently zero referrals through GP practices - arranged to talk at January Practice Meeting of Swadlincote Surgery.	In process of arranging initial meetings with stakeholder; in process of determining if additional resource is needed.
SDCVS Chief Executive	Develop and implement Mystery Shopper project: to assess gaps in district-wide information and produce report with recommendations.	to make recommendations to local stakeholders to improve service.	Agreed to focus on older people's services. Project brief to be written and Steering Group established by March 2010.	Initial discussions taking place to devise project brief.

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
HEALTHIER COMMUNITIES			A healthier and more active lifestyle across all communities	
LSP Board Owner			Consultant Public Health, Derbyshire County PCT	
Difference we want to make		Reduced health inequalities		
Head of Environmental Services SDDC	Develop Baby-friendly award in partnership with hospitality sector and private sector. Partners identified, resources identified, action plan agreed in 2010 and Award agreed 2011.	the number of Baby-friendly businesses achieving award increases to 10 by 2014.	Initial meeting between Head of Environmental Services and PCT taken place; links made with "young mums" group to progress initiative - a need to identify funding for pilot.	Exploring other funding streams to support this initiative and other uses of current capacity.
PCT Stop Smoking Service	Level 1 brief intervention training/ stop smoking support targeting young people.	the number of frontline staff completed brief intervention training increases with 5 per annum completing training from 2011.	In development.	
SD CVS/ RSLs	Health Champion initiative in partnership with district housing providers in identified areas with significant health inequalities areas. Project plan and resources agreed in 2010.	the number of Health Champions (Housing) trained increases with 5 per annum from 2012.	Initial factfinding undertaken by PCT Public Health on a similar model, currently piloted in Erewash. Project start with HLO recruitment/expected January 2010.	Identifying funding (for training) to support initiative; PCT Public Health Officer agreed to support as necessary in the interim.

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
Health Strategy Manager PCT	Develop district Alcohol Harm Reduction Care Pathway specific to Housing providers, associated partners and vulnerable service users such as the homeless population. Identify partners in 2010 and pathway developed by 2011.	the rate of increase of Alcohol-harm related hospital admission rates decreases by 1% per year (NI39). Benchmark to be confirmed.	Adaptation of county care pathway to meet south derbyshire needs - in progress.	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
HEALTHIER COMMUNITIES		A healthier and more active lifestyle across all communities		
LSP Board Owner		Consultant Public Health, Derbyshire County PCT		
Difference we want to make		Reduced levels of obesity		
SDDC (Healthy Lifestyle Officer)	Develop volunteer Health Champion (workplace) project. Steering group and project plan agreed in 2010 and resources to be identified in 2011.	<p>the levels of obesity (BMI of 30 and above) are reduced from a district ratio of 1 in 4 (2008) to the County levels of 1 in 5 by 2014.</p> <p>the numbers of volunteer Health Champions (workplace) are increased, delivering from 2 per annum in 2012 to 3 per annum by March 2014.</p>	Project start with HLO recruitment/ expected January 2010.	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
HEALTHIER COMMUNITIES		A healthier and more active lifestyle across all communities		
LSP Board Owner		Consultant Public Health, Derbyshire County PCT		
Difference we want to make		Increased levels of physical activity across communities		
GAIF Development Manager	Produce at least two support tools (i.e. pod casts, downloadable routes, mini-maps) per annum to increase active living opportunities “on your doorstep” across the district – walking routes, cycling routes.	the active participation in sport is increased from 21.4% (2008) to 25.4% in 2012 (NI 8).	Series of four walk leaflets produced to promote the use of local open spaces by surgery staff. Funded by Natural England and The NHS Alliance this is an excellent tool but the present funding stipulates that the leaflets can only be distributed by health professionals to targeted patients. Additional funding is required to produce a further batch of leaflets for general distribution.	
GAIF Development Manager	Add value to Nordic walking initiative through training of at least two more per year volunteers to support additional activity.	the active participation in sport is increased from 21.4% (2008) to 25.4% in 2012 (NI 8)	At present no funds available to train additional leaders. Liaising with Derbyshire Sport and looking to host a training course at Rosliston.	Exploring funding sources.
SDCVS	Establish and co-ordinate district community food activities programme and links to physical activity opportunities through establishing district steering group and producing project plan.	PI and benchmark to be agreed.	Big Lottery Local Food bid submitted. If this is unsuccessful additional resources may be needed to co-ordinate the steering group.	Hope to submit stage 1 funding application to BLF.

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
Head of Leisure & Community Development SDDC	Continued development to support long term sustainability of Get Active in the Forest project.	we maintain annual participations on the Get Active in the Forest project at 12,000.	Last Quarter figures exceeding projected target: Participations 5180, participants 1172.	Still pursuing sustained resources for future years eg. BLF Access to Nature funding

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
HEALTHIER COMMUNITIES		A healthier and more active lifestyle across all communities		
LSP Board Owner		Consultant Public Health, Derbyshire County PCT		
Difference we want to make		Improved access to services for all and particularly older communities		
SDDC (Healthy Lifestyle Officer)	Implement actions to meet identified need from older persons needs assessment - free swimming, dancing, etc.	physical activity levels of people aged 55 plus increased from 8.2% (2008) to 14% by March 2014.	Dance presentation at 50+ forum AGM. Steering Group established to plan sessions beginning Autumn 2009.	
SD CVS	In liaison with South Derbyshire Practice-based commissioning (PBC) consortium and local partners, an action will develop with older residents to consult on home independence needs locally. Project plan agreed in 2010 report commissioned in 2011 and final report in 2012. Consider services post-hospital discharge and make recommendations to meet gaps in provision.	consultation process will enable a benchmarked PI to be agreed.	Project Brief to be written by March 2010.	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
HEALTHIER COMMUNITIES		A healthier and more active lifestyle across all communities		
LSP Board Owner		Consultant Public Health, Derbyshire County PCT		
Difference we want to make		Increased mental well-being		
Health Strategy Manager PCT	Support implementation of Mental Wellbeing impact assessment across the LSP Sustainable Community Strategy (and subsequent subgroup action plans). Agree criteria in 2010 and action across LSP subgroups in 2011 and make sure that LSP actions have all undergone assessment in 2011.	there is increase in the number of people referred for psychological therapies (IAPT/NHS, 2009) Benchmark to be set.	Work developing to agree project plan.	
Health Strategy Manager PCT	To host a Mental Wellbeing event (pilot event).	there is increase in the number of people referred for psychological therapies (IAPT/NHS, 2009) Benchmark to be set.	HC group agreed event in March, at Rosliston Forestry Centre aimed at MH service users and carers and local organisations with an interest.	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
SUSTAINABLE DEVELOPMENT Sustainable existing and new communities that meet the population's needs and aspirations				
LSP Board Owner		SDDC Chief Executive		
Difference we want to make		Adequate, appropriate and affordable housing for all, in well-served communities		
Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
Operations Director SDCVS	Produce a community information pack to be distributed on new housing estates, providing details of local services including voluntary support and promoting use of the town centres.	new housing estates to receive information on local services.	Exploration of options underway.	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
SUSTAINABLE DEVELOPMENT		Sustainable existing and new communities that meet the population's needs and aspirations		
LSP Board Owner		SDDC Chief Executive		
Difference we want to make		A robust and diverse economy, resistant to downturns and providing a strong base for sustainable growth		
Economic Development Manager SDDC	Stage an event to brief businesses affected by the downturn on the advice and support that is available.	the percentage of small businesses showing employment growth increases by March 2014 (NI 172). Benchmark to be confirmed.	A multi-agency 'Recession & Recovery Business Briefing' held on 3 June at Sharpe's Pottery Museum attracted almost 70 attendees.	
Senior Sector Development Manager Job Centre Plus	Stage an advice fair to support residents affected by the downturn to get back into work, training or self-employment.	the percentage of small businesses showing employment growth increases by March 2014 (NI 172). Benchmark to be confirmed.	A 'Beat the Crunch' Free Advice Event held on 11 September at the Town Hall with numerous partners exhibiting attracted over 60 people.	
Market Towns Officer (DCC)	Benchmark the performance of the centres in Swadlincote and Melbourne and deliver training events for retailers.	the percentage of small businesses showing employment growth increases by March 2014 (NI 172). Benchmark to be confirmed.	A retailer training course held at Sharpe's Pottery in September attracted shopkeepers from both Swadlincote and Melbourne.	
Economic Development Manager SDDC	Work with East Staffordshire Borough Council to identify and develop cross boundary economic opportunities.	the percentage of small businesses showing employment growth increases by March 2014 (NI 172). Benchmark to be confirmed.	Initial discussions have been held.	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
Economic Development Manager SDDC	Develop the attractions and facilities at Sharpe's Pottery Museum through the appointment of a project manager and capital works.	we achieve a growth in visitor spend (bi annual survey) from £128.84m (2007) by £1.5m per year to March 2014.	Funding secured from DDEP; Project Manager appointed to the Trust; Lease agreed for land adjacent to the Museum buildings.	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
SUSTAINABLE DEVELOPMENT		Sustainable existing and new communities that meet the population's needs and aspirations		
LSP Board Owner		SDDC Chief Executive		
Difference we want to make		Sustainable employment and support for people to access the skills required		
Director of Employer Engagement and Marketing Burton College	Stage town centre events that use cultural activities to engage residents in education and training.	the proportion of the population aged 19-64 for males and 19-59 for females qualified to at least Level 2 or higher rises (NI 163) (Benchmark to be confirmed).	The series of summer events took place in Swadlincote and were promoted in local shops around the town. There was reasonable interest. Analysis of learner recruitment from the Swadlincote area following this promotion is being undertaken.	
Housing Strategy Manager SDDC	To research the extent of worklessness amongst social housing tenants, together with routes to re-entering the workforce.	the proportion of the population aged 19-64 for males and 19-59 for females qualified to at least Level 2 or higher rises (NI 163) (Benchmark to be confirmed).	Currently reviewing the list of social housing tenants and investigating ways of obtaining data of those with a household member unemployed.	
Senior Sector Development Manager Job Centre Plus	Research the need and demand for greater out-of-hours childcare provision where it is potentially a barrier to accessing employment or training.	Research complete.	Update awaited.	
Senior Sector Development Manager Job Centre Plus	Explore the provision of post-employment support.	Research complete.	Update awaited.	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What are we doing to bring the Action back on track?
SUSTAINABLE DEVELOPMENT		Sustainable existing and new communities that meet the population's needs and aspirations		
LSP Board Owner		SDDC Chief Executive		
Difference we want to make		High quality development that minimises impact on the environment		
Economic Development Manager SDDC	Implement the Swadlincote Gateways programme of environmental improvements on prominent sites and key arterial routes.	60 trees planted in town centre and prominent gateways by March 2011.	Design and costing of works nearing completion; Contracting processes underway; Promotion of business grants underway.
