i) the grant of a lease of the recreation area at the Badger Hollows Leisure Park, Coton Park, Linton to the Linton Parish Council for a term of 25 years at an initial peppercorn rent, with detailed heads of terms to be agreed with the Director of Community Services.

ii) the payment by the District Council to the Linton Parish Council of revenue support of £14,000 phased over the first three years of the lease.

2.0 Purpose of Report

2.1 To recommend to Finance and Management Committee to grant a lease of the recreation area of the Badger Hollows Leisure Park, Linton to the Linton Parish Council.

2.2 To recommend to Finance and Management Committee to give revenue support to the Parish Council, as previously agreed in principle.

3.0 Detail

3.1 Members are referred to the Director of Community Services' report to this Committee on 3rd February 2005. This report outlined the background to the Council's acquisition of the Badger Hollows Leisure Park and its plans, on full completion of the capital works, for the future management of the site. These works are now substantially complete and establishing and formalising on going management of the site is now an imperative.

3.2 In that report it was mentioned that the Linton Parish Council were committed to managing the recreation area once work on site had been completed, possibly by taking a long lease of the site. Members resolved, in principle, to grant revenue support of £14,000 to the Parish Council for the ongoing management and

maintenance of the site, the payment to be phased over a three-year period. It was also agreed, in principal, that this could be front loaded with say £8k in year 1, £4k in year 2 and £2k in year 3. The Parish Council would then fund the future maintenance and management of the site.

3.3 Discussions have taken place with the Parish Council and it is proposed that they now be granted a 25-year lease of the site, at an initial peppercorn or nominal rent, subject to confirmation of the revenue support from the District Council.

3.4 Now that the establishment of the new recreation is substantially complete it is intended, at the October meetings of this Committee and Finance and Management to provide options for disposing of the existing recreation area. A plan identifying the new and the existing recreation area is attached at Annexe A.

4.0 Financial Implications,

4.1 Allowances for the £14k contribution have already been made in the Council's financial forecast for future years.

5.0 Community Implications

5.1 The completed new leisure area offers an excellent community facility for both the residents of Coton Park and the wider catchment area of Linton, Castle Gresley and parts of the Swadlincote urban area.

6.0 Conclusions

6.1 The grant of the lease to the Parish Council will finalise the management and maintenance arrangements for the recreation area at the Leisure Park.
