Details of representation (please use additional sheets where necessary)

I am objecting to the extension of the licensing hours on the grounds that this will cause additional public nuisance to that which already exists.

Already the local residents have late night customers talking loudly and smoking and banging car doors until well after midnight. Cigarette ends, bottles and cans are frequently left on my front drive.

It is a relief when the loud music stops and it is distressing to think this will continue into the early morning.

The Victorian terrace houses and my converted terrace bar feels the vibrations from the bass music and my bar shudders. In a conservation area it should be protected from such events. The old Public Hall may have had a licence for drink & dancing but the 21 experience of such is very different. Please do not add to our concerns. Apart from this I wish the Council well!

Once the Licensing Section has received this form you will receive a written acknowledgement. Your representation will be forwarded to the applicant and/or their representative who may contact you in order to discuss your representations.

This form must be received by the Licensing Authority within the statutory representation period.
