Knowledge and understanding of the key concepts involved in environmental awareness for all employees

Overview

The need for businesses to address environmental issues has never been greater. Tendering requirements, changing needs of lenders and investors and increasing legislation are forcing businesses to address their environmental performance. This qualification has been designed for middle managers and supervisors who have responsibility for decision-making, managing budgets, allocating tasks and meeting performance targets. It will also enable them to take corrective action and be confident in dealing with environmental issues and customer queries.

Outline programme

The qualification covers the following topics:

- Environmental issues
- Pollution
- Business and the environment
- Energy and water
- Waste management
- Transport
- Environmental law
- Environmental management

Qualification information

Designed for:	All employees
Course duration:	6 hours minimum
Assessment method:	30 multiple choice questions
QCA Accredited:	No
Level:	Level 1
Suggested progression on completion:	CIEH Environmental Management Certificate

Deliver this qualification

For details of exam entry and candidate support material prices please see [Registering to deliver CIEH qualifications](#) or contact Customer Support on 020 7827 5800 (option 1) or email customersupport@cieh.org.
