1.0 Recommendations

1.1 That the Committee notes the updated position on the services delivered from the Swadlincote Health Centre, following the discussions at this meeting with Health Service Representatives.

2.0 Purpose of Report

2.1 To receive an update on the services delivered from the Swadlincote Health Centre.

3.0 Detail

3.1 In 2008, the Committee undertook a scrutiny review of NHS dentistry and out of hours services delivered at the Health Centre in Civic Way, Swadlincote. This review was concluded in December 2008, with a report to the Housing and Community Services Committee in March 2009 (Minutes Nos. OS/27 and HCS/57 refer).

3.2 At the Overview and Scrutiny Focus Session and the subsequent Committee meeting in June, there was further discussion about health scrutiny and an update was requested. Officers contacted the Derbyshire County PCT, to request updates on both NHS dentistry and the services delivered at the Health Centre in Civic Way, Swadlincote.

3.3 An update was submitted to the Committee's meeting on 27th October 2010, which included a list of the services now delivered from the Swadlincote Health Centre and responses to a number of specific questions on dentist services.

3.4 Members noted the report, but requested more specific details on the services delivered from the Centre. There was a consensus that representatives of the PCT should be invited to attend a meeting, to discuss the services provided and numbers of patients that received them. As a result, this special committee meeting has been arranged. At the time of circulating the report, details are still awaited of the health representatives that will be present.

3.5 It was agreed that Members be given the opportunity to submit questions, which would be provided to the PCT representatives in advance of the meeting. This has been undertaken.
