DC/143. **TOWN AND COUNTRY PLANNING ACT 1990, SECTION 172 (AS AMENDED)**  
**UNAUTHORISED ERECTION OF REPLACEMENT GREENHOUSE AT THE DIMPLE, WOODSHOP LANE, SWARKESTONE**

It was reported that following a complaint received, a site inspection at the above location had revealed that a replacement greenhouse had been erected at the rear of the dwelling, which was a detached house occupying a corner plot. The property was situated within the Swarkestone Conservation Area and as the greenhouse exceeded ten cubic metres in capacity, a planning application was required to authorise its erection. The owner of the property had been contacted but had declined to submit an application to regularise the matter.

The building had been erected in a relatively unobtrusive position at the rear of the dwelling and was constructed of materials that were not inappropriate. Its overall height did not exceed two metres and its appearance had a neutral effect on the Conservation Area. The building was not out of accord with The Dimple, which was a relatively modern dwelling and in view of these planning considerations, it was considered that enforcement action would be difficult to justify at appeal.

**RESOLVED:-**

*That no action be taken on the matter.*

DC/144. **TOWN AND COUNTRY PLANNING ACT 1990, SECTION 215**  
**UNTIDY CONDITION OF LAND AT THE REAR OF NO. 105 HASTINGS**  
**ROAD, SWADLINCOTE**

It was reported that following a complaint received, site inspections had been carried out at the above site, which was situated at the rear of a former newsagent's shop. The land was badly affected by litter and overgrown vegetation and the boundary fence and wall were also in a dilapidated condition. The owner had been contacted but had taken no action to tidy the land.

The land was situated in a prominent position at the junction of Stanhope Road and Church Avenue, Swadlincote and its current appearance had an adverse effect on the amenities of the surrounding property and the area in general.

**RESOLVED:-**

*That an Untidy Site Notice be served under the provisions of Section 215 of the Town and Country Planning Act 1990 to secure the tidying of the land as set out in the report of the Planning Services Manager and if necessary, subsequent legal proceedings also be authorised.*

DC/145. **REPORT OF THE PLANNING SERVICES MANAGER**

The Planning Services Manager submitted reports for consideration and determination by the Committee and presented oral reports to the Meeting to update them as necessary. Consideration was then given thereto and decisions were reached as indicated.

DC/146. **PLANNING APPROVALS**

**RESOLVED:-**

*That the following applications be granted, subject to the conditions set out in the reports of the Planning Services Manager:-*

- (a) Outline application (all matters except means of access to be reserved) for the erection of five dwellings (main house excluded from application site) at Eureka Lodge, Newhall Road, Swadlincote (9/2002/0840/O) – the applicant company would also be advised that a future application to secure the retention of Eureka Lodge would be welcomed.*
- (b) The erection of a conservatory and garage at Tulip House, Derby Road, Aston-on-Trent (9/2002/1024/F) - subject to the amendment of Condition No. 3 to apply to both garages.*

DC/147. **APPLICATIONS DEFERRED FOR SITE VISITS**

(Councillor Harrison declared a personal interest in the matter as a resident in the street concerned and a friend of the applicant.)

Reference was made to additional correspondence from the Parish Council.

(Councillor Shepherd declared a personal interest in the application, being involved with the Co-operative Society.)
